On September 11, 2014, Equifax Inc. (the “Company”) issued a press release announcing that its Board of Directors has authorized the repurchase of up to an additional \$400 million of the Company’s outstanding shares of common stock in connection with a previously authorized share repurchase program. This amount is in addition to the approximately \$141.7 million in unused Board authorization which was available at June 30, 2014 under the existing share repurchase program. Repurchases under the program will be effected from time to time through open market and privately negotiated transactions, some of which may be effected through Rule 10b5-1 plans.
