Dear Fellow Stockholders:

You are cordially invited to attend the 2014 Annual Meeting of Stockholders (the Annual Meeting) to be held at Truett-Hurst's corporate offices at the VML Winery located at 4035 Westside Road, Healdsburg, CA, 95448, on Thursday, November 20, 2014 at 10:00 a.m., Pacific Standard Time.

The matters expected to be acted upon at the meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

In accordance with U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Because we are using the Internet, most stockholders will not receive paper copies of our proxy materials. We will instead send stockholders a notice with instructions for accessing the proxy materials and voting via the Internet. This notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe the use of the Internet makes the proxy distribution process more efficient and less costly, and helps in conserving natural resources.

The proxy statement, proxy card and the 2014 annual report to stockholders are available at <http://www.astproxyportal.com/ast/18382> and may also be accessed through our website at www.truethurstinc.com under the Investor Relations section. If you would like to receive a paper or e-mail copy of these documents, you must request one. There is no charge to you for requesting a copy.

Your vote is important. Please cast your vote as soon as possible over the Internet, by telephone, or by completing and returning the enclosed proxy card in the postage-prepaid envelope to ensure that your shares are represented. Your vote by written proxy will ensure your representation at the Annual Meeting regardless of whether or not you attend in person. Returning the proxy does not deprive you of your right to attend the meeting and to vote your shares in person.

We hope you'll join us at the Annual Meeting.

Sincerely,

[e-signature for Mr. Hurst]

Phillip L. Hurst
*Chief Executive Officer, Director and
Chairman of the Board of Directors*

Purposes At the Annual Meeting, you will be asked:

1. To re-elect Phillip L. Hurst, Paul E. Dolan III and Daniel A. Carroll as Class II directors of Truett-Hurst, Inc.
2. To elect new nominee Marcus Benedetti as a Class II director of Truett-Hurst, Inc. To serve for three years and until his successor has been elected and qualified, or until his earlier death, resignation or removal.
3. To ratify the appointment of Burr Pilger Mayer, Inc. as our independent registered public accounting firm for the fiscal year ending June 30, 2015.
4. To vote on a proposed amendment to the Certificate of Incorporation to increase the number of authorized shares of the Company's Class A common stock.
5. To vote on a proposed amendment to our 2012 Stock Incentive Plan to increase the number of shares of Class A common stock reserved for issuance under the 2012 Plan by 748,000 shares or from 252,000 shares to 1,000,000 shares.
6. To transact any other business that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

The Board of Directors knows of no other matters to be presented for action at the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote Only holders of record of our shares of Class A, Class B and restricted common stock at the close of business on September 30, 2014 will be entitled to vote at the Annual Meeting or any adjournment thereof. Each share of common stock will be entitled to one vote. As of September 30, 2014, 3,750,472 shares of our Class A common stock, 9 shares of our Class B common stock and 148,928 restricted stock award units were outstanding and entitled to vote. Holders of our Class A, Class B and restricted common stock will vote as a single class on all matters discussed in this proxy statement.

Quorum A majority of the voting power of the outstanding shares of Class A, Class B and restricted common stock are entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the Annual Meeting.

Shares of common stock held by persons attending the annual meeting but not voting, shares represented by proxies that reflect abstentions as to a particular proposal and broker non-votes, if any, will be counted as present for purposes of determining a quorum.

Vote Required The following proposals require your vote:

For Proposal No. 1 and 2, directors will be elected by a plurality of the votes of the shares of common stock cast at the Annual Meeting, which means that the nominees receiving the highest number of FOR votes will be elected. If stockholders withhold their votes, including brokers holding their clients' shares of record who cause withheld votes to be recorded, these shares will be considered present and entitled to vote at the Annual Meeting and will be counted towards determining whether a quorum is present. Withheld votes and broker non-votes (as defined below) will not be treated as votes cast with regard to Proposal No. 1 and 2.

For Proposal No. 3, the affirmative vote of a majority of the shares represented in person or by proxy at the annual meeting and entitled to vote is required for the ratification of the selection of Burr Pilger Mayer, Inc., as our independent registered public accounting firm for the year ending June 30, 2015. Abstentions will have the same effect as voting against this proposal. Brokers generally have discretionary authority to vote on the ratification of our

independent auditors, and thus broker non-votes are generally not expected to result from the vote on Proposal 3. Accordingly, any broker non-votes would not have any effect on the outcome of this proposal.

TABLE OF CONTENTS

For Proposal No. 4, the affirmative vote of the holders of a majority in voting power of the stock entitled to vote at the Annual Meeting, present in person or represented by proxy are required to approve the amendment to the Certificate of Incorporation to increase the number of authorized shares of Class A common stock. For this purpose, abstentions will count as votes present and entitled to vote on Proposal No. 4, but broker non-votes will not. Abstentions will count the same as votes against Proposal No. 4. Broker non-votes will not count as votes present and entitled to vote on Proposal No. 4.

For Proposal No. 5, the affirmative vote of the holders of a majority in voting power of the stock entitled to vote at the Annual Meeting, present in person or represented by proxy are required to approve the amendment of our 2012 Stock Incentive Plan (2012 Plan) to increase the number of shares of Class A common stock reserved for issuance under the 2012 Plan by 748,000 shares or from 252,000 shares to 1,000,000 shares. For this purpose, abstentions will count as votes present and entitled to vote on Proposal No. 5, but broker non-votes will not. Abstentions will count the same as votes against Proposal No. 5. Broker non-votes will not count as votes present and entitled to vote on Proposal No. 5.

A representative of American Stock Transfer & Trust Company, LLC, our transfer agent, will tabulate the votes and act as the inspector of election.

Dissenters' Rights No dissenters' rights are provided under the Delaware General Corporation Law, our Certificate of Incorporation or our bylaws with respect to any of the proposals described in this Proxy Statement.

Board Recommendation Your Board of Directors has unanimously approved and recommends that an affirmative vote be cast FOR each directors standing for re-election and our director nominees, FOR the ratification of the selection of Burr Pilger Mayer, Inc., as our independent registered public accounting firm, FOR the amendment to the Certification of Incorporation to increase the number of authorized shares of Class A common stock and FOR the amendment of our 2012 stock incentive plan to increase the number of shares of Class A common stock reserved for issuance pursuant to such plan.

Voting Your Shares If you are a registered stockholder, you may submit your proxy by U.S. Mail, internet or telephone and following the instructions in the Notice. If you requested a paper copy of the proxy materials, you also may submit your proxy by mail by following the instructions included with your proxy card. The deadline for submitting your proxy by internet or telephone is 11:59 a.m. Pacific Time the day before the Annual Meeting date. The designated proxy will vote according to your instructions. You may also attend the annual meeting and vote in person.

If you are a street name or beneficial stockholder because your shares are held in a brokerage account or by a bank or other nominee, your broker or nominee firm will provide you with a Notice. Follow the instructions on the Notice to access our proxy materials and vote by internet or to request a paper or email copy of our proxy materials. If you receive these materials in paper form, the materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares.

If you sign and submit your proxy without specifying how you would like your shares voted, your shares will be voted in accordance with the Board of Director's recommendations specified below and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the annual meeting.

Changing Your Vote by Revoking Your Proxy If you are a registered stockholder, you may revoke or change your vote at any time before the proxy is voted by filing with our Secretary either a written notice of revocation or a duly executed proxy bearing a later date. If you attend the annual meeting in person, you may ask the judge of elections to suspend your proxy holder's power to vote and you may submit another proxy or vote by ballot. Your attendance at the

Edgar Filing: Truett-Hurst, Inc. - Form PRE 14A

annual meeting will not by itself revoke a previously granted proxy.

If your shares are held in street name or you hold shares through a retirement or savings plan or other similar plan, please check your voting instruction card or contact your broker, nominee, trustee or administrator to determine whether you will be able to revoke or change your vote.

Voting in Person

Broker Non-Votes Under the rules that govern brokers who have record ownership of shares that they hold in street name for their clients who are the beneficial owners of the shares, brokers normally have discretion to vote such shares on routine matters, such as ratifications of independent registered public accounting firms, but not on non-routine matters. Broker non-votes generally occur when shares held by a broker nominee for a beneficial owner are not voted on a proposal because the broker nominee has not received voting instructions from the beneficial owner and lacks discretionary authority to vote the shares. We urge you to provide instructions to your broker so that your votes may be counted on this important matter.

Adjournment of Annual Meeting

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit solicitation of additional proxies. The chairperson of the Annual Meeting shall have the power to adjourn the Annual Meeting.

Implications of being an emerging growth company

We are an emerging growth company, as defined in the Jumpstart Our Business Startups Act, enacted on April 5, 2012 (JOBS Act). For as long as we are an emerging growth company, we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies, including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding stockholder advisory say-on-pay votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an emerging growth company until the earliest of:

the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more;
the last day of the fiscal year following the fifth anniversary of our IPO;
the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt;
and

the date on which we are deemed to be a large accelerated filer under the Exchange Act (we will qualify as a large accelerated filer as of the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates and (ii) been public for at least 12 months; the value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter).

TABLE OF CONTENTS

PROPOSALS NO. 1 AND 2 RE-ELECTION AND ELECTION OF DIRECTORS

Our Bylaws provide that our Board shall be comprised of not less than five nor more than nine directors, with the exact number to be fixed by resolution of the Board. The Board has determined that it will be comprised of nine directors effective as of the conclusion of our Annual Meeting. The Board sets its size so that the Board will possess, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives and to maintain a sufficient number of independent directors. In addition, the independent nominee directors will assist the company in transitioning to a majority independent Board of Directors.

Based on a recommendation from the Nominating and Governance Committee, the Board has resolved and nominated three Class III directors for re-election to the Board, Mr. Hurst, Mr. P. Dolan and Mr. Carroll. The Board believes that the re-election of the Board's Class II director nominees is important to the future success of our company and is in the best interests of all of our stockholders. Information regarding the business experience of each nominee and the particular experience, qualifications, attributes, or skills that qualify that person to serve as a director of the Company is provided below.

Based on a recommendation from the Nominating and Governance Committee, the Board has resolved and nominated one independent nominee to serve on the Board, Mr. Marcus Benedetti. Mr. Benedetti is nominated based upon his wealth of knowledge, experience and leadership positions. Information regarding the business experience of the nominee and the particular experience, qualifications, attributes, or skills that qualify that person to serve as a director of the Company is provided below.

Pursuant to our Certificate of Incorporation, the Board of Directors is divided into three classes, designated as Class I, Class II and Class III, terms of which expire alternately over a three-year period. At each Annual Meeting of Stockholders, successors to directors whose terms expire at that meeting shall be elected for three-year terms. Due to nomination of additional directors, the Board has modified the classes to reflect the following: Class I directors consist of Mr. H. Dolan and Mr. Graham; Class II directors consist of Mr. Hurst, Mr. P. Dolan, III, Mr. Carroll, and Mr. Benedetti; and Class III directors consist of Mr. Fruth and Mr. Verhey.

Class III and Class I directors will stand for re-election or election at the 2015 and 2016 annual meetings of stockholders, respectively. Unless otherwise provided by law, any vacancy on the Board of Directors, including a vacancy created by an increase in the authorized number of directors, may only be filled by the affirmative vote of a majority of the remaining directors then in office, although less than a quorum. Any director elected in accordance with the preceding sentence shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified, or his or her earlier death, resignation or removal.

If elected at the Annual Meeting, each of the nominees would serve for three years and until his successor is duly elected and qualified, or until such director's earlier death, resignation or removal. If either of the nominees is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board of Directors does not expect to occur), the stockholders may vote for a substitute nominee chosen by the present Board of Directors to fill the vacancy. In the alternative, the stockholders may vote for just the remaining nominee, leaving a vacancy that may be filled at a later date by the Board of Directors. Alternatively, the Board of Directors may reduce the size of the Board of Directors.

TABLE OF CONTENTS

Criteria for Nomination to the Board

Director Qualifications

There are no specific, minimum qualifications that the Board shall require to be met by a director nominee recommended for membership on the Board, nor are there any specific qualities or skills that are necessary for one or more of the Company's directors to possess, other than as are necessary to meet any requirements under rules and regulations (including any stock exchange rules) applicable to the Company. Notwithstanding the foregoing, the Nominating and Governance Committee assessment of the nominees included consideration of the following minimum qualifications:

nominees must have experience at a strategic or policy making level in a business, government, non-profit or academic organization of high standing;

nominees must be highly accomplished in their respective field, with superior credentials and recognition; nominees must be well regarded in the community and shall have a long-term reputation for the highest ethical and moral standards;

nominees must have sufficient time and availability to devote to the affairs of the Company; nominees must be free of conflicts of interest and potential conflicts of interest, in particular with relationships with other Boards; and

nominees must, to the extent such nominee serves or has previously served on other Boards, demonstrate a history of actively contributing at Board meetings.

The Board of Directors seeks members from diverse professional backgrounds who combine a broad spectrum of relevant industry and strategic experience and expertise that, in concert, offer us and our stockholders diversity of opinion and insight in the areas most important us and our corporate mission. Candidates for director nominee who do not meet all of these criteria may still be considered for nomination to the Board of Directors, if the Nominating and Governance Committee believes that the candidate will make an exceptional contribution to us and our stockholders. The Nominating and Governance Committee considers diversity in evaluating candidates for director with respect to the contribution that individual diversity of professional skills and experiences makes to overall Board effectiveness

Certain information is given below for the nominees for directors, directors standing for re-election and for each director whose term of office will continue after the Annual Meeting.

Process for Identifying and Evaluating Director Nominees

The Board of Directors delegates the selection and nomination process to the Nominating and Governance Committee, with the expectation that other members of the Board of Directors, and of management, will be requested to take part in the process as appropriate.

Generally, the Nominating and Governance Committee identifies candidates for director nominee in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the Nominating and Governance Committee deems to be helpful to identify candidates. The Nominating and Governance Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the Nominating and Governance Committee deems to be helpful in the evaluation process. The Nominating and Governance Committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board of Directors. Based on the results of the evaluation process, the Nominating and Governance Committee recommends candidates for the

Board of Directors approval as director nominees for election to the Board of Directors. The Nominating and Governance Committee also recommends candidates to the Board of Directors for appointment to the committees of the Board of Directors.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

Director Independence

For purposes of the corporate governance rules of NASDAQ, we are a controlled company. Controlled companies under the rules are companies of which more than 50% of the voting power for the election of directors is held by an individual, a group or another company. Our affiliates will beneficially own more than 50% of the combined voting power of Truett-Hurst, Inc. and will continue to have the right to designate a majority of the members of our Board of Directors for nomination for election and the voting power to elect such directors. Accordingly, we expect to be eligible to, and we intend to, take advantage of certain exemptions from corporate governance requirements of NASDAQ. Specifically, as a controlled company, we would not be required to have (1) a majority of independent directors, (2) a Nominating and Governance Committee composed entirely of independent directors, (3) a Compensation Committee composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, or (4) an annual performance evaluation of the Nominating and Governance and Compensation Committees. Accordingly, you will not have the same protections afforded to stockholders of companies that are subject to all of the applicable corporate governance rules of NASDAQ.

We will cease to qualify as a controlled company once our affiliates cease to control a majority of the combined voting power of Truett-Hurst, Inc. Several of our holders have entered into a voting agreement pursuant to which they have agreed to vote together on all matters subject to a stockholder vote; these holders currently vote 55% of our Class A common stock and 100% of the voting power of our outstanding Class B common stock. We will comply with all applicable NASDAQ rules once we transition from being considered a controlled company.

Directors are expected to have a financial stake in the Company to help align the director's interests with those of the Company's stockholders. To meet this objective, it is the policy of the Board to have a meaningful portion of the total compensation of non-management directors provided and held in common stock, stock options, restricted stock units or other types of equity-based compensation.

For board services in fiscal 2015, we anticipate that certain non-management directors will receive compensation in form of equity incentives equal to \$10,000 per year of a new director's term with a matching vesting schedule, a quarterly meeting fee of \$2,500 per quarter, and as applicable an annual committee chair fee of \$2,500. It is anticipated that we will grant these equity incentives on or around December 15, 2014. The quarterly fees and committee chair fee will have a one year vesting period to match the service period.

In 2014, the Board approved compensation to certain non-management directors in similar amounts to those we anticipate providing in fiscal 2015. These directors received actual compensation in amounts less than was approved.

We anticipate providing the impacted directors compensation in form of equity incentives equal to the shortfall.

Securities Authorized for Issuance Under Equity Compensation Plans

Information relating to the securities authorized for issuance under equity compensation plans is set forth below:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (#)	Weighted-average exercise price of outstanding options, warrants and rights (\$)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (#)

Total	150,000	\$ 5.00	

The 2012 Stock Incentive Plan (2012 Plan) is administered by the Board's Compensation Committee, which has the (1) power to determine matters related to the awards under the 2012 Plan, including conditions of vesting and exercise. As of June 30, 2014, there were no shares available or reserved for issuance under the 2012 Plan.

Administration

Our Board of Directors administers the 2012 Plan. The administrator has the power to determine and interpret the terms and conditions of the awards, including the employees, directors and consultants who will receive awards, the exercise price, the number of shares subject to each such award, the vesting schedule and exercisability of the awards, the restrictions on transferability of awards and the form of consideration payable upon exercise. The administrator also has the authority to institute an exchange program whereby the exercise prices of outstanding awards may be reduced or outstanding awards may be surrendered or cancelled in exchange for other awards of the same type (which may have higher or lower exercise prices) or awards of a different type.

Eligible Recipients and Grants

The 2012 Plan provides for the grant of incentive stock options, within the meaning of Section 422 of the Code, to our employees and any parent and subsidiary corporations' employees, and for the grant of non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and dividend equivalent rights to our employees, directors and consultants and our parent and subsidiary corporations' employees, directors and consultants.

TABLE OF CONTENTS

Duration, Amendment, and Termination

Our Board of Directors may amend, suspend or terminate the 2012 Stock Incentive Plan without stockholder approval or ratification at any time or from time to time. No change may be made that increases the total number of shares of common stock reserved for issuance pursuant to incentive awards, unless such change is authorized by our stockholders within one year.

Dividend Equivalent Rights

The 2012 Plan allows for the grant of dividend equivalent rights. Dividend equivalent rights are awards that entitle the recipients to compensation measured by the dividends we pay with respect to our Class A common stock.

Transferability of Awards

The 2012 Plan allows for the transfer of awards under the 2012 Plan only (i) by will, (ii) by the laws of descent and distribution and (iii) for awards other than incentive stock options, to the extent authorized by the administrator. Only the recipient of an incentive stock option may exercise such award during his or her lifetime.

Certain Adjustments

In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2012 Plan, the administrator will make adjustments to one or more of the number or class of shares that are covered by outstanding awards, the exercise or purchase price of outstanding awards, the numerical share limits contained in the 2012 Plan, and any other terms that the administrator determines require adjustment. In the event of our complete liquidation or dissolution, all outstanding awards will terminate immediately upon the consummation of such transaction.

Corporate Transactions and Changes in Control

The 2012 Plan provides that in the event of a corporate transaction, as defined in the 2012 Plan, each outstanding award will terminate upon the consummation of the corporate transaction to the extent that such awards are not assumed by the acquiring or succeeding corporation. Prior to or upon the consummation of a corporate transaction or a change in control, as defined in the 2012 Plan, an outstanding award may vest, in whole or in part, to the extent provided in the award agreement or as determined by the administrator in its discretion. The administrator may condition the vesting of an award upon the subsequent termination of the recipient's service or employment within a specified period of time following the consummation of a corporate transaction or change in control. The administrator will not be required to treat all awards similarly in the event of a corporate transaction or change in control.

Employment, Severance and Change-in-Control Arrangements

Currently none of our NEOs serve pursuant to a written or oral employment agreement. The following table provides information regarding the termination payments made to Mr. Bielenberg, upon his resignation on June 16, 2014:

Advisory Vote on Executive Compensation

As an emerging growth company, we are not required to hold a non-binding advisory vote (say-on-pay vote) on the compensation of our named executive officers.

Limitations of Liability and Indemnification Matters

Our certificate of incorporation and our bylaws also provide that we shall indemnify our directors and executive officers and shall indemnify our other officers and employees and other agents to the fullest extent permitted by law.

We believe that indemnification under our bylaws covers at least negligence and gross negligence on the part of indemnified parties. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether our bylaws would permit indemnification.

We believe that these provisions are necessary to attract and retain qualified persons as directors and executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, the opinion of the SEC is that such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provisions or otherwise as a matter of law. We also make available standard life insurance and accidental death and disability insurance policies to our employees.

TABLE OF CONTENTS**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information regarding beneficial ownership of the Class A and Class B common stock as of September 25, 2014 (i) by each person who is known by us to beneficially own more than 5% of the outstanding shares of our Class A common stock, (ii) by each of our directors, (iii) by each of our Executive Officers, and (iv) by all directors and executive officers as a group. The table is based upon information supplied by directors, officers and principal stockholders. Applicable percentage ownership for each stockholder is based on 3,750,472 shares of Class A common stock and 9 shares of Class B Common Stock, outstanding as of September 25, 2014, together with applicable vested restricted stock units for such stockholders. Beneficial ownership is determined in accordance with Securities Exchange Commission (SEC) rules and generally includes voting or investment power with respect to securities, subject to community property laws where applicable. Shares of common stock subject to restricted stock awards are deemed outstanding for the purpose of computing the percentage ownership of the person holding such options, but are not treated as outstanding for computing the percentage ownership of any other person. Reference is also made to the description of the Voting Agreements to which each executive officer and director is a party, as described above in this section.

PROPOSAL NO. 4 TO APPROVE AMENDMENT TO CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR CLASS A COMMON STOCK

The Board of Directors has approved a proposal to amend the Company's Restated Certificate of Incorporation, attached as Appendix B, to increase the number of authorized shares of the Company's Class A common stock from 7,000,000 to 15,000,000. The proposed amendment would replace Article 4 of the Restated Certificate of Incorporation with the following language:

The total number of shares of all classes of stock that the Corporation is authorized to issue is 20,001,000 shares, consisting of (i) 15,000,000 shares of Class A common stock, par value of \$0.001 per share (the Class A common stock), (ii) 1,000 shares of Class B common stock, par value of \$0.001 per share (the Class B common stock and, together with the Class A common stock, the common stock), and (iii) 5,000,000 shares of preferred stock, par value \$0.001 per share (the Preferred Stock).

The Board of Directors believes that it is prudent to increase the authorized number of authorized shares of Class A common stock in order to maintain a reserve of shares available for immediate issuance to meet business needs, such as an acquisition or equity offering, promptly as they arise, to provide equity incentive compensation to our employees and any subsidiary employees, and for the grant of non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and dividend equivalent rights to our employees, directors and consultants and subsidiary corporations' employees, directors and consultants. The Board of Directors believes that maintaining such a reserve will save time and money in responding to future events requiring the issuance of additional shares of Class A common stock, such as acquisitions, equity offerings or equity incentives. All authorized but unissued shares of Class A common stock will be available for issuance from time to time for any proper purpose approved by the Board of Directors (including issuances in connection with equity-based incentive plans and issuances to raise capital or effect acquisitions). There are currently no arrangements, agreements or understandings for the issuance of the additional shares of authorized Class A common stock except for issuances in the ordinary course of business. The Board of Directors does not presently intend to seek further stockholder approval of any particular issuance of shares unless such approval is required by law or by Nasdaq Marketplace Rules.

As of September 29, 2014, there were outstanding grants of 148,928 shares of restricted stock awards, 87,500 restricted stock units and 150,000 stock options under the 2012 Plan. The total number of future awards under the 2012 Plan is zero.

The Board of Directors believes that our 2012 Stock Incentive Plan is in the best interest of stockholders and the Company, as equity awards granted under the plan help to attract, motivate, and retain talented employees and non-employee directors; align employee and stockholder interests; link employee compensation to company performance; and maintain a culture based on employee stock ownership. Equity is a significant component of total compensation for our employees.

If Proposal 3 is adopted, the additional authorized shares of common stock would become issuable upon the approval of our Board of Directors at such times, in such amounts, and upon such terms as our Board of Directors may determine, without further approval of the stockholders, unless such approval is expressly required by applicable law,

regulatory agencies and NASDAQ exchange. Furthermore, current stockholders will have no preemptive rights to purchase additional shares. Stockholder approval of this amendment will not, by itself, cause any change in our capital accounts. However, any future issuance of additional shares of common stock authorized pursuant to this Proposal 3 would ultimately result in dilution of existing stockholders' equity interests.

Any newly authorized shares of the Company's common stock will be identical to the shares of common stock now authorized and outstanding. The proposed amendment will not affect the rights of current holders of the Company's common stock, none of whom have preemptive or similar rights to acquire the newly authorized shares.

The Board of Directors unanimously recommends a vote FOR the proposed amendment to the Certificate of Incorporation to increase the number of authorized shares of Class A common stock from 7,000,000 to 15,000,000.

PROPOSAL NO. 5 TO APPROVE AN AMENDMENT OF THE 2012 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES OF CLASS A COMMON STOCK RESERVED FOR ISSUANCE UNDER THE 2012 PLAN BY 748,000 SHARES OR FROM 252,000 SHARES TO 1,000,000 SHARES.

On September 25, 2014, our Board of Directors approved an amendment to the Company's 2012 Stock Incentive Plan (the 2012 Plan), subject to stockholder approval, to increase the number of shares available under the Plan by 748,000 shares. As of September 29, 2014, there were 148,928 shares of restricted stock awards, 87,500 shares of restricted stock units and 150,000 stock options and the total number of shares of common stock available for future awards under the 2012 Plan is zero, which the Board of Directors believes is inadequate for the purpose of providing future equity incentives.

Our Board of Directors has adopted the 2012 Plan which our sole active plan for providing equity incentive compensation to our employees and any parent and subsidiary corporations employees, and for the grant of non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and dividend equivalent rights to our employees, directors and consultants and to our parent and subsidiary corporations employees, directors and consultants. The Board of Directors believes that our 2012 Stock Incentive Plan is in the best interest of stockholders and the Company, as equity awards granted under the plan help to attract, motivate, and retain talented employees and non-employee directors; align employee and stockholder interests; link employee compensation to company performance; and maintain a culture based on employee stock ownership. Equity is a significant component of total compensation for our employees.

Certain material features of the plan are discussed below, however, the description is subject to, and qualified by the full text of the 2012 Plan attached as Appendix C, and is incorporated herein by reference, which includes the proposed amendment to Section 3(a). The closing price for our Class A common stock on September 25, 2014, was \$5.41 per share. If this proposal is approved, we anticipate filing a Form S-8 registration statement with the SEC shortly after the annual meeting to register the additional shares.

Share Reserve

The Board of Directors has reviewed the shares currently available under the 2012 Plan and has determined that it is appropriate to increase the number of shares authorized for issuance under the 2012 Plan. As of September 29, 2014, there were 148,928 shares of restricted stock award (weighted average price of \$4.89), 87,500 shares of restricted stock units (weighted average price of \$5.00) and 150,000 stock options (weighted average price of \$5.00) under the 2012 Plan (unvested). As of September 30, 2014, the total number of shares of common stock available for awards under the 2012 Plan is zero, which the Board of Directors believes is inadequate for the purpose of providing future equity incentives. The Board of Directors has determined that increasing the amount of shares of common stock issuable under the 2012 Plan is necessary in order to provide equity incentive compensation to our employees and any

parent and subsidiary corporations employees, and for the grant of non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and dividend equivalent rights to our employees, directors and consultants and our parent and subsidiary corporations employees, directors and consultants. As a result, the Board of Directors is asking the stockholders to approve the amendment to the 2012 Plan to increase the number of shares available under the 2012 Plan by 748,000 shares.

Of the shares granted from the 2012 Plan, Kevin Shaw, an independent contractor who acts as our creative director, holds 140,000 shares of restricted Class A common stock, James Verhey, our Director, holds 3,214 shares of restricted Class A common stock, Barrie Graham, our Director, holds 2,857 shares of restricted Class A common stock and John Fruth, our Director, holds 2,857 shares of restricted Class A common stock. These shares of restricted Class A common stock were granted in December 2012, February 2013 and December 9, 2013, respectively, and vest over a three-year period. Paul Fogue, our Chief Financial Officer and Chief Operations Officer, holds 87,500 of restricted Class A common stock and 150,000 stock options. These shares of restricted Class A common stock and stock options were granted in June 2014, and vest over a four-year period. The total outstanding grants of 386,428 shares of restricted Class A common stock represents approximately 6% of our 7,000,000 current authorized Class A common stock (assumes full conversion of 3,164,172 LLC units). The request of an additional amount of 748,000 shares represents 10% of our requested Class A common stock of 15,000,000 (assumes full conversion of 3,164,172 LLC units and stockholder approval of proposal 3, above).

TABLE OF CONTENTS

We believe the Compensation Committee and the Board of Directors have been judicious in granting equity awards and have displayed sensitivity to minimizing the dilutive impact that such awards could have on stockholders. In addition, we believe that the requested increase strikes an appropriate balance between providing grant flexibility and potential stockholder concerns regarding dilution. Furthermore, this relatively limited number of additional shares restricts the potential dilutive impact and gives stockholders a near-term opportunity to vote on any additional proposed share increase.

Administration

Our Board of Directors or a committee of our Board of Directors will administer the 2012 Plan. In the case of awards intended to qualify as performance based compensation within the meaning of Section 162(m) of the Code the committee will consist of two (2) or more outside directors within the meaning of Section 162(m) of the Code. The administrator will have the power to determine and interpret the terms and conditions of the awards, including the employees, directors and consultants who will receive awards, the exercise price, the number of shares subject to each award, the vesting schedule and exercisability of the awards, the restrictions on transferability of awards and the form of consideration payable upon exercise. The administrator also will have the authority to institute an exchange program whereby the exercise prices of outstanding awards may be reduced or outstanding awards may be surrendered or cancelled in exchange for other awards of the same type (which may have higher or lower exercise prices) or awards of a different type.

Stock Options

The 2012 Plan allows for the grant of incentive stock options that qualify under Section 422 of the Code only to our employees and employees of any parent or subsidiary of ours. Non-qualified stock options may be granted to our employees, directors, and consultants and those of any parent or subsidiary of ours. The exercise price of all options granted under the 2012 Plan must at least be equal to the fair market value of our Class A common stock on the date of grant. The term of an incentive stock option may not exceed ten (10) years, except that with respect to any employee who owns more than ten percent (10%) of the voting power of all classes of our outstanding stock or any parent or subsidiary corporation as of the grant date, the term must not exceed five (5) years, and the exercise price must equal at least one hundred ten percent (110%) of the fair market value on the grant date.

After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her option, to the extent vested, for the period of time specified in the option agreement. However, an option may not be exercised later than the expiration of its term.

On June 25, 2014, we granted stock options to Mr. Fogue, our Chief Financial Officer and Chief Operations Officer, which vest annually over four years and had a fair value at date of grant of \$0.4 million. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

Stock Appreciation Rights

The 2012 Plan allows for the grant of stock appreciation rights. Stock appreciation rights allow the recipient to receive the appreciation in the fair market value of our Class A common stock between the date of grant and the exercise date.

The administrator will determine the terms of stock appreciation rights, including when such rights become exercisable and whether to pay the increased appreciation in cash or with shares of our Class A common stock, or a combination thereof, except that the base appreciation amount for the cash or shares to be issued pursuant to the

exercise of a stock appreciation right will be no less than one hundred percent (100%) of the fair market value per share on the date of grant. After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her stock appreciation right, to the extent vested, only to the extent provided in the stock appreciation right agreement.

Restricted Stock Awards

The 2012 Plan allows for the grant of restricted stock. Restricted stock awards are shares of our Class A common stock that vest in accordance with terms and conditions established by the administrator. The administrator will determine the number of shares of restricted stock granted to any employee, director or consultant. The administrator may impose whatever conditions on vesting it determines to be appropriate. For

TABLE OF CONTENTS

example, the administrator may set restrictions based on the achievement of specific performance goals. Shares of restricted stock that do not vest are subject to our right of repurchase or forfeiture.

On December 28, 2012, we made a grant of 42,000 shares of restricted stock to James D. Bielenberg, our former Chief Financial Officer. On December 28, 2013, 14,000 shares of restricted stock vested and on June 16, 2014 the vesting of the remaining 28,000 shares of restricted stock was accelerated due to Mr. Bielenberg's resignation. The award had a fair value at the time of grant of \$103,000. Equity compensation was expensed in our consolidated financial results of operations over the vesting and acceleration period.

On February 4, 2013, we made a grant of shares of restricted stock to Kevin Shaw, an independent contractor who serves as our creative director. The award vests over three years, and had a fair value at the time of grant of \$940,000 of which 70,000 shares have vested. Equity instruments issued to non-employees are accounted for in accordance with FASB ASC Topic 505-50, Equity Based Payments to Non-Employees. Equity instruments issued to non-employees are recorded at their fair value on the measurement date and are subject to periodic market adjustments as the underlying equity instruments vest. The equity compensation is expensed in our consolidated financial results of operations over the vesting period.

On December 9, 2013, we granted restricted stock to certain directors of our company which vests over three years and has a fair value at date of grant of \$0.03 million. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

Restricted Stock Units

The 2012 Plan allows for the grant of restricted stock units. Restricted stock units are awards that will result in payment to a recipient at the end of a specified period only if the vesting criteria established by the administrator are achieved or the award otherwise vests. The administrator may impose whatever conditions to vesting, restrictions and conditions to payment it determines to be appropriate. The administrator may set restrictions based on the achievement of specific performance goals or on the continuation of service or employment. Payments of earned restricted stock units may be made, in the administrator's discretion, in cash, with shares of our Class A common stock or other securities, or a combination thereof.

On June 25, 2014, we granted restricted stock units to Paul Fogue, our Chief Financial Officer and Chief Operations Officer which vests annually over four years and had a fair value at date of grant of \$0.4 million. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

Dividend Equivalent Rights

The 2012 Plan allows for the grant of dividend equivalent rights. Dividend equivalent rights are awards that entitle the recipients to compensation measured by the dividends we pay with respect to our Class A common stock.

Transferability of Awards

The 2012 Plan allows for the transfer of awards under the 2012 Plan only (i) by will, (ii) by the laws of descent and distribution and (iii) for awards other than incentive stock options, to the extent authorized by the administrator. Only the recipient of an incentive stock option may exercise such award during his or her lifetime.

Certain Adjustments

In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2012 Plan, the administrator will make adjustments to one or more of the number or class of shares that are covered by outstanding awards, the exercise or purchase price of outstanding awards, the numerical share limits contained in the 2012 Plan, and any other terms that the administrator determines require adjustment. In the event of our complete liquidation or dissolution, all outstanding awards will terminate immediately upon the consummation of such transaction.

TABLE OF CONTENTS

Corporate Transactions and Changes in Control

The 2012 Plan provides that in the event of a corporate transaction, as defined in the 2012 Plan, each outstanding award will terminate upon the consummation of the corporate transaction to the extent that such awards are not assumed by the acquiring or succeeding corporation. Prior to or upon the consummation of a corporate transaction or a change in control, as defined in the 2012 Plan, an outstanding award may vest, in whole or in part, to the extent provided in the award agreement or as determined by the administrator in its discretion. The administrator may condition the vesting of an award upon the subsequent termination of the recipient's service or employment within a specified period of time following the consummation of a corporate transaction or change in control. The administrator will not be required to treat all awards similarly in the event of a corporate transaction or change in control.

Plan Amendments and Termination

The 2012 Plan will automatically terminate ten (10) years following the date it becomes effective, unless we terminate it sooner. In addition, our Board of Directors has the authority to amend, suspend or terminate the 2012 Plan provided such action does not impair the rights under any outstanding award unless mutually agreed to in writing by the recipient and us.

Vote Required

You may vote in favor or against this proposal or you may abstain from voting. Approval of the amendment to the 2012 Plan will require the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Meeting, assuming the presence of a quorum. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board of Directors are to be voted on this proposal, such shares will be voted in favor of the approval of the 2012 Plan. Abstentions will have the same effect as votes against this proposal and broker non-votes will not be counted as shares entitled to vote and will have no effect on the result of the vote. If the stockholders do not approve the amendment to the 2012 Plan, it will not be implemented, but we reserve the right to adopt such other compensation plans and programs as it deems appropriate and in the best interests of the Company and its stockholders.

Stockholder Approval and Board of Directors Recommendation

Our Board of Directors recommends that our stockholders vote **FOR** approval of the amendment to the 2012 Plan because it believes that the amendment to the 2012 Plan is critical to providing the additional shares that will be crucial factors in enabling us to continue to provide a competitive mix of compensation to our key employees.

Unless a contrary choice is specified, proxies solicited by the Board of Directors will be voted **FOR** approval of the amendment to the 2012 Plan. If the amendment to the 2012 Plan is not approved by the stockholders, the 2012 Plan will remain in effect, and we would remain subject to the existing pool of shares available for issuance under that Plan.

Policies and Procedures Regarding Related Party Transactions

Our Board of Directors reviews related party transactions for potential conflict of interest issues. Our Board of Directors has adopted a written related party transaction policy to set forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness or employment by us or a related person.

Certain Relationships and Related Transactions

Grape and Bulk Wine Agreements

We enter into grape and bulk wine purchase agreements from time to time with entities in which our executives and/or founders have financial interests. We have entered into such arrangements with:

Ghianda Rose Vineyard, which is owned by Diana Fetzer, wife of Paul E. Dolan, III a member of our Board of Directors.

Gobbi Street Vineyards, which is partly owned by Diana Fetzer, and Paul E. Dolan, III's daughter, Nya Kusakabe. Mendo Farming Company, which is managed by Heath E. Dolan and owned by the following members: (i) Daniel A. Carroll and Stasia Obremskey, as trustees of the Carroll-Obremskey Trust Dated April 5, 1996 (the Carroll-Obremskey) (33.333% interest); (ii) Paul E. Dolan III, as trustee of The Dolan 2003 Family Trust Dated June 5, 2003 (the Dolan 2003 Trust) (30.334% interest); (iii) Peter E. Dolan (17.333% interest); (iv) Heath E. Dolan and Robin A. Dolan, as trustees of The Dolan 2005 Family Trust Dated August 24, 2005 (the Dolan 2005 Trust) (9.500% interest); and (v) Zachary Y. Schat and Melissa Schat, as trustees of The Zachary Schat Trust U/D/T Dated September 1, 2004 (the Schat Trust) (9.500% interest). Peter E. Dolan is the brother of Paul E. Dolan, III.

Dark Horse Farming Company, which is owned Paul E. Dolan III (50%), Heath E. Dolan (25%) and Jason Dolan (25%). Paul E. Dolan III and Heath E. Dolan are directors of the LLC and Truett-Hurst, Inc. Jason Dolan is the brother of Heath E. Dolan.

We believe these arrangements reflect substantially the same market terms we would receive in transactions with unaffiliated third parties. However, if we fail to receive market terms for these transactions or other similar transactions in the future, our profits could be reduced.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and persons who beneficially own more than ten percent (10%) of our common stock, who are hereinafter collectively referred to as the Reporting Persons, to file with the SEC reports of beneficial ownership and reports of changes in beneficial ownership of our common stock on Forms 3, 4 and 5. Reporting Persons are required by applicable SEC rules to furnish us with copies of all such forms filed with the SEC pursuant to Section 16(a) of the Exchange Act. To our knowledge, based solely on our review of the copies of the Forms 3, 4 and 5 received by us during the fiscal year ended June 30, 2013 and written representations that no other reports were required, we believe that all reports required to be filed by such persons with respect to the Company's fiscal year ended June 30, 2014, were timely filed.

Stockholder Proposals and Nominations

Proposals Pursuant to Rule 14a-8. Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in the proxy statement and for consideration at our next annual meeting of stockholders. To be eligible for inclusion in the 2015 proxy statement, your proposal must be received by us no later than April 9, 2015, and must otherwise comply with Rule 14a-8. While our Board of Directors will consider stockholder proposals, we reserve the right to omit from the proxy statement stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8.

Other Proposals and Nominations. For proposals not made in accordance with Rule 14a-8, pursuant to Rule 14a-4(c), in order for a stockholder proposal to be presented at our meeting without it being included in our proxy materials, notice of such proposal must be delivered to our Corporate Secretary at our principal offices no later than April 9, 2015. If notice of any stockholder proposal is received after April 9, 2015, then the notice will be considered untimely and we are not required to present such proposal at the 2014 Annual Meeting, and then the persons named in proxies solicited by our Board of Directors for the 2015 Annual Meeting may exercise discretionary voting power with respect to such proposal. You may write to our Corporate Secretary at our principal executive offices, Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California 95448, and Attention: Corporate Secretary, to deliver the notices discussed above.

Proxy Solicitation Costs

The enclosed proxy is being solicited by the Board of Directors of the Company. We will bear the entire cost of solicitation of proxies on behalf of the Company, including preparation, assembly, printing and mailing of this Proxy Statement, the enclosed proxy card, the enclosed annual report for calendar year 2014, coordination of the Internet and telephone voting process, and any additional information furnished to you by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by internet and mail may be supplemented by telephone, facsimile, or personal solicitation by our directors, officers or other regular employees.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for notices of annual meetings, proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This

process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies. This year, a single notice of the annual meeting of stockholders, or copy of the proxy statement and annual report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, and direct your written request to Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California 95448, Attention: Investor Relations, or contact

by telephone at 707.431.4436. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.
