EXPLANATORY NOTES

This Report of Foreign Private Issuer on Form 6-K/A (this “Amended Report”) is furnished to amend and restate information contained on certain pages of the Report of Foreign Private Issuer on Form 6-K furnished to the Securities and Exchange Commission by Banco Latinoamericano de Comercio Exterior, S.A. on November 2, 2018 as amended by the Issuer on Form 6-K/A on December 4, 2018 (together, the “Original Report”) solely to present the financial statements on a condensed basis, in compliance with IAS 34 – Interim Financial Statement.

The amended pages are:

- a. Unaudited condensed consolidated interim statements of changes in stockholder’s equity (page 6)

Reason for amendment: The Bank elected to restate its condensed consolidated interim statement of changes in stockholder’s equity because the movements of the Dynamic Provision and Regulatory Reserve for the periods ended as of September 30, 2017 and 2016 had not been included therein.

- b. Unaudited condensed consolidated interim statements of cash flow (page 7)

Reason for amendment: The Bank elected to restate its condensed consolidated interim statement of cash flow for these periods due to the omission of a line item within cash flows from operating activities. The omitted line is “Write-offs against the allowance for expected credit losses on loans”

- c. The presentation of the breakdown of the Bank’s loans commitments and financial guarantees contracts exposure by country risk in Note 6 – Loans commitments and financial guarantees contracts (page 45)

Reason for amendment: As of September 30, 2018, due to a formatting issue, the amounts presented in the table beginning with the Ecuador line item and continuing to the bottom of the table before the “Total” line item do not correctly correspond to the countries indicated, since the amounts were not aligned with the correct countries. Nevertheless, the total amounts are correct. The Bank has elected to restate this page.

The rest of the information presented in Form 6-K (the “Original Report”) on November 2, 2018 is correct. This condensed consolidated interim financial report does not include all of the notes of the type normally included in an

annual financial report. This report is to be read in conjunction with the Bank's most recent annual report on Form 20-F. The accounting policies have been omitted as the accounting policies adopted are consistent with those of the previous financial year.

SIGNATURES

Letters of credit and guarantees

The Bank, on behalf of its client's base, advises and confirms letters of credit to facilitate foreign trade transactions. When confirming letters of credit, the Bank adds its own unqualified assurance that the issuing bank will pay and that

if the issuing bank does not honor drafts drawn on the letter of credit, the Bank will. The Bank provides stand-by letters of credit and guarantees, which are issued on behalf of institutional clients in connection with financing between its clients and third parties. The Bank applies the same credit policies used in its lending process, and once issued the commitment is irrevocable and remains valid until its expiration. Credit risk arises from the Bank's obligation to make payment in the event of a client's contractual default to a third party. Risks associated with stand-by letters of credit and guarantees are included in the evaluation of the Bank's overall credit risk.

Credit commitments

Commitments to extend credit are binding legal agreements to lend to clients. Commitments generally have fixed expiration dates or other termination clauses and require payment of a fee to the Bank. As some commitments expire without being drawn down, the total commitment amounts do not necessarily represent future cash requirements.
