**PROXY STATEMENT**

## **SOLICITATION AND REVOCABILITY OF PROXIES**

The trustee of the Trust, Bank of America, N.A. through its U.S. Trust, Bank of America Private Wealth Management division (the Trustee), requests your proxy for use at the Special Meeting of unit holders of the Trust ( Unit Holders ) to be held on , , 2014, at : .m., local time, at , Fort Worth, Texas 76 , and at any adjournment or postponement thereof. By signing and returning the enclosed Proxy you authorize the persons named on the Proxy to represent you and to vote your Units at the Special Meeting. This Proxy Statement and the form of Proxy were first mailed to Unit Holders of the Trust on or about , 2014.

This solicitation of proxies is made by the Trustee of the Trust. In addition, the Trust has engaged AST Phoenix Advisors (the Proxy Solicitor) to assist in the solicitation of Proxies for the Special Meeting, and it estimates that it will pay the Proxy Solicitor approximately \$60,000, including the fee of the Proxy Solicitor plus certain costs and expenses. The Trust has also agreed to indemnify the Proxy Solicitor against certain losses arising out of its services.

Representatives of the Trustee may solicit proxies personally or by telephone, telegram or other forms of wire or facsimile communication. The Trust may also request banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of Units that those companies hold of record. The Trustee will pay the costs of the solicitation, including reimbursement of forwarding expenses and fees and expenses of the Proxy Solicitor; however, Southwest Bank has agreed to reimburse the Trustee for 60% of the costs and expenses of the proxy solicitation in connection with the Special Meeting and meetings (or solicitation of written consents in lieu thereof) of unit holders of the six other trusts for whom Bank of America will resign as trustee not to exceed an aggregate of \$360,000 for all seven trusts.

If you attend the Special Meeting, you may vote in person. If you are not present at the Special Meeting, your Units can be voted only if you have returned a properly signed Proxy or are represented by another proxy. You may revoke your proxy at any time before it is exercised at the Special Meeting by (a) signing and submitting a later-dated proxy to the Trustee, (b) delivering written notice of revocation of the proxy to the Trustee, or (c) voting in person at the Special Meeting. In the absence of any such revocation, Units represented by the persons named on the Proxies will be voted at the Special Meeting.

TABLE OF CONTENTS

## **VOTING AND QUORUM**

The only outstanding voting securities of the Trust are the Units. As of the close of business on the Record Date, there were 6,000,000 Units outstanding and entitled to be voted at the Special Meeting.

Each outstanding Unit is entitled to one vote. The presence, in person or by proxy, of Unit Holders who hold Units representing a majority of the outstanding Units will constitute a quorum at the Special Meeting. The Trustee, upon approval by the holders of a majority of the Units who are present or represented by proxy at the Special Meeting, will have the power to adjourn the Special Meeting from time to time without notice, other than an announcement at the Special Meeting of the time and place of the holding of the adjourned meeting, until a quorum is present. At any such adjourned meeting at which a quorum is present, any business may be transacted that may have been transacted at the Special Meeting had a quorum originally been present. If the adjournment is for more than 30 days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting will be given to each Unit Holder of record entitled to vote at the adjourned meeting. Proxies solicited by this Proxy Statement may be used to vote in favor of any motion to adjourn the Special Meeting, even if a quorum is not present. If a motion to adjourn the meeting is approved but sufficient proxies are not received by the time set for the resumption of the Special Meeting, this process may be repeated until sufficient proxies to vote in favor of the proposals described in this Proxy Statement have been received or it appears that sufficient proxies will not be received. Abstentions and broker non-votes will count in determining if a quorum is present at the Special Meeting. A broker non-vote occurs if a broker or other nominee attending the meeting in person or submitting a proxy does not have discretionary authority to vote on a particular item and has not received voting instructions with respect to that item.

TABLE OF CONTENTS

## **PROPOSAL ONE APPOINTMENT OF SUCCESSOR TRUSTEE**

On January 9, 2014, the Trustee submitted a notice of its resignation as trustee of the Trust to the Unit Holders. The Trustee's notice of resignation stated that it would nominate Southwest Bank, an independent state bank chartered under the laws of the State of Texas and headquartered in Fort Worth, Texas ( "Southwest Bank" ) as its potential successor and call a special meeting of Unit Holders for the purpose of appointing Southwest Bank as a successor. Prior to nominating Southwest Bank, the Trustee formed a committee to solicit, investigate and choose a nominee. The committee distributed requests for proposal and held discussions with a number of potential candidates.

If the Unit Holders appoint Southwest Bank as successor trustee at the Special Meeting, the Trustee's resignation will take effect on May 30, 2014, assuming the satisfaction or waiver of the following conditions:

The appointment of Southwest Bank as trustee of the Sabine Royalty Trust (another royalty trust for which Bank of America, N.A. currently serves as trustee);

The appointment of Southwest Bank or another successor trustee as trustee of five other royalty trusts for which Bank of America, N.A. currently serves as trustee and as agent under a disbursing arrangement for which Bank of America, N.A. currently serves as agent;

The accuracy of certain representations and warranties and performance of certain agreements made by Southwest Bank in an agreement between Bank of America, N.A. and Southwest Bank; and

No governmental injunction, order or other action that would prohibit Southwest Bank's appointment, the Trustee's resignation or the other actions described above.

If the conditions described above have not been satisfied or waived by the Trustee as of May 30, 2014, the resignation shall be effective August 29, 2014, assuming all of the conditions described above have been satisfied or waived by the Trustee as of such date. If the resignation is not effective as of such later effective date, the Trustee will notify Unit Holders of the new effective date.

### **Required Vote**

The appointment of Southwest Bank as the successor trustee requires the affirmative vote of Unit Holders who hold Units representing a majority in interest of the Units represented in person or by proxy at the Special Meeting. Accordingly, abstentions and broker non-votes in the appointment of the successor trustee will have the effect of votes against Southwest Bank as successor trustee. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal One, your Proxy will be deemed to grant such authority and will be voted FOR the appointment of Southwest Bank as successor trustee.

**The Trustee recommends the Unit Holders vote FOR the appointment of Southwest Bank as successor trustee.**

## **PROPOSAL TWO AMENDMENT TO THE INDENTURE REGARDING MINISTERIAL ITEMS**

## **Background, Reasons for and Effect of the Proposed Amendment**

The Indenture that created the Trust was entered into on February 12, 1991. The following amendment is intended to update the Indenture to ensure accurate cross-references to current legal authority. The following amendment is reflected in the black-line version of the Indenture attached hereto as Appendix A. (The black-line version of the Indenture underlines new text that is inserted and strikes through all text that is deleted as a result of the amendments to the Indenture described in this Proxy Statement.)

*Transfer of Units.* The Texas Uniform Act for Simplification of Fiduciary Security Transfers under Chapter 33 of the Texas Business and Commerce Code (the Texas Uniform Act ) governs certain aspects of the Indenture. Chapter 33 of the Texas Business and Commerce Code has been repealed. Accordingly, the references in Section 4.04 and 4.07 of the Indenture to the Texas Uniform Act will be deleted.

The effect of the above amendment would be to eliminate outdated references and modernize the Indenture.

TABLE OF CONTENTS

Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of this amendment.

## Required Vote

The amendment to the Indenture in this Proposal requires the affirmative vote of Unit Holders who hold Units representing 80 percent or more of the outstanding Units. Accordingly, abstentions and broker non-votes in the adoption of this amendment to the Indenture will have the effect of a vote against such amendment. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Two, your Proxy will be deemed to grant such authority and will be voted FOR such amendment.

**The Trustee recommends the Unit Holders vote FOR this amendment to the Indenture.**

# PROPOSAL THREE AMENDMENTS TO THE INDENTURE REGARDING EXPERT ADVICE UPON TERMINATION

## Background, Reasons for and Effect of the Proposed Amendments

*Disposition and Distribution of Properties.* Section 9.03 of the Indenture, entitled Disposition and Distribution of Properties, addresses certain procedures related to the liquidating and winding up of the affairs of the Trust at its termination. This section will be revised to clarify that the trustee may engage experts to assist it in the winding up of the Trust's affairs. In addition, the amendment will provide that the trustee is entitled to rely on such experts' advice and to be reimbursed for such experts' fees and expenses. This section will be revised by inserting the following sentence immediately following the second sentence in 9.03.

The Trustee may engage the services of one or more investment advisors or other parties deemed by the Trustee to be qualified as experts on such matters to assist with such sales and shall be entitled to rely on the advice of such persons as contemplated by Section 11.02.

In addition, the list of professional and expert persons in Section 11.02 with whom the trustee may contract for services will be expanded by inserting , investment advisors in such list. And similarly, the list of services in Section 3.06 will be expanded by inserting , investment advisors in such list.

The effect of the proposed amendments would be to permit the trustee to engage and rely on investment advisors or other experts to assist it with the sale of Trust properties upon a liquidation of the Trust.

Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these amendments.

## Required Vote

The amendments to the Indenture in this Proposal require the affirmative vote of Unit Holders who hold Units representing 80 percent or more of the outstanding Units. Accordingly, abstentions and broker non-votes in the adoption of these amendments to the Indenture will have the effect of a vote against such amendments. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Three, your Proxy will be deemed to grant such authority and will be voted FOR such amendments.

**The Trustee recommends the Unit Holders vote FOR these amendments to the Indenture.**

TABLE OF CONTENTS

# **PROPOSAL FOUR AMENDMENTS TO THE INDENTURE REGARDING A DIRECT REGISTRATION SYSTEM**

## **Background, Reasons for and Effect of the Proposed Amendments**

The Units are currently listed securities on the New York Stock Exchange ( NYSE ). Pursuant to New York Stock Exchange Listed Company Manual Section 500.00, all securities listed on the NYSE must be eligible for a direct registration system ( DRS ). While the Trust is technically eligible for DRS, it cannot participate in the system because the Indenture dated February 12, 1991 requires that ownership of Units be evidenced by certificates. Proposal Four, if approved, will amend the Indenture to allow for uncertificated Units, which would permit the Trust to participate in the DRS.

A DRS allows companies to issue units or shares in uncertificated (or book-entry) form rather than requiring actual paper certificates. These book-entry units or shares can then be transferred electronically between brokers and transfer agents, removing the need for printing, handling and delivering paper certificates. A DRS also provides greater security both to holders of units or shares, who avoid the risk of lost or stolen certificates and the associated replacement fees, and to issuers, who eliminate the risk of cancelled certificates being fraudulently presented as valid.

Because of these and other benefits, the securities industry encourages companies to participate in a DRS. Most companies listed on the NYSE were able to begin participating in a DRS after the NYSE added DRS eligibility to its listing standards in 2008 through actions of their board of directors. In contrast, because the Indenture requires physical certificates to represent the Units and does not authorize the trustee to alter that requirement, Unit Holder action is necessary to amend the Indenture to allow the Trust to participate in a DRS. The amendment to allow uncertificated Units is reflected primarily in Article IV of the black-line version of the Indenture attached hereto as Appendix A.

If Proposal Four is approved by the Unit Holders, Articles I, IV, V and VII of the Indenture will be revised to read as set forth in Appendix A.

The effect of the proposed amendments would be to permit Trust Units to be uncertificated and permit the Trust to participate in a DRS.

Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these amendments.

## **Required Vote**

The amendments to the Indenture in this Proposal require the affirmative vote of Unit Holders who hold Units representing 80 percent or more of the outstanding Units. Accordingly, abstentions and broker non-votes in the adoption of these amendments to the Indenture will have the effect of a vote against such amendments. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Four, your Proxy will be deemed to grant such authority and will be voted FOR such amendments.

The Trustee recommends the Unit Holders vote **FOR** these amendments to the Indenture.

## **PROPOSAL FIVE AMENDMENTS TO THE INDENTURE REGARDING ASSET SALES**

### **Background, Reasons for and Effect of the Proposed Amendments**

The Indenture provides that the trustee may not sell any of the Trust assets without the approval of Unit Holders at a meeting held in accordance with Article VIII of the Indenture. Occasionally opportunities present whereby a better return on properties, or a significant savings in operating costs could be obtained if the trustee sold or conveyed such properties. The Trustee now proposes to seek authorization for certain small sales if the trustee deems them to be in the best interests of the Unit Holders. In order to facilitate any sale of the royalties that the trustee determines to be in the best interest of the Unit Holders, without incurring the expense of holding a special meeting of the Unit Holders to approve such sale, Proposal Five amends the Indenture to permit the trustee to sell up to one percent (1%) of the value (based on year end engineering reports) of the royalties in any twelve month period. This amendment regarding asset sales is reflected in Section 3.02(b) of the black-line version of the Indenture attached hereto as Appendix A.

TABLE OF CONTENTS

If Proposal Five is approved by the Unit Holders, the current Section 3.02 will become 3.02(a), and a new Section 3.02(b) will be inserted into the Indenture following 3.02(a). Section 3.02 will read as follows:

*Section 3.02. Limited Power to Dispose of Royalties.*

(a) In the event the Trustee determines it to be in the best interest of the Unit Holders the Trustee may sell, at any time and from time to time, all or any part of any of the Royalties for cash in such a manner as it deems in the best interest of the Unit Holders if approved by the Unit Holders present or represented at a meeting held in accordance with the requirements of Article VIII but without such approval it may not sell or otherwise dispose of all or any part of the Royalties. This Section 3.02(a) shall not be construed to require approval of the Unit Holders for any sale or other disposition of all or any part of the Royalties pursuant to Sections 3.02(b), 3.09 or 9.03. The Trustee is authorized to retain any of the Royalties in the form in which such property was transferred to the Trustee, without regard to any requirement to diversify investments or other requirements.

(b) Notwithstanding anything to the contrary contained in this Indenture, during any twelve-month period the Trustee may without a vote of the Unit Holders sell, assign, transfer and convey up to one percent (1%) of the value of the Royalties in any one or more transactions that the Trustee determines to be in the best interest of the Unit Holders. For purposes of this Section 3.02(b), the value of the Royalties to be sold and of all the Royalties shall be the discounted present value of the future net revenue attributable to the proved reserves attributable to such Royalties, as set forth in a Reserve Report as of December 31 of the year preceding the date of the definitive sale agreement for any sale (such report to be prepared by independent petroleum engineers selected by Trustee). The use of such values is solely for the purpose of determining compliance with this Section 3.02(b), and it is recognized that the proceeds of the sale may be greater or lesser than the value so determined.

In addition, if Proposal Five is approved by the Unit Holders, Section 8.03 of the Indenture, which addresses Unit Holder voting, will be revised accordingly to provide that sales pursuant to the above-discussed Section 3.02(b) will not require Unit Holder approval. This will be accomplished by inserting the following at the end of Section 8.03:

Notwithstanding the foregoing, nothing contained in this Section 8.03 shall be deemed to require Unit Holder approval of any sale pursuant to Section 3.02(b).

The effect of the proposed amendments would be to permit the trustee to sell small amounts of the Trust's assets, without Unit Holder approval, if the trustee deems it in the best interest of the Unit Holders.

Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these amendments.

## Required Vote

The amendments to the Indenture in this Proposal require the affirmative vote of Unit Holders who hold Units representing 80 percent or more of the outstanding Units. Accordingly, abstentions and broker non-votes in the adoption of these amendments to the Indenture will have the effect of a vote against such amendments. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Five, your Proxy will be deemed to grant such authority and will be voted FOR such amendments.

**The Trustee recommends the Unit Holders vote FOR these amendments to the Indenture.**

# PROPOSAL SIX AMENDMENT TO THE INDENTURE REGARDING ELECTRONIC VOTING

## Background, Reasons for and Effect of the Proposed Amendment

Section 8.03 of the Indenture provides that Unit Holders may vote in person, or by duly executed written proxy. In order to expand the permissible means by which Unit Holders may vote in the future to take advantage of technological advances and to offer Unit Holders a variety of voting methods, Proposal Six would amend the Indenture to explicitly provide for telephone and internet voting. The amendment regarding electronic voting is reflected in Section 8.03 of the black-line version of the Indenture attached hereto as Appendix A.

If Proposal Seven is approved by the Unit Holders, Section 8.03 of the Indenture will be revised to read as follows (proposed changes specific to this Proposal Seven are underlined for ease of reference):

Section 8.03. Voting. Each Unit Holder shall be entitled to one vote for each Unit owned by such Unit Holder, and any Unit Holder may vote in person or by duly executed written proxy. A telegram, telex, cablegram, email, or other form of electronic transmission, including telephone transmission, by the Unit Holder or a photographic, photostatic, facsimile or similar reproduction of a writing executed by the Unit Holder shall be treated as an execution in writing for purposes of this Section 8.03. Any electronic transmission must contain or be accompanied by information from which it can be determined that the transmission was authorized by the Unit Holder. At any such meeting the presence in person or by proxy of Unit Holders holding a majority of the Units at the time outstanding shall constitute a quorum, and, except as otherwise specifically provided herein, any matter shall be deemed to have been approved by the Unit Holders if it is approved by the vote of a majority in interest of such Unit Holders constituting a quorum, although . . .

The effect of the proposed amendment would be to permit Unit Holders to vote by telephonic or electronic means at a meeting of Trust Unit Holders.

Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of this amendment.

## Required Vote

The amendment to the Indenture in this Proposal requires the affirmative vote of Unit Holders who hold Units representing 80 percent or more of the outstanding Units. Accordingly, abstentions and broker non-votes in the adoption of this amendment to the Indenture will have the effect of a vote against such amendment. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Six, your Proxy will be deemed to grant such authority and will be voted FOR such amendment.

**The Trustee recommends the Unit Holders vote FOR this amendment to the Indenture.**

# **PROPOSAL SEVEN AMENDMENT TO THE INDENTURE REGARDING INVESTMENTS**

## **Background, Reasons for and Effect of the Proposed Amendment**

Section 3.04 of the Indenture is entitled "Interest on Cash on Hand" and establishes the permitted investments of cash on hand held by the trustee. In order to provide the trustee with an efficient means of investing funds received, to reduce the risk that funds go uninvested, and in keeping with current industry practice, Proposal Seven would amend the Indenture to allow such cash to be deposited in accounts fully insured by the Federal Deposit Insurance Corporation.

The amendment regarding investments is reflected in Section 3.04(d) of the "black-line" version of the Indenture attached hereto as Appendix A.

7

---

TABLE OF CONTENTS

If Proposal Seven is approved by the Unit Holders, Section 3.04 of the Indenture will be revised by adding Section 3.04(d), which will read as follows:

(d) other interest bearing accounts in FDIC-insured state or national banks, including the Trustee, so long as the entire amount in such accounts is at all times fully insured by the Federal Deposit Insurance Corporation.

The effect of the proposed amendment would be to permit the trustee to use an insured cash sweep service to invest cash on hand in accounts with multiple FDIC-insured institutions such that the funds held by the trustee for the account of the Trust are deposited into interest bearing accounts which are at all times fully insured by the Federal Deposit Insurance Corporation.

Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of this amendment.

## **Required Vote**

The amendment to the Indenture in this Proposal requires the affirmative vote of Unit Holders who hold Units representing 80 percent or more of the outstanding Units. Accordingly, abstentions and broker non-votes in the adoption of this amendment to the Indenture will have the effect of a vote against such amendment. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Seven, your Proxy will be deemed to grant such authority and will be voted FOR such amendment.

**The Trustee recommends the Unit Holders vote FOR this amendment to the Indenture.**

# **PROPOSAL EIGHT APPROVAL OF ANY ADJOURNMENT OF THE SPECIAL MEETING, IF NECESSARY OR APPROPRIATE, TO PERMIT SOLICITATION OF ADDITIONAL PROXIES IN FAVOR OF PROPOSALS ONE THROUGH SEVEN**

The Trustee seeks your approval to adjourn the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven. If it is necessary or appropriate to adjourn the Special Meeting, and the adjournment is for a period of less than 30 days, no notice of the time or place of the reconvened meeting will be given to Unit Holders, other than an announcement made at the Special Meeting.

## **Required Vote**

The proposal to adjourn the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven in this Proposal Eight requires the affirmative vote of Unit Holders who, as of the Record Date, held Units representing a majority of the Units represented in person or by proxy at the

Special Meeting. Accordingly, abstentions and broker non-votes in the proposal to adjourn the Special Meeting will have the effect of votes against such adjournment. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Eight, your Proxy will be deemed to grant such authority and will be voted FOR the proposal to adjourn the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven.

**The Trustee recommends the Unit Holders vote FOR the adjournment of the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven.**

## **EFFECT OF NEGATIVE VOTES ON PROPOSAL ONE**

The notice of resignation of the Trustee stated that the Trustee's resignation would be conditional on the appointment of Southwest Bank or another successor trustee as successor trustee. If the Unit Holders appoint Southwest Bank as successor trustee at the Special Meeting, the Trustee's resignation will be effective May 30, 2014 (assuming the other conditions described herein are satisfied). If the conditions described above

## TABLE OF CONTENTS

have not been satisfied or waived by the Trustee as of May 30, 2014, the resignation shall be effective August 29, 2014, assuming all of the conditions described above have been satisfied or waived by the Trustee as of such date. If the Unit Holders fail to appoint Southwest Bank as successor trustee at the Special Meeting, the Trustee may elect to give written notice of its resignation to each Unit Holder, which resignation would not be contingent upon the appointment of Southwest Bank or another successor trustee. If the Trustee resigns and no successor trustee is appointed within the 60 days following the effective date of the Trustee's resignation, then a successor trustee may be appointed by any State or Federal District Court holding terms in Tarrant County, Texas, upon the application of any Unit Holder. If a Unit Holder files such an application, the court may appoint a temporary trustee at any time after such application is filed and the temporary trustee shall, pending the final appointment of a successor trustee, have such powers and duties as the court appointing such temporary trustee shall provide in its order of appointment, consistent with the provisions of the Indenture.

## **EFFECT OF NEGATIVE VOTES ON PROPOSALS TWO THROUGH SEVEN**

If the Unit Holders fail to approve any of the amendments to the Indenture under Proposals Two through Seven, the amendments to the Indenture that are not approved will not take effect and will not be included in the Trust's Amended and Restated Indenture; however, amendments that are approved will take effect and be included in the Trust's Amended and Restated Indenture, as each of Proposals Two through Seven are independent of each other. Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these proposals.

## **EFFECT OF NEGATIVE VOTES ON PROPOSAL EIGHT**

If the Unit Holders fail to approve the proposal to adjourn the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven, the Trust may be unable to hold the Special Meeting if a quorum is not reached. If a quorum has been reached, any of Proposals One through Seven that has not achieved the required vote would not be approved and would have the effects set forth above for such Proposal.

## **TRUSTEE/SOUTHWEST BANK APPROVAL OF PROPOSALS TWO THROUGH SEVEN**

Southwest Bank has stated to the Trustee that, if it is appointed as successor trustee, it intends to consent in writing, as required by the Indenture, to the amendments made to the Indenture by each of Proposals Two through Seven that are approved by the Unit Holders. If Southwest Bank is not appointed, the Trustee intends to approve in writing, as required by the Indenture, the amendments made to the Indenture by each of Proposals Two through Seven that are approved by the Unit Holders.

**AMENDED AND RESTATED CROSS TIMBERS  
ROYALTY TRUST INDENTURE**

This **Amended and Restated** Royalty Trust Indenture ( *Indenture* ) shall be effective as of \_\_\_\_\_, 2014, the original **Royalty Trust Indenture having been** entered into as of February 12, 1991, among South Timbers Limited Partnership, a Texas limited partnership, West Timbers Limited Partnership, a Delaware limited partnership, North Timbers Limited Partnership, a Texas limited partnership, East Timbers Limited Partnership, a Texas limited partnership, and Hickory Timbers Limited Partnership, a Texas limited partnership, and Cross Timbers Partners, L.P., a Texas limited partnership ( *CTP* ) (collectively, the *Grantors* ), as Grantors, and NCNB Texas National Bank, a banking association organized under the laws of the United States with its principal place of business in Dallas, Texas (the *Bank* ), as Trustee, evidences that the Grantors desire to carve out and distribute to themselves and their partners net overriding royalty interests (the *Royalties* ) in certain of their leasehold interests, fee mineral interests, royalty and overriding royalty interests in lands located in the States of Texas, Oklahoma and New Mexico, most of which contain proven reserves and are currently producing oil and gas; that since it would be impractical for their respective Partners to hold legal title to undivided interests in such royalties, the Grantors have determined to carve out and distribute to themselves and their respective partners a beneficial interest in the Royalties by means of the conveyances attached hereto as Exhibits A through E (the *Conveyances* ); that the Grantors have determined to transfer the Royalties to the Bank, to be held in trust for the benefit of the Grantors and their partners on the date of execution hereof, and their respective heirs, personal representatives, successors and assigns, as more particularly provided herein, and the Bank has agreed to accept the Conveyances from the Grantors on such terms; and that accordingly, the Grantors, by execution and delivery of the Conveyances to the Bank contemporaneously herewith, grant, bargain, assign and deliver the Royalties to the Bank as trustee in trust and the Bank accepts the Conveyances and the Royalties as trustee in trust and the Grantors and the Bank agree that such assets and all other assets received by the Bank pursuant to this Indenture in trust shall be held, administered, paid and delivered for the purposes and subject to the terms and conditions hereafter provided.

*Reserve Report* means a report of estimated proved reserves attributable to the Royalties and the present value thereof prepared on the basis required by the SEC for inclusion in financial statements filed with the SEC (i.e., by determining future net revenues from the reserves attributable to the Royalties using constant oil or gas prices in effect at the time of such report and determining the present value of future net revenues from such reserves by discounting such net revenues at 10% per annum).

ARTICLE II.  
NAME AND PURPOSE OF THE TRUST

*Section 2.01. Name.* The Trust shall be known as the Cross Timbers Royalty Trust, and the Trustee may transact the affairs of the Trust in that name.

*Section 2.02. Purposes.* The purposes of the Trust are:

(a) to convert the Royalties to cash either (1) by retaining them and collecting the proceeds from production until production has ceased or the Royalties have otherwise terminated or (2) by selling or otherwise disposing of the Royalties (within the limits stated herein); and

(b) to distribute such cash, net of amounts for payment of liabilities of the Trust, to the Unit Holders pro rata.

It is the intention and agreement of the Grantors and the Trustee to create an express trust within the meaning of Section 111.004(4) of the Texas Trust Code, for the benefit of the owners of Units, and a grantor trust for federal income tax purposes of which the owners of Units are the grantors. As set forth above and amplified herein, the Trust is intended to be limited to the receipt of revenues attributable to the Royalties and the distribution of such revenues, after payment of or provision for Trust expenses and liabilities, to the Unit Holders. It is neither the purpose nor the intention of the parties hereto to create, and nothing in this Trust Indenture shall be construed as creating, a partnership, joint venture, joint stock company or business association between or among Unit Holders, present or future, or among or between Unit Holders, or any of them, and the Trustee or the Grantors.

ARTICLE III.  
ADMINISTRATION OF THE TRUST

*Section 3.01. General.* Subject to the limitations set forth in this Indenture, the Trustee is authorized to take such action as in its judgment is necessary or advisable best to achieve the purposes of the Trust, including the authority to agree to modifications or settlements of the terms of the Conveyances or to settle disputes with respect thereto, so long as such modifications or settlements do not alter the nature of the Royalties as rights to receive a share of the proceeds of oil and gas produced from the properties presently burdened by such Royalties which are free of any obligation for operating expenses and as rights which do not possess any operating rights or obligations. The Trustee may not dispose of all or any portion of the Royalties except as provided in Sections 3.02, 3.09 and 9.03.

*Section 3.02. Limited Power to Dispose of Royalties.*

(a) In the event the Trustee determines it to be in the best interest of the Unit Holders the Trustee may sell, at any time and from time to time, all or any part of any of the Royalties for cash in such a manner as it deems in the best interest of the Unit Holders if approved by the Unit Holders present or represented at a meeting held in accordance with the requirements of Article VIII but without such approval it may not sell or otherwise dispose of all or any part of the Royalties. This Section 3.02(a) shall not be construed to require approval of the Unit Holders for any sale or other disposition of all or any part of the Royalties pursuant to Sections 3.02(b), 3.09 or 9.03. The Trustee is authorized to

retain any of the Royalties in the form in which such property was transferred to the Trustee, without regard to any requirement to diversify investments or other requirements.

**(b) Notwithstanding anything to the contrary contained in this Indenture, during any twelve-month period the Trustee may without a vote of the Unit Holders sell, assign, transfer and convey up to one percent (1%) of the value of the Royalties in any one or more transactions that the Trustee determines to be in the best interest of the Unit Holders. For purposes of this Section**

**3.02(b), the value of the Royalties to be sold and of all the Royalties shall be the discounted present value of the future net revenue attributable to the proved reserves attributable to such Royalties, as set forth in a Reserve Report as of December 31 of the year preceding the date of the definitive sale agreement for any sale (such report to be prepared by independent petroleum engineers selected by Trustee). The use of such values is solely for the purpose of determining compliance with this Section 3.02(b), and it is recognized that the proceeds of the sale may be greater or lesser than the value so determined.**

*Section 3.03. No Power to Engage in Business or Make Investments.* The Trustee shall not, in its capacity as Trustee under the Trust, engage in any business or commercial activity of any kind whatsoever and shall not, under any circumstances, use any portion of the Trust Estate to acquire any oil and gas lease, royalty or other mineral interest other than the Royalties, or, except as permitted in Sections 3.04 and 3.15, acquire any other asset. The Trustee shall not accept contributions to the Trust other than the Royalties.

*Section 3.04. Interest on Cash on Hand.* Cash being held by the Trustee as a reserve for liabilities or for distribution at the next Distribution Date shall be invested (in the Trustee's discretion) in:

(a) obligations issued by (or unconditionally guaranteed by) the United States or any agency or instrumentality thereof (provided such agency's or instrumentality's such obligations are secured by the full faith and credit of the United States); or

(b) repurchase agreements secured by obligations qualifying under subparagraph (a) above; or

(c) certificates of deposit of any bank having capital, surplus and undivided profits in excess of \$100,000,000; or

**(d) other interest bearing accounts in FDIC-insured state or national banks, including the Trustee, so long as the entire amount in such accounts is at all times fully insured by the Federal Deposit Insurance Corporation.**

provided such repurchase agreements **or**, certificates of deposit, **or accounts** shall bear interest at a rate which is the greater of (i) the interest rate which the Bank or its successor pays in the normal course of business on amounts placed with it, taking into account the amounts involved, the period held and other relevant factors, or (ii) the rate of interest paid on obligations qualifying under subparagraph (a) above. Any such obligations, repurchase agreements or certificates must mature on or before the next succeeding Distribution Date and must be held to maturity. To the extent not prohibited by Section 113.057 of the Texas Trust Code any such cash may be placed with the Bank or any successor bank serving as Trustee.

*Section 3.05. Power to Settle Claims.* The Trustee is authorized to prosecute or defend, or to settle by arbitration or otherwise, any claim of or against the Trustee, the Trust or the Trust Estate, to waive or release rights of any kind and to pay or satisfy any debt, tax or claim upon any evidence by it deemed sufficient.

*Section 3.06. Power to Contract for Services.* In the administration of the Trust, the Trustee is empowered to employ oil and gas consultants, accountants, **investment advisors**, attorneys (including counsel for Grantors), transfer agents and other professional and expert persons and to employ or contract for clerical and other administrative assistance and to make payments of all fees for services or expenses in any manner thus incurred out of the Trust Estate.

*Section 3.07. Payment of Liabilities of Trust.* The Trustee shall, to the extent that funds of the Trust are available therefor, make payment of all liabilities of the Trust, including, but without limiting the generality of the foregoing, all expenses, taxes, liabilities incurred of all kinds, compensation to it for its services hereunder, and compensation to such parties as may be employed as provided for in Section 3.06 hereof.

*Section 3.08. Establishment of Reserves.* With respect to any liability which is contingent or uncertain in amount or which otherwise is not currently due and payable, the Trustee in its sole discretion may, but is not obligated to, establish a cash reserve for the payment of such liability.

*Section 3.09. Limited Power to Borrow.* If at any time the cash on hand and to be received by the Trustee is not, or will not, in the judgment of the Trustee, be sufficient to pay liabilities of the Trust as they become due, the Trustee is authorized to borrow the funds required to pay such liabilities. In such event, no

further distributions will be made to Unit Holders (except in respect of previously determined Monthly Distribution Amounts) until the indebtedness created by such borrowing has been paid in full. Such funds may be borrowed from any Person, including, without limitation, the Bank or any other fiduciary hereunder. To secure payment of such indebtedness, the Trustee is authorized to mortgage, pledge, grant security interests in or otherwise encumber (and to include as a part thereof any and all terms, powers, remedies, covenants and provisions deemed necessary or advisable in the Trustee's discretion, including, without limitation, the power of sale with or without judicial proceedings) the Trust Estate, or any portion thereof, including the Royalties, and to carve out and convey production payments.

*Section 3.10. Income and Principal.* The Trustee shall not be required to keep separate accounts or records for income and principal or maintain any reserves for depletion of the Royalties. However, if the Trustee does keep such separate accounts or records, then the Trustee is authorized to treat all or any part of the yield from the Royalties as income or principal, and in general to determine all questions as between income and principal and to credit or charge to income or principal or to apportion between them any receipt or gain and any charge, disbursement or loss as is deemed advisable under the circumstances of each case. Regardless of any such characterization, however, the Trustee shall not make any distribution, accumulate any funds, or maintain any reserve except as expressly provided in this Trust Agreement. The Trustee shall not maintain a reserve for depletion of the mineral assets represented in the Trust corpus.

*Section 3.11. Term of Contracts.* In exercising the rights and powers granted hereunder, the Trustee is authorized to make the term of any transaction or contract or other instrument extend beyond the term of the Trust.

*Section 3.12. Transactions between Related Parties.* The Trustee shall not be prohibited in any way in exercising its powers from making contracts or having dealings with itself in any other capacity (fiduciary or otherwise) or with the Grantors.

*Section 3.13. No Bond Required.* The Trustee shall not be required to furnish any bond or security of any kind.

*Section 3.14. Timing of Trust Income and Expenses.* The Trustee will use all reasonable efforts to cause the Trust and the Unit Holders to recognize income (including any income from interest earned on reserves established pursuant to Section 3.08 hereof) and expenses on Monthly Record Dates. The Trustee will invoice the Trust for services rendered by the Trustee only on a Monthly Record Date and shall cause the Trust to pay any such invoices only on the Monthly Record Date on which an invoice is rendered and will use all reasonable efforts to cause all persons to whom the Trust becomes liable to invoice the Trust for such liability on a Monthly Record Date and to cause the Trust to pay any such liabilities on the Monthly Record Date on which such liability is invoiced. In connection with the requirements of any securities exchange on which the Units are listed or market system through which Units are traded, the Trustee will, if required by such securities exchange or market system, use all reasonable efforts to determine the Monthly Distribution Amount and report such amount to the exchange or market system at such time as may be required by such securities exchange or market system. Nothing in this Section shall be construed as requiring the Trustee to cause payment to be made for Trust liabilities on any date other than on such date as in its sole discretion it shall deem to be in the best interest of the Unit Holders.

*Section 3.15. Divestiture of Units.* If at any time the Trust or the Trustee is named a party in any judicial or administrative proceeding which seeks the cancellation or forfeiture of any property in which the Trust has an interest because of the nationality, or any other status, of any one or more Unit Holders, the following procedures will be applicable:

(a) The Trustee will promptly give written notice ( *Notice* ) to each holder ( *Ineligible Holder* ) whose nationality or other status is an issue in the proceeding as to the existence of such controversy. The Notice will contain a reasonable

summary of such controversy and will constitute a demand to each Ineligible Holder that he dispose of his Units to a party which would not be an Ineligible Holder within 30 days after the date of the Notice.

(b) If any Ineligible Holder fails to dispose of his Units as required by the Notice, the Trustee will have the right to purchase, and will purchase, any such Units at any time during the 90 days after the

A-8

expiration of the 30-day period specified in the Notice. The purchase price on a per Unit basis will be determined as of the last business day ( *determination day* ) preceding the end of the 30-day period specified in the Notice and will equal the following per Unit amount: (i) if the Units are then listed on a securities exchange the price will equal the closing price of the Units on such exchange (or, if the Units are then listed on more than one exchange, on the largest such exchange in terms of the volume of Units traded thereon during the preceding twelve months) on the determination day if any Units were sold on such exchange on such day or, if not, on the last preceding day on which any Units were sold on such exchange or (ii) if the Units are not then listed on any securities exchange, but are traded through a market system, the price will equal the mean between the closing bid and asked prices for the Units in such market system on the determination day if quotations for such prices on such day are available or, if not, on the last preceding day for which such quotations are available or (iii) if the Units are not then listed on any stock exchange or traded through any market system, the price will be determined by multiplying the present value of the estimated future net revenues attributable to proved reserves of the Royalties as reflected in the latest Reserve Report prepared for the Trust (minus all liabilities of the Trust) by 1.4 and by then dividing such amount by the number of Units (including the Units to be purchased) then outstanding. Such purchase will be accomplished by tender of the above cash price to the Ineligible Holder at his address as shown on the records of the Trustee, either in person or by mail as provided in Section 11.06, accompanied by notice of cancellation. Concurrently with such tender the Trustee shall cancel or cause to be cancelled all Certificates representing units then owned by such Ineligible Holder and for which tender has been made, and the Trustee shall issue or cause to be issued to itself a Certificate or Certificates representing the same number of Units as were so cancelled. In the event the tender is refused by the Ineligible Holder or if he cannot be located after reasonable efforts to do so, the tendered sum shall be held by the Trustee in an interest bearing account for the benefit of such Ineligible Holder, until proper claim for same (together with interest accrued thereon) has been made by such Holder, but subject to applicable laws concerning unclaimed property.

(c) The Trustee may, in its sole discretion, cancel any Units acquired in accordance with the foregoing procedures or may sell such Units, either publicly or privately, in accordance with all applicable laws. The proceeds of any such sale of Units, less the expenses of such sale, will constitute revenues of the Trust.

(d) The Trustee may, in its sole discretion, borrow any amounts required to purchase Units in accordance with the procedures described above.

*Section 3.16. Filing of Registration Statements, Listing of Units.* The Trustee shall, upon the request of the Grantors or their successors in interest (in either case, the *Grantors* ), on behalf of the Trust, cooperate with Grantors and otherwise use its best efforts to cause:

(a) one or more Securities Act Registration Statements to be prepared, signed, filed and declared effective by the SEC;

(b) an Exchange Act Registration Statement to be prepared, signed, filed and become effective;

(c) the Units to be qualified or exempted from qualification under the securities or Blue Sky Laws of the several states; and

(d) the Units to be listed for trading on the New York Stock Exchange or another national securities exchange, as it shall select, or, if listing on a national securities exchange is not feasible or is undesirable, to cause the Units to be admitted for quotation on the National Association of Securities Dealers Automated Quotation System National Market System (the *NASDAQ* ).

The Grantors shall be obligated and entitled, at their own expense, to take or cause to be taken all steps customary or appropriate to the accomplishment of the objectives set forth above including, without limitation, engaging counsel for

themselves and approving special counsel for the Trust engaging accountants for the Trust, contracting for all printing and engraving services, making all filings and applications necessary to the foregoing and paying all filing and application fees associated therewith. The Trustee agrees that Grantors, and their successors, shall have the right to execute, by and on behalf of the Trust, a registration statement filed

with the Commission or any state authority, and an application filed with a national securities exchange or the NASDAQ, and any other documents incidental or related thereto or in connection with the public sale of Trust Units.

The reasonable fees, charges, expenses, disbursements and other costs incurred by the Trustee in connection with the discharge of its duties under this Section 3.16 shall be paid by the Grantors.

The Trustee shall cooperate with and assist the Grantors in every reasonable way and in good faith in accomplishing the foregoing. Among other things, the Trustee shall permit counsel, special counsel and accountants engaged by the Grantors and other representatives of the Grantors reasonable access to information responsive to the requirements of the Securities Act, the Exchange Act, the securities or Blue Sky laws of the several states, the rules of any securities exchange upon which listing is to be sought and the rules of the National Association of Securities Dealers, Inc., and to Trustee personnel having such information, as fully and to the same extent as if the Trustee were proceeding for its own purposes to accomplish such objectives. The Trustee agrees to provide the Grantors with the authority and the signatures required for the filing of the Securities Act Registration Statements, the Exchange Act Registration Statement, and registration statements, notices of exemption, applications for exemption, consents to service of process and all other documents necessary to comply with the Blue Sky laws of the several states, a listing application with the New York Stock Exchange or any other national securities exchange or an application for quotation on the NASDAQ. The Trustee shall also provide the Grantors upon request with a Unit holders list as of the latest Record Date in such form as the Grantors may reasonably request.

After the registration of the Units pursuant to the Exchange Act and/or the listing of the Units on the New York Stock Exchange or another national securities exchange or the quotation of the Units on the NASDAQ, the Trustee, on behalf of the Trust, shall cause the Trust to comply with all of the rules, orders and regulations of the SEC, such exchange or the National Association of Securities Dealers, Inc., and take all such other actions necessary for the Units to remain so registered, listed or quoted until this Trust is terminated.

*Section 3.17. Miscellaneous.* Except as otherwise provided in this Indenture, this Indenture and the Trust shall be governed, construed, administered and controlled by and under the laws of the State of Texas, and the rights, powers, duties and liabilities of the Trustee shall be in accordance with and governed by the terms and provisions of the Texas Trust Code and other applicable laws of the State of Texas in effect at any applicable time.

ARTICLE IV.  
BENEFICIAL SHARES AND CERTIFICATES

*Section 4.01. Creation and Distribution.* The entire Beneficial Interest shall be divided into 12,000,000 Units. The ownership of the Units shall be evidenced by (i) Certificates in the form set forth on Schedule 1 hereto, containing such changes or alterations of form, as the Trustee shall from time to time, in its discretion, deem necessary or desirable, (ii) **a book-entry position in Units maintained as part of a direct registration system, or (iii) any other manner required or permitted by United States securities laws or regulations promulgated by the Securities and Exchange Commission thereunder or the regulations of any stock exchange on which the Units are then listed.** The Trustee shall issue Certificates to the holders of Units evidencing the number of Units beneficially owned by such holders promptly following the formation of the Trust as set forth in Schedule 2.

*Section 4.02. Rights of Unit Holders.* The Unit Holders shall own pro rata the Beneficial Interest and shall be entitled to participate pro rata in the rights and benefits of the Unit Holders under this Indenture. A Unit Holder by assignment or otherwise takes and holds the same subject to all the terms and provisions of this Indenture and the Conveyances, which shall be binding upon and inure to the benefit of the heirs, personal representatives, successors and assigns of the Unit Holder. By an assignment or transfer of one or more Units **represented by a Certificate**, the assignor

thereby shall, effective as of the close of business on the date of transfer and with respect to such assigned or transferred Unit or Units, part with, except as provided in Section 4.04 in the case of a transfer after a Monthly Record Date and prior to the next monthly payment date thereafter, (i) all his Beneficial Interest attributable thereto; (ii) all his rights in, to and under

such Certificate (**if such Units are certificated**); and (iii) all interests, rights and benefits under this Trust of a Unit Holder which are attributable to such Unit or Units as against all other Unit Holders and the Trustee. The Certificates, the Units and the rights, benefits and interests evidenced by either or both (including, without limiting the foregoing, the entire Beneficial Interest) are and shall be held and construed to be in all respects intangible personal property, and the **Units and the Certificates and evidencing such (if such Units evidenced thereby are certificated)** shall be bequeathed, assigned, disposed of and distributed as intangible personal property. No Unit Holder as such shall have any legal title in or to any real property interest which is a part of the Trust Estate, including, without limiting the foregoing, the Royalties or any part thereof, but the sole interest of each Unit Holder shall be such Unit Holder's Beneficial Interest and the obligation of the Trustee to hold, manage and dispose of the Trust Estate and to account for the same as in this Indenture provided. No Unit Holder shall have the right to call for or demand or secure any partition or distribution of the Royalties during the continuance of the Trust or during the period of liquidation and winding up under Section 9.03.

*Section 4.03. Execution of Certificates.* All Certificates, if any, shall be signed by a duly authorized officer of the Trustee. Certificates may be signed and sealed on behalf of the Trustee by such persons as at the actual date of the signing and sealing of such Certificates shall be the proper officers of the Trustee, although at the nominal date of such Certificates any such person shall not have been such officer of the Trustee. Any such signature may be the manual or facsimile signature of such officers and may be affixed, imprinted or otherwise reproduced on the Certificate.

*Section 4.04. Registration and Transfer of Units.* The Units shall be transferable as against the Trustee as provided herein, and then only on the records of the Trustee and upon the surrender of Certificates, **if any, and or in compliance with the Trustee's procedures for uncertificated Units, and in either case**, compliance with such reasonable regulations as **it the Trustee** may prescribe. After all restrictions on the transfer of Units or Certificates have lapsed, no service charge shall be made to Unit Holders or Transferees for any transfer of a Unit, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto. Until any such transfer the Trustee may treat the owner of any Certificate as shown by its records, **or the Unit Holder of record in accordance with the Trustee's procedures for uncertificated Units**, as the owner of the Units evidenced thereby and shall not be charged with notice by any other party of any claim or demand respecting such Certificate **or uncertificated Unit** or the interest represented thereby. Any such transfer of a Unit shall, as to the Trustee, transfer to the transferee as of the close of business on the date of transfer all of the Beneficial Interest of the transferor; provided that a transfer of a Unit after any Monthly Record Date shall not transfer to the Transferee the right of the transferor to any sum payable to such transferor as the holder of the **Certificate Unit** of record on said day. As to matters affecting the title, ownership, warranty or transfer of Certificates, except as provided to the contrary herein, Article 8 of the Uniform Commercial Code, **the Texas Uniform Act for Simplification of Fiduciary Security Transfers under Chapter 33 of the Texas Business and Commerce Code** and other statutes and rules with respect to the transfer of securities, each as adopted and then in force in the State of Texas, shall govern and apply. The death of any Unit Holder shall not entitle the Transferee to an account or valuation for any purpose, but such Transferee shall succeed to all rights of the deceased Unit Holder under this Indenture upon proper proof of title satisfactory to the Trustee.

*Section 4.05. Restrictions on Transfer.*

- (a) Units not acquired pursuant to an effective registration statement filed under the Securities Act may not be sold, transferred, pledged, assigned, hypothecated or otherwise disposed of, in whole or in part, except pursuant to an exemption from registration under the Securities Act, unless the Transferee of such Units delivers an opinion of counsel reasonably satisfactory to the Trustee stating that such transfer is exempt from registration under the Securities Act and applicable state securities laws or any requirement or regulation promulgated thereunder.

Edgar Filing: CROSS TIMBERS ROYALTY TRUST - Form PRE 14A

In order to ensure compliance with the registration requirements of the Securities Act and applicable state securities laws, the Trustee shall affix to each Certificate issued, other than Certificates issued to Transferees who purchased Units pursuant to an effective Securities Act Registration Statement, the following legend:

The Units represented by this Certificate have not been registered under the Securities Act of 1933, as amended, or the securities or blue sky laws of any state (collectively the *Acts* ). Such Units may not be offered or sold and no transfer of them may be made in the absence of an effective registration statement as to such Units under all applicable Acts, unless the Trustee has received an opinion of counsel reasonably satisfactory to the Trustee to the effect that such registrations are not required.

Upon receipt by the Trustee of a satisfactory opinion of counsel that such a legend is no longer required on a Certificate representing Trust Units, the Trustee shall remove the legend from the Certificate representing such Units.

(b) A transfer or attempted transfer of Units in violation of this Section 4.05 shall be void and ineffectual and shall not bind the Trustee or the Trust. The Transferee of a Unit whose transfer is restricted under this Section 4.05 shall pay all expenses incurred by the Trust or the Trustee in connection with such transfer.

*Section 4.06. Mutilated, Lost, Stolen and Destroyed Certificates.* If any Certificate is lost, stolen, destroyed or mutilated, the Trustee, in its discretion and upon proof satisfactory to the Trustee, together with a surety bond sufficient in the opinion of the Trustee to indemnify the Trustee against all loss or expenses in the premises (if deemed advisable by the Trustee), and surrender of the mutilated Certificate, will issue **a new Certificate toat the discretion of the holder of such lost, stolen, destroyed or mutilated Certificate as shown by the records of the Trustee, upon payment of a reasonable charge of the Trustee and any reasonable expenses incurred by it in connection therewith, either a new Certificate or evidence of Unit ownership compliant with the Trustee s procedures for uncertificated Units.**

*Section 4.07. Protection of Trustee.* The Trustee shall be protected in acting upon any notice, credential, certificate, assignment or other document or instrument believed by the Trustee to be genuine and to be signed by the proper party or parties. Except as provided herein to the contrary, the Trustee is specifically authorized to rely upon the application of Article 8 of the Uniform Commercial Code, **the application of the Texas Uniform Act for Simplification of Fiduciary Security Transfers under Chapter 33 of the Texas Business and Commerce Code** and the application of other statutes and rules with respect to the transfer of securities, each as adopted and then in force in the State of Texas, as to all matters affecting title, ownership, warranty or transfer of **either** the Certificates and the Units represented thereby **or of uncertificated Units**, without any personal liability for such reliance, and the indemnity granted under Section 6.02 shall specifically extend to any matters arising as a result thereof.

*Section 4.08. Determination of Ownership of Certificates.* In the event of any disagreement between persons claiming to be Transferees of any Unit Holder, the Trustee shall be entitled at its option to refuse to recognize any such claims so long as such disagreement shall continue. In so refusing, the Trustee may elect to make no delivery or other disposition of the interest represented by the Certificate involved, or any part thereof, or of any sum or sums of money, accrued or accruing thereunder, and, in so doing, the Trustee shall not be or become liable to any Person for the failure or refusal of the Trustee to comply with such conflicting claims, and the Trustee shall be entitled to continue so to refrain and refuse so to act, until:

(a) the rights of the adverse claimants have been adjudicated by a final judgment of a court assuming and having jurisdiction of the parties and the interest and money involved, or

(b) all differences have been adjusted by valid agreement between said parties and the Trustee shall have been notified thereof in writing signed by all of the interested parties.

ARTICLE V.  
ACCOUNTING AND DISTRIBUTIONS

*Section 5.01. Fiscal Year and Accounting Method.* The fiscal year of the Trust shall be the calendar year. The Trustee shall maintain its books in accordance with generally accepted accounting principles or such other method as will provide appropriate financial data responsive to the needs of the Unit Holders.

*Section 5.02. Distributions.* The Trustee shall determine the Monthly Distribution Amount for each month and shall establish a cash reserve equal to such amount on the Monthly Record Date for such month.

TABLE OF CONTENTS

On the Distribution Date for such Monthly Distribution Amount, the Trustee will distribute pro rata to the **Certificate** Unit Holders of record on such Monthly Record Date such Monthly Distribution Amount, together with any interest received on such amount.

*Section 5.03. Federal Income Tax Reporting.* For federal income tax purposes, the Trustee shall file such returns and statements as in its judgment are required to comply with applicable provisions of the Code and regulations and to permit each Unit Holder correctly to report such Unit Holder's share of the income and deductions of the Trust. The Trustee will treat all income and deductions of the Trust for each month as having been realized on the Monthly Record Date for such month unless otherwise advised by its counsel or the Internal Revenue Service. The Trustee will report as a grantor trust until and unless it receives an opinion of tax counsel that such reporting is no longer proper.

*Section 5.04. Reports to Unit Holders.* As promptly as practicable following the end of each calendar quarter except the fourth calendar quarter, the Trustee shall mail to each Person who was a Unit Holder of record on a Monthly Record Date during such quarter a report which shall show in reasonable detail such information as is necessary to permit holders of units to make all calculations necessary for tax purposes including depletion, and which shall show the assets and liabilities and receipts and disbursements of the Trust for such Quarter and for each month in such quarter. Within 120 days following the end of each fiscal year, the Trustee shall mail, to each Unit Holder of record on a date to be selected by the Trustee, an annual report containing financial statements audited by a nationally recognized firm of public accountants selected by the Trustee and, in addition, an annual report which shall show in reasonable detail such information as is necessary to permit holders of Units to make calculations necessary for tax purposes, including depletion. Notwithstanding the foregoing, the Trustee will furnish to the Unit Holders such reports, in such manner, as are at any time required by law or by regulations of any securities exchange on which the Units are listed.

*Section 5.05. Filings.* The Trustee is authorized to make all filings on behalf of the Trust required by applicable law or regulation.

ARTICLE VI.  
LIABILITY OF TRUSTEE AND METHOD OF SUCCESSION

*Section 6.01. Liability of Trustee.*

(a) Except as otherwise provided herein and specifically except as provided in paragraph (b) below, the Trustee, in carrying out its powers and performing its duties, may act in its discretion and shall be personally or individually liable only for fraud or for acts or omissions in bad faith and shall not individually or personally be liable for any act or omission of any agent or employee of the Trustee unless the Trustee has acted in bad faith in the selection and retention of such agent or employee.

(b) If the Trustee enters into a contract on behalf of the Trust Estate without ensuring that any liability arising out of such contract shall be satisfiable only out of the Trust Estate and shall not in any event, including the exhaustion of the Trust Estate, be satisfiable out of amounts at any time distributed to any Unit Holder or out of any other assets owned by any Unit Holder, then Trustee, vis-a-vis the Unit Holders, shall be fully and exclusively liable for such liability, but shall have the right to be indemnified and reimbursed from the Trust Estate to, the extent provided in Section 6.02.

*Section 6.02. Indemnification of Trustee.* The Trustee shall be indemnified by, and receive reimbursement from, the Trust Estate against and from any and all liability, expense, claims, damages or loss incurred by it individually or as Trustee in the administration of the Trust and the Trust Estate or any part or parts thereof, or in the doing of any act done or performed or omission occurring on account of its being Trustee, except such liability, expense, claims,

damages or loss as to which it is liable under Section 6.01(a). Trustee shall have a lien upon the Trust Estate to secure it for such indemnification and reimbursement and for compensation to be paid to Trustee. Except as provided in Section 4.06, neither the Trustee nor any agent or employee of the Trustee shall be entitled to any reimbursement or indemnification from any Unit Holder for any liability, expense, claims, damages or loss incurred by the Trustee or any such agent or employee, their right of reimbursement and indemnification, if any, being limited solely to the Trust Estate, whether or not the Trust Estate is exhausted without full reimbursement or indemnification of the Trustee or any such agent or employee.

*Section 6.03. Resignation of Trustee.* The Trustee may resign, with or without cause, at any time by written notice to each of the then Unit Holders of record, given by registered mail addressed to each such holder at such holder's last known post office address as shown by the records of the Trustee at the time such notice is given. Such notice shall specify a date when such resignation shall take effect, which shall be a Business Day not less than ninety (90) days after the date such notice is mailed. In case of such resignation, the Trustee will use its best efforts to nominate a successor, and will call a meeting of Unit Holders for the purpose of appointing a successor, and will solicit proxies for such meeting.

*Section 6.04. Removal of Trustee.* The Trustee may be removed, with or without cause, at a meeting held in accordance with the requirements of Article VIII by the affirmative vote of the holders of a majority of all the Units then outstanding.

*Section 6.05. Appointment of Successor Trustee.* In the event of a vacancy in the position of Trustee or if a Trustee has given notice of its intention to resign, the Unit Holders present or represented at a meeting held in accordance with the requirements of Article VIII may appoint a successor Trustee. Nominees for appointment may be made by (i) the resigned or removed Trustee and (ii) any Unit Holder or Unit Holders owning at least 15% of the Units. Any such successor Trustee shall be a bank or trust company having a capital, surplus and undivided profits (as of the end of its last fiscal year prior to its appointment) of at least \$100,000,000. In the event that a vacancy in the position of Trustee continues for sixty (60) days, a successor Trustee may be appointed by any State or Federal District Court holding terms in Tarrant County, Texas, upon the application of any Unit Holder, and in the event any such application is filed, such court may appoint a temporary Trustee at any time after such application is filed with it which shall, pending the final appointment of a Trustee, have such powers and duties as the court appointing such temporary Trustee shall provide in its order of appointment, consistent with the provisions of this Indenture.

Immediately upon the appointment of any successor Trustee, all rights, titles, duties, powers and authority of the succeeded Trustee hereunder shall be vested in and undertaken by the successor Trustee which shall be entitled to receive from the Trustee which it succeeds all of the Trust Estate held by it hereunder and all records and files in connection therewith. No successor Trustee shall be obligated to examine or seek alteration of any account of any preceding Trustee, nor shall any successor Trustee be liable personally for failing to do so or for any act or omission of any preceding Trustee. The preceding sentence shall not prevent any successor Trustee or anyone else from taking any action otherwise permissible in connection with any such account.

*Section 6.06. Laws of Other Jurisdictions.* If notwithstanding the other provisions of this Indenture the laws of jurisdictions other than Texas (each being referred to below as such jurisdiction) apply to the administration of properties under this Indenture, the following provisions shall apply. If it is necessary or advisable for a trustee to serve in such jurisdiction and if the Trustee is disqualified from serving in such jurisdiction or for any other reason fails or ceases to serve there, an ancillary trustee meeting the requirements set forth in second sentence of Section 6.05, shall be designated in writing by the Trustee. To the extent permitted under the laws of such jurisdiction, the Trustee may remove the trustee in such jurisdiction, without cause and without necessity of court proceeding, and may or may not appoint a successor trustee in such jurisdiction from time to time. The trustee serving in such jurisdiction is requested and authorized, to the extent not prohibited under the laws of such jurisdiction, to appoint the Trustee to handle the details of administration in such jurisdiction. The trustee in such jurisdiction shall have all rights, powers, discretions, responsibilities and duties as are delegated in writing by the Trustee, subject to such limitations and directions as shall be specified by the Trustee in the instrument evidencing such appointment. Any trustee in such jurisdiction shall be responsible for all assets with respect to which such trustee is empowered to act. To the extent the provisions of this Indenture and Texas law cannot be applicable to the administration in such jurisdiction the rights, powers, duties and liabilities of the trustee in such jurisdiction shall be the same (or as near the same as permitted under the laws of such jurisdiction if applicable) as if governed by Texas law. In all events, the administration in such

jurisdiction shall be as free and independent of court control and supervision as permitted under the laws of such jurisdiction. Whenever the term *Trustee* is applied in this Indenture to the administration in such jurisdiction, it shall refer only to the trustee then serving in such jurisdiction.
