**Cautionary Statement Regarding Forward Looking Statements**

In connection with the safe harbor established under the Private Securities Litigation Reform Act of 1995, the Company cautions that certain information contained in this communication, particularly information regarding the consummation of the transactions contemplated by the Restated Merger Agreement, is forward-looking information that involves risks, uncertainties and other factors that could cause actual results to differ materially from those expressed or implied by the forward-looking statements. Forward-looking statements are typically identified by words or phrases such as "may," "will," "anticipate," "estimate," "expect," "project," "intend," "plan," "believe," "target," "for" other words and terms of similar meaning. Important factors that could cause actual results to differ materially from those expressed or implied by the forward-looking statements include, among other things: uncertainties as to how many of the Company's shareholders will tender their stock in the offer; the possibility that competing offers will be made; the risk of shareholder litigation in connection with the transaction and any related significant costs of defense, indemnification and liability; and the possibility that various closing conditions for the transaction may not be satisfied or waived. There can be no assurance that the proposed transactions will in fact be consummated.

Additional information about these and other material factors or assumptions underlying such forward looking statements are set forth in the reports that the Company files from time to time with the Securities and Exchange Commission (the "SEC"), including those items listed under the "Risk Factors" heading in Item 1.A of the Company's Annual Report on Form 10-K for the year ended January 1, 2012, as well as the solicitation/recommendation statement on Schedule 14D-9 to be filed by the Company. These forward-looking statements reflect the Company's expectations as of the date of this communication. The Company disclaims any intent or obligation to update these forward-looking statements for any reason, even if new information becomes available or other events occur in the future, except as may be required by law.
