ANNUAL MEETING OF SHAREHOLDERS

May 3, 2005

PROXY STATEMENT

INTRODUCTION

The enclosed Proxy is solicited on behalf of the Board of Directors of the Company for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and the enclosed Proxy will be mailed on or about March 24, 2005, to shareholders of record of the Company's Common Stock and Class B Common Stock as of the close of business on March 8, 2005.

At the Annual Meeting, holders of the Company's Common Stock, \$3.00 par value per share (Common Stock), and Class B Common Stock, \$3.00 par value per share (Class B Common Stock), will be asked to: (i) set the number of directors at six and elect six individuals to the Board of Directors for a term of one year each and (ii) transact any other business that may properly come before the meeting.

The Board of Directors recommends that the Company's shareholders vote FOR setting the number of directors at six (6) and electing the six (6) nominees for director.

RECORD DATE, VOTE REQUIRED AND RELATED MATTERS

The Board has fixed the close of business on March 8, 2005, as the Record Date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Each outstanding share of Common Stock is entitled to one vote, and each outstanding share of Class B Common Stock is entitled to 20 votes, exercisable in person or by properly executed Proxy, on each matter brought before the Annual Meeting. Cumulative voting is not permitted. As of March 8, 2005, 11,700,489 shares of Common Stock, representing 11,700,489 votes, were held of record by approximately 3,325 shareholders (including an estimated 2,700 shareholders whose shares are held in nominee names, but excluding 1,150 participants in the Company's 401(k) Plan who may direct the voting of shares allocated to their accounts), and 667,569 shares of Class B Common Stock, representing 13,351,380 votes, were held by 15 individual shareholders, together representing an aggregate of 25,051,869 votes.

Edgar Filing: DIXIE GROUP INC - Form DEF 14A

Shares represented at the Annual Meeting by properly executed Proxy will be voted in accordance with the instructions indicated therein unless such Proxy has previously been revoked. If no instructions are indicated, such shares will be voted **FOR** setting the number of directors at six (6) and electing the six (6) nominees for director as set forth in this Proxy Statement.

Any Proxy given pursuant to this solicitation may be revoked at any time by the shareholder giving it by delivering to the Secretary of the Company a written notice of revocation bearing a later date than the Proxy, by submitting a later-dated, properly executed Proxy, or by revoking the Proxy and voting in person at the Annual Meeting. Attendance at the Annual Meeting will not, in and of itself, constitute a revocation of a Proxy. Any written notice revoking a Proxy should be sent to The Dixie Group, Inc., P.O. Box 25107, Chattanooga, Tennessee 37422-5107, Attention: Starr T. Klein, Secretary.

The persons designated as proxies were selected by the Board of Directors and are Daniel K. Frierson, J. Don Brock and John W. Murrey, III. The cost of solicitation of Proxies will be borne by the Company.

The presence, in person or by Proxy, of the holders of a majority of the aggregate outstanding vote of Common Stock and Class B Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. The affirmative vote of a plurality of the total votes cast that are represented in person or by Proxy at the Annual Meeting is required to elect the Board of Directors' nominees.

The Board is not aware of any other matter to be brought before the Annual Meeting for a vote of shareholders. If, however, other matters are properly presented, Proxies representing shares of Common Stock and Class B Common Stock will be voted in accordance with the best judgment of the proxyholders. Shares covered by abstentions and broker non-votes, while counted for purposes of determining the presence of a quorum at the Annual Meeting, are not considered affirmative votes and thus will have no effect upon the election of directors by a plurality vote.

A copy of the Company's Annual Report for the year ended December 25, 2004, is enclosed herewith.

The Audit Committee has implemented pre-approval policies and procedures related to the provision of audit and non-audit services performed by the independent auditors. Under these procedures, the Committee approves the type of services to be provided and the estimated fees related to those services. The Committee met five (5) times in 2004.

Members of the Retirement Plans Committee are Daniel K. Frierson, Chairman, Paul K. Frierson, and Joseph L. Jennings, Jr. The Retirement Plans Committee administers the Company's retirement plans. The committee met one (1) time in 2004.

Members of the Compensation Committee are Lowry F. Kline, Chairman, Joseph L. Jennings, Jr., and John W. Murrey, III. The Compensation Committee administers the Company's compensation plans, reviews and may establish the compensation of the Company's officers, and makes recommendations to the Board of Directors concerning such compensation and related matters. The Compensation Committee met four (4) times in 2004.

The Board of Directors has no standing nominating committee. The Board of Directors believes that, as a result of the role of the independent directors, as described below, it is not necessary to have a nominating committee at this time.

The Board selects nominees for election as director from persons recommended by a majority of the independent directors and considers the performance of directors in determining whether to nominate them for re-election. In selecting nominees for director, the Board does not operate pursuant to a charter; however, the Board has adopted a resolution addressing the nominations process. Each member of the Board is independent, as defined by the applicable rule of the NASD, except for Daniel K. Frierson and Paul K. Frierson.

The independent directors recommend director nominees to the full Board for approval, and only nominees approved by a majority of the independent directors are recommended to the full Board for approval. In selecting director nominees, the independent directors will consider, among other factors, the existing composition of the Board and their evaluation of the mix of Board members appropriate for the perceived needs of the Company. The independent directors believe continuity in leadership and board tenure maximizes the Board's ability to exercise meaningful board oversight. Because qualified incumbent directors are generally uniquely positioned to provide stockholders the benefit of continuity of leadership and seasoned judgment gained through experience as a director of the Company, the independent directors will generally consider as potential candidates those incumbent directors interested in standing for re-election who they believe have satisfied director performance expectations, including regular attendance at, preparation for and meaningful participation in Board and committee meetings.

The independent directors of the Board also consider the following in selecting the proposed nominee slate:

at all times, at least a majority of directors must be independent in the opinion of the Board as determined in accordance with Nasdaq standards;

at all times at least three members of the Board must satisfy the heightened standards of independence for Audit Committee members; and

at all times the Board should have at least one member who satisfies the criteria to be designated by the Board as an audit committee financial expert.

Generally, the Board will consider stockholder recommendations of proposed director nominees if such recommendations are serious and timely received. To be timely, recommendations must be received in writing at the principal executive offices of the Company at least 120 days prior to the anniversary date of mailing of the Company's proxy statement for the prior year's annual meeting. In addition, any stockholder director nominee recommendation must include the following information:

the proposed nominee's name and qualifications and the reason for such recommendation;

the name and record address of the stockholder(s) proposing such nominee;

the number of shares of stock of the Company which are beneficially owned by such stockholder(s); and

a description of any financial or other relationship between the stockholder(s) and such nominee or between the nominee and the Company or any of its subsidiaries.

In order to be considered by the Board, any candidate proposed by one or more stockholders will be required to submit appropriate biographical and other information equivalent to that required of all other director candidates.

During 2004, no director attended fewer than 75% of the total number of meetings of the Board of Directors and any Committee of the Board of Directors on which he served. All directors are invited and encouraged to attend the annual meeting of shareholders. In general, all directors attend the annual meeting of shareholders unless they are unable to do so due to unavoidable commitments or intervening events. Of the six (6) incumbent directors, five (5) attended the 2004 annual meeting of shareholders.

Directors who are employees of the Company do not receive any additional compensation for their services as members of the Board of Directors. Non-employee directors receive an annual retainer of \$12,000 cash and \$12,000 in value of Performance Units under the Directors Stock Plan. In addition to the annual retainer, directors who are not employees of the Company received \$1,000 for each Board meeting attended and \$500 for each committee meeting attended, for 2004. For 2005, the director's meeting fees shall be increased to \$1,500 per meeting for all

non-employee directors, plus \$1,000 per committee meeting (\$1,500 for the Chairman of the Committee). Fees for attending telephonic meetings shall be one-half those for in-person meetings, such that each non-employee director shall receive \$750 per telephonic board meeting and \$500 per committee meeting (\$750 for the Chairman of the Committee).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, and regulations of the Securities and Exchange Commission (SEC) thereunder, require the Company's executive officers and directors and persons who beneficially own more than 10% of the Company's Common Stock, as well as certain affiliates of such persons, to file initial reports of such ownership and monthly transaction reports covering any changes in such ownership with the SEC and the National Association of Securities Dealers. Executive officers, directors and persons owning more than 10% of the Company's Common Stock are required by SEC regulations to furnish the Company with all such reports they file. Based on its review of the copies of such reports received by it and written representations that no other reports were required for such persons, the Company believes that, during fiscal year 2004, all filing requirements applicable to its executive officers, directors, and owners of more than 10% of the Company's Common Stock were complied with, except for (i) one Form 4 Statement of Changes in Beneficial Ownership inadvertently filed late by Joseph L. Jennings, Jr. with respect to the redemption of certain securities convertible into shares of Common Stock (two transactions), (ii) one Form 4 Statement of Changes in Beneficial Ownership inadvertently filed late by W. Derek Davis with respect to the exercise of certain stock options and the sale of shares of Common Stock (three transactions), (iii) one Form 4 Statement of Changes in Beneficial Ownership inadvertently filed late by David E. Polley with respect to the purchase of shares of Common Stock (two transactions), (iv) one Form 4 Statement of Changes in Beneficial Ownership inadvertently filed late by Royce Renfroe with respect to the exercise of a stock option (one transaction), and (v) one Form 4 Statement of Changes in Beneficial Ownership inadvertently filed late by Kenneth L. Dempsey with respect to the exercise of a stock option and the sale of shares of Common Stock (four transactions).

Certain Transactions Between the Company and Directors and Officers

The Company adopted a Stock Ownership Plan in 1996 for its most senior executive officers, to encourage such officers to own a number of shares of Common Stock with a fair market value equal to twice such participant's base salary. All subscriptions were entered into at the prevailing market price on the relevant subscription date and were payable either in cash or through a combination of cash and/or the surrender to the Company of either (i) shares of Common Stock already owned by the participant, or (ii) a portion of the shares of Common Stock otherwise covered by the subscription. On August 16, 2004, Daniel K. Frierson settled outstanding subscriptions for 104,653 shares of Common Stock under the Stock Ownership Plan. On February 24, 2004, W. Derek Davis settled outstanding subscriptions under the Stock Ownership Plan for 20,000 shares. The Company terminated the Stock Ownership Plan in 2004, after all outstanding subscriptions had been settled or terminated.

The Company acquired the stock of Fabrica International pursuant to a Stock Purchase Agreement, dated as of July 1, 2000, that provided for the payment of additional, contingent consideration including consideration of up to \$2,500,000 to be paid to the selling stockholders

in April 2005 if Fabrica's cumulative earnings before interest and taxes for the five-year period beginning January 1, 2000 exceed specified levels. As of the date hereof, Fabrica's cumulative earnings exceeded the level specified to require a payment of \$2,000,000 to the selling shareholders, of which Mr. Renfroe will receive \$200,000.

Kennedy Frierson, the son of Daniel K. Frierson, the Company's Chief Executive Officer and Chairman of the Board, is employed by the Company as Vice-President of Dixie Home. In such capacity, he receives annual compensation in excess of \$60,000. The Company believes that his compensation is comparable to that paid to other company employees at his level of responsibility and experience.

SHAREHOLDER RETURN PERFORMANCE PRESENTATION

The Company has elected to compare the performance of the Company to two different industry indexes published by Dow Jones, Inc. The first of these is the Dow Jones Furnishings Index, which is composed of 9 publicly traded companies classified by Dow Jones in the furnishings industry. The second is the Dow Jones Building Materials & Fixtures Index, which is composed of 19 publicly traded companies classified by Dow Jones in the building materials and fixtures industry. These indices are the successors to the specialty indices used by us for 2003. Dow Jones discontinued those specialty indices (Furnishings & Appliances and Building Materials) in 2003 and substituted the indices set forth below. In accordance with SEC rules, set forth below is a line graph comparing the yearly change in the cumulative total shareholder return on the Company's Common Stock against the total return of the Standard & Poor's 600 Stock Index, plus both the Dow Jones Furnishings Index and the Dow Jones Building Materials & Fixtures Index, in each case for the five year period ended December 25, 2004. The comparison assumes that \$100.00 was invested on January 1, 1999, in each of the Company's Common Stock, the S&P 600 Index, and each of the two Peer Groups, and assumes the reinvestment of dividends.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is composed of four members, each of whom is an independent, non-employee director. The Audit Committee operates under a written Audit Committee Charter adopted and approved by the Board of Directors. The Charter is reviewed at least annually by the Committee. While the Committee has the responsibilities and powers set forth in its written charter, it is not the duty of the Committee to plan or conduct audits. This function is conducted by the Company's management and its independent accountants.

The Committee has reviewed and discussed with management the audited financial statements of the Company for the year ended December 25, 2004 (the Audited Financial Statements). In addition, the Committee has discussed with Ernst & Young LLP the matters required by Statement on Auditing Standards No. 61.

The Committee also has received the written report, disclosure and the letter from Ernst & Young LLP required by Independence Standards Board Statement No. 1, and the Committee has reviewed, evaluated, and discussed with that firm the written report and its independence from the Company. The Committee also has discussed with management of the Company and the auditing firm such other matters and received such assurances from them as the Committee deemed appropriate.

Based on the foregoing review and discussions and relying thereon, the Committee has recommended to the Company's Board of Directors the inclusion of the Audited Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 25, 2004, to be filed with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee reviews, recommends and sets compensation for all executive officers of the Company. The Committee considers recommendations from senior management and reviews public and private compensation surveys, as well as the publicly-reported executive compensation of other comparable companies. The Committee's final decisions respecting compensation of executive officers are generally reported to the Board for review and ratification. Individual officers abstain from discussion concerning their own compensation.

The Committee believes that executive compensation should reflect overall Company performance as well as each executive's performance in specific areas of responsibility. The Committee periodically reviews the Company's executive compensation to compare it to the executive compensation of comparable companies. Based upon its review, the Committee believes that for 2004 the Company's executive officers were paid total annual cash compensation and were awarded long-term incentive compensation that generally approximates median compensation levels of comparable companies.

The Elements of Executive Officer Compensation

Compensation for each of the Company's executive officers may consist of four elements: base salary; annual bonuses; stock plan awards; and retirement and other fringe benefits. Overall compensation is intended to be competitive and in the median range of compensation for comparable companies. A significant portion of each executive's compensation consists of stock options, restricted stock awards, or other stock ownership elements designed to align the interests of executive officers with the interests of the Company's shareholders.

For 2004, each executive officer's compensation consisted of Base Salary, plus the opportunity to earn two separate bonus components — an Annual Incentive Award and a Long-Term Incentive Award. The Compensation Committee of the Board of Directors determined the range of potential Annual and Long-Term Incentive Award payments that could be earned, the performance criteria for determining the amount earned by each executive, and the form in which Long-Term Incentive Awards would be paid.

Base Salary

Recommendations with respect to base salary depend on a variety of factors, including qualifications and experience, duties and responsibilities, and the competitive market for executive talent.

Annual Incentive Awards

For executive officers whose responsibilities are primarily related to the operations of one or more business units, and for the Chief Executive Officer, the Annual Incentive Award component provided each participant with the opportunity to earn a cash bonus payment ranging

from 16.7% to 100% of such participant's Base Salary. For executive officers in this category (other than the CEO), 50% of the amount of the Annual Incentive Award was determined based on the achievement of specified levels of annual business unit earnings before interest and taxes from continuing operations (EBIT), 20% of the Annual Incentive Award was determined based on the achievement of specified levels of annual corporate EBIT, and 30% of the Annual Incentive Award was determined based on the achievement of qualitative individual performance goals set by the Compensation Committee. For the CEO, 70% of the amount of the Annual Incentive Award was determined based on the achievement of specified levels of annual corporate EBIT and 30% of the Award was determined based on qualitative individual performance goals set by the Compensation Committee.

For executive officers whose responsibilities are primarily related to corporate-level administration, the Annual Incentive Award component provided each participant with the opportunity to earn a cash bonus payment ranging from 7.5% to 60% of such participant's Base Salary, with 70% of the amount of the Annual Incentive Award determined based on the achievement of specified levels of annual corporate EBIT and 30% of the Award based on the achievement of qualitative individual performance goals set by the Compensation Committee.

Long-Term Incentive Awards

An executive achieving a minimum threshold payout under the Annual Incentive Award component of the Plan, received an additional Long-Term Incentive Award, the value of which equaled either (a) 2 times the amount of the Annual Incentive Award earned for executive officers whose responsibilities are primarily related to the operations of one or more business units, and for the Chief Executive Officer, or (b) 0.5 to 1.5 times the amount of the Annual Incentive Award earned for executive officers whose responsibilities are primarily related to corporate-level administration.

Retirement Plans and Other Benefits

The Company's compensation for its executive officers also includes the opportunity to participate in two retirement plans, one qualified and one non-qualified for federal tax purposes, and certain health insurance, life insurance, relocation allowances, and other benefits. Such benefits are designed to be substantially similar to the benefits available to other exempt, salaried associates of the Company.

Executive officers may elect to contribute a limited amount of their compensation to the qualified plan and to receive a matching Company contribution limited by a formula set forth in the Plan of up to 2.5% of their compensation. Participants in the non-qualified plan may make deferrals into that plan (up to 90% of total compensation), may receive contributions from the Company equal to a percentage of their compensation in excess of certain levels, and may receive contributions from the Company equal to a percentage of their compensation, based primarily on the Company's return on equity.

CEO Compensation

The Chief Executive Officer's compensation in 2004 included his base salary, annual incentive awards, retirement plan and other customary benefits. The factors and criteria upon which such compensation was based are similar to those applied to the Company's other executive officers, as described above.

EMPLOYMENT AGREEMENTS

David E. Polley is employed as the Company's Vice President of Marketing pursuant to the terms of an employment agreement which commenced November 20, 2002 and extends through November 19, 2006. Mr. Polley's annual base salary under the agreement is \$215,000. In addition, the agreement provides Mr. Polley with the opportunity to earn an annual incentive bonus in an amount up to 75% of his annual base salary, with the amount of such bonus tied to the successful accomplishment of certain business unit, company, and individual goals. Pursuant to the agreement, Mr. Polley was granted 20,000 shares of restricted Common Stock, which will fully vest at November 19, 2005. In addition, if the value of the restricted shares plus cash paid as incentive compensation is less than one-half of the bonus opportunity for the term of the agreement, the Company will pay Mr. Polley the difference in cash. Pursuant to the agreement, the Company also awarded Mr. Polley an incentive stock option, which will fully vest at November 19, 2005 or upon the sale of the Company, to purchase 30,000 shares of Common Stock at \$4.20 per share, which was the market price at the time of grant. The agreement also provides that the Company will provide Mr. Polley with group health and medical insurance coverage and other employee benefits as are provided to other employees of the Company at similar salary levels. During 2004, Mr. Polley participated in the Company's annual incentive award Plan and received a cash bonus and long term incentive award in accordance with the terms of the Plan. In the event that a party other than the Frierson family acquires more than 50% of the voting stock of the Company, thereby resulting in a change of control, and Mr. Polley's employment is terminated within one year of such change in control, Mr. Polley is entitled to receive his base pay for the remainder of the term of the agreement or one year's annual base salary, whichever is greater. The agreement may be terminated by Mr. Polley upon 60 days prior written notice or by the Company at any time for cause. Mr. Polley has agreed not to compete with the Company for a period of two years following any termination of his employment under the agreement.

Royce R. Renfroe is employed as the President of Fabrica pursuant to the terms of an employment agreement which commenced July 1, 2000 and extends through June 30, 2005. Mr. Renfroe's annual base salary under the agreement is \$200,000, which may be increased. In addition, the agreement provides Mr. Renfroe the opportunity to earn an annual bonus in an amount up to 75% of his annual base salary, with the amount of such bonus based upon certain specified performance criteria. Pursuant to the agreement, Mr. Renfroe was granted stock options to purchase 30,000 shares of Common Stock at \$3.875, which was the market price at the time of grant. In addition, Mr. Renfroe was granted the right to subscribe for the purchase of shares of Common Stock having an aggregate market value of \$400,000. The agreement also provides that Fabrica will provide Mr. Renfroe with employee health, hospitalization, retirement, disability, life and other benefits as may be generally available from time to time to key employees of the Company. Mr. Renfroe became eligible to participate in the Company's 401(k) plan on December 31, 2000. In addition, until June 30, 2003 (extended by the Company through December, 2003), Fabrica provided Mr. Renfroe with a car allowance in the amount of \$2,000 per month and with supplementary healthcare benefits that were the same as or comparable to those that were available to him under Fabrica's Execu-Care Plan on the date of the agreement.

The agreement automatically terminates upon Mr. Renfroe's death. In addition, Fabrica may terminate the agreement for cause or if Mr. Renfroe should suffer from a disability which prevents Mr. Renfroe from performing his duties with Fabrica on a full-time basis due to ill health for a period of 120 consecutive days or for a total of 150 days during any 12-month period. Mr. Renfroe may terminate the agreement for good reason. In the event of a change in control in Fabrica or the Company, Mr. Renfroe has the option, which is exercisable for 90 days, to terminate the agreement. In the event that Mr. Renfroe's employment is terminated under the agreement, Mr. Renfroe or his estate shall be entitled to receive (i) the portion of his annual base salary accrued through the date of termination, (ii) accrued and unpaid vacation pay through and including the date of termination, (iii) unreimbursed business expenses through and including the date of termination, and (iv) any compensation previously deferred by Mr. Renfroe (together with any accrued interest thereon) and not yet paid by Fabrica.
