Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Nicholas Financial, Inc. (the Company) (NASDAQ: NICK) is filing this Current Report on Form 8-K to report that, on April 3, 2014, the Company received notice from The Nasdaq Stock Market (Nasdaq) that, as a result of the Company's failure to hold an annual meeting of shareholders within the timeframe required by Nasdaq Listing Rules 5620(a) and 5620(b), Nasdaq has determined to initiate proceedings to delist the Company's securities from The Nasdaq Stock Market. Nasdaq Rule 5620(a) requires a listed company to hold an annual meeting of shareholders no later than one year after the end of its fiscal year-end, and Nasdaq Rule 5620(b) requires a listed company to solicit proxies and provide proxy statements for all meetings of shareholders and to provide copies of such proxy solicitations to Nasdaq.

Nasdaq's delisting determination will not immediately result in the delisting of the Company's securities. Under Nasdaq rules, the suspension of trading and delisting of the Company's securities will be stayed during the pendency of an appeal by the Company of the delisting determination. The Company intends to commence such an appeal within the required appeal period under Nasdaq rules. Accordingly, the Company's Common Shares will continue to trade on The NASDAQ Global Select Market while such appeal is pending. There can be no assurances whether the Company will be successful in its appeal of the delisting determination.

As previously disclosed in a Current Report on Form 8-K filed December 18, 2014, on December 17, 2014, the Company entered into an arrangement agreement (the Arrangement Agreement) whereby the Company has agreed to sell all of its issued and outstanding Common Shares to an indirect wholly-owned subsidiary of Prospect Capital Corporation (Prospect), pursuant to a plan of arrangement (the Arrangement) under the Business Corporations Act (British Columbia). The Company has delayed the holding of its annual meeting of shareholders due to the pendency of this transaction.

Prospect (NASDAQ: PSEC) (www.prospectstreet.com) is a closed-end investment company that lends to and invests in private and public middle market businesses. Prospect's investment objective is to generate both current income and long-term capital appreciation through debt and equity investments.

The transactions contemplated by the Arrangement Agreement are currently expected to be consummated on or before June 12, 2014, but such transactions will not be consummated unless certain conditions typical for this type of transaction are either satisfied or waived prior to closing. These conditions include, among other things, that the Arrangement Agreement and the transactions contemplated thereby are approved by the securityholders of the Company in accordance with the Business Corporations Act (British Columbia) and the Company's Articles. An information circular providing further information regarding the Arrangement Agreement and the parties thereto will be mailed to securityholders of the Company in advance of the special meeting thereof expected to be held for the purpose of approving, among other things, the Arrangement Agreement and the Arrangement contemplated thereby.

The foregoing description is qualified in its entirety by reference to the Arrangement Agreement, a copy of which is attached as Exhibit 2.1 to the Company's Current Report on Form 8-K filed on December 18, 2013.

In the event that the transactions contemplated by the Arrangement Agreement are not consummated, the Company will hold an annual general meeting of shareholders on July 30, 2014. The record date for such annual general meeting of shareholders is June 24, 2014. The Company currently anticipates mailing a proxy statement and related materials on or about June 30, 2014 to shareholders entitled to vote at the annual general meeting of shareholders.
