Mr. Yoseph Dauber is currently serving as another external director of the Company.

Under the Israeli Companies Law, a publicly traded company must appoint at least two external directors. The Israeli Companies Law provides that a person may not be appointed as an external director of a company if the person or the person's relative, partner, employer, anyone the person is subject to, directly or indirectly, or any entity under the person's control, has, as of the date of the person's appointment to serve as external director, or had, during the two years preceding that date, any affiliation with such company, any entity controlling such company or any entity controlled (as of the date of the person's appointment to serve as external director, or during the two years preceding that date) by or under common control with such company. The term "affiliation" includes:

- o an employment relationship;
- o a business or professional relationship maintained on a regular basis;

At least one of the external directors is required to have "financial and accounting expertise" and the other external director(s) are required to have "professional competence" As provided by regulation, a director having "financial and accounting expertise" is a person who, due to his or her education, experience and qualifications, is highly skilled in respect of, and understands, business-accounting matters and financial reports in a manner that enables him or her to understand in depth the company's financial statements and to stimulate discussion regarding the manner in which the financial data is presented. The assessment of a director's "financial and accounting expertise" shall be made by the board of directors. A director having "professional competence" is a person who has an academic degree in either economics, business administration, accounting, law or public administration, or who has an academic degree in an area relevant to the main business sector of the company or in a relevant area for the position as a director, or who has at least five years experience in a senior management position in the business of a corporation with a substantial scope of business, in a senior position in the public sector or in a senior position in the field of the company's business.

Our board of directors has determined that Ms. Tali Yaron-Eldar has "financial and accounting expertise".

Below is information about Ms. Tali Yaron-Eldar:

Since January 2004, Ms. Yaron-Eldar has served as the Chief Executive Officer of Arazim Investment Company, a publicly traded real estate investment company. In addition, since March 2007, she has been a partner with the law firm of Tadmor & Co. and from January 2004 to March 2007, Ms. Yaron-Eldar was a partner with the law firm Cohen, Yaron-Eldar & Co.
