MANIA AND CAMTEK SIGN OEM PLOTTER AGREEMENT

MIGDAL HA EMEK, Israel, July 25, 2006 **Camtek Ltd.** (Nasdaq: CAMT, TASE: CAMT) and Mania Technologie AG of Riedelbach, Germany, announced today that the two companies have signed an OEM agreement under which Camtek will offer film plotters for photo tools, based on Mania's SilverWriter and Calibr8stor technologies, under its own FinePlot brand.

Yankee Yavor, VP of PCB and HDI-S inspection products at Camtek, commented: "In line with our approach of providing complete solutions, we realized the need to complement our extensive line of AOI systems with world-class film plotters. We are pleased to have reached this agreement with Mania, a renowned provider of plotter technology. This agreement enables us to offer and support these successful plotters as an integral part of our product portfolio."

Mr. Yavor added: "Mania and Camtek have been working together for several years as we have been using Mania's UCAM software in a peripheral tool to our AOI systems."

Karel Tavernier, Head of Mania Technologie's Imaging Business Unit, continues: "Our agreement with Camtek opens up a new channel to give our customers more choice. Camtek is well-established in the PCB and HDI markets with a strong presence in major fabricators. This agreement will give Mania's field-proven plotting technologies immediate exposure to important new customers. In addition, we expect to benefit from certain aspects of Camtek's experience in configuring our plotters to the specific needs of their customers."

About Camtek Ltd.

With headquarters in Migdal Ha'Emek Israel, Camtek Ltd., designs, develops, manufactures, and markets automatic optical inspection systems and related products. Camtek's automatic inspection systems are used to enhance both production processes and yield for manufacturers in the printed circuit board industry, the high density interconnect substrate industry and the semiconductor manufacturing and packaging industry. This press release is available at www.camtek.co.il.

About Mania Technologie AG.

MANIA Technologie is a global leader in the development and supply of equipment and outsourcing services to the printed circuit board industry. Mania's equipment portfolio includes electrical testers, drilling machines, optical inspection (AOI), photoplotters and CAM software. The company has an extensive network of offices around the world offering real-time local support and advice to our customers. This press release is available at www.maniagroup.com.

This press release may contain projections or other forward-looking statements regarding future events or the future performance of the Company. These statements are only predictions and may change as time passes. We do not assume any obligation to update that information. Actual events or results may differ materially from those projected, including as a result of changing industry and market trends, reduced demand for our products, the timely development of our new products and their adoption by the market, increased competition in the industry, price reductions as well as due to risks identified in the documents filed by the Company with the SEC.
