Each of Mr. Elsztain and DIC may each be deemed the beneficial owners of, and to share the power to vote and dispose of, an aggregate of 56,205,018 Ordinary Shares held by DIC and Koor (which includes 5,809,838 Ordinary Shares, constituting 5% of the Ordinary Shares then outstanding, held by the Israeli Shareholders by virtue of the agreement between Koor and the Israeli Shareholders described in Item 6), constituting in the aggregate

approximately 47.72% of the Ordinary Shares then outstanding and, in addition, be deemed to share the power to vote and the other rights of Koor with respect to the aforementioned 3,412,500 Ordinary Shares held by two shareholders, constituting approximately 2.93% of the Ordinary Shares then outstanding. Each of the Israeli Shareholders, Wior Communications and Blejer Communications may be deemed beneficial owner of, and to share the power to vote, an aggregate of 5,809,838 Ordinary Shares, constituting 5% of the Ordinary Shares then outstanding. This Statement shall not be construed as an admission by DIC and Mr. Elsztain that they are the beneficial owners of any of the Ordinary Shares covered by this Statement.

The Issuer advised the Reporting Persons that as of January 23, 2019 there were 116,196,729 Ordinary Shares outstanding, and the percentages of Shares outstanding set forth in this Schedule 13D/A are based on this number, except that for Koor, DIC (Koor's controlling shareholder as described above) and Elsztain (DIC controlling shareholder through companies in his control as described above), the percentages of Shares outstanding set forth in this Schedule 13D/A are based on 117,775,279 Ordinary Shares outstanding, comprised of (i) 116,196,729 Ordinary Shares outstanding as described in this paragraph above, plus (ii) 1,578,550 Koor Options, in accordance with Rule 13d-3(d)(1) under the Securities Exchange Act of 1934, as amended.

Information provided to the Reporting Persons indicates that none of the executive officers and directors of DIC and Koor owned as of January 23, 2019, or purchased or sold from November 23, 2018 through January 23, 2019, any Ordinary Shares (except for Mr. Mauricio Wior, who is a reporting person and also serves as a director in DIC).

Item 6. Contracts, Arrangements, Understandings or Relationships with respect to Securities of the Issuer

Item 6 is hereby amended as follows:

1. On June 26, 2018 DIC purchased 1,150,000 Ordinary Shares of the Issuer through a swap transaction with a banking institution (the "Swap Transaction", the "Swap Shares", the "Bank"). As part of the Swap Transaction, DIC acquired (in a DVP transaction) the Swap Shares from a third party (one or more, whose identity/identities is/are unknown to DIC), which engaged with the Bank (the "Seller"), according to a price per Swap Share which was the closing price of the Issuer share on the Tel Aviv Stock Exchange Ltd. (the "Stock Exchange") on the last trading day before the execution of the Swap Transaction (the "Base Price"). The Swap Transaction is in effect for a period of 90 days (subject to the option of early termination), during which the Swap Shares are owned by DIC. On the termination date of the Swap Transaction, DIC will sell (in a DVP transaction) to the Seller shares of the Issuer in amount equal to the amount of the Swap Shares, according to a price per share which will be the closing price of the Issuer share on the Stock Exchange as of the last trading day before the termination date of the Swap Transaction (the "End Price"). The Swap Transaction is a margin transaction such that if at the end of the Swap Transaction the End price is higher than the Base Price than DIC will transfer the difference to the Bank and if the End price is lower than the Base Price than the Bank will indemnify DIC. Additionally, as part of the Swap Transaction and as collateral for DIC fulfilling its obligations to the Bank, DIC pledged in favor of the Bank, through a fixed pledge, the Swap Shares, as well as a NIS deposit in an amount equal to 5% of the value of the Swap Shares according to the Base Price. During the Swap Transaction the Swap Shares are owned by DIC; however, DIC is not entitled to the upside on the Swap Shares (if and to the extent there will be such). DIC paid the Bank agreed upon premium and commission for arranging the Swap Transaction. Details regarding the ending of said Swap Transactions see items 2A and 2F above. The Swap Transaction won't influence DIC's financial statement except for payment of insignificant premium and commission as mentioned above.

2. 5,809,838 Ordinary Shares, constituting 5% of the Issuer's outstanding share capital, are held by two Israeli Shareholders. One Israeli shareholder is Wior Communications, controlled by Mr. Mauricio Wior, who is the vice chairman of the Issuer and an alternate director in DIC; and the other Israeli shareholder is Blejer Communications, controlled by Mr. Mario Blejer, who is an alternate director in IDB Development, a company controlled by the Issuer's controlling shareholder, pursuant to a lending transaction with Koor (the "Koor Lending Transaction"). According to the said Koor Lending Transaction, on January 31, 2018 and February 6, 2018, 5,052,228 Ordinary Shares, then constituting 5% (2.5% to each) of the outstanding share capital, were transferred from Koor to the Israeli Shareholders, on June 28, 2018, additional 606,060 Ordinary Shares, on December 2018 and January 2019, additional 151,550 Ordinary Shares were transferred from Koor to the Israeli Shareholders.

The Koor Lending Transaction (dated January 2018) was entered into to satisfy a requirement of the Israeli Ministry of Communication that citizens and residents among the Issuer's founding shareholders (or their approved transferees) must own at least 5% of the Issuer's outstanding share capital and each of the Issuer's other "means of control" (defined under Israeli Companies Law to include voting rights), which requirement is included in the Issuer's general

license to provide cellular services.

Page 13 of 17 pages

The main terms of the agreement are:

The agreement will be in force until December 31, 2018 and will be automatically extended by a one year term until terminated according to its terms.

Koor will have the right to terminate the agreement at any time and receive all or part of the Transferred Shares. The Israeli Shareholders will not be able to transfer the Transferred Shares without Koor's approval and subject to additional terms, including the transferees assuming the Israeli Shareholder's obligation towards Koor pursuant to the Agreement, the transferees being "Israeli Shareholders" under the Company's cellular license and the Israeli Ministry of Communication's ("MOC") prior approval of such transfer, if required.

As long as such requirement exists in Cellcom's cellular license, the Israeli Shareholders will have the right, jointly and not severally, by a majority decision among themselves, to appoint 10% of the Company's directors (currently – one director). The Israeli Shareholders will vote with Koor in all shareholders resolutions (including the nomination of directors suggested by Koor).

The Transferred Shares (including all rights or income therefrom) will be pledged by a first-degree pledge in favor of Koor, and any realization of such pledge will be subject to the receipt of the MOC's approval, if required.

In case of any dividend or other distribution (including rights by way of a rights offering), these will be transferred by the Israeli Shareholders to Koor. In case of other corporate actions, including conversion, sub-division, consolidation etc., Koor may notify the Israeli Shareholders, at its sole discretion, if such rights will be part of the Transferred Shares or shall be transferred to Koor.
