**PROXY STATEMENT**

**FOR THE 2006 ANNUAL MEETING OF STOCKHOLDERS**

**June 9, 2006**

**QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING**

**Why am I receiving these materials?**

We sent you this proxy statement and the enclosed proxy card because the board of directors of Hollis-Eden Pharmaceuticals, Inc. (sometimes referred to in this proxy statement as we, us, the Company or Hollis-Eden) is soliciting your proxy to vote at the 2006 annual meeting of stockholders. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the annual meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We intend to begin mailing this proxy statement and accompanying proxy card on or about May 8, 2006 to all stockholders of record entitled to vote at the annual meeting.

**Who can vote at the annual meeting?**

Only stockholders of record at the close of business on April 13, 2006 will be entitled to vote at the annual meeting. On this record date, there were 24,836,535 shares of our common stock outstanding and entitled to vote.

*Stockholder of Record: Shares Registered in Your Name*

If on April 13, 2006 your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the annual meeting or vote by proxy. Whether or not you plan to attend the annual meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

*Beneficial Owner: Shares Registered in the Name of a Broker or Bank*

If on April 13, 2006 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

**What am I voting on?**

There are four matters scheduled for a vote:

Election of two Class III directors to hold office until the 2009 annual meeting of stockholders;

Proposed amendment to our 2005 Equity Incentive Plan, as amended, to increase the aggregate number of shares of common stock authorized for issuance under such Plan by 500,000 shares;

Proposed amendment to our 2005 Non-Employee Directors Equity Incentive Plan, as amended, to increase the aggregate number of shares of common stock authorized for issuance under such Plan by 150,000 shares; and

Ratification of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

**How do I vote?**

You may either vote For all the nominees to our board of directors or you may withhold your vote for any nominee you specify. For each of the other matters to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are fairly simple:

*Stockholder of Record: Shares Registered in Your Name*

If you are a stockholder of record, you may vote in person at the annual meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the annual meeting and vote in person if you have already voted by proxy.

To vote in person, come to the annual meeting and we will offer you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided.

If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

*Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

**How many votes do I have?**

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 13, 2006, the record date for the determination of stockholders entitled to notice of and to vote at the annual meeting and at any adjournment or postponement thereof.

**What if I return a proxy card but do not make specific choices?**

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of all nominees for director, For the approval of the proposed amendment to our 2005 Equity Incentive Plan, as amended, to increase the aggregate number of shares of common stock authorized for issuance under such Plan by 500,000 shares, For the approval of the proposed amendment to our 2005 Non-Employee Directors Equity Incentive Plan, as amended, to increase the aggregate number of shares of common stock authorized for issuance under such Plan by 150,000 shares and For the ratification of the selection of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006. If any other matter is properly presented at the annual meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his best judgment.

**Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

**What does it mean if I receive more than one proxy card?**

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

**Can I change my vote after submitting my proxy?**

Yes. You can revoke your proxy at any time before the final vote at the annual meeting. You may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

You may send a written notice that you are revoking your proxy to our Secretary at 4435 Eastgate Mall, Suite 400, San Diego, California 92121.

You may attend the annual meeting and vote in person. Simply attending the annual meeting will not, by itself, revoke your proxy.

**When are stockholder proposals due for next year's annual meeting?**

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by January 10, 2007, to our Secretary at 4435 Eastgate Mall, Suite 400, San Diego, California 92121. If you wish to submit a proposal that is not to be included in next year's proxy materials, your proposal generally must be submitted in writing to the same address no later than March 11, 2007 but no earlier than February 9, 2007.

**How are votes counted?**

Votes will be counted by the inspector of election appointed for the annual meeting, who will separately count For and (with respect to proposals other than the election of directors because directors are elected by a plurality of votes cast at the annual meeting) Against votes, abstentions and broker non-votes. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner. Abstentions will be counted towards the vote total for each proposal, and will have the same effect as Against votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If on April 13, 2006 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

**How many votes are needed to approve each proposal?**

For the election of directors, the two nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes will have no effect.

To be approved, Proposal No. 2, the proposed amendment to our 2005 Equity Incentive Plan, as amended, to increase the aggregate number of shares of common stock authorized for issuance under such Plan by 500,000 shares, must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

To be approved, Proposal No. 3, the proposed amendment to our 2005 Non-Employee Directors Equity Incentive Plan, as amended, to increase the aggregate number of shares of common stock authorized for issuance under such Plan by 150,000 shares, must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

To be approved, Proposal No. 4, the ratification of the selection of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006, must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

**What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid annual meeting. A quorum will be present if at least a majority of the outstanding shares are represented by stockholders present at the annual meeting or by proxy. On the record date of April 13, 2006, there were 24,836,535 shares outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present or represented by proxy at the meeting may adjourn the meeting to another date.

**How can I find out the results of the voting at the annual meeting?**

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter of 2006.

**Proposal 1**

**ELECTION OF DIRECTORS**

Our restated certificate of incorporation and bylaws provide that our board of directors shall be divided into three classes, each class consisting, as nearly as possible, of one-third of the total number of directors, with each class having a three-year term. Vacancies on our board may be filled only by persons elected by a majority of the remaining directors. A director elected by our board to fill a vacancy (including a vacancy created by an increase in the size of our board of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified. It is our policy to invite nominees for directors to attend the annual meeting. All of our directors attended last year's annual meeting.

Our board of directors is presently composed of seven members. There are two directors in the class whose term of office expires in 2006. The nominees for election to this class, Richard B. Hollis and Salvatore J. Zizza, are current members of our board of directors, having been elected by the stockholders. If elected at the annual meeting, each of the nominees would serve until the 2009 annual meeting and until his successor is elected and has qualified, or until his earlier death, resignation or removal.

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the meeting. Proxies cannot be voted for a greater number of persons than the number of nominees

named. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of a substitute nominee as our board of directors may propose upon recommendation from our nominating and corporate governance committee.

Set forth below is biographical information for each person nominated and each person whose term of office as a director will continue after the annual meeting.

**INDEPENDENCE OF THE BOARD OF DIRECTORS**

As required under the Nasdaq Stock Market (Nasdaq) listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the company's

board of directors. After review of all relevant transactions and relationships between each director, or any of his or her family members, and us, our senior management and our independent registered public accounting firm, our board affirmatively has determined that Messrs. Bagley, Sarni, Zizza, Merigan, Hauer and McDonnell are independent directors within the meaning of the Nasdaq listing standards.

#### **INFORMATION REGARDING OUR BOARD OF DIRECTORS AND ITS COMMITTEES**

During 2005, our board of directors held eight meetings. Each board member attended at least 75% of the aggregate number of meetings of our board and of the committees on which he served, held during the period for which he was a director or committee member, respectively.

In April 2004, our board of directors documented our corporate governance practices by adopting a number of corporate governance policies and procedures, as well as a Nominating Committee Charter and a Business Code of Conduct and Ethics, to assure that our board will have the necessary authority and practices in place to make decisions that are independent of our management. In June 2005, our board amended the charter and renamed the committee to be the Nominating and Corporate Governance Committee. These guidelines are also intended to align the interests of our directors and management with those of our stockholders. These guidelines set forth the practices our board will follow with respect to board composition and selection, board meetings and the involvement of our senior management, Chief Executive Officer performance evaluation, and board committees and compensation. These policies and procedures, together with the Nominating and Corporate Governance Committee Charter and Business Code of Conduct and Ethics, were adopted by our board to, among other things, reflect changes to the Nasdaq listing standards and Securities and Exchange Commission rules adopted to implement provisions of the Sarbanes-Oxley Act of 2002. In March 2006, our board of directors selected Mr. Zizza to serve as Lead Independent Director of our board of directors. The Lead Independent Director's duties include, to the extent appropriate, leading executive sessions of our board's independent directors, assisting our Chief Executive Officer with communications with our stockholders, and facilitating communications between the other members of our board of directors.

As required under the Nasdaq listing standards, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. Mr. Zizza, as the Lead Independent Director, will preside over the executive sessions.

#### **Nominating and Corporate Governance Committee**

Our board of directors has adopted a Nominating and Corporate Governance Committee Charter, which can be found on our corporate website at [www.holliseden.com](http://www.holliseden.com). The Nominating and Corporate Governance Committee (Nominating Committee) is composed of three directors who are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards): Messrs. Zizza, Hauer and McDonnell. The Nominating Committee is responsible for identifying, reviewing and evaluating candidates to serve as our directors (consistent with criteria approved by our board), reviewing and evaluating incumbent directors, recommending to our board candidates for election to our board, assessing the performance of our board, and making recommendations to our board regarding the membership of the committees of our board. The Nominating Committee held one meeting in 2005.

Our board of directors believes that candidates for director should have certain minimum qualifications, including: personal integrity and ethics; no interests that would materially impair his or her ability to exercise independent judgment and otherwise discharge his or her fiduciary duties; ability to represent all stockholders equally; achievement in one or more fields of business, professional, governmental, scientific or educational endeavor; sound judgment based on management or policy-making experience; general understanding of the major issues facing public companies of a similar size and operational scope as us; and ability to devote adequate time to our board and its committees. However, the Nominating Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of our board, our operating requirements and the long-term interests of our stockholders. In

conducting this assessment, the Nominating Committee considers such factors as it deems appropriate given our current needs and the current needs of our board, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating Committee reviews such directors' overall service during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Nominating Committee will also determine whether the nominee must be independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards and applicable Securities and Exchange Commission rules and regulations. The Nominating Committee will then compile a list of potential candidates, using its own network of contacts, as well as recommendations from other board members and management. The Nominating Committee may also engage, if appropriate under the circumstances, a professional search firm to assist in identifying qualified candidates. The Nominating Committee will conduct any appropriate or necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of our board. The Nominating Committee will meet to discuss and consider such candidates' qualifications and then select nominees for recommendation to our board by majority vote.

The Nominating Committee will consider director candidates recommended by our stockholders. The Nominating Committee will accept for consideration only one recommendation from any stockholder or affiliated group of stockholders. The Nominating Committee will also take into account the size and duration of the recommending stockholder's ownership interest in the Company and the extent to which such stockholder intends to maintain its ownership interest in the Company. Our board of directors does not intend for the Nominating Committee to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating Committee to become nominees for election to our board may do so by delivering a written recommendation to the Nominating Committee at the following address: 4435 Eastgate Mall, Suite 400, San Diego, California 92121, not less than six months prior to any meeting at which directors are to be elected. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director, and the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. Any such submission must be accompanied by a representation that the nominating stockholder is a beneficial or record owner of our common stock, including the number of shares and when the shares were acquired, and the extent to which the nominating stockholder intends to maintain its ownership interest in the Company.

Notwithstanding the responsibilities of the Nominating Committee described above, the recommendations for director nominees made by the Nominating Committee will be subject to Delaware law, our bylaws and the provisions of an employment agreement, dated November 1, 1996, between us and Richard B. Hollis. Pursuant to that agreement, Mr. Hollis has the right, under specified circumstances, to require us to nominate him and two of his designees for election to our board. To date, however, Mr. Hollis has not exercised this right.

#### **Compensation Committee**

The Compensation Committee makes recommendations to our board of directors concerning executive salaries and incentive compensation, administers our 2005 Equity Incentive Plan and 2005 Non-Employee Directors' Equity Incentive Plan and otherwise determines compensation levels and policies and performs such other functions regarding compensation as our board may delegate. The Compensation Committee is composed of three independent non-employee directors who are independent (as independence is currently defined in Rule 4200 (a)(15) of the Nasdaq listing standards): Messrs. McDonnell, Bagley and Sarni. The Compensation Committee had five meetings in 2005.

### **Audit Committee**

The Audit Committee oversees our corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance and assesses the qualifications of the independent auditor; determines the engagement of the independent auditor; determines whether to retain or terminate the existing independent auditor or to appoint and engage a new independent auditor; reviews and approves the retention of the independent auditor to perform any proposed non-permissible audit services; and monitors the rotation of partners of the independent auditor on our engagement team as required by law. The Audit Committee meets and reviews with management and the independent auditors: the quarterly financial statements and disclosures prior to the filing of our Quarterly Reports on Form 10-Q; the financial statements and disclosures to be included in our Annual Report on Form 10-K; our policies with respect to risk assessment and risk management; our internal controls; and the results of the annual audit. The Audit Committee is composed of three directors and operates under a written charter adopted by our board of directors. Our board of directors reviews and assesses the adequacy of the Audit Committee's written charter on an annual basis in light of applicable Nasdaq and Securities and Exchange Commission rules and regulations. The members of the Audit Committee are Messrs. Bagley, Sarni and Zizza. Our board of directors also annually reviews the definition of independence under the Nasdaq listing standards and Securities and Exchange Commission rules and regulations for Audit Committee members and has determined that all members of our Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A)(i) and (ii) of the Nasdaq listing standards and Section 10A of the Securities Exchange Act of 1934, as amended). Each member of the Audit Committee is financially literate, knowledgeable and qualified to review financial statements. The Audit Committee Financial Expert designated by our board (as that term is defined in the rules and regulations established by the Securities and Exchange Commission) is Mr. Zizza. Our board of directors made a qualitative assessment of Mr. Zizza's level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer. The Audit Committee had ten meetings in 2005.

### **STOCKHOLDER COMMUNICATIONS WITH OUR BOARD OF DIRECTORS**

Our board of directors has adopted a formal process by which our stockholders may communicate with our board. Persons interested in communicating with our board with their concerns or issues may address correspondence to our board, in care of Hollis-Eden Pharmaceuticals, Inc., at 4435 Eastgate Mall, Suite 400, San Diego, California 92121. All such communications will be compiled by our secretary and submitted to our board on a periodic basis. All communications must be accompanied by the following information:

A statement as to (i) the number of shares of our common stock that the person holds and (ii) the approximate date on which the person became a stockholder;

Any special interest, meaning an interest not in the capacity as one of our stockholders, of the person in the subject matter of the communication; and

The address, telephone number and e-mail address, if any, of the person submitting the communication.

The following types of communications are not appropriate for delivery to directors under these procedures:

Communications regarding individual grievances or other interests that are personal to the party submitting the communication and would not reasonably be of concern to stockholders generally;

Communications that advocate Hollis-Eden engaging in illegal, unethical or otherwise improper activities;

Communications that contain offensive, vulgar or abusive content; and

Communications that have no rational relevance to our business or operations.

**CODE OF BUSINESS CONDUCT AND ETHICS**

We have adopted the Hollis-Eden Pharmaceuticals Code of Business Conduct and Ethics, which applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available on our website at [www.holliseden.com](http://www.holliseden.com). If we make any substantive amendments to the Code of Business Conduct and Ethics or grant any waiver from a provision of the Code to any executive officer or director, we will promptly disclose the nature of the amendment or waiver in a Form 8-K filed with the Securities and Exchange Commission.

**REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS**

Our board of directors maintains an Audit Committee composed of three directors who meet the independence and the financial literacy requirements of the applicable Securities and Exchange Commission rules and regulations. Our board has determined that Mr. Salvatore Zizza qualifies as an Audit Committee Financial Expert under the applicable Securities and Exchange Commission rules and regulations. During 2005, the Audit Committee held ten meetings. Our board has also adopted a written charter of the Audit Committee.

Management is responsible for our systems of internal controls and the financial reporting process. The independent auditor is responsible for performing an independent audit of our financial statements and to attest to management's assessment of internal controls in accordance with generally accepted auditing standards and Section 404 of the Sarbanes Oxley Act of 2002, respectively, and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of our board of directors.

Our independent auditor also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditor that firm's independence.

Based on the Audit Committee's discussion with management and the independent auditor as well as the Audit Committee's review of the representation of management and the report of the independent auditor to the Audit Committee, the Audit Committee recommended that our board of directors include the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 filed with the Securities and Exchange Commission.

The information contained in this report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference in any such filing.

Respectfully submitted by:

AUDIT COMMITTEE

Paul Bagley, Chairman

Marc R. Sarni

Salvatore J. Zizza

**Proposal 2**

**AMENDMENT TO THE 2005 EQUITY INCENTIVE PLAN**

On April 27, 2005, our board of directors adopted the Hollis-Eden Pharmaceuticals, Inc. 2005 Equity Incentive Plan (the "2005 Equity Plan"). Our stockholders approved the 2005 Equity Plan in June 2005. The 2005 Equity Plan is an amendment and restatement of Hollis-Eden Pharmaceuticals' 1997 Incentive Stock Option Plan (the "1997 Option Plan"). Options granted under the 1997 Option Plan prior to its amendment and restatement are subject to the terms and conditions as set forth in the agreements evidencing such options and the terms of the 1997 Option Plan except that our board may elect to extend one or more of the features of the 2005 Equity Plan to stock awards granted under the 1997 Option Plan. The approval of the adoption of the 2005 Equity Plan increased the number of shares of our common stock reserved for issuance beyond those reserved for issuance under the 1997 Option Plan by 350,000 shares for a total of 5,500,000 reserved shares.

In December 2005, our board amended the 2005 Equity Plan to reserve an additional 100,000 shares to be used only for the grant of stock awards to persons not previously employed by us, or following a bona fide period of non-employment, as an inducement material to those persons entering into employment with us within the meaning of Rule 4350(i)(1)(A)(iv) of the Nasdaq Marketplace Rules, and to provide that any such inducement awards must be granted either by a majority of our independent directors or a committee comprised of a majority of independent directors. Stockholder approval is not required for the amendment of the 2005 Equity Plan to reserve an additional 100,000 shares to be used for inducement awards.

On March 18, 2006, our board of directors amended and restated the 2005 Equity Plan to reserve an additional 500,000 shares for issuance, subject to approval by our stockholders at this annual meeting.

This Proposal 2 seeks an increase in the number of shares that may be issued under the 2005 Equity Plan by 500,000 shares. The additional 500,000 shares will increase the total shares of common stock reserved for issuance under the 2005 Equity Plan to an aggregate of 6,100,000. At March 31, 2006, options (net of cancelled, forfeited and exercised options) covering an aggregate of 4,940,666 shares had been granted under the 2005 Equity Plan and the 1997 Option Plan, and 382,253 shares (plus any shares that might in the future be returned to the 2005 Equity Plan and the 1997 Option Plan as a result of cancellations or expiration of options) remained available for future grant under the 2005 Equity Plan.

The approval of the amendment to the 2005 Equity Plan will allow us to continue to grant stock options and other awards at levels determined appropriate by our board of directors. Because we are approaching the latter stages of development for our lead compound, NEUMUNE, we will likely need to increase our employee base. During this hiring period, our board believes it is important for us to have the ability to grant a sufficient number of stock options to attract the most qualified employees in the industry. Accordingly, the approval of the amendment to the 2005 Equity Plan will allow us flexibility in attracting and retaining qualified personnel by granting stock options and other awards to employees, directors and consultants at levels determined appropriate by our board and the Compensation Committee.

Our stockholders are requested in this Proposal 2 to approve the 2005 Equity Plan, as amended. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to approve the 2005 Equity Plan, as amended. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 2.**

The full text of the 2005 Equity Plan, substantially in the form in which it will take effect if the proposed amendment is approved by our stockholders, is set forth in Appendix A to this proxy statement. The following summary of the principal features of the 2005 Equity Plan is subject to, and qualified in its entirety by, the full text of the 2005 Equity Plan in Appendix A.

**General**

The 2005 Equity Plan provides for the grant of incentive stock options, nonstatutory stock options, stock appreciation rights, stock purchase awards, restricted stock awards, restricted stock unit awards, and other forms of equity compensation (collectively, "stock awards"). Incentive stock options granted under the 2005 Equity Plan are intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). Nonstatutory stock options granted under the 2005 Equity Plan are not intended to qualify as incentive stock options under the Code. See "Federal Income Tax Information" for a discussion of the tax treatment of stock awards.

**Purpose**

Our board adopted the 2005 Equity Plan to provide a means to secure and retain the services of employees (including officers), consultants and directors eligible to receive stock awards, to provide incentives for such individuals to exert maximum efforts for the success of Hollis-Eden and its affiliates, and to provide a means by which such eligible individuals may be given an opportunity to benefit from increases in the value of Hollis-Eden's common stock through the grant of stock awards.

**Administration**

Our board administers the 2005 Equity Plan. Subject to the provisions of the 2005 Equity Plan, our board has the authority to construe and interpret the plan, to determine the persons to whom and the dates on which stock awards will be granted, the number of shares of common stock to be subject to each stock award, the time or times during the term of each stock award within which all or a portion of the award may be exercised, the exercise, purchase, or strike price of each stock award, the type of consideration permitted to exercise or purchase each stock award, and other terms of the stock awards.

Our board has the authority to delegate some or all of the administration of the 2005 Equity Plan to a committee or committees. In the discretion of our board, a committee may consist solely of two or more non-employee directors within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended, or solely of two or more outside directors within the meaning of Section 162(m) of the Code. Our board has delegated administration of the 2005 Equity Plan to the Compensation Committee of our board. If administration is delegated to a committee, the committee has the authority to delegate certain administrative powers to a subcommittee of one or more members. As used herein with respect to the 2005 Equity Plan, "our board" refers to any committee our board appoints or, if applicable, any subcommittee, as well as to our board itself.

**Eligibility**

Incentive stock options may be granted under the 2005 Equity Plan only to employees (including officers) of Hollis-Eden and its affiliates. Employees (including officers), consultants and directors of Hollis-Eden and its affiliates are eligible to receive all other types of stock awards under the 2005 Equity Plan. All employees, consultants and directors of Hollis-Eden and its affiliates are eligible to participate in the 2005 Equity Plan.

No incentive stock option may be granted under the 2005 Equity Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of the total combined voting power of Hollis-Eden or its affiliates, unless the exercise price of such option is at least 110% of the fair market value of the stock

subject to the option on the date of grant and the term of the option does not exceed five years from the date of grant. In addition, the aggregate fair market value, determined on the date of grant, of the shares of common stock with respect to which incentive stock options are exercisable for the first time by a participant during any calendar year (under the 2005 Equity Plan and any other plans of Hollis-Eden and its affiliates) may not exceed \$100,000.

Under the 2005 Equity Plan, except with respect to inducement awards (see *Inducement Awards* below), no person may be granted stock awards whose value is determined by reference to an increase over an exercise or strike price of at least 100% of the fair market value of the common stock on the date of grant under the 2005 Equity Plan covering more than 250,000 shares of common stock during any calendar year (the *Section 162(m) Limitation* ).

### **Stock Subject to the 2005 Equity Plan**

Subject to stockholder approval of this proposal, an aggregate of 6,100,000 shares of common stock are reserved for issuance under the 2005 Equity Plan, which includes 5,150,000 shares of common stock previously reserved for issuance under the 1997 Option Plan, 350,000 shares approved by our stockholders at the 2005 annual meeting of stockholders, 100,000 shares ( *inducement shares* ) separately reserved for issuance as *inducement awards* , plus an additional 500,000 shares. If a stock award granted under either the 2005 Equity Plan or the 1997 Option Plan expires or otherwise terminates without being exercised in full, or if any shares of common stock issued pursuant to a stock award are forfeited to or repurchased by Hollis-Eden, including, but not limited to, any repurchase or forfeiture caused by the failure to meet a contingency or condition required for the vesting of such shares, then the shares of common stock not issued under such stock award, or forfeited to or repurchased by Hollis-Eden shall revert to and again become available for issuance under the 2005 Equity Plan. If any shares subject to a stock award are not delivered to a participant because such shares are withheld for the payment of taxes or the stock award is exercised through a reduction of shares subject to the stock award (i.e., *net exercised* ), the number of shares that are not delivered shall remain available for issuance under the 2005 Equity Plan. If the exercise price of any stock award is satisfied by tendering shares of common stock held by the participant, then the number of shares so tendered shall remain available for issuance under the 2005 Equity Plan. Inducement shares that revert to, or remain available for subsequent issuance under, the 2005 Equity Plan may only be granted to the persons described below (see *Inducement Awards* ). The aggregate maximum number of shares of common stock that may be issued under the 2005 Equity Plan pursuant to the exercise of incentive stock options is 6,000,000 shares plus the amount of any future increase in the number of shares that may be available for issuance under the 2005 Equity Plan. Inducement shares (see *Inducement Awards* below) may not be used to grant awards of incentive stock options.

As of April 13, 2006, the closing price of our common stock as reported on the Nasdaq National Market was \$5.68 per share.

### **Terms of Options**

Options may be granted under the 2005 Equity Plan pursuant to stock option agreements. The following is a description of the permissible terms of options under the 2005 Equity Plan. Individual stock option agreements may be more restrictive as to any or all of the permissible terms described below.

*Exercise Price.* The exercise price of incentive stock options may not be less than 100% of the fair market value of the stock subject to the option on the date of grant and, in some cases (see *Eligibility* above), may not be less than 110% of such fair market value. The exercise price of nonstatutory stock options may not be less than 100% of the fair market value of the stock on the date of grant.

*Consideration.* The exercise price of options granted under the 2005 Equity Plan must be paid, to the extent permitted by applicable law and at the discretion of our board, (i) by cash or check, (ii) pursuant to a broker-

assisted cashless exercise, (iii) by delivery of other common stock of Hollis-Eden, (iv) pursuant to a net exercise arrangement, or (iv) in any other form of legal consideration acceptable to our board.

*Vesting.* Options granted under the 2005 Equity Plan may become exercisable in cumulative increments, or vest, as determined by our board. Vesting typically will occur during the optionholder's continued service with Hollis-Eden or an affiliate, whether such service is performed in the capacity of an employee, consultant or director (collectively, service) and regardless of any change in the capacity of the service performed. Shares covered by different options granted under the 2005 Equity Plan may be subject to different vesting terms. The Board has the authority to accelerate the time during which an option may vest or be exercised. In addition, options granted under the 2005 Equity Plan may permit exercise prior to vesting. However, any unvested shares acquired under such an early exercise arrangement will be subject to repurchase by Hollis-Eden, should the participant's service terminate before vesting.

*Tax Withholding.* To the extent provided by the terms of a stock option agreement, a participant may satisfy any federal, state or local tax withholding obligation relating to the exercise of the option by a cash payment upon exercise, by authorizing Hollis-Eden to withhold a portion of the stock otherwise issuable to the participant, by delivering already-owned common stock of Hollis-Eden, or by a combination of these means.

*Term.* The maximum term of options granted under the 2005 Equity Plan is 10 years, except that in certain cases (see Eligibility above) the maximum term is five years.

*Termination of Service.* Options granted under the 2005 Equity Plan generally terminate three months after termination of the participant's service unless (i) termination is due to the participant's disability, in which case the option may be exercised (to the extent the option was exercisable at the time of the termination of service) at any time within 12 months following termination; (ii) the participant dies before the participant's service has terminated, or within generally three months after termination of service, in which case the option may be exercised (to the extent the option was exercisable at the time of the participant's death) within 18 months following the participant's death by the person or persons to whom the rights to such option have passed; or (iii) the option by its terms specifically provides otherwise. Under the 2005 Equity Plan, the option term may be extended in the event that exercise of the option following termination of service is prohibited by applicable securities laws.

*Restrictions on Transfer.* Unless provided otherwise by our board, a participant in the 2005 Equity Plan may not transfer an option other than by will or by the laws of descent and distribution or pursuant to a domestic relations order and during the lifetime of the participant, only the participant (or the transferee pursuant to a domestic relations order) may exercise an option. A participant may also designate a beneficiary who may exercise an option following the participant's death.

### **Terms of Stock Appreciation Rights**

Stock appreciation rights may be granted under the 2005 Equity Plan pursuant to stock appreciation rights agreements.

*Exercise.* Each stock appreciation right is denominated in shares of common stock equivalents. Upon exercise of a stock appreciation right, Hollis-Eden will pay the participant an amount equal to the excess of (i) the aggregate fair market value of Hollis-Eden's common stock on the date of exercise, over (ii) the strike price determined by our board on the date of grant.

*Settlement of Awards.* The appreciation distribution upon exercise of a stock appreciation right may be paid in cash, shares of Hollis-Eden's common stock, or any other form of consideration determined by our board.

*Vesting.* Stock appreciation rights vest and become exercisable at the rate specified in the stock appreciation right agreement as determined by our board.

*Termination of Service.* Upon termination of a participant's service, the participant generally may exercise any vested stock appreciation right for three months (or such longer or shorter period specified in the stock appreciation right agreement) after the date such service relationship ends. In no event may a stock appreciation right be exercised beyond the expiration of its term.

#### **Terms of Stock Purchase Awards and Restricted Stock Awards**

Stock purchase awards and restricted stock awards may be granted under the 2005 Equity Plan pursuant to stock purchase award agreements and restricted stock award agreements, respectively.

*Purchase Price.* The purchase price for stock purchase awards must be at least the par value of Hollis-Eden's common stock.

*Consideration.* The purchase price for stock purchase awards may be payable either (i) in cash or by check, (ii) by past service rendered to Hollis-Eden, or (iii) in any other form of legal consideration acceptable to our board. Our board may grant restricted stock awards in consideration for past services rendered to Hollis-Eden or in exchange for any other form of legal consideration acceptable to our board, without the payment of a purchase price.

*Vesting.* Shares of stock acquired under a stock purchase or restricted stock award may, but need not, be subject to a repurchase option in favor of Hollis-Eden or forfeiture to Hollis-Eden in accordance with a vesting schedule as determined by our board. Our board has the authority to accelerate the vesting of stock acquired pursuant to a stock purchase or restricted stock award.

*Termination of Service.* Upon termination of a participant's service, Hollis-Eden may repurchase or otherwise reacquire any forfeited shares of stock that have not vested as of such termination under the terms of the applicable stock purchase award or restricted stock award agreement.

*Restrictions on Transfer.* Rights to acquire shares under a stock purchase or restricted stock award may be transferred only upon such terms and conditions as determined by our board.

#### **Terms of Restricted Stock Unit Awards**

Restricted stock unit awards may be granted under the 2005 Equity Plan pursuant to restricted stock unit award agreements.

*Consideration.* The purchase price, if any, for restricted stock unit awards may be paid in any form of legal consideration acceptable to our board.

*Settlement of Awards.* A restricted stock unit award may be settled by the delivery of shares of Hollis-Eden's common stock, in cash, or by any combination of these means as determined by our board.

*Vesting.* Restricted stock unit awards vest at the rate specified in the restricted stock unit award agreement as determined by our board. However, at the time of grant, our board may impose additional restrictions or conditions that delay the delivery of stock or cash subject to the restricted stock unit award after vesting.

*Dividend Equivalents.* Dividend equivalent rights may be credited with respect to shares covered by a restricted stock unit award. Hollis-Eden does not anticipate paying cash dividends on its common stock for the foreseeable future, however.

*Termination of Service.* Except as otherwise provided in the applicable award agreement, restricted stock units that have not vested will be forfeited upon the participant's termination of service.

### Terms of Other Equity Awards

Our board may grant other equity awards that are valued in whole or in part by reference to Hollis-Eden's common stock. Subject to the provisions of the 2005 Equity Plan, our board has the authority to determine the persons to whom and the dates on which such other equity awards will be granted, the number of shares of common stock (or cash equivalents) to be subject to each award, and other terms and conditions of such awards.

### Performance-Based Stock Awards

Under the 2005 Equity Plan, a stock award may be granted, vest or be exercised based upon certain service conditions or upon the attainment during a certain period of time of certain performance goals. All employees, consultants and directors of Hollis-Eden and its affiliates are eligible to receive performance-based stock awards under the 2005 Equity Plan. The length of any performance period, the performance goals to be achieved during the performance period, and the measure of whether and to what degree such performance goals have been attained shall be determined by our board. The maximum amount to be received by any individual in any calendar year attributable to such performance-based stock awards may not exceed 250,000 shares of Hollis-Eden's common stock.

In granting a performance-based stock award, our board will set a period of time (a performance period) over which the attainment of one or more goals (performance goals) will be measured for the purpose of determining whether the award recipient has a vested right in or to such stock award. Within the time period prescribed by Section 162(m) of the Code (typically before the 90th day of a performance period), our board will establish the performance goals, based upon one or more pre-established criteria (performance criteria) enumerated in the 2005 Equity Plan and described below. As soon as administratively practicable following the end of the performance period, our board will certify (in writing) whether the performance goals have been satisfied.

Performance goals under the 2005 Equity Plan shall be determined by our board, based on a service condition or on one or more of the following performance criteria: (i) earnings per share; (ii) earnings before interest, taxes and depreciation; (iii) earnings before interest, taxes, depreciation and amortization; (iv) total stockholder return; (v) return on equity; (vi) return on assets, investment, or capital employed; (vii) operating margin; (viii) gross margin; (ix) operating income; (x) net income (before or after taxes); (xi) net operating income; (xii) net operating income after tax; (xiii) pre-tax profit; (xiv) operating cash flow; (xv) sales or revenue targets; (xvi) increases in revenue or product revenue; (xvii) expenses and cost reduction goals; (xviii) improvement in or attainment of working capital levels; (xix) economic value added (or an equivalent metric); (xx) market share; (xxi) cash flow; (xxii) cash flow per share; (xxiii) share price performance; (xxiv) debt reduction; (xxv) implementation or completion of projects or processes; (xxvi) customer satisfaction; (xxvii) stockholders' equity; and (xxviii) to the extent that an award is not intended to comply with Section 162(m) of the Code, other measures of performance selected by our board.

At the time of the grant of any stock award under the 2005 Equity Plan, our board is authorized to determine whether, when calculating attainment of performance goals and objectives for a performance period: (a) to exclude restructuring and/or other nonrecurring charges; (b) to exclude exchange rate effects, as applicable, for non-U.S. dollar denominated net sales and operating earnings; (c) to exclude the effects of changes to generally accepted accounting standards required by the Financial Accounting Standards Board; (d) to exclude the effects to any statutory adjustments to corporate tax rates; and (e) to exclude the impact of any extraordinary items as determined under generally accepted accounting principles.

Compensation attributable to performance-based stock awards under the 2005 Equity Plan will generally qualify as performance-based compensation, provided that: (i) the award is granted by a compensation committee comprised solely of outside directors, (ii) the award is granted (or exercisable) only upon the achievement of an objective performance goal established in writing by the compensation committee while the outcome is substantially uncertain, (iii) the Compensation Committee certifies in writing prior to the granting (or exercisability) of the award that the performance goal has been satisfied.

### **Inducement Awards**

Our board may grant stock awards (other than incentive stock options) covering the 100,000 shares reserved under the 2005 Equity Plan as inducement shares to employees not previously employed by us or directors of Hollis-Eden as inducements material to the individuals entering into employment with us within the meaning of Rule 4350(i)(1)(A)(iv) of the Nasdaq Marketplace Rules (inducement awards). All such inducement awards must be granted either by a majority of our independent directors or a committee comprised of a majority of independent directors.

### **Changes to Capital Structure**

If any change is made to the outstanding shares of Hollis-Eden's common stock without Hollis-Eden's receipt of consideration (whether through a stock split or other specified change in the capital structure of Hollis-Eden), appropriate adjustments will be made to: (i) the maximum number and/or class of securities issuable under the 2005 Equity Plan, (ii) the maximum number and/or class of securities that may be issued pursuant to the exercise of incentive stock options, (iii) the maximum number and/or class of securities for which any one person may be granted options and/or stock appreciation rights or performance-based stock awards per calendar year pursuant to the Section 162(m) Limitation, and (iv) the number and/or class of securities and the price per share in effect under each outstanding stock award under the 2005 Equity Plan.

### **Corporate Transactions; Changes in Control**

Under the 2005 Equity Plan, unless otherwise provided in a written agreement between Hollis-Eden or any affiliate and the holder of the stock award, in the event of a corporate transaction (as defined in the 2005 Equity Plan), all outstanding stock awards under the 2005 Equity Plan may be assumed, continued or substituted for by any surviving or acquiring entity (or its parent company). If the surviving or acquiring entity (or its parent company) elects not to assume, continue or substitute for such stock awards, then (i) with respect to any such stock awards that are held by individuals whose continuous service with Hollis-Eden or its affiliates has not terminated prior to the effective date of the corporate transaction, the vesting and exercisability provisions of such stock awards will be accelerated in full and such awards will terminate if not exercised prior to the effective date of the corporate transaction, and (ii) with respect to any stock awards that are held by individuals whose continuous service with Hollis-Eden or its affiliates has terminated prior to the effective date of the corporate transaction, the vesting and exercisability provisions of such stock awards will not be accelerated and such awards will terminate if not exercised prior to the effective date of the corporate transaction (except that any reacquisition or repurchase rights held by Hollis-Eden with respect to such stock awards shall not terminate and may continued to be exercised notwithstanding the corporate transaction). In the event a stock award will terminate if not exercised, our board may provide, in its sole discretion, that the holder of such stock award may not exercise such stock award but will receive a payment equal to the excess of the value of the property the holder would have received upon exercise over any exercise price.

Other stock awards, such as stock purchase awards, may have their repurchase or forfeiture rights assigned to the surviving or acquiring entity (or its parent company) in the corporate transaction. If such repurchase or forfeiture rights are not assigned, then such stock awards will become fully vested.

In addition, each stock award under the 2005 Equity Plan will immediately vest as to all of the shares subject to the stock award upon the occurrence of certain specified change in control transactions (as defined in the 2005 Equity Plan), whether or not such stock award is assumed, continued, or substituted by a surviving or acquiring entity in the transaction.

### **Duration, Termination and Amendment**

Our board may suspend or terminate the 2005 Equity Plan without stockholder approval or ratification at any time. Unless sooner terminated, the 2005 Equity Plan will terminate on April 26, 2015.

Our board may amend or modify the 2005 Equity Plan at any time. However, no amendment shall be effective unless approved by the stockholders of Hollis-Eden to the extent stockholder approval is necessary to satisfy applicable law.

Our board also may submit any other amendment to the 2005 Equity Plan intended to satisfy the requirements of Section 162(m) of the Code regarding the exclusion of performance-based compensation from the limitation on the deductibility of compensation paid to certain employees.

### **Federal Income Tax Information**

The following is a summary of the principal United States federal income taxation consequences to employees and Hollis-Eden with respect to participation in the 2005 Equity Plan. This summary is not intended to be exhaustive, and does not discuss the income tax laws of any city, state or foreign jurisdiction in which a participant may reside.

*Incentive Stock Options.* Incentive stock options granted under the 2005 Equity Plan are intended to be eligible for the favorable federal income tax treatment accorded incentive stock options under the Code. There generally are no federal income tax consequences to the participant or Hollis-Eden by reason of the grant or exercise of an incentive stock option. However, the exercise of an incentive stock option may increase the participant's alternative minimum tax liability, if any.

If a participant holds stock acquired through exercise of an incentive stock option for more than two years from the date on which the option was granted and more than one year after the date the option was exercised for those shares, any gain or loss on a disposition of those shares (a qualifying disposition) will be a long-term capital gain or loss. Upon such a qualifying disposition, Hollis-Eden will not be entitled to any income tax deduction.

Generally, if the participant disposes of the stock before the expiration of either of these holding periods (a disqualifying disposition), then at the time of disposition the participant will realize taxable ordinary income equal to the lesser of (i) the excess of the stock's fair market value on the date of exercise over the exercise price, or (ii) the participant's actual gain, if any, on the purchase and sale. The participant's additional gain or any loss upon the disqualifying disposition will be a capital gain or loss, which will be long-term or short-term depending on whether the stock was held for more than one year.

To the extent the participant recognizes ordinary income by reason of a disqualifying disposition, generally Hollis-Eden will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code, and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which the disqualifying disposition occurs.

*Nonstatutory Stock Options.* No taxable income is recognized by a participant upon the grant of a nonstatutory stock option. Upon exercise of a nonstatutory stock option, the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the purchased shares on the exercise date over the exercise price paid for those shares. Generally, Hollis-Eden will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code, and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant.

However, if the shares acquired upon exercise of the nonstatutory stock option are unvested and subject to repurchase by Hollis-Eden in the event of the participant's termination of service prior to vesting in those shares, the participant will not recognize any taxable income at the time of exercise, but will have to report as ordinary income, as and when Hollis-Eden's repurchase right lapses, an amount equal to the excess of (i) the fair market value of the shares on the date the repurchase right lapses, over (ii) the exercise price paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year of exercise of the option an amount equal to the excess of (i) the fair market value of the purchased shares on the

exercise date, over (ii) the exercise price paid for such shares. If the Section 83(b) election is made, the participant will not recognize any additional income as and when the repurchase right lapses.

Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon acquisition (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

*Stock Appreciation Rights.* No taxable income is realized upon the receipt of a stock appreciation right. Upon exercise of the stock appreciation right, the fair market value of the shares (or cash in lieu of shares) received is recognized as ordinary income to the participant in the year of such exercise. Generally, with respect to employees, Hollis-Eden is required to withhold from the payment made on exercise of the stock appreciation right or from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, Section 162(m) of the Code and the satisfaction of a reporting obligation, Hollis-Eden will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant.

*Stock Purchase Awards and Restricted Stock Awards.* Upon receipt of a stock purchase or restricted stock award, the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the shares on the date of issuance over the purchase price, if any, paid for those shares. Hollis-Eden will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code, and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant.

However, if the shares issued upon the grant of a stock purchase or restricted stock award are unvested and subject to repurchase by Hollis-Eden in the event of the participant's termination of service prior to vesting in those shares, the participant will not recognize any taxable income at the time of issuance, but will have to report as ordinary income, as and when Hollis-Eden's repurchase right lapses, an amount equal to the excess of (i) the fair market value of the shares on the date the repurchase right lapses, over (ii) the purchase price, if any, paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year of issuance an amount equal to the excess of (x) the fair market value of the shares on the date of issuance, over (y) the purchase price, if any, paid for such shares. If the Section 83(b) election is made, the participant will not recognize any additional income as and when the repurchase right lapses.

Upon disposition of the stock acquired upon the receipt of a stock purchase or restricted stock award, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon issuance (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

*Restricted Stock Unit Awards.* No taxable income is recognized upon receipt of a restricted stock unit award. The participant will recognize ordinary income in the year in which the shares subject to that unit are actually issued to the participant in an amount equal to the fair market value of the shares on the date of issuance. The participant and Hollis-Eden will be required to satisfy certain tax withholding requirements applicable to such income. Subject to the requirement of reasonableness, Section 162(m) of the Code and the satisfaction of a tax reporting obligation, Hollis-Eden will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant at the time the shares are issued. In general, the deduction will be allowed for the taxable year in which such ordinary income is recognized by the participant.

*Potential Limitation on Company Deductions.* Section 162(m) of the Code denies a deduction to any publicly-held corporation for compensation paid to certain covered employees in a taxable year to the extent that compensation to such covered employee exceeds \$1 million. It is possible that compensation attributable to awards, when combined with all other types of compensation received by a covered employee from Hollis-Eden, may cause this limitation to be exceeded in any particular year.

Certain kinds of compensation, including qualified performance-based compensation, are disregarded for purposes of the deduction limitation. In accordance with Treasury Regulations issued under Section 162(m) of the Code, compensation attributable to stock options and stock appreciation rights will qualify as performance-based compensation if such awards are granted by a compensation committee comprised solely of outside directors and the plan contains a per-employee limitation on the number of shares for which such awards may be granted during a specified period, the per-employee limitation is approved by the stockholders, and the exercise or strike price of the award is no less than the fair market value of the stock on the date of grant.

Compensation attributable to stock options or stock appreciation rights with exercise or strike prices less than fair market value on the date of grant, stock purchase awards, restricted stock awards, and restricted stock unit awards will qualify as performance-based compensation, provided that: (i) the award is granted by a compensation committee comprised solely of outside directors, (ii) the award is granted (or exercisable) only upon the achievement of an objective performance goal established in writing by the compensation committee while the outcome is substantially uncertain, (iii) the Compensation Committee certifies in writing prior to the granting (or exercisability) of the award that the performance goal has been satisfied, and (iv) prior to the granting (or exercisability) of the award, stockholders have approved the material terms of the award (including the class of employees eligible for such award, the business criteria on which the performance goal is based, and the maximum amount, or formula used to calculate the amount, payable upon attainment of the performance goal).

**Proposal 3**

**AMENDMENT TO THE 2005 NON-EMPLOYEE DIRECTORS EQUITY INCENTIVE PLAN**

On April 27, 2005, our board of directors adopted the Hollis-Eden Pharmaceuticals, Inc. 2005 Non-Employee Directors Equity Incentive Plan (the 2005 Directors Plan ). The 2005 Directors Plan was approved by our stockholders in June 2005. In December 2005, our board of directors amended the 2005 Directors Plan to refine and clarify certain other provisions of the 2005 Directors Plan to the extent necessary to make the 2005 Directors Plan fully effective. On March 18, 2006, our board of directors amended and restated the 2005 Directors Plan to reserve an additional 150,000 shares for issuance, subject to approval by our stockholders at this annual meeting.

This Proposal 3 seeks to increase the shares of common stock reserved for issuance under the 2005 Directors Plan by 150,000 shares for a total of 300,000 shares reserved for issuance under the 2005 Directors Plan. At March 31, 2006, options covering an aggregate of 150,000 shares had been granted under the 2005 Director s Plan, and no shares (other than any shares that might in the future be returned to the 2005 Directors Plan as a result of cancellations or expirations of options) remained available for future grant under the 2005 Directors Plan.

The approval of the amendment to the 2005 Directors Plan will allow Hollis-Eden to continue to grant stock options and other awards at levels determined appropriate by our board of directors. Because of the increasing time commitments and liability exposure resulting from recent Nasdaq and Securities and Exchange Commission rules and regulations, as well as to bring our board compensation more in line with industry standards, our board believes it is important for us to have the ability to grant a sufficient number of stock options to attract and retain the most qualified non-employee directors in the industry. Accordingly, the approval of the amendment to the 2005 Directors Plan will allow us flexibility in attracting and retaining qualified non-employee directors by granting stock options and other awards to non-employee directors at levels determined appropriate by our board and the Compensation Committee.

Stockholders are requested in this Proposal 3 to approve the 2005 Directors Plan, as amended. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to approve the 2005 Directors Plan, as amended. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 3.**

The full text of the 2005 Directors Plan, substantially in the form in which it will take effect if the proposed amendment is approved by our stockholders, is set forth in Appendix B to this proxy statement. The following summary of the principal features of the 2005 Directors Plan is subject to, and qualified in its entirety by, the full text of the 2005 Directors Plan in Appendix B.

**General**

The 2005 Directors Plan provides for the grant of nonstatutory stock options, stock appreciation rights, stock purchase awards, restricted stock awards, restricted stock unit awards, and other forms of equity compensation (collectively, stock awards ). Any stock awards granted under the 2005 Directors Plan will be granted in the board s discretion. Nonstatutory stock options granted under the 2005 Directors Plan are not intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code ). See Federal Income Tax Information for a discussion of the tax treatment of stock awards.

### **Purpose**

Our board adopted the 2005 Directors' Plan to provide a means to secure and retain the services of non-employee directors eligible to receive stock awards, to provide incentives for such individuals to exert maximum efforts for the success of Hollis-Eden and its affiliates, and to provide a means by which such eligible individuals may be given an opportunity to benefit from increases in the value of Hollis-Eden's common stock through the grant of stock awards.

### **Administration**

Our board administers the 2005 Directors' Plan. Subject to the provisions of the 2005 Directors' Plan, our board has the authority to construe and interpret the 2005 Directors' Plan, to determine the persons to whom and the dates on which stock awards will be granted, the number of shares of common stock to be subject to each stock award, the time or times during the term of each stock award within which all or a portion of the award may be exercised, the exercise, purchase, or strike price of each stock award, the type of consideration permitted to exercise or purchase each stock award, and other terms of the stock awards.

Our board has the authority to delegate some or all of the administration of the 2005 Directors' Plan to a committee or committees. Our board has delegated such administration to the Compensation Committee of our board. In the discretion of our board, a committee may consist solely of two or more non-employee directors within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended. If administration is delegated to a committee, the committee has the authority to delegate certain administrative powers to a subcommittee of one or more members. As used herein with respect to the 2005 Directors' Plan, our board refers to any committee our board appoints or, if applicable, any subcommittee, as well as to our board itself.

### **Eligibility**

Only non-employee directors of Hollis-Eden are eligible to receive stock awards under the 2005 Directors' Plan.

### **Stock Subject to the 2005 Directors' Plan**

Subject to stockholder approval of this proposal, a maximum of 300,000 shares of common stock are available for issuance under the 2005 Directors' Plan, which includes 150,000 shares, previously reserved for issuance under the 2005 Directors' Plan, plus an additional 150,000 shares. If a stock award granted under the 2005 Directors' Plan expires or otherwise terminates without being exercised in full, or if any shares of common stock issued pursuant to a stock award are forfeited to or repurchased by Hollis-Eden, including, but not limited to, any repurchase or forfeiture caused by the failure to meet a contingency or condition required for the vesting of such shares, then the shares of common stock not issued under such stock award, or forfeited to or repurchased by Hollis-Eden shall revert to and again become available for issuance under the 2005 Directors' Plan. If any shares subject to a stock award are not delivered to a participant because such shares are withheld for the payment of taxes or the stock award is exercised through a reduction of shares subject to the stock award (i.e., net exercised), the number of shares that are not delivered shall remain available for issuance under the 2005 Directors' Plan. If the exercise price of any stock award is satisfied by tendering shares of common stock held by the participant, then the number of shares so tendered shall remain available for issuance under the 2005 Directors' Plan.

As of April 13, 2006, the closing price of our common stock as reported on the Nasdaq National Market was \$5.68 per share.

### **Terms of Options**

Options may be granted under the 2005 Directors' Plan pursuant to stock option agreements. The following is a description of the permissible terms of options under the 2005 Directors' Plan. Individual stock option agreements may be more restrictive as to any or all of the permissible terms described below.

*Exercise Price.* The exercise price of nonstatutory stock options may not be less than 100% of the fair market value of the stock on the date of grant.

*Consideration.* The exercise price of options granted under the 2005 Directors' Plan must be paid, to the extent permitted by applicable law and at the discretion of our board, (i) by cash or check, (ii) pursuant to a broker-assisted cashless exercise, (iii) by delivery of other common stock of Hollis-Eden, (iv) pursuant to a net exercise arrangement, or (v) in any other form of legal consideration acceptable to our board.

*Vesting.* Options granted under the 2005 Directors' Plan may become exercisable in cumulative increments, or vest, as determined by our board. Vesting typically will occur during the optionholder's continued service with Hollis-Eden or an affiliate, whether such service is performed in the capacity of an employee, consultant or director (collectively, "service") and regardless of any change in the capacity of the service performed. Shares covered by different options granted under the 2005 Directors' Plan may be subject to different vesting terms. The Board has the authority to accelerate the time during which an option may vest or be exercised. In addition, options granted under the 2005 Directors' Plan may permit exercise prior to vesting. However, any unvested shares acquired under such an early exercise arrangement will be subject to repurchase by Hollis-Eden, should the participant's service terminate before vesting.

*Tax Withholding.* To the extent provided by the terms of a stock option agreement, a participant may satisfy any federal, state or local tax withholding obligation relating to the exercise of the option by a cash payment upon exercise, by authorizing Hollis-Eden to withhold a portion of the stock otherwise issuable to the participant, by delivering already-owned common stock of Hollis-Eden, or by a combination of these means.

*Term.* The maximum term of options granted under the 2005 Directors' Plan is 10 years.

*Termination of Service.* Options granted under the 2005 Directors' Plan generally terminate three months after termination of the participant's service unless (i) termination is due to the participant's disability, in which case the option may be exercised (to the extent the option was exercisable at the time of the termination of service) at any time within 12 months following termination; (ii) the participant dies before the participant's service has terminated, or within generally three months after termination of service, in which case the option may be exercised (to the extent the option was exercisable at the time of the participant's death) within 18 months following the participant's death by the person or persons to whom the rights to such option have passed; or (iii) the option by its terms specifically provides otherwise. Under the 2005 Directors' Plan, the option term may be extended in the event that exercise of the option following termination of service is prohibited by applicable securities laws. In no event, however, may an option be exercised beyond the expiration of its term.

*Restrictions on Transfer.* Unless provided otherwise by our board, a participant in the 2005 Directors' Plan may not transfer an option other than by will or by the laws of descent and distribution or pursuant to a domestic relations order and during the lifetime of the participant, only the participant (or the transferee pursuant to a domestic relations order) may exercise an option. A participant may also designate a beneficiary who may exercise an option following the participant's death.

### **Terms of Stock Appreciation Rights**

Stock appreciation rights may be granted under the 2005 Directors' Plan pursuant to stock appreciation rights agreements.

*Exercise.* Each stock appreciation right is denominated in shares of common stock equivalents. Upon exercise of a stock appreciation right, Hollis-Eden will pay the participant an amount equal to the excess of

(i) the aggregate fair market value of Hollis-Eden's common stock on the date of exercise, over (ii) the strike price determined by our board on the date of grant.

*Settlement of Awards.* The appreciation distribution upon exercise of a stock appreciation right may be paid in cash, shares of Hollis-Eden's common stock, or any other form of consideration determined by our board.

*Vesting.* Stock appreciation rights vest and become exercisable at the rate specified in the stock appreciation right agreement as determined by our board.

*Termination of Service.* Upon termination of a participant's service, the participant generally may exercise any vested stock appreciation right for three months (or such longer or shorter period specified in the stock appreciation right agreement) after the date such service relationship ends. In no event may a stock appreciation right be exercised beyond the expiration of its term.

#### **Terms of Stock Purchase Awards and Restricted Stock Awards**

Stock purchase awards and restricted stock awards may be granted under the 2005 Directors' Plan pursuant to stock purchase award agreements and restricted stock award agreements, respectively.

*Purchase Price.* The purchase price for stock purchase awards must be at least the par value of Hollis-Eden's common stock.

*Consideration.* The purchase price for stock purchase awards may be payable either (i) in cash or by check, (ii) by past service rendered to Hollis-Eden, or (iii) in any other form of legal consideration acceptable to our board. Our board may grant restricted stock awards in consideration for past services rendered to Hollis-Eden or in exchange for any other form of legal consideration acceptable to our board, without the payment of a purchase price.

*Vesting.* Shares of stock acquired under a stock purchase or restricted stock award may, but need not, be subject to a repurchase option in favor of Hollis-Eden or forfeiture to Hollis-Eden in accordance with a vesting schedule as determined by our board. The Board has the authority to accelerate the vesting of stock acquired pursuant to a stock purchase or restricted stock award.

*Termination of Service.* Upon termination of a participant's service, Hollis-Eden may repurchase or otherwise reacquire any forfeited shares of stock that have not vested as of such termination under the terms of the applicable stock purchase award or restricted stock award agreement.

*Restrictions on Transfer.* Rights to acquire shares under a stock purchase or restricted stock award may be transferred only upon such terms and conditions as determined by our board.

#### **Terms of Restricted Stock Unit Awards**

Restricted stock unit awards may be granted under the 2005 Directors' Plan pursuant to restricted stock unit award agreements.

*Consideration.* The purchase price, if any, for restricted stock unit awards may be paid in any form of legal consideration acceptable to our board.

*Settlement of Awards.* A restricted stock unit award may be settled by the delivery of shares of Hollis-Eden's common stock, in cash, or by any combination of these means as determined by our board.

*Vesting.* Restricted stock unit awards vest at the rate specified in the restricted stock unit award agreement as determined by our board. However, at the time of grant, our board may impose additional restrictions or conditions that delay the delivery of stock or cash subject to the restricted stock unit award after vesting.

*Dividend Equivalents.* Dividend equivalent rights may be credited with respect to shares covered by a restricted stock unit award. Hollis-Eden does not anticipate paying cash dividends on its common stock for the foreseeable future, however.

*Termination of Service.* Except as otherwise provided in the applicable award agreement, restricted stock units that have not vested will be forfeited upon the participant's termination of service.

#### **Terms of Other Equity Awards**

The Board may grant other equity awards that are valued in whole or in part by reference to Hollis-Eden's common stock. Subject to the provisions of the 2005 Directors' Plan, our board has the authority to determine the persons to whom and the dates on which such other equity awards will be granted, the number of shares of common stock (or cash equivalents) to be subject to each award, and other terms and conditions of such awards.

#### **Changes to Capital Structure**

If any change is made to the outstanding shares of Hollis-Eden's common stock without Hollis-Eden's receipt of consideration (whether through a stock split or other specified change in the capital structure of Hollis-Eden), appropriate adjustments will be made to: (i) the maximum number and/or class of securities issuable under the 2005 Directors' Plan, and (ii) the number and/or class of securities and the price per share in effect under each outstanding stock award under the 2005 Directors' Plan.

#### **Corporate Transactions; Changes in Control**

Under the 2005 Directors' Plan, unless otherwise provided in a written agreement between Hollis-Eden or any affiliate and the holder of the stock award, in the event of a corporate transaction (as defined in the 2005 Directors' Plan), all outstanding stock awards under the 2005 Directors' Plan may be assumed, continued or substituted for by any surviving or acquiring entity (or its parent company). If the surviving or acquiring entity (or its parent company) elects not to assume, continue or substitute for such stock awards, then (i) with respect to any such stock awards that are held by individuals whose continuous service with Hollis-Eden or its affiliates has not terminated prior to the effective date of the corporate transaction, the vesting and exercisability provisions of such stock awards will be accelerated in full and such awards will terminate if not exercised prior to the effective date of the corporate transaction, and (ii) with respect to any stock awards that are held by individuals whose continuous service with Hollis-Eden or its affiliates has terminated prior to the effective date of the corporate transaction, the vesting and exercisability provisions of such stock awards will not be accelerated and such awards will terminate if not exercised prior to the effective date of the corporate transaction (except that any reacquisition or repurchase rights held by Hollis-Eden with respect to such stock awards shall not terminate and may continue to be exercised notwithstanding the corporate transaction). In the event a stock award will terminate if not exercised, our board may provide, in its sole discretion, that the holder of such stock award may not exercise such stock award but will receive a payment equal to the excess of the value of the property the holder would have received upon exercise over any exercise price.

Other stock awards, such as stock purchase awards, may have their repurchase or forfeiture rights assigned to the surviving or acquiring entity (or its parent company) in the corporate transaction. If such repurchase or forfeiture rights are not assigned, then such stock awards will become fully vested.

In addition, each stock award under the 2005 Directors' Plan will immediately vest as to all of the shares subject to the stock award upon the occurrence of certain specified change in control transactions, whether or not such stock award is assumed, continued, or substituted by a surviving or acquiring entity in the transaction.

#### **Duration, Termination and Amendment**

Our board may suspend or terminate the 2005 Directors' Plan without stockholder approval or ratification at any time. No stock awards may be granted under the 2005 Directors' Plan while the 2005 Directors' Plan is suspended or after it is terminated.

Our board may amend or modify the 2005 Directors' Plan at any time. However, no amendment shall be effective unless approved by the stockholders of Hollis-Eden to the extent stockholder approval is necessary to satisfy applicable law.

### **Federal Income Tax Information**

The following is a summary of the principal United States federal income taxation consequences to employees and Hollis-Eden with respect to participation in the 2005 Directors' Plan. This summary is not intended to be exhaustive, and does not discuss the income tax laws of any city, state or foreign jurisdiction in which a participant may reside.

*Nonstatutory Stock Options.* No taxable income is recognized by a participant upon the grant of a nonstatutory stock option. Upon exercise of a nonstatutory stock option, the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the purchased shares on the exercise date over the exercise price paid for those shares. Generally, Hollis-Eden will be entitled (subject to the requirement of reasonableness and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant.

However, if the shares acquired upon exercise of the nonstatutory stock option are unvested and subject to repurchase by Hollis-Eden in the event of the participant's termination of service prior to vesting in those shares, the participant will not recognize any taxable income at the time of exercise, but will have to report as ordinary income, as and when Hollis-Eden's repurchase right lapses, an amount equal to the excess of (i) the fair market value of the shares on the date the repurchase right lapses, over (ii) the exercise price paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year of exercise of the option an amount equal to the excess of (i) the fair market value of the purchased shares on the exercise date, over (ii) the exercise price paid for such shares. If the Section 83(b) election is made, the participant will not recognize any additional income as and when the repurchase right lapses.

Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon acquisition (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

*Stock Appreciation Rights.* No taxable income is realized upon the receipt of a stock appreciation right. Upon exercise of the stock appreciation right, the fair market value of the shares (or cash in lieu of shares) received is recognized as ordinary income to the participant in the year of such exercise. Generally, with respect to employees, Hollis-Eden is required to withhold from the payment made on exercise of the stock appreciation right or from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness and the satisfaction of a reporting obligation, Hollis-Eden will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant.

*Stock Purchase Awards and Restricted Stock Awards.* Upon receipt of a stock purchase or restricted stock award, the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the shares on the date of issuance over the purchase price, if any, paid for those shares. Hollis-Eden will be entitled (subject to the requirement of reasonableness and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant.

However, if the shares issued upon the grant of a stock purchase or restricted stock award are unvested and subject to repurchase by Hollis-Eden in the event of the participant's termination of service prior to vesting in those shares, the participant will not recognize any taxable income at the time of issuance, but will have to report as ordinary income, as and when Hollis-Eden's repurchase right lapses, an amount equal to the excess of (i) the

fair market value of the shares on the date the repurchase right lapses, over (ii) the purchase price, if any, paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year of issuance an amount equal to the excess of (x) the fair market value of the shares on the date of issuance, over (y) the purchase price, if any, paid for such shares. If the Section 83(b) election is made, the participant will not recognize any additional income as and when the repurchase right lapses.

Upon disposition of the stock acquired upon the receipt of a stock purchase or restricted stock award, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon issuance (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

*Restricted Stock Unit Awards.* No taxable income is recognized upon receipt of a restricted stock unit award. The participant will recognize ordinary income in the year in which the shares subject to that unit are actually issued to the participant in an amount equal to the fair market value of the shares on the date of issuance. The participant and Hollis-Eden will be required to satisfy certain tax withholding requirements applicable to such income. Subject to the requirement of reasonableness and the satisfaction of a tax reporting obligation, Hollis-Eden will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant at the time the shares are issued. In general, the deduction will be allowed for the taxable year in which such ordinary income is recognized by the participant.

**SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other of our equity securities. Officers, directors and greater than ten percent stockholders are required by Securities and Exchange Commission regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2005, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with, except that Messrs. McDonnell and Merigan reported on Form 4s filed in July 2005, stock options granted in June 2005.

**COMPENSATION OF DIRECTORS**

In March 2006, our board deemed it appropriate to grant options covering an aggregate of 75,000 shares of our common stock, at an exercise price of \$6.19 per share, under the 2005 Directors Plan (40,000 shares) and the 2005 Equity Plan (35,000 shares) to the five independent directors of our board. ## STOCK OPTION GRANTS AND EXERCISES

We grant options to our executive officers under our 2005 Equity Plan. As of March 31, 2006, options to purchase a total of 4,940,666 shares were outstanding under the 2005 Equity Plan and options to purchase 382,253 shares remained available for grant thereunder. If Proposal 2 contained in this proxy statement is approved by our stockholders, 882,253 shares will remain available for grant under the 2005 Equity Plan, as amended.

The following tables show for the fiscal year ended December 31, 2005, certain information regarding options granted to, or exercised by, and held at year-end by, the Named Executive Officers:

## OPTION GRANTS IN LAST FISCAL YEAR

Name	Shares Underlying Options Granted(#)	% of Total Options Granted to Non-Officer Employees in Fiscal Year(%)	Exercise Price(\$/sh)	Expiration Date	Potential Realizable Value At Assumed Annual Rates of Stock Price Appreciation For Option Term (\$) <sup>(1)</sup>	
					5%	10%
Richard B. Hollis	124,800	124.2%	\$ 10.75	2/10/2015	177,216	1,077,024
Daniel D. Burgess	39,000	38.8%	\$ 10.75	2/10/2015	55,380	336,570
James M. Frincke	46,800	48.6%	\$ 10.75	2/10/2015	66,456	403,884
Eric J. Loumeau	19,500	19.4%	\$ 10.75	2/10/2015	27,690	168,285
Christopher L. Reading	19,500	19.4%	\$ 10.75	2/10/2015	27,690	168,285

- (1) The potential realizable value is calculated based on the term of the option at its time of grant (ten years). It is calculated assuming that the closing market price per share of \$7.47 on the date these options were granted appreciates at the indicated annual rate, compounded annually for the entire term of the option, and that the option is exercised and sold on the last day of its term for the appreciated stock price. The per share exercise price of these options of \$10.75 represents an approximately 44% premium over the closing market price per share of \$7.47 on the date these options were granted. These amounts represent certain assumed rates of appreciation only, in accordance with the rules of the Securities and Exchange Commission, and do not reflect our estimate or projection of future stock price performance. Actual gains, if any, are dependent on the actual future performance of our common stock and no gain to the optionee is possible unless the stock price increases over the option term which will benefit all stockholders.

**EMPLOYMENT, SEVERANCE AND CHANGE OF CONTROL AGREEMENTS**

We have entered an employment agreement with Mr. Hollis, our Chairman of the Board, President and Chief Executive Officer, which includes a minimum bonus based on a formula that takes into account our achievements. In addition, if Mr. Hollis' employment is terminated without cause, Mr. Hollis shall be entitled to the following: (i) base salary through the date of termination, (ii) annual base salary in effect at the time of termination times five, (iii) an amount equal to the prior calendar year's bonus awarded to Mr. Hollis times five, (iv) immediate vesting of all unvested stock options to purchase shares of our common stock held by Mr. Hollis, and the continuation of the exercise period of all stock options held by Mr. Hollis until the final expiration of the original terms of such stock options, and (v) continued receipt for three years of all employee benefit plans and programs in which Mr. Hollis and his family were entitled to participate immediately prior to the date of termination. The employment agreement further provides that if Mr. Hollis' employment is terminated within one year of the occurrence of a change in control of Hollis-Eden, upon execution by Mr. Hollis of a waiver and release of claims, the new company shall pay Mr. Hollis the same benefits described in (i) through (v) above. In addition, the agreement provides that Mr. Hollis has the right, in specified circumstances, to require us to nominate him and two of his designees for election to our board. If this provision is violated, Mr. Hollis will be entitled to the same benefits described in (i) through (v) above. To date, however, Mr. Hollis has not exercised this right.

We have entered into an employment agreement with Mr. Burgess, our Chief Operating Officer and Chief Financial Officer, which provides that if Mr. Burgess' employment is terminated without cause, he will receive one year's severance pay, with benefits in place throughout the severance period. Additionally, his stock options will continue to vest throughout the severance period, with 90 days beyond that to exercise. The agreement also provides that in the event that a third party acquires 50% or more of our voting stock or acquires substantially all of our assets or in the event of a change of control of Hollis-Eden (as now or in the future defined in the our option plan), all of Mr. Burgess' then unvested stock options shall automatically immediately become vested and fully exercisable.

We have entered into an employment agreement with Mr. Loumeau, our Vice President, Corporate General Counsel, providing that in the event that a third party acquires 50% or more of our voting stock or acquires substantially all of our assets or in the event of a change of control of Hollis-Eden (as now or in the future defined in the our option plan), all of Mr. Loumeau's then unvested stock options shall automatically immediately become vested and fully exercisable.

**REPORT OF THE COMPENSATION COMMITTEE OF OUR BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

The following is a report of the Compensation Committee of our board of directors describing the compensation policies and rationale applicable to the compensation paid to our executive officers.

The Compensation Committee of our board of directors reviews and recommends to our board for approval, our executive compensation policies. The Compensation Committee is responsible for reviewing our salary and benefits structure at least annually to insure its competitiveness within our industry. During 2005, the Compensation Committee was composed of three outside directors, Messrs. McDonnell, Bagley and Sarni.

**COMPENSATION PHILOSOPHY**

Our philosophy in establishing its compensation policy for executive officers and other employees is to create a structure designed to attract and retain highly skilled individuals by establishing salaries, benefits, and incentive compensation which compare favorably with those for similar positions in other pharmaceutical and biotechnology companies, to integrate pay programs with our business objectives, to link individual executive

compensation with our performance, and to reward for creating shareholder value over the long term. Compensation for our executive officers consists of a base salary and potential annual performance bonuses, as well as long-term incentive compensation through stock options, restricted stock grants, and matching contributions by us into our executive officers' 401(k) accounts.

#### **BASE SALARY**

The base salary component of compensation is designed to compensate executive officers competitively at levels necessary to attract and retain qualified executives in the pharmaceutical and biotechnology industry. In order to evaluate our competitive position in the industry, the Compensation Committee reviewed and analyzed the compensation packages, including base salary levels, offered by other biotechnology and pharmaceutical companies. Competitive information was obtained by contracting with a consulting firm and from a survey prepared by a second consulting company (the Biotechnology Executive Compensation Survey 2005). As a general matter, the base salary for each executive officer is initially established through negotiation at the time the officer is hired taking into account such officer's qualifications, experience, prior salary and competitive salary information. Year-to-year adjustments to each executive officer's base salary are based upon individual performance for the year, changes in the general level of base salaries of persons in comparable positions within the industry, and the average merit salary increase for such year for all of our employees, as well as other factors the Compensation Committee judges to be pertinent during an assessment period. In making base salary decisions, the Compensation Committee exercises its judgment to determine the appropriate weight to be given to each of these factors. The Compensation Committee believes that its process for determining and adjusting the base salary of executive officers is consistent with sound personnel practices.

#### **PERFORMANCE-BASED ANNUAL INCENTIVE BONUS**

Cash bonus payments are discretionary unless otherwise required pursuant to an employment agreement. Bonus payments, if any, to executive officers, including the Chief Executive Officer, or payments above the required annual minimum, are based on two principal factors: corporate performance as compared to our short and long-term strategic, financial, and operational goals and objectives, and individual contribution and performance relative to corporate performance and individual goals and objectives.

Bonus payment recommendations for executive officers other than the Chief Executive Officer are initiated by the Chief Executive Officer and submitted to the Compensation Committee for review. Bonus payment recommendations for the Chief Executive Officer are initiated by the Compensation Committee.

#### **LONG-TERM INCENTIVES AWARDS**

To conserve our cash resources, we place special emphasis on equity-based incentives to attract, retain and motivate executive officers as well as other employees. The Compensation Committee provides our executive officers with long-term incentive compensation through grants of stock options and restricted stock generally under the 2005 Equity Plan. Our board believes that stock options provide our executive officers with the opportunity to purchase and maintain an equity interest in us and to share in the appreciation of the value of our common stock. Our board believes that stock options directly motivate an executive to maximize long-term stockholder value. The options also utilize vesting periods that encourage key executives to continue in their employment with us. Our board considers the grant of each option subjectively, considering factors such as the individual performance of the executive officer and the anticipated contribution of the executive officer to the attainment of our long-term strategic performance goals. Long-term incentives granted in prior years are also taken into consideration. Grants are made to all employees when hired based on salary level and position. All employees, including executive officers, are eligible for subsequent, discretionary grants, which are generally based on either individual or corporate performance.

**CHIEF EXECUTIVE OFFICER COMPENSATION**

The compensation of our Chief Executive Officer is reviewed annually on the same basis as discussed above for all executive officers. On January 1, 2006, Mr. Hollis' base salary was increased from \$500,000 to \$512,500. Mr. Hollis' base salary and bonus were established in part by comparing the base salaries and bonuses of chief executive officers at other biotechnology and pharmaceutical companies. Mr. Hollis' target bonus per the terms of his employment agreement is 100% of his base salary with a minimum of 50% and a maximum greater than 100% upon attaining performance targets.

**SECTION 162(M)**

Our board has considered the potential future effects of Section 162(m) of the Internal Revenue Code on the compensation paid to our executive officers. Section 162(m) disallows a tax deduction for any publicly-held corporation for individual compensation exceeding \$1.0 million in any taxable year for any of the executive officers named in the proxy statement, unless compensation is performance-based. We have adopted a policy that, where reasonably practicable, we will seek to qualify the variable compensation paid to its executive officers for an exemption from the deductibility limitations of Section 162(m).

In approving the amount and form of compensation for our executive officers, the Compensation Committee will continue to consider all elements of the cost to us of providing such compensation, including the potential impact of Section 162(m).

The information contained in this report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended except to the extent that we specifically incorporates it by reference into any such filing.

Respectfully submitted by:

COMPENSATION COMMITTEE

Brendan R. McDonnell, Chairman

J. Paul Bagley

Marc R. Sarni

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

As noted above, our Compensation Committee consists of Mr. Bagley, Mr. McDonnell and Mr. Sarni. No member of the Compensation Committee has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity.

As consideration for such consulting services, we issued to Jacmar/Viking a warrant to purchase an aggregate of 500,000 shares of our common stock at an exercise price of \$20.50 per share. The warrant is not subject to any vesting provisions and had an original expiration date of March 2002. In March 2001, we entered into an amendment to the original consulting agreement and warrant, pursuant to which the expiration date for the warrant was extended to March 2003. In March 2003, we amended the warrant so that the warrant is now exercisable into an aggregate of 250,000 shares of our common stock at an exercise price of \$10.00 per share. #### **HOUSEHOLDING OF PROXY MATERIALS**

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders wishing to receive a separate proxy statement and annual report in the future may also direct such a request to our Secretary, either in a written request sent to 4435 Eastgate Mall, Suite 400, San Diego, California 92121 or by telephone at (858) 587-9333.

Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

#### **OTHER MATTERS**

Our board of directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors

AS AMENDED ON MARCH 18, 2006

**1. GENERAL.**

(a) **Successor and Continuation of Prior Plan.** The Plan is intended as the successor to and continuation of the Hollis-Eden Pharmaceuticals, Inc. 1997 Incentive Stock Option Plan (the *Prior Plan*). Following the Effective Date of this Plan, no additional stock awards shall be granted under the Prior Plan. Any shares remaining available for issuance pursuant to the exercise of options or settlement of stock awards under the Prior Plan shall be added to the share reserve of this Plan and available for issuance pursuant to Stock Awards granted hereunder. All outstanding stock awards granted under the Prior Plan shall remain subject to the terms of the Prior Plan, except that the Board may elect to extend one or more of the features of the Plan to stock awards granted under the Prior Plan. Any shares subject to outstanding stock awards granted under the Prior Plan that expire or terminate for any reason prior to exercise or settlement shall be added to the share reserve of this Plan and become available for issuance pursuant to Stock Awards granted hereunder. All Stock Awards granted subsequent to the Effective Date of this Plan shall be subject to the terms of this Plan.

(b) **Eligible Stock Award Recipients.** The persons eligible to receive Stock Awards are Employees, Directors and Consultants.

(c) **Available Stock Awards.** The Plan provides for the grant of the following Stock Awards: (i) Incentive Stock Options, (ii) Nonstatutory Stock Options, (iii) Stock Purchase Awards, (iv) Restricted Stock Awards, (v) Stock Appreciation Rights, (vi) Restricted Stock Unit Awards, and (vii) Other Stock Awards.

(d) **General Purpose.** The Company, by means of the Plan, seeks to secure and retain the services of the group of persons eligible to receive Stock Awards as set forth in Section 1(a), to provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and to provide a means by which such eligible recipients may be given an opportunity to benefit from increases in value of the Common Stock through the granting of Stock Awards.

**2. DEFINITIONS.**

As used in the Plan, the following definitions shall apply to the capitalized terms indicated below:

(a) **Affiliate** means (i) any corporation (other than the Company) in an unbroken ownership chain of corporations ending with the Company, provided each corporation in the unbroken ownership chain owns, at the time of the determination, stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such ownership chain, and (ii) any corporation (other than the Company) in an unbroken ownership chain of corporations beginning with the Company, provided each corporation (other than the last corporation) in the unbroken ownership chain owns, at the time of the determination, stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such ownership chain. The Board shall have the authority to determine (x) the time or times at which the ownership tests are applied, and (y) whether *Affiliate* includes entities other than corporations within the foregoing definition.

(b) **Board** means the Board of Directors of the Company.

(c) **Capitalization Adjustment** has the meaning ascribed to that term in Section 11(a).

(d) **Cause** means with respect to a Participant, the occurrence of any of the following: (i) such Participant's commission of any felony or any crime involving fraud, dishonesty or moral turpitude under the

laws of the United States or any state thereof; (ii) such Participant's attempted commission of, or participation in, a fraud or act of dishonesty against the Company; (iii) such Participant's intentional, material violation of any contract or agreement between the Participant and the Company or of any statutory duty owed to the Company; (iv) such Participant's unauthorized use or disclosure of the Company's confidential information or trade secrets; or (v) such Participant's gross misconduct. The determination that a termination of the Participant's Continuous Service is either for Cause or without Cause shall be made by the Company in its sole discretion. Any determination by the Company that the Continuous Service of a Participant was terminated by reason of dismissal without Cause for the purposes of outstanding Stock Awards held by such Participant shall have no effect upon any determination of the rights or obligations of the Company or such Participant for any other purpose.

**(e) *Change in Control*** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

**(i)** any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing forty percent (40%) or more of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person from the Company in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities or (B) solely because the level of Ownership held by any Exchange Act Person (the ***Subject Person***) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

**(ii)** there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto, as such, do not Own, directly or indirectly, either (A) outstanding voting securities representing more than sixty percent (60%) of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than sixty percent (60%) of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

**(iii)** the stockholders of the Company approve or the Board approves a plan of complete dissolution or liquidation of the Company, or a complete dissolution or liquidation of the Company shall otherwise occur;

**(iv)** there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than fifty percent (50%) of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

**(v)** individuals who, on the date this Plan is adopted by the Board, are members of the Board (the ***Incumbent Board***) cease for any reason to constitute at least a majority of the members of the Board; *provided, however*, that if the appointment or election (or nomination for election) of any new Board

member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

The term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.

Notwithstanding the foregoing or any other provision of this Plan, the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Stock Awards subject to such agreement; *provided, however*, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

(k) **Continuous Service** means that the Participant's service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Consultant or Director or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant's service with the Company or an Affiliate, shall not terminate a Participant's Continuous Service. For example, a change in status from an employee of the Company to a consultant to an Affiliate or to a Director shall not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party's sole discretion, may determine whether Continuous Service shall be considered interrupted in the case of any leave of absence approved by that party, including sick leave, military leave or any other personal leave. Notwithstanding the foregoing, a leave of absence shall be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company's leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law.

(l) **Corporate Transaction** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

If any shares subject to a Stock Award are not delivered to a Participant because the Stock Award is exercised through a reduction of shares subject to the Stock Award (*i.e.*, net exercised), the number of shares that are not delivered to the Participant shall remain available for issuance under the Plan. If any shares subject to a Stock Award are not delivered to a Participant because such shares are withheld in satisfaction of the withholding of taxes incurred in connection with the exercise of an Option, Stock Appreciation Right, or the issuance of shares under a Stock Purchase Award, Restricted Stock Award, or Restricted Stock Unit Award, the number of shares that are not delivered to the Participant shall remain available for subsequent issuance under the Plan. If the exercise price of any Stock Award is satisfied by tendering shares of Common Stock held by the Participant (either by actual delivery or attestation), then the number of shares so tendered shall remain available for subsequent issuance under the Plan. Notwithstanding the foregoing, Inducement Shares (as defined in Section 5(e) herein) that revert to, or remain available for subsequent issuance under, the Plan may only be granted to the persons described in Section 5(e).

**(c) Incentive Stock Option Limit.** Notwithstanding anything to the contrary in this Section 4(b), subject to the provisions of Section 11(a) relating to Capitalization Adjustments the aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options shall be six million (6,000,000) shares of Common Stock. **(a) Eligibility for Specific Stock Awards.** Incentive Stock Options may be granted only to Employees. Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants.

**(b) Ten Percent Stockholders.** A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

**(c) Section 162(m) Limitation on Annual Grants.** Subject to the provisions of Section 11(a) relating to Capitalization Adjustments, and except with respect to Awards covering Inducement Shares, at such time as the Company may be subject to the applicable provisions of Section 162(m) of the Code, no Employee shall be eligible to be granted during any calendar year Stock Awards whose value is determined by reference to an increase over an exercise or strike price of at least one hundred percent (100%) of the Fair Market Value of the Common Stock on the date the Stock Award is granted covering more than two hundred fifty thousand (250,000) shares of Common Stock.

**(d) Consultants.** A Consultant shall not be eligible for the grant of a Stock Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act ( *Form S-8* ) is not available to register either the offer or the sale of the Company's securities to such Consultant because of the nature of the services that the Consultant is providing to the Company, because the Consultant is not a natural person, or because of any other rule governing the use of Form S-8.

**(e) Inducement Shares.** This Section 5(e) shall apply with respect to the One hundred thousand (100,000) shares of Common Stock reserved under this Plan by action of the Board on December 1, 2005 (the *Inducement Shares* ). An Award covering Inducement Shares may be granted only to an Employee not previously an Employee or Director of the Company, or following a *bona fide* period of non-employment, as an inducement material to the individual's entering into employment with the Company within the meaning of Rule 4350(i)(1)(A) of the NASD Marketplace Rules. In addition, notwithstanding any other provision of the Plan to the contrary, all such Awards covering Inducement Shares must be granted either by a majority of the Company's independent directors or a committee comprised of a majority of independent directors.

**6. OPTION PROVISIONS.**

Each Option shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates shall be issued for shares of Common Stock purchased on exercise of each type of Option. If an Option is not specifically designated as an Incentive Stock Option, then the Option shall be a Nonstatutory Stock Option. The provisions of separate Options need not be identical; *provided, however*, that each Option Agreement shall include (through incorporation of provisions hereof by reference in the Option Agreement or otherwise) the substance of each of the following provisions:

**(a) Term.** Subject to the provisions of Section 5(b), no Option shall be exercisable after the expiration of ten (10) years from the date of its grant.

**(b) Exercise Price of an Incentive Stock Option.** Subject to the provisions of Section 5(b) regarding Ten Percent Stockholders, the exercise price of each Incentive Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner consistent with the provisions of Section 424(a) of the Code.

**(c) Exercise Price of a Nonstatutory Stock Option.** The exercise price of each Nonstatutory Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, a Nonstatutory Stock Option may be granted with an exercise price lower than one hundred percent (100%) of the Fair Market Value of the Common Stock if such Option is granted pursuant to an assumption or substitution for another option in a manner consistent with the provisions of Section 424(a) of the Code.

**(d) Consideration.** The purchase price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The methods of payment permitted by this Section 6(d) are:

(i) by cash or check;

(ii) bank draft or money order payable to the Company;

(iii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of Common Stock, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iv) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock;

(v) by a net exercise arrangement pursuant to which the Company will reduce the number of shares of Common Stock issued upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate exercise price; *provided, however*, that the Company shall accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares; *provided, further*, that shares of Common Stock will no longer be outstanding under an Option and will not be exercisable thereafter to the extent that (A) shares are used to pay the exercise price pursuant to the net exercise, (B) shares are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations; or

(vi) in any other form of legal consideration that may be acceptable to the Board; *provided, however*, that such form of consideration may not include deferred payment through the use of a promissory note.

**(e) Transferability of Options.** The Board may, in its sole discretion, impose such limitations on the transferability of Options as the Board shall determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options shall apply:

**(i) Restrictions on Transfer.** An Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder; provided, however, that the Board may, in its sole discretion, permit transfer of the Option upon the Optionholder's request, provided that such transfer is in compliance with applicable tax and securities laws.

**(ii) Domestic Relations Orders.** Notwithstanding the foregoing, an Option may be transferred pursuant to a domestic relations order.

**(iii) Beneficiary Designation.** Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

**(f) Vesting Generally.** The total number of shares of Common Stock subject to an Option may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option may be subject

to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of Performance Goals or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options may vary. The provisions of this Section 6(f) are subject to any Option provisions governing the minimum number of shares of Common Stock as to which an Option may be exercised.

**(g) Termination of Continuous Service.** In the event that an Optionholder's Continuous Service terminates (other than for Cause or upon the Optionholder's death or Disability), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Optionholder's Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

**(h) Extension of Termination Date.** An Optionholder's Option Agreement may provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service (other than for Cause or upon the Optionholder's death or Disability or upon a Change in Control) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option shall terminate on the earlier of (i) the expiration of a period of three (3) months after the termination of the Optionholder's Continuous Service during which the exercise of the Option would not be in violation of such registration requirements, or (ii) the expiration of the term of the Option as set forth in the Option Agreement.

**(i) Disability of Optionholder.** In the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination of Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

**(j) Death of Optionholder.** In the event that (i) an Optionholder's Continuous Service terminates as a result of the Optionholder's death, or (ii) the Optionholder dies within the period (if any) specified in the Option Agreement after the termination of the Optionholder's Continuous Service for a reason other than death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the option upon the Optionholder's death, but only within the period ending on the earlier of (i) the date eighteen (18) months following the date of death (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of such Option as set forth in the Option Agreement. If, after the Optionholder's death, the Option is not exercised within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

**(k) Termination for Cause.** Except as explicitly provided otherwise in an Optionholder's Option Agreement, in the event that an Optionholder's Continuous Service is terminated for Cause, the Option shall terminate upon the termination date of such Optionholder's Continuous Service, and the Optionholder shall be prohibited from exercising his or her Option from and after the time of such termination of Continuous Service.

#### **7. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS.**

**(a) Stock Purchase Awards.** Each Stock Purchase Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the
