E AND S HOLDINGS, INC.  
(A DEVELOPMENT STAGE COMPANY)  
NOTES TO FINANCIAL STATEMENTS  
AUGUST 31, 2006

### NOTE A - BASIS OF PRESENTATION

The accompanying unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10-QSB and item 310(b) of Regulation S-B. Accordingly, they do not include all the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. For further information, refer to the financial statements and footnotes thereto included in the E and S Holdings, Inc. Form 10-KSB filing for the year ended May 31, 2006.

### NOTE B - DEVELOPMENT STAGE COMPANY

E and S Holdings, Inc. (a Nevada corporation) has been in the development stage since its formation on June 20, 2001. It is primarily engaged in the development and marketing of new products on which it holds the patent. Realization of a major portion of its assets is dependent upon the Company's ability to successfully develop and market the patent, meet its future financing requirements, and the success of future operations. These factors raise substantial doubt about the Company's ability to continue as a going concern.

### ITEM 2 - MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

E & S Holdings (E & S) is a developmental stage company that has received revenues of approximately \$100 during the three-month period ending August 31, 2006. E & S has received no significant revenues since its inception.

As of August 31, 2006, E & S has cash assets of \$25 and no accounts receivable. The inventory of the company is \$21,365. After experiencing initial favorable response to the company's sole product, the Portable Pipe Vise, E & S has experienced a continuing decrease in the public interest for its product. Due to the lack of market response to the product, the management of E & S has decided that it is necessary to review the focus of the business's operation at this time. Management does not believe that additional funding of the Portable Pipe Vise will create sufficient interest in the product to justify raising additional capital. Instead, management is now focusing its efforts toward developing another product to market to the public either through the purchase of the product or through a combination with another existing entity.

Until such time as E & S is in a position to propose to its shareholders a change in direction of the company, it will continue in its efforts to market the Portable Pipe Vise to the public. It has no plans, at this time, however, to order additional units of the Portable Pipe Vise from its manufacturer.

## Edgar Filing: E & S HOLDINGS INC - Form 10QSB

The shares of E & S are currently listed on the OTC Bulletin Board, under the symbol ESHI.

Over the past three months, E & S has sustained operating losses in the amount of \$14,439. Of this amount, \$9,842 involve costs for legal and accounting fees occurred during the last quarter. As of August 31, 2006, E & S has total liabilities of \$88,846. These liabilities include approximately \$41,262 of liabilities owed to shareholders for advances and loans made to the company.

There are no off balance sheet arrangements involving E & S at this time.

### ITEM 3 - CONTROLS AND PROCEDURES

The management of E & S recognize its responsibility for establishing and maintaining adequate internal controls over financial reporting for E & S. Due to the small size of E & S, the company's Chief Executive Officer and Chief Operating Officer is aware of all matters pertaining to the operations of E & S Holdings, Inc and has reviewed all aspects of the financial information included in the company's financial reporting. At the present time, management is of the opinion that the company's internal controls over financial reporting for the past fiscal year is adequate. However, management has identified a material weakness in its procedures in that the small size of management causes a lack of segregation of duties and limits management's ability to recognize potential inadequacies of the internal controls over the financial reporting.
