QUESTIONS AND ANSWERS

We are providing you with this proxy statement, which contains information about the items to be voted upon at our annual stockholders meeting. To make this information easier to understand, we have presented some of the information below in a question and answer format.

Q: Why did you send me this proxy statement?

A: We sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote your shares at the 2004 annual stockholders meeting. This proxy statement summarizes information that we are required to provide to you under the rules of the Securities and Exchange Commission (SEC) and which is designed to assist you in voting.

Q: What is a proxy?

A: A proxy is a person who votes the shares of stock of another person who could not attend a meeting. The term proxy also refers to the proxy card. When you return the enclosed proxy card, you are giving us your permission to vote your shares of common stock at the annual meeting. The people who will vote your shares of common stock at the annual meeting are Leo F. Wells, III, Douglas P. Williams, or Randall D. Fretz. They will vote your shares of common stock as you instruct, unless you return the proxy card and give no instructions. In this case, they will vote FOR all of the director nominees and in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion, for any other proposals to be voted upon. They will not vote your shares of common stock if you do not return the enclosed proxy card. This is why it is important for you to return the proxy card to us (or otherwise vote your shares) as soon as possible whether or not you plan on attending the meeting in person.

Q: When is the annual meeting and where will it be held?

A: The annual meeting will be held on Tuesday, July 20, 2004, at 1:30 p.m. at The Atlanta Athletic Club, 1930 Bobby Jones Drive, Duluth, Georgia 30097.

Q: How many shares of common stock can vote?

A: As of April 22, 2004, there were 464,758,501 shares of our common stock issued and outstanding. Every stockholder is entitled to one vote for each share of common stock held.

Q: What is a quorum ?

A: A quorum consists of the presence in person or by proxy of stockholders holding at least 50% of the outstanding shares. There must be a quorum present in order for the annual meeting to be a duly held meeting at which business can be conducted. If you submit a properly executed proxy card, even if you abstain from voting, then you will at least be considered part of the quorum.

Q: What may I vote on?

A: You may vote on the election of nominees to serve on the board of directors.

Table of Contents

Q: How does the board of directors recommend I vote on the proposal?

A: The board of directors recommends a vote FOR each of the nominees for election as director.

Q: Who is entitled to vote?

A: Anyone who owned our common stock at the close of business on April 22, 2004, the record date, is entitled to vote at the annual meeting.

Q: How do I vote?

A: You may vote your shares of common stock either in person or by proxy. Whether you plan to attend the meeting and vote in person or not, we urge you to have your vote recorded. **Stockholders have the following three options for submitting their votes by proxy: (1) via the Internet; (2) by telephone; or (3) by mail, using the enclosed proxy card.** If you have Internet access, we encourage you to record your vote on the Internet. It is convenient, and it saves us significant postage and processing costs. In addition, when you vote via the Internet or by phone prior to the meeting date, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and, therefore, not be counted. For further instructions on voting, see your enclosed proxy card in this proxy statement. If you attend the annual meeting, you may also submit your vote in person, and any previous votes that you submitted, whether by Internet, phone or mail, will be superseded by the vote that you cast at the annual meeting. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares of common stock will be voted FOR the nominees for director and in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion, for each of the other proposals to be voted upon at the annual meeting.

Q: Will my vote make a difference?

A: Yes. Your vote is needed to ensure that the proposal can be acted upon. Because we are a widely-held REIT (with more than 125,000 stockholders and, unlike most other public companies, no large brokerage houses own substantial blocks of our shares), **YOUR VOTE IS VERY IMPORTANT! Your immediate response will help avoid potential delays and may save us significant additional expenses associated with soliciting stockholder votes.** We encourage you to participate in the governance of the Wells REIT.

Q: What if I return my proxy card and then change my mind?

A: You have the right to revoke your proxy at any time before the meeting by:

- (1) notifying Douglas P. Williams, our Secretary;
- (2) attending the meeting and voting in person; or
- (3) returning another proxy card dated after your first proxy card which is received before the annual meeting date.

Table of Contents

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the annual meeting other than the election of directors, if any other business is properly presented at the annual meeting, your signed proxy card gives authority to Leo F. Wells, III, our President, Douglas P. Williams, our Executive Vice President and Secretary, or Randall D. Fretz, our Senior Vice President, or any of them, to vote on such matters in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion.

Q: When are the stockholder proposals for the next annual meeting of stockholders due?

A: All stockholder proposals to be considered for inclusion in the 2005 proxy statement must be submitted in writing to Douglas P. Williams, Secretary, Wells Real Estate Investment Trust, Inc., 6200 The Corners Parkway, Norcross, Georgia 30092-3365, by December 27, 2004.

Q: Who pays the cost of this proxy solicitation?

A: We will pay all the costs of soliciting these proxies. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our stockholders.

Q: Is this proxy statement the only way that proxies are being solicited?

A: No. In addition to mailing proxy solicitation material, our directors and employees, as well as third party proxy service companies we retain, may also solicit proxies in person, via the internet, by telephone or by any other electronic means of communication we deem appropriate.

Q: If I share my residence with another Wells REIT stockholder, how many copies of the Annual Report and Proxy Statement should I receive?

A: The Securities and Exchange Commission (SEC) has adopted a rule concerning the delivery of disclosure documents. The rule allows us to send a single set of any annual report, proxy statement, proxy statement combined with a prospectus, or information statement to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family. This procedure is referred to as Householding. This rule benefits both you and the Wells REIT. It reduces the volume of duplicate information received at your household and helps the Wells REIT reduce expenses. Each stockholder subject to Householding will continue to receive a separate proxy card or voting instruction card.

The Wells REIT will deliver promptly, upon written or oral request, a separate copy of the Annual Report or Proxy Statement, as applicable, to a stockholder at a shared address to which a single copy of the document was previously delivered. If you received a single set of disclosure documents for this year, but you would prefer to receive your own copy, you may direct requests for separate copies to the following address: Wells REIT Investor Services Department at P.O. Box 2828, Norcross, Georgia 30091-2828 or call us at 1-800-557-4830.

Table of Contents

Q: What if I consent to have one set of materials mailed now, but change my mind later?

A: Call or write the Wells REIT to cancel the Householding instructions for yourself. You will then be sent a separate Annual Report and Proxy Statement within 30 days of receipt of your instruction.

Q: The reason I receive multiple sets of materials is because some of the stock belongs to my children. What happens when they move out and no longer live in my household?

A: When there is an address change for one of the members of the household, materials will be sent directly to the stockholder at his/her new address.

CERTAIN INFORMATION ABOUT MANAGEMENT

Information Regarding the Board of Directors and Committees

The entire board of directors of Wells Real Estate Investment Trust, Inc. (Wells REIT) considers all major decisions concerning our business, including all property acquisitions. However, the board has established (i) an Audit Committee, (ii) a Compensation Committee, (iii) a Nominating and Corporate Governance Committee, (iv) an Asset Management Committee, (v) a Shareholder Relations, Communications and Development Committee, and (vi) a Finance and Planning Committee so that important items within the purview of these committees can be addressed in more depth than may be possible in a full board meeting.

The Audit Committee

General

Our board of directors adopted an amended and restated charter for the Audit Committee on October 21, 2003 (Audit Committee Charter) in accordance with the Securities Exchange Act of 1934, as amended, a copy of which is attached as Appendix A to this proxy statement. The Audit Committee Charter imposes a duty on the audit committee to pre-approve all auditing services performed for the Wells REIT by our independent auditors, as well as all permitted non-audit services (including the fees and terms thereof) in order to ensure that the provision of such services does not impair the auditor's independence. Unless a type of service to be provided by our independent auditors has received general pre-approval, it will require specific pre-approval by the Audit Committee.

All requests or applications for services to be provided by our independent auditors that do not require specific pre-approval by the Audit Committee will be submitted to management and must include a detailed description of the services to be rendered. Management will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by our independent auditors.

Requests or applications to provide services that require specific pre-approval by the Audit Committee will be submitted to the Audit Committee by both our independent auditors and the Principal Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. The Chairman of the Audit Committee has been delegated the authority to specifically pre-approve all services not covered by the general pre-approval guidelines established herein, up to an amount not to exceed \$75,000 per occurrence. Amounts requiring pre-approval in excess of \$75,000 per occurrence require specific pre-approval by all members of the Audit Committee prior to engagement of Ernst & Young LLP, our current independent auditors. All amounts specifically pre-approved by the Chairman of the Audit Committee in accordance with this policy are to be disclosed to the full Audit Committee at the next regularly scheduled meeting.

The members of the Audit Committee are Walter W. Sessoms, William H. Keogler, Jr., Donald S. Moss, Neil H. Strickland, and W. Wayne Woody. The members of the Audit Committee are all independent directors and, while our shares are not listed for trading on any national securities exchange, such independent directors meet the current independence and experience requirements of the New York Stock Exchange (NYSE) and applicable rules and regulations of the SEC. The board of directors has determined that W. Wayne Woody satisfies the requirements for an audit committee financial expert and has designated W. Wayne Woody as our audit committee financial expert in

accordance with applicable SEC rules. During the past fiscal year, the Audit Committee held eight meetings.

Table of Contents

The Audit Committee's primary function is to assist our board of directors in fulfilling its oversight responsibilities by reviewing the financial information to be provided to the stockholders and others, the system of internal controls which our management has established, and our audit and financial reporting process. The Audit Committee will fulfill these responsibilities primarily by carrying out the activities enumerated in the Audit Committee Charter and in accordance with current laws, rules and regulations.

Changes in Principal Accountant

Dismissal of Arthur Andersen LLP. On May 8, 2002, the Audit Committee of our board of directors recommended to the board of directors the dismissal of Arthur Andersen LLP (Andersen) as our independent public accountants, and our board of directors approved the dismissal of Andersen as our independent public accountants, effective immediately.

Andersen's report on the consolidated financial statements of the Wells REIT for the year ended December 31, 2001 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal year ended December 31, 2001, and through the date of Andersen's dismissal, there were no disagreements with Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter in connection with its report on the consolidated financial statements of the Wells REIT for such year and there were no reportable events as set forth in Item 304(a)(1)(v) of Regulation S-K.

Engagement of Ernst & Young LLP. On June 26, 2002, our board of directors approved the recommendation of the Audit Committee to engage Ernst & Young LLP (Ernst & Young) to audit the financial statements of the Wells REIT, effective immediately. During the fiscal year ended December 31, 2001, and through June 26, 2002, the Wells REIT did not consult Ernst & Young with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the consolidated financial statements of the Wells REIT, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

During the year ended December 31, 2003, Ernst & Young served as our independent auditors and provided certain tax and other services. Ernst & Young representatives will be present at the annual meeting of stockholders and will have the opportunity to make a statement if they desire to do so. In addition, the Ernst & Young representatives will be available to respond to appropriate questions posed by any stockholders. The Audit Committee and the board of directors have selected Ernst & Young to continue as independent auditors to audit our financial statements for the year ended December 31, 2004.

Fees Paid to Principal Auditor

Arthur Andersen LLP. The Audit Committee reviewed the audit and non-audit services performed by Andersen, as well as the fees charged by Andersen for such services. The aggregate fees billed to us for professional accounting services, for the fiscal year ended December 31, 2002, are set forth in the table below.

	<u>2002</u>
Audit fees	\$ 41,000
Audit-related fees	\$ 0
Tax fees	\$ 0
All other fees	\$ 0
	<u> </u>
Total	\$ 41,000
	<u> </u>

For purposes of the preceding table, the professional fees are classified as stated below.

Table of Contents

Ernst & Young LLP. The Audit Committee also reviewed the audit and non-audit services performed by Ernst & Young, as well as the fees charged by Ernst & Young for such services. In its review of the non-audit service fees, the Audit Committee considered whether the provision of such services is compatible with maintaining the independence of Ernst & Young. The aggregate fees billed to us for professional accounting services, including the audit of the Wells REIT's annual financial statements by Ernst & Young for the years ended December 31, 2003, and 2002, are set forth in the table below.

	2003	2002
Audit fees	\$ 615,895	\$ 342,073
Audit-related fees	\$ 212,026	\$ 0
Tax fees	\$ 341,533	\$ 19,005
All other fees	\$ 0	\$ 0
Total	\$ 1,169,454	\$ 361,078

For purposes of the preceding table, the professional fees are classified as follows:

Audit Fees These are fees for professional services performed for the audit of our annual financial statements and the required review of financial statements included in our Form 10-Q filings, subsidiary audits, equity investment audits and other procedures to be performed by the independent auditors to be able to form an opinion on our consolidated financial statements. These fees also cover services that are normally provided by independent auditors in connection with statutory and regulatory filings or engagements, and services that generally independent auditors reasonably can provide, such as services associated with filing registration statements, periodic reports and other filings with the SEC, attestation of management reports on internal controls pursuant to Section 404 of the Sarbanes-Oxley Act of 2002 (the Act), and audits of acquired properties or businesses or statutory or financial audits for our subsidiaries or affiliates.

Audit-Related Fees These are fees for assurance and related services that traditionally are performed by independent auditors, such as due diligence related to acquisitions and dispositions, attestation services that are not required by statute or regulation, statutory subsidiary or equity investment audits incremental to the audit of the consolidated financial statements and general assistance with the implementation of Section 404 of the Act and other SEC Rules promulgated pursuant to the Act.

Tax Fees These are fees for all professional services performed by professional staff in our independent auditor's tax division, except those services related to the audit of our financial statements. These include fees for tax compliance, tax planning and tax advice, including Federal, state and local issues. Services may also include assistance with tax audits and appeals before the IRS and similar state and local agencies, as well as Federal, state and local tax issues related to due diligence.

All Other Fees These are fees for other permissible work performed that do not meet the above-described categories, including assistance with internal audit plans and risk assessments.

Report of the Audit Committee

The following Report of the Audit Committee to stockholders is not soliciting material and is not deemed filed with the SEC and is not to be incorporated by reference in any filing of the Wells REIT under the Securities Act of 1933 (Securities Act) or the Securities Exchange Act of 1934 (Exchange Act), whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Pursuant to the Audit Committee Charter adopted by the board of directors of the Wells REIT, the Audit Committee's primary function is to assist the board of directors in fulfilling its oversight responsibilities by reviewing the financial information to be provided to the stockholders and others, the system of internal controls which management has established, and the audit and financial reporting process. The Audit Committee is composed of five independent directors and met eight times in fiscal year 2003. Management of the Wells REIT has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. Membership on the Audit Committee does not call for the professional training and technical skills generally associated with career professionals in the field of accounting and auditing. In addition, the independent auditors have more available time and information than does the Audit Committee. Accordingly, the Audit Committee's role does not provide any special assurances with regard to the financial statements of the Wells REIT, nor does it involve a professional evaluation of the quality of the audits performed by the independent auditors.

In this context, in fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality and the acceptability of the financial reporting and controls of the Wells REIT.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality and the acceptability of the financial reporting and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. The Audit Committee received from and discussed with the independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) relating to that firm's independence from the Wells REIT. In addition, the Audit Committee considered the compatibility of non-audit services provided by the independent auditors with the auditors' independence.

The Audit Committee discussed with the independent auditors the overall scope and plans for their audits. The Audit Committee meets periodically with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the internal controls, and the overall quality of the financial reporting of the Wells REIT. The Audit Committee also discussed with the independent auditors all matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In reliance on these reviews and discussions, the Audit Committee recommended to the board of directors that the audited financial statements of the Wells REIT be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Table of Contents

The Compensation Committee

The members of the Compensation Committee are Richard W. Carpenter, Bud Carter, William H. Keogler, Jr., Donald S. Moss, Walter W. Sessoms, and Neil H. Strickland. The primary function of the Compensation Committee is to administer the granting of stock options to selected employees of Wells Capital, Inc., our advisor (Wells Capital), and Wells Management Company, Inc., our property manager (Wells Management), based upon recommendations from Wells Capital, and to set the terms and conditions of such options in accordance with the 2000 Employee Stock Option Plan. During 2003, the Compensation Committee did not hold any meetings, and no employee stock options were issued.

The Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee (formerly known as the Directors Nominating and Compensation Committee) are Bud Carter, William H. Keogler, Jr., Donald S. Moss, Walter W. Sessoms, and Neil H. Strickland. The members of the Nominating and Corporate Governance Committee are all independent directors and, while our shares are not currently listed for trading on any national securities exchange, such independent directors meet the current independence and experience requirements of the NYSE and applicable rules and regulations of the SEC. The primary functions of the Nominating and Corporate Governance Committee are: (1) identifying individuals qualified to serve on the board of directors, and for selecting, or recommending that the board of directors select, a slate of director nominees for election by the stockholders at the annual meeting; (2) developing and recommending to the board of directors a set of corporate governance policies and principles and to periodically re-evaluate such policies and guidelines for the purpose of suggesting amendments to them if appropriate; and (3) overseeing an annual evaluation of the board of directors and each of the committees of the board of directors. On February 17, 2004, our board of directors, by resolution of the board, adopted a Nominating and Corporate Governance Committee Charter. A current copy of the Nominating and Corporate Governance Committee Charter is available to stockholders on our website at www.wellsref.com. During 2003, the Nominating and Corporate Governance Committee did not hold any formal meetings.

Board Membership Criteria

The Nominating and Corporate Governance Committee will annually review with the board of directors the appropriate experience, skills and characteristics required of board members in the context of the current membership of the board. This assessment should include, in the context of the perceived needs of the board at that time, issues of knowledge, experience, judgment and skills such as an understanding of the real estate industry or brokerage industry or accounting or financial management expertise. Other considerations include the candidate's independence from conflict with the Wells REIT and the ability of the candidate to attend board meetings regularly and to devote an appropriate amount of effort in preparation for those meetings. The term independence means that the candidate meets the definition of independent director contained in the Wells REIT charter and the current independence and experience requirements of the NYSE and applicable rules and regulations of the SEC. It also is expected that independent directors nominated by the board of directors shall be individuals who possess a reputation and hold positions or affiliations befitting a director of a large publicly held company and are actively engaged in their occupations or professions or are otherwise regularly involved in the business, professional or academic community. Moreover, as required by Section 2.2 of the Wells REIT charter, at least one director who is not an independent director must have at least three years of relevant experience demonstrating the knowledge and experience required to successfully acquire and manage the type of assets we acquire and manage, and at least one of our independent directors must have at least three years of relevant real estate experience.

Table of Contents

Selection of Directors

The board of directors is responsible for selecting its own nominees and recommending them for election by the stockholders. The board delegates the screening process necessary to identify qualified candidates to the Nominating and Corporate Governance Committee, in consultation with the President. Pursuant to Section 2.1 of the Wells REIT charter, however, the independent directors must nominate replacements for any vacancies among the independent director positions.

The Nominating and Corporate Governance Committee annually reviews director suitability and the continuing composition of the Board; it then recommends director nominees who are voted on by the full board of directors. All director nominees then stand for election by the stockholders annually.

In recommending director nominees to the board of directors, the Nominating and Corporate Governance Committee solicits candidate recommendations from its own members, other directors and management of our advisor, Wells Capital. The Nominating and Corporate Governance Committee may engage the services of a search firm to assist in identifying potential director nominees. The Nominating and Corporate Governance Committee will also consider suggestions made by stockholders and other interested persons for director nominees who meet the established director criteria set forth above. In order for a stockholder to make a nomination, the stockholder must satisfy the procedural requirements for such nomination as provided in Article II, Section 12 of our Bylaws. Any stockholder may request a copy of our Bylaws free of charge by calling our client services department at 1-800-557-4830.

In evaluating the persons nominated as potential directors, the Nominating and Corporate Governance Committee will consider each candidate without regard to the source of the recommendation and take into account those factors that the Nominating and Corporate Governance Committee determines are relevant.

The Asset Management Committee

The members of the Asset Management Committee are Michael R. Buchanan, Richard W. Carpenter, and Walter W. Sessoms. The primary function of the Asset Management Committee is to review and advise the board of directors on investment criteria and acquisition policies, general economic environment in various real estate markets, existing or prospective properties or tenants, and portfolio diversification goals. During 2003, the Asset Management Committee held four meetings.

The Shareholder Relations, Communication and Development Committee

The members of the Shareholder Relations, Communication and Development Committee are Bud Carter, William H. Keogler, Jr., Donald S. Moss, and Neil H. Strickland. The primary function of the Shareholder Relations, Communication and Development Committee is to advise the board of directors on various stockholders' issues including market conditions, issues relating to net proceeds raised from stockholders and communications with stockholders. During 2003, the Shareholder Relations, Communication and Development Committee held five meetings.

Table of Contents

The Finance and Planning Committee

The members of the Finance and Planning Committee are Michael R. Buchanan, Richard W. Carpenter, and Bud Carter. The primary function of the Finance and Planning Committee is to review and advise the board of directors on the overall financial performance of the Wells REIT which includes issues related to net proceeds raised, fees and expenses, operating earnings, dividends, capital structure and budgetary and reporting processes. During 2003, the Finance and Planning Committee held five meetings.

Other Board Matters

The members of the board of directors met 20 times during 2003, and, of the ten members of the board, no member attended fewer than 75% of the meetings held during the period for which he was a member.

Communications with Stockholders

We have established several means for stockholders to communicate concerns to the board of directors. If the concern relates to our financial statements, accounting practices or internal controls, the concerns should be submitted in writing to the Chairman of our Audit Committee in care of our Secretary at our headquarters address. If the concern relates to our governance practices, business ethics or corporate conduct, the concern may be submitted in writing to the Chairman of our Nominating and Corporate Governance Committee in care of our Secretary at our headquarters address. If a stockholder is uncertain as to which category his or her concern relates, he or she may communicate it to any one of the independent directors in care of our Secretary.

Code of Ethics

We have adopted a Code of Ethics that applies to all of our executive officers and directors, including but not limited to, our principal executive officer and principal financial officer. Our Code of Ethics can be found on our website at www.wellsref.com.

Compensation of Directors

We pay each of our independent directors an annual retainer of \$12,000, \$2,500 per regularly scheduled board meeting attended, \$1,500 per regularly scheduled committee meeting attended (committee chairpersons receive an additional \$500 per committee meeting for serving in that capacity), and \$250 per special board meeting attended whether held in person or by telephone conference. Members of our Audit Committee are paid \$2,500 per meeting attended for each of the four meetings necessary to review our quarterly and annual financial statements. In addition, we have reserved 100,000 shares of common stock for future issuance upon the exercise of stock options granted to the independent directors pursuant to our Independent Director Stock Option Plan and 500,000 shares for future issuance upon the exercise of warrants to be granted to the independent directors pursuant to our Independent Director Warrant Plan. All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with attendance at meetings of the board of directors. If a director also is an officer of the Wells REIT, we do not pay separate compensation for services rendered as a director.

Mr. Wells was a real estate salesman and property manager from 1970 to 1973 for Roy D. Warren & Company, an Atlanta-based real estate company, and he was associated from 1973 to 1976 with Sax Gaskin Real Estate Company, during which time he became a Life Member of the Atlanta Board of Realtors Million Dollar Club. From 1980 to February 1985 he served as Vice President of Hill-Johnson, Inc., a Georgia corporation engaged in the construction business. Mr. Wells holds a Bachelor of Business Administration degree in economics from the University of Georgia. Mr. Wells is a member of the Financial Planning Association (FPA).

On August 26, 2003, Mr. Wells and Wells Investment Securities, Inc. entered into a Letter of Acceptance, Waiver and Consent (AWC) with the NASD relating to alleged rule violations. The AWC set forth the NASD's findings that Wells Investment Securities and Mr. Wells had violated conduct rules relating to the provision of non-cash compensation of more than \$100 to associated persons of NASD member firms in connection with their attendance at the annual educational and due diligence conferences sponsored by Wells Investment Securities in 2001 and 2002. Without admitting or denying the allegations and findings against them, Wells Investment Securities and Mr. Wells consented in the AWC to various findings by the NASD which are summarized in the following paragraph:

In 2001 and 2002, Wells Investment Securities sponsored conferences attended by registered representatives who sold its real estate investment products. Wells Investment Securities also paid for certain expenses of guests of the registered representatives who attended the conferences. In 2001, Wells Investment Securities paid the costs of travel to the conference and meals for many of the guests, and paid the costs of playing golf for some of the registered representatives and their guests. Wells Investment Securities later invoiced registered representatives for the cost of golf and for travel expenses of guests, but was not fully reimbursed for such. In 2002, Wells Investment Securities paid for meals for the guests. Wells Investment Securities also conditioned most of the 2001 conference invitations on attainment by the registered representatives of a predetermined sales goal for Wells Investment Securities products. This conduct violated the prohibitions against payment and receipt of non-cash compensation in connection with the sales of these products contained in NASD's Conduct Rules 2710, 2810, and 3060. In addition, Wells Investment Securities and Mr. Wells failed to adhere to all of the terms of their written undertaking made in March 2001 not to engage in the conduct described above, and thereby engaged in conduct that was inconsistent with high standards of commercial honor and just and equitable principles of trade in violation of NASD Conduct Rule 2110.

Wells Investment Securities consented to a censure, and Mr. Wells consented to suspension from acting in a principal capacity with an NASD member firm for one year. Wells Investment Securities and Mr. Wells also agreed to the imposition of a joint and several fine in the amount of \$150,000. Although he is currently prohibited from acting in a principal capacity with Wells Investment Securities, Mr. Wells continues to engage in selling efforts and other non-principal activities on behalf of Wells Investment Securities.

Section 16(a) Beneficial Ownership Reporting Compliance

Under U.S. securities laws, directors, certain executive officers and certain persons holding more than 10% of our common stock are required to report their initial ownership of the common stock and any changes in that ownership to the SEC. The SEC has designated specific due dates for these reports, and we are required to identify in this proxy statement those persons who did not file these reports when due. Based solely on our review of copies of the reports filed with the SEC and written representations of our directors and executive officers, we believe all persons subject to these reporting requirements filed the required reports on a timely basis in 2003.

IMPORTANT NOTICE REGARDING DELIVERY OF SECURITY HOLDER DOCUMENTS

The SEC now permits corporations to send a single set of annual disclosure documents to any household at which two or more stockholders reside, unless contrary instructions have been received, but only if the corporation provides advance notice and follows certain procedures. In such cases, each stockholder continues to receive a separate notice of the meeting and proxy card. This householding process reduces the volume of duplicate information and reduces printing and mailing expenses. If your family has multiple accounts holding common shares of the Wells REIT, you should have already received a householding notification from the Wells REIT. Please contact us directly if you have any questions or require additional copies of the annual disclosure documents. We will arrange for delivery of a separate copy of this Proxy Statement or the Wells REIT's Annual Report promptly upon your written or oral request. You may decide at any time to revoke your decision to household, and thereby receive multiple copies.

PROPOSAL YOU MAY VOTE ON

WHETHER YOU PLAN TO ATTEND THE MEETING AND VOTE IN PERSON OR NOT, WE URGE YOU TO HAVE YOUR VOTE RECORDED. STOCKHOLDERS HAVE THE FOLLOWING THREE OPTIONS FOR SUBMITTING THEIR VOTES BY PROXY: (1) VIA THE INTERNET, (2) BY TELEPHONE OR (3) BY MAIL, USING THE ENCLOSED PROXY CARD. BECAUSE WE ARE A WIDELY-HELD REIT WITH MORE THAN 125,000 STOCKHOLDERS, **YOUR VOTE IS VERY IMPORTANT!** YOUR IMMEDIATE RESPONSE WILL HELP AVOID POTENTIAL DELAYS AND MAY SAVE US SIGNIFICANT ADDITIONAL EXPENSES ASSOCIATED WITH SOLICITING STOCKHOLDER VOTES.

**AMENDED AND RESTATED
AUDIT COMMITTEE CHARTER
OF
WELLS REAL ESTATE INVESTMENT TRUST, INC.**

As Adopted on October 21, 2003

I. PURPOSE

The Audit Committee's primary function is to assist the Board of Directors (the Board) of Wells Real Estate Investment Trust, Inc. (the Corporation) in fulfilling its oversight responsibilities by reviewing the financial information to be provided to the stockholders and others, the system of internal controls which management of the Corporation has established, and the Corporation's audit and financial reporting process. In performing this function, the Audit Committee shall maintain free and open communications among the Board of Directors, the Corporation's independent auditors and the Corporation's management.

The independent auditors' ultimate responsibility is to the Audit Committee of the Board of Directors, as representatives of the stockholders. The Audit Committee has the responsibility to select, evaluate and, where appropriate, replace the independent auditors.

The Audit Committee will fulfill these responsibilities primarily by carrying out the activities enumerated in Section IV of this Charter.

II. COMPOSITION

The Audit Committee shall be comprised of at least three of the Independent Directors (as defined in the Corporation's Articles of Incorporation and as defined in SEC Rule 10A-3) of the Corporation.

All members of the Audit Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Audit Committee shall have the qualifications of an audit committee financial expert as determined in the judgment of the Board with reference to applicable law.

The members of the Audit Committee are appointed by the Board of Directors and shall serve until their successors are duly elected and qualified.

III. MEETINGS

The Audit Committee shall meet on a regular basis no less frequently than four times a year and shall hold special meetings as circumstances require. A majority of the members of the Audit Committee shall constitute a quorum for the transaction of business.
