- (1) Under Rule 13d-3, a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares: (i) voting power, which includes the power to vote, or to direct the voting of shares; and (ii) investment power, which includes the power to dispose or direct the disposition of shares. Certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As of August 8, 2014, there were 362,200 shares of our Common Stock issued and outstanding.
- (2) The shares denoted as being beneficially owned by Mr. Reeder represent those shares which Rockport has agreed to acquire from Mr. Little pursuant to the Purchase Agreement. Mr. Reeder is the sole shareholder of Rockport.

Change in Control

On August 8, 2014, Rockport, as purchaser, and Mr. Glenn Little, as seller, entered into the Purchase Agreement, pursuant to which Rockport agreed to acquire 291,500 shares of our Common Stock (representing approximately 80.5% of the outstanding shares of our Common Stock) from Mr. Little. The closing of the purchase and sale of the shares and shareholders loans pursuant to the Purchase Agreement is anticipated to take place on or about August 29, 2014. The consideration to be paid for the acquisition of the Common Stock and the shareholder loans is an aggregate of approximately \$250,000, and will be paid from corporate funds of Rockport. The purchase of the shares of Common Stock by Rockport from Mr. Little is expected to be consummated in a private transaction and Mr. Reeder as CEO of Rockport, and as CEO of the majority shareholder of Rockport, will, upon completion, be considered to be in "control" of the Company. As a condition of the Purchase Agreement, Mr. Little has agreed to resign as director, president, secretary and treasurer and to appoint Mr. Reeder as director of the Company. Mr. Reeder is expected to be appointed as president, secretary and treasurer of the Company effective as of the closing of the purchase and sale pursuant to the Purchase Agreement. The change to our board of directors is anticipated to be effective approximately ten days after the delivery of this Information Statement to our shareholders.

We are not aware of any arrangement that might result in a change in control in the future, except the change of control from Mr. Little to Rockport and Mr. Reeder, as described above. Except as described above, there has been no change of control of the Company since the beginning of the Company's last fiscal year.

DIRECTORS AND EXECUTIVE OFFICERS

We anticipate that on or about the date that is ten days after the delivery of this Information Statement to our shareholders, Mr. Little will tender a letter of resignation to the Board to resign as director, as contemplated by the Purchase Agreement. Mr. Reeder is expected to be appointed as president, secretary and treasurer of the Company effective as of the closing of the purchase and sale pursuant to the Purchase Agreement.

Information regarding our current executive officer and director, and assuming the consummation of the transactions contemplated by the Purchase Agreement, our new executive officer and director, is as follows:

Term of Office

Our Directors are appointed for one-year terms to hold office until the next annual meeting of our shareholders or until removed from office in accordance with our bylaws. Our officers are appointed by our board of directors and hold office until removed by the board.

Director Independence; Corporate Governance

Pursuant to the Company’s current structure of having a sole director, who is also the Company’s sole officer and controlling stockholder, the Company has no independent directors, as defined in Rule 5605(a)(2) of the Nasdaq Listing Rules. Immediately following consummation of the transactions contemplated by the Purchase Agreement, this situation is expected to continue.

Because it consisted of a sole director, our board held no formal meetings during the fiscal year ended December 31, 2014. All proceedings of the board were conducted by written consents, pursuant to Nevada law and our Bylaws. Also as a result of the composition of our board, we do not have a policy regarding director attendance at meetings.

We do not currently have any committees of the board, nor any committee charters. While our board consists of a single director, we believe that there is no purpose in establishing separate committees or adopting committee charters. In the future, it is anticipated that the board may form separate committees, including audit, compensation and nominating committees.

Security holders may send communications to the board at our principal executive offices.

Management

The Company is a shell corporation, and currently has no full-time employees. Upon consummation of the transactions contemplated by the Purchase Agreement, Wm. Christopher Reeder will be the Company’s sole officer, director, and controlling shareholder. All references herein to management of the Company are to Mr. Reeder. Mr. Reeder, as President of the Company, has agreed to allocate a limited portion of his time to the activities of the Company without compensation. Potential conflicts may arise with respect to the limited time commitment by Mr. Reeder and the potential demands of the Company’s activities.

The amount of time spent by Mr. Reeder on the activities of the Company is not predictable. Such time may vary widely from an extensive amount when reviewing a target company to an essentially quiet time when activities of management focus elsewhere, or some amount in between. It is impossible to predict with any precision the exact amount of time Mr. Reeder will actually be required to spend. Mr. Reeder estimates that the operations of the Company can be managed, and the current business plan of the Company can be implemented, by devoting less than 8 hours per month, but such figure cannot be stated with precision.

Significant Employees

We have no significant employees other than the officer and director described above.

LEGAL PROCEEDINGS INVOLVING DIRECTORS AND EXECUTIVE OFFICERS

The Company is not aware of any legal proceedings in which the Purchaser, any director, officer, or any record or beneficial owner of more than five percent of any class of voting securities of the Company, or any affiliate or associate of the Purchaser, or of any such director, officer, affiliate of the Company, or security holder, is a party adverse to the Company or has a material interest adverse to the Company. To the best of our knowledge, no director, executive officer, significant employee or control person of the Company, or the incoming director and officer, has been involved in any legal proceeding listed in Item 401(f) of Regulation S-K in the past 10 years.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There are no family relationships between our current director and executive officer and the proposed new director and executive officer. During our fiscal year ended December 31, 2013 and the previous fiscal year, there were no transactions, or any currently proposed transaction, in which the Company was or is to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Company's total assets at year-end for the last two completed fiscal years, and in which the current director or officer or the incoming director and officer had or will have a direct or indirect material interest. There is no material plan, contract or arrangement (whether or not written) to which the current director or officer or the incoming director and officer is a party or in which they participate that is entered into or material amendment in connection with our appointment of the current director or officer or the incoming director and officer, or any grant or award to the current director or officer or the incoming director and officer or modification thereto, under any such plan, contract or arrangement in connection with our appointment of the current director and officer or the incoming director and officer.

Following consummation of the transactions contemplated by the Purchase Agreement, we will rely on our board to review and approve related party transactions, which may be approved if the board determines that the transaction is fair to, and in the best interest of, the Company.

SECTION 16(a) BENEFICIAL REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who beneficially own more than ten percent of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based on our review of the copies of such forms received by the Company, we believe that during the fiscal year ended December 31, 2013, all such filing requirements were complied with.

EXECUTIVE COMPENSATION

For the last two completed fiscal years, we have not paid our director and officer any compensation for serving as a director or officer. We did not grant any stock options or other equity-based compensation to the any officer or director since January 1, 2001.
