NOTES TO FINANCIAL STATEMENTS

1.

BASIS OF PRESENTATION

The accompanying unaudited financial statements in the Form 10QSB are presented in accordance with the requirement of the form and do not include all of the disclosures required by accounting principles generally accepted in the United States of America. For additional information, reference is made to the Company's annual report on Form 10KSB for the year ended October 31, 2004. In the opinion of management, all adjustments (consisting only of normal recurring adjustments) considered necessary for a fair presentation have been included. 2.

EARNINGS PER SHARE

Diluted earnings (loss) per share is calculated by dividing net income (loss) by the weighted average number of common shares and dilutive common stock equivalents outstanding. During the periods presented common stock equivalents, if any, were not considered as their effect would be anti-dilutive.

DEBT

In April 2005, Innovative Designs, Inc. (the Company) entered into discussions with David W. Lampl, Esq. (Lampl) regarding the terms of a potential loan from Lampl to the Company. Lampl disclosed the potential conflict of interest to the Company and followed the Pennsylvania Rules of Professional Conduct with regard to conflict of interest matters. Joseph Riccelli, the Company's Chief Executive Officer, executed, on behalf of the Company, a letter dated April 19, 2005, which outlined the terms of the loan. Mr. Riccelli also executed a Disclosure Statement stating that he understood the terms of the loan and consented to Lampl's role as both counselor to the Company and as payee of the loan. On April 28, 2005, the Company entered into a Secured Term Promissory Note (the Note) with Lampl, whereby Lampl loaned and the Company agreed to pay Lampl the principal amount of fifty thousand and 00/100 dollars (\$50,000.00) plus interest at a rate of twelve and 00/100 percent (12%) per annum on or before December 31, 2005. Otherwise, Lampl will retain the entire fifty thousand (50,000) shares of the Company stock free and clear of any claims or obligations.

If the Company defaults under the terms of the Note, the payment of the indebtedness will be accelerated and the interest rate will accrue on any remaining principal balance at a rate of eighteen percent (18%) from the date of default forward. The Note also contains a Confession of Judgment provision.

NOTES TO FINANCIAL STATEMENTS

5.

CONVERSION OF NOTES PAYABLE RELATED PARTY TO EQUITY

Due to cash flow problems currently being experienced by the Company, on January 31, 2005, the holder of the note payable, RMF-Global Inc., a company solely owned by the Chief Financial Officer of Innovative Designs, Inc., Joseph Riccelli, agreed to accept 1,909,098 shares of the Company's \$.0001 par value common stock in settlement of \$763,639 of the Company's obligation. The Company still has \$200,000 outstanding of a note payable related party at April 30, 2005.

6.

GOING CONCERN

The Company's financial statements are presented on a going concern basis, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business.

The Company has experienced a significant loss from operations as a result of its investment necessary to achieve its operating plan, which is long-range in nature. For the six month period ended April 30, 2005 and 2004, the Company incurred a net operating loss of \$177,590 and \$164,632, respectively. Since the Company's inception, they have incurred a net loss from operations of \$4,569,964 which included \$3,655,180 resulting from non-cash stock compensation paid to various individuals for performance of services on behalf of the Company. The Company has a working capital deficit of \$7,794 and \$678,664 and a stockholders' deficit of \$279,250 and \$959,910 at April 30, 2005 and 2004, respectively. In addition, the Company has no significant revenue generating operations.

The Company's ability to continue as a going concern is contingent upon its ability to attain profitable operations and secure financing. Further, the Company's ability to continue as a going concern must be considered in light of the problems, expenses and complications frequently encountered by entrance into established markets and the competitive environment in which the Company operates.

On May 1, 2005, Innovative Designs, Inc. (the Company) entered into a Personal Services Agreement (the Agreement) with William Maas (Maas), whereby the Company agreed to design and manufacture a line of hunting and outdoor apparel that will be known as the Bill Maas Hunting Line (the Hunting Line). The initial term of the Agreement is three (3) years and will automatically renew for another three (3) year term, not to exceed ten (10) three (3) year terms, unless either party terminates the Agreement.

Maas agreed to permit the Company to utilize his name, image, likeness, reputation, signature, history, career statistics and other personal characteristics in order to communicate Maas endorsement, use and involvement with the Hunting Line. Maas also agreed to make himself available, at his discretion, to appear in person at various locations and/or functions to promote the Hunting Line.

INNOVATIVE DESIGNS, INC.

(A Development Stage Company)

NOTES TO FINANCIAL STATEMENTS

The Company agreed to compensate Maas by providing him with a commission on all revenues received by the Company from the sale of Hunting Line apparel.

During May 2005, the Company received a substantial purchase order from one prominent independent retailer for the Company's Bill Maas Hunting Line. The Company products are also currently carried by 18 retailers located primarily in Ohio and Pennsylvania. The Company also has an exclusive agreement with a major manufacturing representative firm that will be marketing and selling the Company's products in 37 states throughout the United States.

The Company is pursuing equity financing for its operations. Failure to secure such financing or to raise additional capital or borrow additional funds may result in the Company depleting its available funds and not being able to pay its obligations.

The financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that may result from the possible inability of the Company to continue as a going concern.
