PROXY STATEMENT

Your vote at the annual meeting is important to us. Please vote your shares of common stock by completing the enclosed proxy card and returning it to us in the enclosed envelope. This proxy statement has information about the annual meeting and was prepared by the Company's management for the board of directors. This proxy statement was first mailed to shareholders on or about January 27, 2006.

GENERAL INFORMATION ABOUT VOTING

Who can vote?

Only shareholders of record holding Class A common stock or Class B common stock as of the close of business on January 13, 2006, will be entitled to receive notice of the annual meeting and to vote at the meeting.

On January 13, 2006, there were 22,604,761 shares of Class A common stock and 2,621,412 shares of Class B common stock outstanding and eligible to vote. Shares of common stock owned by the Company or any subsidiary are not entitled to vote, and are not included in the number of outstanding shares. Class A shares are entitled to one vote per share; Class B shares are entitled to 10 votes per share.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card, but do not vote on a proposal, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote **FOR** each of the five director nominees and **FOR** each of the other proposals to be considered at the meeting.

How do participants in our savings plan vote these shares?

If you are a participant in our savings plan, the proxy card also will serve as a voting instruction for the trustee of the plan, Mercer HR Services, to vote all shares of Class A common stock which are held by the trustee for your benefit. The shares represented by your proxy will be voted as you direct. The trustee will hold your voting directions in strict confidence. If you do not vote your proxy, shares held by the trustee for your benefit will be voted by the trustee in the same proportion as the shares properly voted by other participants in the savings plan.

What if other matters come up at the annual meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, the proxyholders will vote your shares as they see fit.

May I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you may change your vote either by giving the Company's secretary a written notice revoking your proxy card or by signing, dating, and returning to us a new proxy card. We will honor the proxy card with the latest date.

Table of Contents

May I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you may attend the annual meeting and vote your shares in person.

What do I do if my shares are held in street name ?

If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

We will hold the annual meeting if holders of a majority of the shares of Class A common stock and Class B common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed in the proxy card.

If your shares are held in the name of a nominee, and you do not tell the nominee how to vote your shares (so-called broker nonvotes), the nominee can vote them as it sees fit only on matters that the New York Stock Exchange determines to be routine, and not on any other proposal. Broker nonvotes will be counted as present to determine if a quorum exists, but will not be counted as present and entitled to vote on any nonroutine proposal.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. The Company will also reimburse brokerage houses and others forwarding proxy materials to beneficial owners of stock. The Company has not included the costs of solicitation in this Proxy Statement since such costs are not expected to exceed the amount normally expended for a solicitation for an election of directors in the absence of a contest.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

An entire board of directors, consisting of five members, will be elected at the annual meeting. The directors elected will hold office until their successors are elected, which should occur at the next annual meeting. We recommend a vote FOR the nominees presented below.

Vote Required. The five nominees receiving the highest number of votes will be elected. Votes withheld for a nominee will not be counted.

Nominations. At the annual meeting, we will nominate the persons named in this proxy statement as directors. Although we do not know of any reason why one of these nominees might not be able to serve, the board of directors will propose a substitute nominee if any nominee is not available for election.

DIRECTORS STANDING FOR ELECTION

All of the nominees are currently directors of the Company. Each has agreed to be named in this proxy statement and to serve as a director if elected. All nominees have been designated as Continuing Directors as defined in the Company's Certificate of Incorporation.

Legal Proceedings Involving Jeffrey Steiner: Over the past several years, we have disclosed certain legal proceedings in France involving Mr. Jeffrey Steiner, Chairman and Chief Executive Officer of the Company. All of the charges against Mr. Steiner, which resulted from these proceedings, were dismissed except for one, relating to the unjustified use in 1990 of corporate funds of Elf-Acquitaine, a French oil company. Mr. Steiner was given a suspended sentence and ordered to pay a fine of 500,000 Euros by the French Court. This decision has resulted in no penal record in France. The Company and Mr. Steiner's respective rights and obligations with respect to each other as a result of his defense in these proceedings were resolved in connection with the Derivative Settlement referred to below.

Derivative Shareholder Actions: Two actions, styled *Noto v. Steiner, et al.*, and *Barbonel v. Steiner, et al.*, were commenced on November 18, 2004, and November 23, 2004, respectively, in the Court of Chancery of the State of Delaware in and for Newcastle County, Delaware. The plaintiffs alleged that each is or was a shareholder of The Fairchild Corporation and purported to bring actions derivatively on behalf of the Company, claiming, among other things, that Fairchild executive officers received excessive pay and prerequisites, and that the Company's directors approved such excessive pay and prerequisites in violation of their fiduciary duties to the Company. The complaints named as defendants all of the Company's directors, its Chairman and Chief Executive Officer, its President and Chief Operating Officer, its then Chief Financial Officer, and its General Counsel. On October 24, 2005, a copy of a Notice of Hearing and Proposed Supplemental Settlement of The Fairchild Corporation Stockholder Derivative Litigation (the **Derivative Settlement**) was mailed to all shareholders and was filed with the SEC on a Form 8-K report. On November 23, 2005, the Court of Chancery approved the Derivative Settlement, which approval became final on December 23, 2005. The Derivative Settlement is further discussed below under Corporate Governance Matters.

Director Independence: Except for Eric Steiner and Jeffrey Steiner, all director nominees are independent as defined in the listing standards of the New York Stock Exchange, applicable Securities and Exchange Commission Rules, and the Company's Corporate Governance Guidelines.

Two New Independent Directors to Be Appointed: Pursuant to the Derivative Settlement, the Company has agreed to nominate and appoint two new independent directors as soon as practicable. Nominees for such independent directors have not been determined as of the date of this Proxy Statement. The Board of Directors will appoint such new independent directors as soon as practicable. Pursuant to the Derivative Settlement, Jeffrey Steiner and Eric Steiner (on behalf of themselves and their affiliates) agreed that they will not take actions as stockholders to remove any such independent directors prior to the Company's 2007 annual meeting of stockholders.

MEETINGS OF THE BOARD OF DIRECTORS

During the 2005 Fiscal Year, the Board held five meetings and acted five times by unanimous written consent. No incumbent director attended less than seventy-five percent (75%) of the aggregate number of meetings of the Board and committees on which he served. On September 28, 2005, Harold Harris, who had been a member of the Board since 1985, died.

REPORT OF THE AUDIT COMMITTEE

The following report does not constitute solicitation material and is not considered filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, unless we state otherwise.

In accordance with a written charter adopted by the Company's Board of Directors, the Audit Committee of the Company's Board of Directors (the Committee) assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the Company's financial reporting processes. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon.

In this context, the Committee has met and held discussions with management and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Committee discussed the consolidated financial statements with management and the independent auditors. The Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended, including the quality and acceptability of the Company's financial reporting processes and controls.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets regularly with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's accounting principles.

In addition, the Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees).

In performing all of these functions, the Committee acts only in an oversight capacity and necessarily relies on the work and assurances of the Company's management and independent auditors, which, in their report, express an opinion on the conformity of the Company's annual financial statements to accounting principles generally accepted in the United States.

In reliance on the reviews and discussions noted above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on SEC Form 10-K for the last fiscal year (ending on September 30, 2005) for filing with the Securities and Exchange Commission.

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

Herbert S. Richey (Chairman) (*)

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE

The following report does not constitute solicitation material and is not considered filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, unless we state otherwise.

The Compensation and Stock Option Committee is composed of at least three independent Directors. It has initial responsibility for all compensation actions affecting the Company's executive officers, including base salaries, bonus awards, stock option awards and the terms and conditions of their employment.

Compensation Philosophy

The Committee's goals are to:

- Provide compensation competitive with other similar companies.
- Encourage executives to increase shareholder value.
- Directly relate compensation to Company performance and/or the objective value of individual service.

Components of Executive Officer Compensation

Cash Compensation (Base Salary and Annual Incentive Bonus) The Company manages the total cash compensation to provide median levels of cash compensation at average levels of corporate, business unit, or individual performance. Cash compensation consists of two components: (i) a base salary that is at least competitive with that paid by companies facing similar challenges, and (ii) an annual incentive opportunity that is variable and is reflective of the financial performance of the Company and/or the individual performance of the executive officer. When high levels of performance are achieved, the level of cash compensation may well exceed the median of the market. Conversely, when the Company, business unit, or the individual falls short of realizable goals, the level of cash compensation may be below the market median. The objective of this mix is to deliver total annual cash compensation competitive with compensation offered at other companies facing similar challenges for similar positions.

Mix Between Salary and Annual Incentive Pay The mix between salary and annual incentive pay is related to an executive's job grade. Executives at higher grade levels in the Company may have a greater percentage of their total cash compensation contingent on the accomplishment of assigned business objectives, i.e. the higher the executive grade level, the greater the proportion of annual compensation that may be at risk. The award and size of the performance bonus are based upon: (i) the executive officer's performance against goals determined by the Company's Chief Executive Officer; and/or (ii) the performance of the executive officer's unit within the Company against that unit's goals; or (iii) the performance of the Company against Company goals. Goals vary from year to year and from unit to unit and, with regard to individual goals of executive officers, usually include both quantitative and qualitative factors.

The Committee approved salary and annual incentive pay for the Company's named executive officers as set forth under the Summary Compensation Table of this Proxy Statement.

Stock Option Grants Stock options for 70,000 shares were awarded to James Fox in connection with his employment by the Company. No other stock options were granted during the 2005 Fiscal Year.

Table of Contents

Total Compensation Program The Committee believes that the total compensation program for executives of the Company (cash compensation, bonuses and stock option grants) is on a level with the compensation programs provided by other companies facing similar challenges. The Committee believes that any amounts paid under the annual incentive plan will be appropriately related to corporate and individual performance.

Pursuant to the Derivative Settlement, after taking into account the compensation policies of comparable companies facing comparable challenges, the Board shall adopt policies requiring that regular and bonus compensation (in any form) be directly related to the Company's performance and/or the objective value of the officer's services.

Compensation of CEO

Jeffrey Steiner has served as Chairman of the Board and Chief Executive Officer of the Company since 1985, and as President from July 1991 through September 1998. In fixing Mr. Steiner's salary and target bonus levels, as well as determining the size of stock option awards, if any, the Committee and the Board typically review the strategic direction and financial performance of the Company, including enterprise value, revenue and profit levels. In addition, the Committee reviews Mr. Steiner's performance as Chairman of the Board and Chief Executive Officer, his importance to the Company and his success in implementing its strategic goals both through his entrepreneurial actions and investment banking acumen.

Base Compensation Mr. Steiner's aggregate base compensation for the 2005 Fiscal Year was at the rate of \$2,500,000 per year, consisting of (i) \$1,700,000 pursuant to his employment agreement with the Company, (ii) \$400,000 per year pursuant to his employment agreement with Banner Aerospace, plus (iii) \$400,000 for services in Switzerland with respect to the Company's European operations. Pursuant to the Derivative Settlement, this compensation was reduced to \$1,325,000 per year, effective as of January 12, 2006. Such reduction in compensation shall remain in place until such time as the Compensation Committee and Mr. Steiner agree on the terms of a new employment agreement.

Stock Option Grants No stock options were granted to Mr. Steiner during the 2005 Fiscal Year.

Incentive Compensation for 2005 Fiscal Year The Committee determined that Mr. Steiner should receive no incentive compensation for the 2005 Fiscal Year.

Advice of Consultants

To aid it in making its compensation determinations, the Compensation and Stock Option Committee has engaged the services of Hewitt Associates, LLC, as its independent consultant.

Table of Contents

Supplemental Executive Retirement Plans. We have two supplemental executive retirement plans for key executives which provide additional retirement benefits based on final average earnings and years of service, as follows:

	Unfunded SERP	Funded SERP
Retirement Benefits	Provides a maximum retirement benefit (in the aggregate for both Supplemental Executive Retirement Plans) equal to the difference between (i) sixty percent (60%) of the participant's highest base salary for five consecutive years of the last ten years of employment, and (ii) the aggregate of other pension benefits, profit sharing benefits, and primary Social Security payments to which the participant is entitled.	An annual retirement benefit determined by multiplying the participant's years of credited service times a fixed amount. The amount varies by participant.
Funding	This is an unfunded obligation of the Company, not subject to ERISA regulations. The Company makes discretionary contributions to a Rabbi Trust to help meet its obligations under this plan, but the assets under such trust are subject to the claims of the Company's creditors.	This benefit is a part of the Retirement Plan for Employees of the Fairchild Corporation. It is a funded obligation of the Company. Such funding contributions are not assets available to the creditors of the Company.
Pre-Retirement Distributions	Subject to the approval of the Compensation Committee, the plan permits participants who have reached retirement age, to elect to receive retirement advances.	At the participant's request upon attainment of Normal Retirement Age as defined in the Plan.
Participants	Executive Officers. All persons named in the Summary Compensation Table are eligible for participation in this plan except Mr. Klaus Esser.	Same as the unfunded plan.
Special Years of Service Accreditation	Pursuant to a letter agreement with Mr. Miller, for purposes of determining years of service with the Company under the Supplemental Executive Retirement Plans, Mr. Miller will be credited with two years of service for each of the first ten years he is employed by the Company.	None.

The Company has frozen the SERP benefits at December 31, 2004 payable by the Company to all executive officers. Pursuant to the Derivative Settlement, no new SERP plan shall be created for any existing senior officer of the Company, without the prior approval of two-thirds of the Compensation Committee. As to SERP plans for individuals who are not executive officers, the Company intends to amend such SERP plans in order to be in compliance with tax laws.

Klaus Esser does not participate in the above described retirement plans. Under his employment agreement, Mr. Esser is entitled to receive such retirement benefits as provided under German law.

- Natalia Hercot (daughter of Jeffrey Steiner) is a Vice President of the Company, for which she was compensated \$48,000 in the 2005 Fiscal Year. Pursuant to the Derivative Settlement, Natalia Hercot's salary for 2006 shall not exceed \$10,000 per year.
- Subject to the approval of the Compensation Committee, the Company's Unfunded SERP (Supplemental Executive Retirement Plan) permits participants who have reached retirement age, to elect to receive retirement advances. During the 2005 Fiscal Year, Mr. Jeffrey Steiner (who is 68) elected to receive advances under the Unfunded SERP (representing a partial distribution of his vested benefits) in the aggregate amount of \$477,222. Such advances were made between October 1 and December 31, 2004.
- During the 2005 Fiscal Year, Phillip Hercot, son-in-law of Jeffrey Steiner, subleased a room in Fairchild's Paris office and paid arm's length rent to the Company.

- We paid for the maintenance and upkeep of an apartment located in Paris, France and used by us from time to time for business related travel. The owner of the apartment was a company controlled by the Steiner Family. The apartment was sold in 2004 and thereafter no longer used by the Company. We believe our cost for the apartment was significantly less than the cost of similar accommodations for our business related travel. The total amounts paid for apartment expenses were approximately \$11,000 in fiscal 2005.
- On September 30, 2005, we owed remaining amounts for change of control payments of \$3,140,000 to Mr. J. Steiner. The amount owed to Mr. J. Steiner is payable to him upon his termination of employment with us.

- In December 2004, we entered into an agreement to acquire real estate in New York City, and placed a \$250,000 deposit in connection with the acquisition. Our obligation to purchase the property was contingent upon our ability to acquire adjacent properties by a certain date, which date passed without our ability to do so. Accordingly, we had the right to terminate the purchase agreement and intended to do so. Mr. J. Steiner wanted to acquire the property irrespective of the acquisition of adjacent properties. We assigned to Mr. J. Steiner our right to acquire the property and he paid to us the deposit. The independent members of our Board of Directors considered the transaction, and approved the assignment to Mr. J. Steiner.
- We provide to Mr. J. Steiner automobiles for business use. In 2005, we charged Mr. J. Steiner \$15,000 to cover personal use and the cost of these vehicles that exceeded our reimbursement policy.
- In December 2004, Mr. J. Steiner reimbursed us \$421,000 for personal expenses that we paid on his behalf, which were outstanding as of September 30, 2004. At no time during 2004 and 2005, did amounts due to us from Mr. J. Steiner exceed the amount of the after-tax salary on deferrals we owed to him.
- From time-to-time Mr. E. Steiner, Mr. J. Steiner, and related family members used the Company's corporate aircraft for personal purposes. The Company is reimbursed based solely upon the

incremental cost of the personal usage. Mr. E. Steiner reimbursed the Company \$4,275 for his personal usage of corporate aircraft in fiscal 2004. Mr. J. CORPORATE GOVERNANCE MATTERS

NYSE Opt-Out Provisions for Controlled Companies

The New York Stock Exchange allows controlled companies (i.e., companies whose voting control is held by a single person) to opt out of the following requirements:

- (a) Maintaining a board consisting of a majority of independent directors;
- (b) Maintaining a Nominating/Corporate Governance Committee composed solely of independent directors; and
- (c) Maintaining a Compensation Committee composed solely of independent directors.

Because of the ownership interest held by The Steiner Group, LLC, the Company qualifies as a controlled company. However, the Board of Directors of The Fairchild Corporation has elected not to opt out of these requirements.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines which, among other things, address requirements to be met by the Company's Board members in order to be deemed independent. The full text of the Corporate Governance Guidelines can be found on the Company's website (www.fairchild.com). You may also request a copy from the Company's Corporate Secretary. The portion of the Corporate Governance Guidelines addressing director independence is attached as Appendix A to this Proxy Statement.

Director Independence

Pursuant to the Corporate Governance Guidelines, the Board undertook its annual review of director independence in December 2005. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. As provided in the Corporate Governance Guidelines, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that all of the directors are independent of the Company and its management under the standards set forth in the Corporate Governance Guidelines, with the exception of Eric Steiner and Jeffrey Steiner, each of whom is considered an inside director because of his employment as an executive of the Company.

Executive Sessions of the Independent Directors; Presiding Director

The independent directors of the Company (i.e., all directors other than Eric Steiner and Jeffrey Steiner) meet in executive session, without management present, at least once a year. In the 2005 Fiscal Year, the independent directors met in executive session four times. Mr. Gerard acted as the Presiding Director at each of such executive sessions.

Business Conduct Policies and Code of Ethics

The Board of Directors has adopted a Code of Business Conduct and Ethics, applicable to all employees, officers and directors of the corporation. The code is posted on the Company's website (www.fairchild.com). You may also request a copy from the Company's Corporate Secretary.

Table of Contents

The Board has also adopted a Code of Ethics for Senior Financial Officers (including the Chief Executive Officer, the Chief Financial Officer, the Principal Accounting Officer or Controller, and all persons performing similar functions on behalf of the Company). The code is posted on the Company's website (www.fairchild.com). You may also request a copy from the Company's Corporate Secretary. The officers subject to this code were surveyed for 2005 and will be surveyed annually for compliance. Only the Board of Directors can amend or grant waivers from the provisions of the code, and any such amendments or waivers will be promptly posted on the Company's website.

Procedures For Submitting Recommendations For Director Nominations

As part of its director selection process, the Committee considers recommendations from many sources, including management, other board members and the Chairman. The Committee will also consider nominees suggested by stockholders of the Company. Stockholders wishing to recommend a candidate for director may do so by sending the candidate's name, biographical information and qualifications to the Chairman of the Governance and Nominating Committee c/o the Corporate Secretary, The Fairchild Corporation, 1750 Tysons Blvd., Suite 1400, McLean VA 22102.

The Committee also may consider the extent to which the candidate would fill a present need on the Board of Directors.

The Board's preliminary agendas for its meetings will be reviewed and approved in advance by the Chairman of the Oversight Committee, who may add additional matters for Board information or action.

Changes to the Bylaw establishing and giving authority to the Oversight Committee can only be made pursuant to (i) a vote by a majority of the voting power of the outstanding Fairchild shares *and* a majority of the voting power of the outstanding shares held by Fairchild stockholders who are unaffiliated with Jeffrey Steiner, Eric Steiner, or their respective associates; or (ii) pursuant to a vote by three-fourths of the entire Board.

Independence of Directors

(Excerpt from the Company's Corporate Governance Guidelines)

(Amended and Restated as of January 31, 2005)

1. Director Qualification Standards:

Directors must be willing to devote sufficient time to carrying out their duties and responsibilities effectively and should be committed to serve on the Board for an extended period of time. Directors should offer their resignation in the event of any significant change in their personal circumstances, including a change in their principal job responsibilities.

The Corporation has determined that a majority of its directors shall be independent. In order to be deemed independent, a director shall meet the following criteria:

- 1.1 *No Business Relationship Between Audit Committee Directors and the Corporation:*** Pursuant to Rule 303A(2)(a) of the NYSE Listed Company Manual, no director is independent unless the Board affirmatively determines that the director has no material relationship with the Corporation (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Corporation). If a director (or any organization in which such director is a partner, controlling shareholder or executive officer) has (or in the last three years, has had) a business relationship with the Corporation (including a commercial, industrial banking, consulting, legal, accounting, charitable, familial or other relationship), the Board of Directors must specifically determine that (in the Board of Directors' business judgment) such business relationship does not interfere with the director's exercise of his independent judgment. In making this determination, the Board shall consider, among other things, the materiality of the relation to the Corporation, to the director, and, if applicable, to the organization with which the director is affiliated. The basis for any such finding must be disclosed in the Corporation's annual proxy statement.
- 1.2 *No Employment Relationship:*** A director is not independent if: (i) the director is, or has been within the last three years an employee of the Company, or (ii) an immediate family member of the director is, or has been within the last three years, an executive officer of the Company. (*Subject to transition rule set forth below.) (*Cross Reference Rule: 303A(2)(b) of the NYSE Listed Company Manual.*)
- 1.3 *No Payments in Excess of \$100,000:*** A director is not independent if (i) the director received, or has an immediate family member who has received during any twelve-month period within the last three years, more than \$100,000 a year in direct compensation from the Corporation (other than director and committee fees and pension or other forms of deferred compensation for prior services, provided that such compensation is not contingent in any way on continued service). (*Subject to transition rule set forth below.) (*Cross Reference Rule: 303A(2)(b) of the NYSE Listed Company Manual.*)
- 1.4 *Auditor Services:*** A director is not independent if: (i) the director is a partner or employee of a firm that is the Company's internal or external auditor; or (ii) the director has an immediate family member who is a partner of

such a firm; or (iii) the director has an immediate family member who is an employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning practice); (or) (iv) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time. (*Subject to transition rule set forth below.)
