FOR IMMEDIATE RELEASE

THOR ANNOUNCES amended omnibus stock plan

Elkhart, Indiana, November 23, 2016 – Thor Industries, Inc. (NYSE:THO) today announced that the Company is planning to file an amendment to its Omnibus Stock Plan on Monday, November 28, 2016.

On November 22, 2016, Thor received a copy of the Proxy Analysis & Benchmark Policy Voting Recommendations issued by the Institutional Shareholder Services, (“ISS”). In its Recommendations, ISS recommended that the stockholders vote in favor of all of the Items included in the proxy card for the Annual Meeting, except for Item 4 relating to the New Equity Incentive Plan. ISS stated that in its analysis, a provision allowing transfer of nonstatutory stock options could lead to a theoretical transfer to a third-party financial institution without prior shareholder approval.

In addressing the basis for the ISS recommendation, Thor management first notes that no holders of nonstatutory stock options have ever transferred any of their options to a financial institution or requested the plan administrator to approve any such transfer. Further, as of October 31, 2016, no nonstatutory stock options were outstanding, and the Company has no plans to grant additional options. Nevertheless, Thor has no interest nor does it have any intent to allow or permit any transfer of options to any "third-party financial institution" as expressed in the theoretical situation posited by ISS. In recognition of the concerns of shareholders regarding this provision in the Plan, on Monday, November 28, 2016, Thor will be filing an amendment to its Proxy Statement wherein it will present an amended Omnibus Stock Plan (the "Amended Plan"). The Amended Plan will delete the provision of concern identified by ISS and eliminate any potential of a transfer of awards to a third party financial institution without prior shareholder approval.

The Board of Directors recommends that the Shareholders vote “FOR” the approval of the Company’s amended 2016 Plan. For any shareholders who have voted against Item 4 and would like to revoke your prior vote and vote in favor

of Item 4, you can do so at any time before the polls close at the Annual Meeting by:

- Voting again via telephone or Internet at proxyvote.com in favor of Item 4 by following the instructions on the Notice of Internet Availability of Proxy Materials or the proxy card;
- Signing another proxy card with a later date indicating your vote in favor of Item 4 and returning it to us prior to the Annual Meeting;
- Sending our Corporate Secretary a written document revoking your earlier proxy and indicating your vote in favor of Item 4; or

· Voting again at the Annual Meeting in favor of Item 4
