Item 8.01

Other Events.

On July 2, 2012, Verso Paper Corp. issued a press release announcing that it has held discussions with certain holders of the 11.375% first-lien senior secured notes of NewPage Corporation in an effort to achieve a potential business combination involving Verso and NewPage as part of a consensual plan of reorganization in NewPage's Chapter 11 bankruptcy proceedings. Verso's press release is included in this report as Exhibit 99.1 and is incorporated herein by reference.

Pursuant to confidentiality agreements dated June 12, 2012, between Verso and certain NewPage first-lien noteholders, Verso is disclosing the material information relating to its discussions with such first-lien noteholders regarding the potential business combination. The material slides from Verso's presentation to the first-lien noteholders, dated June 18, 2012, regarding the potential business combination are included in this report as Exhibit 99.2 and are incorporated herein by reference. In addition, a withdrawn term sheet dated May 30, 2012, previously presented to the first-lien noteholders is included in this report as Exhibit 99.3 and is incorporated herein by reference. The May 30, 2012 term sheet was superseded in its entirety by the term sheet included in the June 18, 2012 presentation.

Verso provided advance notice to NewPage of its presentation to the first-lien noteholders and delivered its presentation to the first-lien noteholders for discussion purposes only. This report (including the exhibits incorporated herein by reference) is not a solicitation to any party to accept or support any Chapter 11 plan of reorganization.
