The press release announcing Mr. Covey's appointment is filed with this report as Exhibit 99.1. The Compensation and Personnel Policies Committee (the Committee) of the Board of Directors (the Board) of the Company approved the material terms and conditions of Mr. Covey's employment as President and Chief Executive Officer, which are as follows:

Mr. Covey will receive an employment agreement with a three-year term commencing February 6, 2006 (the Term), at an initial annual salary of \$625,000, subject to increase in the discretion of the Board. Mr. Covey has been elected to the Board effective February 6, 2006.

On the Date of Employment, Mr. Covey will receive the following one-time payments and incentive awards: i) a cash payment of \$425,000, ii) an award of restricted stock units valued at \$1.1 million, increased by the amount of dividends paid during the vesting period, such restricted stock units to vest 20% on the first and second anniversaries of the Date of Employment and 60% on the third anniversary thereof, and iii) a performance share award for the period 2005 through 2007 valued at \$700,000, with a payment in shares of Company stock ranging from zero to two times the award amount depending on the Company's relative total shareholder return during such period compared to a peer group of forest products companies.

Mr. Covey will participate in the Potlatch Corporation Management Performance Award Plan with a target annual bonus opportunity of \$406,250 in 2006 and 65% of base salary in future years. The actual bonus may range from zero to 200% of the target amount based on corporate performance criteria to be established by the Committee and will be subject to further modification ranging from 0 to 1.4 times the bonus amount based on the results of individual performance metrics for Mr. Covey to be established by the Committee.

Mr. Covey will receive a performance share award of 20,800 shares for the period 2006 through 2008, with a payment in shares of Company stock ranging from zero to two times the award amount depending on the Company's relative total shareholder return during such period compared to a peer group of forest products companies. Mr. Covey will participate in the long-term incentive plan after 2006 on terms to be established by the Committee.

Mr. Covey will receive other benefits available to officers as of the Date of Employment, including participation in the Potlatch Salaried Retirement Plan and the Potlatch Supplemental Retirement Plan (and under the later plan

If Mr. Covey voluntarily terminates his employment during the Term, he will receive accrued salary and benefits and a pro-rated annual bonus for the year of termination and will forfeit all unvested performance shares and unvested restricted stock units. If Mr. Covey's employment is terminated by Potlatch during the Term other than for cause, he will receive in addition, among other things, 24 months salary and target bonus and accelerated vesting of the restricted stock units described above. If Mr. Covey's employment is terminated in connection with a change in control of the Company, he will receive, among other things, a lump sum payment equal to three times his base salary plus target bonus, a pro-rated portion of his performance share award and accelerated vesting of the restricted stock units described above, all grossed up for excise taxes.
