REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Plan Administrative Committee

Unitrin, Inc. 401(k) Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Unitrin, Inc. 401(k) Savings Plan (the Plan) as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004, and the changes in net assets available for benefits for the year ended December 31, 2005 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2005 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. Such supplemental schedule has been subjected to the auditing procedures applied in our audit of the basic 2005 financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

UNITRIN, INC. 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2005 and 2004

Note 1 Basis of Presentation

The financial statements of the Unitrin, Inc. 401(k) Savings Plan (the Plan) included herein have been prepared on an accrual basis under accounting principles generally accepted in the United States of America (GAAP).

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ materially from those estimates. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Significant Accounting Policies

Investments, except for loans to participants and investments in the Invesco Stable Value Trust, are stated at fair value. Loans to participants are stated at unpaid principal balances. The Invesco Stable Value Trust is a collective trust, and its investments are generally stated at contract values. Shares of mutual funds are valued at the net asset value of the shares held by the Plan. Fair values of common stock trusts are valued using quoted market prices of the underlying common stock.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date.

Benefits provided to participants are recorded when incurred. Account balances of participants who have elected to withdraw from the Plan, but had not been paid were not material at December 31, 2005 and 2004.

Note 2 Plan Description

The following summary description of the Plan is for general information only. A more detailed description of the Plan provisions is found in the formal Plan document and in summary materials distributed to Plan participants.

The Plan is a defined contribution plan, which is available to employees of Unitrin, Inc. (Unitrin or the Company) and certain of its subsidiaries (collectively, the Companies) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees of the Companies generally become eligible to participate in the Plan on the first day of the month following the employee's first full month of employment. Employees of the Companies generally become eligible to receive the Unitrin matching contribution following the employee's first full year of employment.

UNITRIN, INC. 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2005 and 2004

Note 2 Plan Description (continued)

Subject to Internal Revenue Code (the Code) limitations, participants are allowed to defer and contribute between 1% and 60% of their compensation to the Plan. Unitrin provides a monthly matching contribution of 50% of the first 6% of compensation contributed by the participant. Participants are 100% vested in Company contributions after three years of employment. The Plan provides for 100% vesting of Company contributions in the event of a change of control as defined in the Plan.

An individual account is maintained by the Plan's record keeper for each participant and updated to reflect contributions, actual investment income and withdrawals. Each participant may suspend, resume, or change their rate of contribution at any time. If certain criteria are met, participants may withdraw all or a portion of their vested account balance, subject to certain restrictions. In addition, participants may borrow from their accounts, subject to certain limitations, at prevailing interest rates as determined by the Plan administrator. Effective July 15, 2005, The Princeton Retirement Group, Inc. (PRG), a wholly owned subsidiary of Merrill Lynch & Co., purchased the record keeping business of the Plan's former record keeper, Amvescap Retirement, Inc., and became the Plan's new record keeper.

While the Company has not expressed any intent to terminate the Plan or to discontinue contributions, it is free to do so at any time, subject to the provisions set forth in ERISA. Should the Plan be terminated at some future date, all participants become 100% vested in benefits earned as of the Plan termination date.

Note 3 Investments

All investments are directed by participants and held by the Plan's Trustee, Amvescap National Trust Co. During 2005, the investment options available to participants were expanded while at the same time certain investment options were eliminated. For those investment options that were eliminated, participants were given a period of at least 30 days to transfer their account balances to any of the new and/or remaining investment options. At the end of such period, all remaining balances in such investments were transferred into similar investment options with like objectives and investment style to the original investment options.

UNITRIN, INC. 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2005 and 2004

Note 4 Federal Income Tax Status

The Plan is exempt from income taxes under Section 401(a) of the Code. The Plan obtained a favorable determination letter dated October 29, 2002 from the Internal Revenue Service (the "IRS"). Subsequent to the receipt of the determination letter, the Plan was amended. The Company believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code and the Plan and related trust continue to be exempt from income taxes. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Under Federal income tax statutes, regulations and interpretations, income taxes on amounts that a participant accumulates in the Plan are deferred and therefore not included in the participant's taxable income until those amounts are actually distributed. Except for certain contributions made prior to April 1, 1993, contributions are considered pre-tax deposits and are not subject to Federal income taxes at the time of contribution. Prior to April 1, 1993, certain contributions were made on an after-tax basis and are not subject to income tax when they are distributed to the participant because they have already been taxed. A participant's account balance, except for after-tax contributions made prior to April 1, 1993, is taxable income and generally is taxed at ordinary income tax rates when distributed. However, favorable tax treatment through special averaging provisions may apply to participants of a certain age. An additional 10 percent Federal income tax penalty may be imposed on all taxable income distributed to a participant unless the distribution meets certain requirements contained within Section 72 of the Code.

Taxable distributions from the Plan generally are subject to a 20 percent Federal income tax withholding unless directly rolled over into another eligible employer plan or Individual Retirement Account. Distributions of Unitrin common stock generally are not subject to the 20 percent withholding, and special tax rules may apply to the calculation of net unrealized appreciation on such stock.

If the Code and the Plan's requirements concerning loans to participants are satisfied, the amounts of the loans will not be treated as a taxable distribution. If, however, the loan requirements are not satisfied and a default occurs, the loans will be treated as distributions from the Plan for Federal income tax purposes, and the tax consequences discussed above for distributions may apply. Interest payments made on the loans are generally not tax deductible.

Note 5 Related Parties

Participants are permitted to invest in certain investment funds sponsored by the Capital Amvescap group of companies. The Plan's Trustee and former record keeper are affiliates of the Capital Amvescap group of companies.

One of Unitrin's directors, Mr. Fayez Sarofim, is the Chairman of the Board, President and majority shareholder of Fayez Sarofim & Co. (FS&C), a registered investment advisory firm. FS&C is a sub-investment adviser of the Dreyfus Appreciation Fund, Inc., which is an investment option in the Plan.

Plan assets at December 31, 2005 and 2004 included 515,175 shares and 490,362 shares of Unitrin common stock, respectively, at aggregate fair values of approximately \$23.2 million and \$22.3 million, respectively. For the years ended December 31, 2005 and 2004, the Plan recorded dividends of approximately \$0.9 million and \$0.8 million, respectively, from participants' investments in the Unitrin Common Stock Trust.
