**PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 26, 2005**

The enclosed proxy is solicited on behalf of the Board of Directors of SimpleTech, Inc., a California corporation (the Company), for use at the Annual Meeting of Shareholders to be held on May 26, 2005, at 8:00 a.m. local time, or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at the Irvine Marriott located at 18000 Von Karman Avenue, Irvine, California 92612.

Your vote at the 2005 annual meeting is important to us. Please vote your shares of common stock by completing the enclosed proxy card and returning it to us in the enclosed envelope. This proxy statement has information about the 2005 annual meeting and was prepared by our management for the board of directors. This proxy statement and the accompanying proxy card are first being mailed to you on or about April 25, 2005.

GENERAL INFORMATION ABOUT VOTING

Who can attend the meeting?

Attendance at the 2005 annual meeting is limited to the Company's shareholders. Admission to the meeting will be on a first-come, first-served basis. Registration will begin at 7:45 a.m. and each shareholder may be asked to present valid picture identification such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares on April 13, 2005. On April 13, 2005, the record date for determination of shareholders entitled to notice of and to vote at the 2005 annual meeting, 44,897,125 shares of our common stock were issued and outstanding. You get one vote for each share of common stock. You may not cumulate votes in the election of directors. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the 2005 annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. If the proxy card is properly signed and returned, the proxy holders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxy holders will vote for you on that proposal. Unless you instruct otherwise, the proxy holders will vote **FOR** each of the director nominees and **FOR** the other proposal to be considered at the annual meeting.

Shareholders whose shares are registered in the name of a bank or brokerage firm may be eligible to vote electronically through the Internet or by telephone. A large number of banks and brokerage firms are participating in the ADP Investor Communication Services online program. This program provides eligible shareholders the opportunity to vote via the Internet or by telephone. Voting forms will provide instructions for shareholders whose bank or brokerage firm is participating in ADP's program.

Signing and returning the proxy card does not affect the right to vote in person at the 2005 annual meeting.

What if other matters come up at the 2005 Annual Meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the 2005 annual meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares as they see fit.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by filing with Mark Moshayedi, our Corporate Secretary, at our principal executive offices at 3001 Daimler Street, Santa Ana, California 92705-5812, a written notice revoking your proxy card or by signing, dating and returning to us a new proxy card. We will honor the proxy card with the latest date. You may also revoke your proxy by attending the 2005 annual meeting and voting in person.

Can I vote in person at the 2005 Annual Meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the 2005 annual meeting and vote your shares in person.

What do I do if my shares are held in street name ?

If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

In the election of directors, the seven candidates receiving the highest number of affirmative votes will be elected as directors. Proposal 2 requires the approval of the affirmative vote of a majority of the votes cast at the 2005 annual meeting together with the affirmative vote of a majority of the required quorum.

The required quorum for the transaction of business at the 2005 annual meeting is a majority of the shares of common stock issued and outstanding on the record date. Shares that are voted **FOR**, **AGAINST** or **ABSTAIN** in a matter are treated as being present at the meeting for purposes of establishing the quorum, but only shares voted **FOR** or **AGAINST** are treated as votes cast at the 2005 annual meeting with respect to such matter.

Abstentions and shares held by brokers that are present in person or represented by proxy but that are not voted because the brokers were prohibited from exercising discretionary authority (broker non-votes) will be counted for the purpose of determining whether a quorum is present for the transaction of business. Abstentions and broker non-votes can have the effect of preventing approval of a proposal where the

Edgar Filing: SIMpletech Inc - Form DEF 14A

number of affirmative votes, though a majority of the votes cast, does not constitute a majority of the required quorum. All votes will be tabulated by the inspector of election appointed for the 2005 annual meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Who pays for this proxy solicitation?

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional solicitation materials furnished to the shareholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, telegram or other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services. Except as described above, the Company does not presently intend to solicit proxies other than by mail.

SHAREHOLDER PROPOSALS

Shareholder proposals that are intended to be presented at our 2006 annual meeting and included in our proxy materials relating to the 2006 annual meeting must be received by Mark Moshayedi, Corporate Secretary, SimpleTech, Inc., 3001 Daimler Street, Santa Ana, California 92705-5812 no later than December 26, 2005, which is 120 calendar days prior to the anniversary of the mailing date for this year's proxy materials. All shareholder proposals must be in compliance with applicable laws and regulations in order to be considered for possible inclusion in the proxy statement and form of proxy for the 2006 annual meeting.

If a shareholder wishes to present a proposal at our 2006 annual meeting and the proposal is not intended to be included in our proxy statement relating to the 2006 annual meeting, the shareholder must give advance notice to us prior to the deadline for the annual meeting. In order to be deemed properly presented, the notice of a proposal must be delivered to our Corporate Secretary no later than March 11, 2006, which is 45 calendar days prior to the anniversary of the mailing date for this year's proxy materials. However, in the event that the 2006 annual meeting is called for a date which is not within thirty days of the anniversary of the date of the 2005 annual meeting, shareholder proposals intended for presentation at the 2006 annual meeting must be received by our Corporate Secretary no later than the close of business on the tenth day following the date on which public announcement of the date of the 2006 annual meeting is first made. If a shareholder gives notice of such proposal after March 11, 2006, then the proxy solicited by the board of directors for the 2006 annual meeting will confer discretionary authority to vote on such proposal at that meeting, which may include a vote against such shareholder proposal.

MATTERS TO BE CONSIDERED AT ANNUAL MEETING

OVERVIEW OF PROPOSALS

This Proxy Statement contains two proposals requiring shareholder action. Proposal No. 1 requests the election of seven directors to our board of directors. Proposal No. 2 requests ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm. Both of the proposals are discussed in more detail in the pages that follow.

Board of Directors

Our board of directors is currently comprised of seven members. Each director currently serves until the next annual meeting of shareholders or until his successor is duly elected and qualified. At each annual meeting of shareholders, the directors' successors will be elected to serve until the next annual meeting of

shareholders. In addition, our bylaws provide that the authorized number of directors will be between four and seven, with the exact number to be determined by a majority of our board of directors or shareholders.

Our board of directors held four meetings in 2004 and also acted at various times by unanimous written consent without a meeting. All of the then current directors attended or participated in 75% or more of the aggregate of (i) the total number of meetings of our board of directors and (ii) the total number of meetings held by all committees of our board of directors on which such director served during 2004. Shareholders can contact our board of directors through written communication sent by certified mail to Board of Directors c/o Corporate Secretary, SimpleTech, Inc., 3001 Daimler Street, Santa Ana, California 92705-5812. Our Corporate Secretary may forward certain correspondence, such as product-related inquiries, elsewhere within SimpleTech for review and possible response. From time to time our board of directors may change the process by which shareholders may communicate with the board of directors. Such changes will be posted to our website at www.simpletech.com.

Our board of directors has five standing committees: the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee, Special Stock Option Committee and the Special Banking and Investment Committee. The Audit Committee, Compensation Committee and the Nominating and Corporate Governance Committee have written charters approved by the board of directors. A copy of each charter can be found under the Investor Relations section of our website at www.simpletech.com. The members of each committee are identified in the following table.

Audit Committee The Audit Committee is responsible for reviewing financial information which will be provided to shareholders and others, the systems of internal controls which management and our board of directors have established, the performance and selection of our independent registered public accounting firm, our audit and financial reporting processes, and our accounting practices. The Audit Committee operates under a written charter adopted by our board of directors, and the Audit Committee reviews and confirms the adequacy of such charter on an annual basis. Our Audit Committee met in February 2005 in connection with the audit of our 2004 financial statements. During 2004, our Audit Committee held four meetings and also acted at various times by unanimous written consent without a meeting. The board of directors has determined that Messrs. Hollinger and Peterson are audit committee financial experts as defined in Item 401(h) of Regulation S-K. Each member of the Audit Committee is an independent director as defined in Rule 4200 of the Marketplace Rules of the National Association of Securities Dealers, Inc. and also meet the additional criteria for independence of Audit Committee members set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended.

Compensation Committee The Compensation Committee is responsible for the design, review, recommendation and approval of compensation arrangements for our directors, executive officers and key employees, and for the administration of our 2000 Stock Incentive Plan, including the approval of grants under such plan to our employees, consultants and directors, and our Employee Stock Purchase Plan. During 2004, our Compensation Committee held four meetings and also acted at various times by unanimous written consent without a meeting. Each member of this committee is an independent director as defined in Rule 4200 of the Marketplace Rules of the National Association of Securities Dealers, Inc.

Nominating and Corporate Governance Committee The Nominating and Corporate Governance Committee is responsible for recommending to the board of directors candidates for election to the board of directors. During 2004, our Nominating and Corporate Governance Committee held no formal meetings, but consulted informally among each other and also acted at various times by unanimous written consent without a meeting.

Each member of this committee is an independent director as defined in Rule 4200 of the Marketplace Rules of the National Association of Securities Dealers, Inc. The Nominating and Corporate Governance Committee recommended to the board of directors the nomination of directors for the 2005 annual meeting. When considering a potential candidate for membership on the board of directors, the Nominating and Corporate Governance Committee considers the candidate's relevant business and industry experience, financial acumen, demonstrated character and judgment, and prior experience serving as a director. Based on the composition of the board of directors and our company's needs, the Nominating and Corporate Governance Committee will also consider whether the candidate qualifies as an independent director under the NASDAQ Marketplace Rules. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider such other factors as it may deem are in the best interests of our shareholders and us. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary.

The Nominating and Corporate Governance Committee will also consider recommendations for nominees to the board of directors submitted by shareholders. Shareholders who wish the Nominating and Corporate Governance Committee to consider their recommendations for nominees for the position of director should submit the candidate's name, appropriate biographical information, a brief description of such candidate's qualifications and such candidate's written consent to nomination to the Nominating and Corporate Governance Committee in care of Mark Moshayedi, Corporate Secretary, at the following address: SimpleTech, Inc., 3001 Daimler Street, Santa Ana, California 92705-5812.

Special Stock Option Committee The Special Stock Option Committee has separate but concurrent jurisdiction with the Compensation Committee to make option grants under our 2000 Stock Incentive Plan to

eligible individuals other than executive officers and the non-employee members of our board of directors. The Special Stock Option Committee held no meetings in 2004, but acted at various times by unanimous written consent without a meeting. The Special Stock Option Committee does not operate under a formal written charter.

Special Banking and Investment Committee The Special Banking and Investment Committee monitors, reviews and approves the investment of our cash assets in various short-term marketable securities in accordance with the Investment Policy Guidelines approved by our board of directors. The Special Banking and Investment Committee held no meetings in 2004, but acted at various times by unanimous written consent without a meeting. The Special Banking and Investment Committee does not operate under a formal written charter.

Our board of directors may establish other committees to facilitate the management of our business.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our employees (including our principal executive officer, chief financial officer and controller) and directors. A copy of our Code of Business Conduct and Ethics can be found under the Investor Relations section of our website at www.simpletech.com. The information on our website is not incorporated by reference in this Proxy Statement. We may post amendments to or waivers of the provisions of the Code of Business Conduct and Ethics, if any, made with respect to any of our directors and executive officers on that website.

Compensation Committee Interlocks and Insider Participation

Our board of directors established our compensation committee in September 2000. Since September 2000, our compensation committee has been composed exclusively of non-employee members of our board of directors. Our compensation committee currently consists of Messrs. Ball, Hollinger and Peterson. Prior to September 2000, Manouch Moshayedi, Mike Moshayedi and Mark Moshayedi participated in deliberations of our board of directors concerning executive officer compensation.

None of the current members of our compensation committee was at any time since the formation of SimpleTech an officer or employee of SimpleTech. Except as indicated below, none of our current executive officers serve as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving on our board of directors or our compensation committee.

Manouch Moshayedi, Mike Moshayedi and Mark Moshayedi are the sole beneficial stockholders of MDC Land Corporation, MDC Land LLC, XYZ, Inc. and QualCenter, Inc. In addition, Manouch Moshayedi, Mike Moshayedi and Mark Moshayedi are each a member of the board of directors and/or executive officer of each of these companies. Manouch Moshayedi also serves as a member of our special stock option committee.

For additional information concerning transactions involving members of the board of directors, see Certain Transactions.

Director Compensation

We do not provide cash compensation to the employee members of our board of directors for their service on the board or for attendance at meetings of committees of the board on which they serve. Each non-employee member of our board of directors receives \$3,000 for attendance at each board meeting, but none of our non-employee board members receive any compensation for attendance at meetings of the various committees of our board of directors. In addition, our non-employee board members are reimbursed for reasonable travel and other out-of-pocket expenses incurred in connection with attendance at meetings of the board of directors and committees of the board of directors.

Employee board members are eligible to receive options and be issued shares of common stock directly under our 2000 Stock Incentive Plan. A non-employee board member will, upon his initial election or appointment to the board of directors, receive an automatic option grant to purchase 30,000 shares of common stock under the automatic option grant program of our 2000 Stock Incentive Plan. The option grant will have an exercise price equal to the fair market value of the option shares on the grant date and will have a term of 10 years measured from the grant date, subject to earlier termination following the optionee's cessation of service on the board of directors. The option will be immediately exercisable for all of the option shares; however, we may repurchase, at the exercise price paid per share, any shares purchased under the option which are not vested at the time of the optionee's cessation of board service. The shares subject to each automatic option grant will vest in a series of five successive equal annual installments upon the optionee's completion of each year of board service over the five-year period measured from the date of grant. However, the shares will immediately vest in full upon certain changes in control or ownership of SimpleTech or upon the optionee's death or disability while serving as a board member.

On May 18, 2004 Messrs. Ball, Hollinger and Peterson each received an option grant to purchase 100,000 shares of common stock at an exercise price of \$3.67 per share, the fair market value per share of common stock on the grant date. These options vest and become exercisable in a series of four successive equal annual installments upon the optionee's completion of each year of board service over the four-year period measured from the date of grant. The foregoing options granted to our non-employee board members generally have a maximum term of 10 years measured from the grant date, subject to earlier termination following the optionee's cessation of service on the board of directors. In addition, the options will immediately vest in full upon certain changes in control or ownership of SimpleTech.

Vote Required

The seven director nominees receiving the highest number of affirmative votes of the shares entitled to be voted for them shall be elected as directors. Votes withheld from any director nominee are counted for purposes of determining the presence or absence of the quorum, but have no other legal effect under California law.

Recommendation of the Board of Directors

Our board of directors unanimously recommends that the shareholders vote FOR the election of the director nominees named above.

PROPOSAL NO. 2**RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM****General**

PricewaterhouseCoopers LLP has been selected by our Audit Committee as our independent registered public accounting firm for the fiscal year ending December 31, 2005. Shareholder ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, the board of directors is submitting the selection of PricewaterhouseCoopers LLP to our shareholders for ratification as a matter of good corporate practice. If ratification of this selection is not approved by a majority of the shares of common stock voting thereon, our Audit Committee will review its future selection of independent registered public accounting firms; however, the Audit Committee may select PricewaterhouseCoopers LLP, notwithstanding the failure of the shareholders to ratify its selection. In addition, even if the selection is ratified, our Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it believes that such a change would be in the best interests of us and our shareholders.

Except as otherwise disclosed in their respective biography, there are no family relationships among any of the directors or executive officers of SimpleTech.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Such executive officers, directors and 10% shareholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms that they file. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons that no Forms 4 or 5 were required for such persons, we believe that for the reporting period from January 1, 2004 to December 31, 2004, our executive officers and the non-employee members of our board of directors complied with all their reporting requirements under Section 16(a).

Option Grants in Last Fiscal Year

The following table sets forth information regarding options granted to each of our named executive officers during the year ended December 31, 2004. We did not grant any stock appreciation rights during the year ended December 31, 2004.

Name	Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term	
	Number of Shares of Common Stock Underlying Options Granted (#)	% of Total Options Granted to Employees in 2004	Exercise Price Per Share (\$/share)	Expiration Date	5% (\$)	10% (\$)
Manouch Moshayedi						
Mike Moshayedi						
Mark Moshayedi						
Dan Moses	200,000	9.8%	\$ 3.67	5/18/14	\$ 461,609	\$ 1,169,807

During 2004, we granted options to purchase 2,038,700 shares of our common stock to our employees, consultants and non-employee board members. In general, each option has a maximum term of 10 years, subject to earlier termination following the optionee's cessation of service, and will vest and become exercisable in successive equal annual installments over a specified period of time upon the optionee's completion of each year of service with us over such period measured from the grant date. Each option will vest and become exercisable in full on an accelerated basis in the event we are acquired and the option is neither assumed nor replaced with a cash incentive program, which preserves the spread on the unvested portion of that option and provides for subsequent payout in accordance with the same vesting schedule.

Potential realizable values are net of exercise price, but before the payment of taxes associated with exercise. Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. The 5% and 10% assumed annual rates of compounded stock price appreciation represent assumed rates of appreciation in the value of the common stock from the fair market value on the date of grant and do not represent our estimate or projection of our future common stock prices. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock and overall stock market conditions. The amounts reflected in the table may not necessarily be achieved.

Aggregated Option Exercises In Last Fiscal Year and Fiscal Year-End Option Values

None of our named executive officers exercised any stock options during the fiscal year ended December 31, 2004. No stock appreciation rights were exercised during the fiscal year ended December 31, 2004, and no stock appreciation rights were outstanding at the close of such year.

Employment Agreements and Change in Control Arrangements

We have entered into employment agreements with each of our named executive officers. Our employment agreements generally require each employee to devote all of his working time and attention to our business. The employment agreements contain non-competition restrictions and

Edgar Filing: SIMpletech Inc - Form DEF 14A

covenants, including provisions prohibiting each employee from competing with us during his period of employment with us and for a one-year period thereafter. Each employment agreement is at-will and may be terminated by either party at any time, with or without notice, and with or without cause. In addition, each employee has entered into a non-disclosure agreement relating to our intellectual property and proprietary information under which he has agreed to assign all intellectual property rights developed during the course of his employment to us. The compensation of our named executive officers is subject to annual review and adjustment by our board of directors and Compensation Committee. A summary of the compensation packages contained in the employment agreements for each of our named executive officers is provided in the table below.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of the shares of our common stock as of March 31, 2005, except as noted in the footnotes below, by:

Each person whom we know to be the beneficial owner of 5% or more of our outstanding common stock;

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The information contained in this report is not to be deemed soliciting material or to be filed with the Securities and Exchange Commission, nor is such information to be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates it by reference in such filing.

The Compensation Committee (the **Committee**) of the Board of Directors (the **Board**) of SimpleTech, Inc. (the **Company**) administers the compensation program for the Company's executive officers. The role of the Committee, which is comprised of three outside non-employee directors, is to review and recommend or approve the base salaries, bonuses and other cash compensation of the executive officers. The Committee also administers the Company's 2000 Stock Incentive Plan (the **2000 Plan**) with respect to all executive officers and has the exclusive authority to make option grants to them under the 2000 Plan.

The Company's executive compensation program utilizes a combination of Company performance, individual performance and increases in shareholder value over time as determinants of executive pay levels. These principles are intended to motivate executive officers to improve the financial position of the Company, to hold executives accountable for the performance of the organizations for which they are responsible, to attract key executives into the service of the Company and to create value for the Company's shareholders. The compensation for executive officers is based on two elements: cash compensation and equity-based compensation.

Cash Compensation

The Committee administers the Company's executive compensation programs to ensure that the total cash compensation paid to executive officers remains at a competitive level to enable the Company to attract and retain management personnel with the talents and skills required to meet the challenges of a highly competitive industry. Each executive officer's base salary may be adjusted each year on the basis of (i) the Committee's evaluation of the officer's personal performance for the preceding year and (ii) the competitive marketplace for persons in comparable positions. The Company's performance and profitability may also be a factor in determining the base salaries of executive officers. The Committee may, however, in its discretion apply entirely different factors, such as different measures of financial performance, or create different compensation elements, for future fiscal years. The compensation of executive officers is expected to be reviewed annually by the Committee.

The Committee does not rely on any external compensation surveys in setting the cash compensation of the executive officers and does not attempt to target their cash compensation at any specific percentile of the levels of compensation in effect for other executives in comparable positions in the industry.

Equity-Based Compensation

The Committee believes that stock option grants under the 2000 Plan serve to align the interests of an executive officer with those of the Company's shareholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the business. Each grant allows the officer to acquire shares of the Company's common stock at a fixed price per share over a specified period of time up to ten years, unless sooner terminated in accordance with the provisions of the 2000 Plan. Each option generally becomes exercisable in a series of equal installments over a specified period, contingent upon the officer's continued employment with the Company. Accordingly, the option will provide a return to the executive officer only if he remains employed by the Company during the vesting period, and then only if the market price of the shares appreciates over the option term. The size of the option grant to each executive officer is

Edgar Filing: SIMpletech INC - Form DEF 14A

set at a level that is intended to create a meaningful opportunity for stock ownership based upon the individual's current position with the Company, the individual's personal performance in recent periods and his or her potential for future responsibility and promotion over the option term. Other factors include the

number of shares of common stock and unvested options held by the executive officer in order to maintain an appropriate level of equity incentive for that individual. The relevant weight given to each of these factors varies from individual to individual.

Compensation of the Chief Executive Officer

The base salary of Manouch Moshayedi, our Chairman and Chief Executive Officer, is set at a level that the Committee believes is competitive with the compensation paid to the chief executive officers of companies of comparable size and similar industries. It is the Committee's intent to provide him with a level of stability and certainty each year and not have this particular component of compensation affected to any significant degree by factors beyond his control. Mr. Moshayedi's annual base salary for 2004 was set by the Committee at the 2002 level of \$440,000. However, as in the previous two years, Mr. Moshayedi voluntarily reduced his annual base salary to \$250,000 in order to reduce the Company's expenses and operating costs. No stock options or cash bonuses were awarded to Mr. Moshayedi in 2004. Mr. Moshayedi is eligible to participate in all long-term incentive plans, pension plans and health and welfare, perquisite and other arrangements generally available to other executive officers. For 2004, such perquisites totaled approximately \$38,700 and included life insurance premiums and personal use of the Company's automobiles. On February 11, 2005, the Committee set Mr. Moshayedi's 2005 annual base salary at \$500,000, effective January 1, 2005. In recognition of Mr. Moshayedi's performance throughout 2004, on February 24, 2005 the Committee granted Mr. Moshayedi an option to purchase 300,000 shares of Common Stock with a per share exercise price equal to \$3.84. This stock option grant has a term of 10 years and will vest in four equal annual installments commencing on February 24, 2006, subject to Mr. Moshayedi's continued service to SimpleTech through each such date.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code disallows a tax deduction to publicly held companies for compensation paid to certain of their executive officers, to the extent that compensation, whether payable in cash or stock, exceeds \$1 million per covered officer in any fiscal year. The limitation applies only to compensation that is not considered to be performance-based. Non-performance-based compensation paid to the Company's executive officers for 2004 did not exceed the \$1 million limit per officer, and the Committee does not anticipate that any non-performance-based compensation payable in cash to the executive officers for 2005 will exceed that limit. Accordingly, the Committee has decided not to take any action at this time to limit or restructure the elements of cash compensation payable to the Company's executive officers but will reconsider this decision should the individual cash compensation of any executive officer ever approach the \$1 million level. The 2000 Plan has been structured so that any compensation deemed paid by the Company in connection with the exercise of option grants made under that plan with an exercise price equal to the fair market value of the option shares on the grant date should qualify as performance-based compensation that will not be subject to the \$1 million limitation on deductibility provided that the option grants are approved by a committee comprised exclusively of two or more outside directors as required by Section 162(m).

CERTAIN TRANSACTIONS

Indemnification Agreements

In addition to the indemnification provisions contained in our amended and restated articles of incorporation and bylaws, we have entered into separate indemnification agreements with each of our officers and directors. These agreements contain provisions that may require us, among other things, to indemnify these officers and directors against liabilities that may arise because of their status or service as officers or directors, except for liabilities arising from willful misconduct of a culpable nature, advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and obtain officers and directors liability insurance if it is maintained for other officers and directors. These agreements do not require us to indemnify our directors and officers in situations where:

The remuneration rendered against our officer or director is determined by final judgment or other final adjudication that such remuneration was in violation of law;

A judgment is rendered against the director or officer for an accounting of profits made from the purchase or sale of our securities under the provisions of Section 16(b) of the Securities Exchange Act of 1934, as amended, or similar provisions of any federal, state or local statutory laws;

The officer's or director's conduct is adjudged to have been knowingly fraudulent or deliberately dishonest, or constitutes willful misconduct;

Acts or omissions of our officer or director show a reckless disregard for his or her duty to us or our shareholders in circumstances in which he or she was aware, or should have been aware, in the ordinary course of performing duties, of a risk of serious injury to us or our shareholders; or

A court determines that indemnification under the circumstances is not lawful.

MDC Land LLC and MDC Land Corporation

We occupy two leased facilities of approximately 24,500 and 48,600 square feet in Santa Ana, California, in which our executive offices, manufacturing, engineering, research and development, and test engineering operations are located. We lease both facilities from MDC Land LLC, a limited liability company owned by Manouch Moshayedi, Mark Moshayedi, and Mike Moshayedi, each of whom is an executive officer, director and major shareholder of SimpleTech. MDC has no operations other than its leasing transactions with us.

24,500 square foot facility. We lease the 24,500 square foot facility from MDC for a base rent of \$17,000 per month. Pursuant to the lease agreement, as amended, this lease expires in July 2017. For the period beginning August 1, 2005 through July 31, 2007, the lease provides that the base rent shall be the greater of \$17,000 per month or the market value rent as determined by an independent appraiser. Thereafter, for the remainder of the lease term, base rent shall be adjusted every two years based on the change in the Consumer Price Index. We believe our lease of the 24,500 square foot facility with MDC is on terms no less favorable to us than could be obtained from an unaffiliated third party.

Edgar Filing: SIMpletech INC - Form DEF 14A

48,600 square feet facility. We lease the 48,600 square foot facility from MDC for a base rent of \$33,000 per month. Pursuant to the lease agreement, as amended, this lease expires in July 2017. For the period beginning August 1, 2005 through July 31, 2007, the lease provides that base rent shall be the greater of \$33,000 per month or the market value rent as determined by an independent appraiser. Thereafter, for the remainder of the lease term, base rent shall be adjusted every two years based on the change in the Consumer Price Index. We believe our lease of the 48,600 square foot facility with MDC is on terms no less favorable to us than could be obtained from an unaffiliated third party.

SimpleTech Subsidiary Ownership

In February 1995, we formed Simple Technology Canada Ltd., a Canadian corporation with headquarters in Mississauga, Canada, with Manouch Moshayedi, Mike Moshayedi and Mark Moshayedi, each of whom is an executive officer and director of SimpleTech. We initially owned 79% of the membership interests in Simple Technology Canada and the Moshayedis initially owned the remaining 21%. Simple Technology Canada was formed for the purpose of manufacturing, selling and marketing our products in Canada. Under U.S. law at the time of formation of Simple Technology Canada, we could not wholly own a subsidiary since we were an S corporation. Accordingly, we formed Simple Technology Canada with the Moshayedis to meet this ownership requirement. Simple Technology Canada has been inactive since April 1998 when we discontinued our Canadian operations. In June 2000, Simple Technology Canada distributed all of its assets totaling approximately \$92,000 to its shareholders through the establishment of an escrow account. Subsequently, we made filings with the Canadian tax authorities to dissolve Simple Technology Canada. In addition, the Moshayedis sold their 21% interest to us for approximately \$2, the then-current fair market value. In September 2004, after receiving approval for the dissolution from the Canadian tax authorities, the amount held in escrow was distributed to the Moshayedis and us in proportion to our previous ownership interests.

In May 1996, we formed S.T.I., LLC, a California limited liability company, with Manouch Moshayedi, Mike Moshayedi and Mark Moshayedi, each of whom is an executive officer and director of SimpleTech. We own 97% of the membership interests in S.T.I., LLC and the Moshayedis own the remaining 3%. S.T.I., LLC was formed to limit our potential liability from our European manufacturing, sales and marketing operations. Under California law at the time of formation of S.T.I., LLC, limited liability companies were required to have more than one member. Accordingly, we formed S.T.I., LLC with the Moshayedis to meet this ownership requirement. To date, S.T.I. LLC has made no withdrawals or distributions of any kind in favor of any owner. We intend to acquire the Moshayedis' interest in S.T.I., LLC for approximately \$100, eliminating the Moshayedis' interest in S.T.I., LLC and making it our wholly owned subsidiary.

In June 1996, S.T.I., LLC and MDC Land Corporation formed Simple Technology Europe, a privately-held unlimited company registered in Scotland. Simple Technology Europe was set up to serve as the sales and marketing entity for our European operations and currently employs our sales and marketing team located in Scotland and England. S.T.I., LLC owns 99% and MDC Land Corporation owns 1% of the outstanding shares of capital stock of Simple Technology Europe. Other than the 1% ownership interest in Simple Technology Europe held by MDC Land Corporation, MDC Land Corporation does not have any other relationship, either business, financial or otherwise, with Simple Technology Europe. To date, there has been no withdrawal from, or distribution of any kind by, Simple Technology Europe in favor of any owner. In January 1996, we formed Simple Technology Limited, a privately-held limited company registered in Scotland, to serve as the manufacturing entity for our European headquarters to take advantage of local United Kingdom tax laws. Simple Technology Limited is a wholly owned subsidiary of Simple Technology Europe. Simple Technology Limited concluded its manufacturing operations in April 1999. In July 2004, Simple Technology Limited was officially dissolved with the Inland Revenue agency in the United Kingdom.

Many of the transactions set forth above were made while we were a privately held corporation. All future transactions, if any, between us and our officers, directors and principal shareholders and their affiliates, and any transactions between us and any entity with which our officers, directors or principal shareholders or their affiliates are affiliated, will be approved by our Audit Committee or a majority of our disinterested directors, and will be on terms no less favorable to us than could be obtained from unaffiliated third parties.
