PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

OCTOBER 26, 2006

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Isle of Capri Casinos, Inc., a Delaware corporation, of proxies for use at the 2006 Annual Meeting of Stockholders to be held on Thursday, October 26, 2006, beginning at 9:00 a.m., Central Time, at the Isle of Capri Casino & Hotel, 100 Isle of Capri Boulevard, Boonville, Missouri, and at any adjournment(s) of the Annual Meeting. Isle of Capri Casinos, Inc., together with its subsidiaries, is referred to herein as the Company, unless the context indicates otherwise.

Our principal executive offices are located at 600 Emerson Road, St. Louis, Missouri 63141. A copy of our 2006 Annual Report to Stockholders, this Proxy Statement, and accompanying proxy card are first being mailed to our stockholders on or about September 12, 2006.

QUESTIONS AND ANSWERS

On what am I being asked to vote?

At the Annual Meeting, the Company's stockholders will be asked to vote on the following proposal:

To elect eight persons to the Board of Directors.

The stockholders may also transact any other business that may properly come before the meeting.

Who is entitled to vote at the Annual Meeting?

The record date for the Annual Meeting is August 31, 2006, and only stockholders of record at the close of business on that date may vote at and attend the Annual Meeting.

What constitutes a quorum for the purposes of voting?

A majority of the shares of the Company's common stock outstanding, represented in person or by proxy at the Annual Meeting, will constitute a quorum for the purpose of transacting business at the Annual Meeting. As of August 24, 2006, there were 34,343,613 shares of the Company's common stock outstanding of which 3,878,956 shares were held by the Company as treasury shares and do not vote.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present during the meeting, we may adjourn the meeting. In addition, in the event that there are not sufficient votes for approval of any of the matters to be voted upon at the meeting, the meeting may be adjourned in order to permit further solicitation of proxies.

How many votes do I have?

Each outstanding share of the Company's common stock entitles its owner to one vote on each matter that comes before the meeting. The proxy card indicates the number of shares of the Company's common stock that you owned as of the record date, August 31, 2006.

How many votes are needed to approve each item?

Provided a quorum is present, directors will be elected by the affirmative vote of a plurality of the votes present in person or represented by proxy at the Annual Meeting and cast for the election of directors. Stockholders are not allowed to cumulate their votes for the election of directors.

Abstentions will be treated as shares that are present or represented and entitled to vote for the purpose of determining the presence of a quorum, but will be treated as not voting. Accordingly, abstentions will have no effect on the number of votes necessary to elect directors.

What if my stock is held by a broker?

In instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy, so called broker non-votes, those shares will not be treated as present or represented and entitled to vote for purposes of determining the presence of a quorum and will not be treated as present or represented and voting for purposes of determining the number of votes necessary for the approval of any matter on which they do not have discretionary authority to vote.

How do I vote?

You may vote by mail, telephone, on the Internet or in person at the Annual Meeting. If voting by mail, complete and sign the enclosed proxy card and return it in the enclosed envelope. If voting by telephone or on the Internet, follow the instructions printed on the proxy card. If you vote by telephone or on the Internet, the proxy card does not need to be mailed in. Whether or not you plan to attend the meeting, we encourage you to vote by telephone or Internet or to complete, sign, date and promptly return your proxy card in the enclosed envelope, which requires no postage if mailed in the United States. One of the individuals named on the proxy card will vote your shares as directed by you on the proxy card. If no specific selections are made, one of the individuals named on your proxy card will vote your shares as follows:

1. For the election of the directors recommended by the Board of Directors; and
2. In their discretion, upon such other business as may properly come before the meeting.

Can I change my vote after I have submitted my proxy?

Yes, a stockholder who has submitted a proxy may revoke it at any time prior to its use by:

1. Delivering a written notice to the Secretary;
2. Executing a later-dated proxy; or

3. Attending the Annual Meeting and voting in person.

A written notice revoking the proxy should be sent to the Company's Secretary at the following address:

Gregory D. Guida

Senior Vice President of Development and Legal Affairs and Secretary

Isle of Capri Casinos, Inc.

600 Emerson Road

St. Louis, Missouri 63141

How will the votes be tabulated at the meeting?

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspectors appointed for the Annual Meeting, and such election inspectors will determine whether or not a quorum is present.

Will the Company solicit proxies in connection with the Annual Meeting?

Yes, the Company will solicit proxies in connection with the Annual Meeting. We will bear all costs of soliciting proxies including charges made by brokers and other persons holding stock in their names or in the names of nominees for reasonable expenses incurred in sending proxy material to beneficial owners and obtaining their proxies. In addition to solicitation by mail, our directors, officers, and employees may solicit proxies personally and by telephone, facsimile and email, all without extra compensation. We have retained D. F. King & Co., Inc. to assist in the solicitation of proxies. The fee to be paid for such services will be borne by us and is not expected to exceed \$5,000 plus reasonable expenses.

PROPOSAL NO. 1**ELECTION OF DIRECTORS**

We currently have eight directors. The Board of Directors has determined that it is in the Company's best interest, and has resolved, to propose to the stockholders that eight directors be elected to serve until the next Annual Meeting of Stockholders. Each director holds office until his successor is elected and qualified or until his earlier death, resignation, removal, or disqualification.

The eight nominees for whom the enclosed proxy is intended to be voted are set forth below. All nominees are now serving as our directors. Each of these nominees has indicated his willingness to serve if elected. The Board of Directors has no reason to believe that any of these nominees will be unavailable for election, but if such a situation should arise, the proxy will be voted in accordance with the best judgment of the proxyholder for such person or persons as may be designated by the Board of Directors, unless the stockholder has directed otherwise.

Information Regarding the Board and Committees of the Board

The Board of Directors has three standing committees: the Stock Option and Compensation Committee, the Audit Committee, and the Nominating Committee. During the fiscal year ended April 30, 2006, which we refer to as fiscal 2006, the Board of Directors met 13 times, the Stock Option and Compensation Committee met six times, the Audit Committee met 13 times and the Nominating Committee met six times. During fiscal 2006, all directors attended at least 75% of the Board meetings and meetings of committees of the Board on which they served. Directors are expected to attend each Annual Meeting of Stockholders. Each member of the current Board of Directors that was a member of the Board in October 2005 attended last year's Annual Meeting.

Messrs. Shaun R. Hayes, Emanuel Crystal, Alan J. Glazer, W. Randolph Baker and John G. Brackenbury are members of the Stock Option and Compensation Committee. Mr. Hayes acts as chairman of the Stock Option and Compensation Committee. The Stock Option and Compensation Committee acts as an advisory committee to the full Board with respect to compensation of our executive officers and other key employees, including administration of the stock option plan, option grants, and bonuses. Additional information regarding the policies of the Committee is set forth in the Stock Option and Compensation Committee Report on Executive Compensation included in this Proxy Statement. In accordance with Nasdaq Rule 4350(c)(3), each member of the Stock Option and Compensation Committee is independent as defined in Nasdaq Rule 4200(a)(15).

Messrs. Alan J. Glazer, Emanuel Crystal, W. Randolph Baker and Shaun R. Hayes are members of the Audit Committee. Mr. Glazer acts as chairman of the Audit Committee. The Audit Committee's responsibilities include recommending to the full Board the selection of our independent registered public accounting firm, reviewing the plan, scope and results of the independent audit, reviewing the fees for the audit services performed, reviewing and pre-approving the fees for the non-audit services to be performed and reviewing all financial statements. Information regarding the functions performed by the Audit Committee during the fiscal year is set forth in the Report of the Audit Committee, included in this Proxy Statement. Each member of the Audit Committee is independent as defined in Nasdaq Rule 4200(a)(15). The Board has determined that each member of the audit committee is free from any relationship that would interfere with the exercise of independent judgment as a committee member. The Audit Committee is governed by a written charter approved by the Board of Directors. At the present time, none of the members of the Audit Committee meet the requirements of the definition of an audit committee financial expert under the SEC Rules. The Board believes that the qualifications and experience of its Audit Committee members as described in Election of Directors as well as their ability to retain financial advisors and consultants as they deem appropriate affords the members of the Audit Committee sufficient ability and expertise to fulfill their obligations.

Messrs. Alan J. Glazer and Emanuel Crystal are members of the Nominating Committee. Mr. Glazer acts as chairman of the Nominating Committee. The Nominating Committee considers and makes recommendations concerning the size and composition of the Board of Directors, the number of non-executive members of the Board of Directors, and membership of committees of the Board of Directors. As a policy, the Nominating Committee generally does not consider nominees recommended by the Company's stockholders. In determining the criteria for membership on the Board of Directors, the Nominating Committee considers the skills and personal characteristics required in light of the then-current makeup of the Board and in the context of the perceived needs of the Company at the time, including the following attributes: financial acumen, general business experience, industry knowledge, leadership abilities, high ethical standards and independence. In accordance with Nasdaq Rule 4350(c)(4), Messrs. Alan J. Glazer and Emanuel Crystal are independent as defined in Nasdaq Rule 4200(a)(15). The Nominating Committee Charter is posted on the Company's website at www.islecorp.com under Investor Relations Corporate Governance.

In addition to the foregoing committees of the Board of Directors, we also maintain a Compliance Committee. Mr. W. Randolph Baker is a member of the Compliance Committee, along with Messrs. Timothy M. Hinkley, Allan B. Solomon, Harry Redmond, Steve DuCharme and Ms. Janice Newman. Mr. Baker acts as chairman, Messrs. Redmond and DuCharme are independent members, and Ms. Newman is the Compliance Officer of the Compliance Committee. The Compliance Committee's responsibilities include maintaining compliance with the regulatory requirements imposed upon the Company by the jurisdictions in which it operates and evaluating relationships between the Company and persons and entities with whom the Company proposes to do business.

Code of Conduct

As required by Nasdaq Rule 4350(n), the Board of Directors has adopted a Code of Business Conduct that applies to all of the Company's directors, officers and employees. In addition, the Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer, controller and others performing similar functions and specifies the legal and ethical conduct expected of such officers. The Company's Code of Business Conduct and Code of Ethics are posted on the Company's website at www.islecorp.com under Investor Relations Corporate Governance and will be provided free of charge upon request to the Company.

Executive Sessions

In accordance with Nasdaq Rule 4350(c)(2), the Board currently schedules regular meetings at which only independent directors are present. The executive sessions generally are scheduled in conjunction with each Board meeting at which the members of the Board of Directors meet in person. Executive sessions occur at least twice every fiscal year.

Stockholder Communications with the Board

The board provides a process for stockholders to send communications to the Board or any of the directors, including the independent directors. - (1) These awards were made pursuant to the 2000 Plan. Options awarded vest one-fifth on each of the first, second, third, fourth and fifth anniversaries of the grant date. In the case of an option that is deemed an incentive stock option, the option price must be not less than 100% of the fair market value of Company Common Stock on the date the option is granted. The fair market value of a share of Company Common Stock is the mean of the high and low market prices at which a share of Company Common Stock is traded on the date of grant. The grants provide that stock options may not be exercised during the first twelve months after the date of the grant. The plan allows shares of Company Common Stock to be used to satisfy any resulting Federal, State and local tax liabilities, but does not provide for a cash payment by the Company for income taxes payable as a result of the exercise of a stock option award. The 2000 Plan allows options to remain exercisable for up to 10 years from the date of grant. The plan has provisions about the impact of a change in control, death, disability, retirement and termination of employment on the exercisability of options, with a change in control causing an acceleration of vesting. The plan also has a provision for reload options.
- (2) The maximum term for options granted under the 2000 Plan is 10 years. The term for options granted under the reload provision is the later to occur of the expiration date of the originally surrendered option or one year from the date of grant of the reload option. The dollar gains under these columns result from calculations assuming 5% and 10% stock price appreciation rates as set by the Securities and Exchange Commission and are not intended to forecast future price appreciation of Company Common Stock. The gains reflect a future value based upon growth at these prescribed rates. The Company did not use an alternative formula for a grant date valuation, an approach which would state gains at present, and therefore lower, value.
- (3) Not discounted to present value.

Stock Option and Compensation Committee Report on Executive Compensation

The Stock Option and Compensation Committee advises the Board of Directors concerning executive compensation, including base salaries, bonuses, stock option grants, health and life insurance and other benefits. Stock Option and Compensation Committee recommendations concerning executive compensation are reviewed and approved by the Board. Board members who are also our executive officers do not participate in the deliberations of the Board concerning their respective compensation and benefits and do not vote on such matters.

Our objective concerning executive compensation is to design an executive compensation program that attracts and retains qualified executives and aligns executives' interests with ours and those of our stockholders in achieving our operating goals and business objectives and increasing stockholder value. The principal components of our executive compensation program are base salary, bonus, and stock options. In light of our objective concerning executive compensation, a substantial portion of the executive compensation above the base salary is generally provided through bonuses tied to certain indicators of our performance and through the grant of stock options.

The Stock Option and Compensation Committee's determinations of overall executive compensation for the fiscal year 2006, which includes salary, bonus, certain benefits and stock option awards, were based upon consideration of, among other factors, our performance during the fiscal year, the individual executive's contribution to the achievement of operating goals and business objectives, and levels of compensation in comparable companies at similar stages of development, with particular emphasis on those operating in the gaming industry.

During the fiscal year ended April 30, 2006, the Stock Option and Compensation Committee retained Hewitt Associates, Inc. to provide advice on our compensation structure and to make specific recommendations on levels of our executive compensation. The Stock Option and

Compensation Committee relied on this advice and recommendations in connection with its compensation decisions.

In January 2002, we entered into an employment agreement with Bernard Goldstein, our Chairman and Chief Executive Officer. Mr. Goldstein's employment agreement provides that his compensation consists of a base salary and a discretionary bonus. For the fiscal year 2006, Mr. Goldstein received a base salary of \$550,000 and a bonus of \$335,866. The amount of Mr. Goldstein's base salary was determined by the Stock Option and Compensation Committee based on Mr. Goldstein's individual performance as Chief Executive Officer and the Company's overall performance, and is consistent with our objective to design an executive compensation program that attracts and retains qualified executives. The determination of the amount of Mr. Goldstein's bonus for the fiscal year 2006 was determined by the Stock Option and Compensation Committee based upon the financial performance of the Company as measured against certain financial targets approved by this committee, and Mr. Goldstein's achievement of certain subjective goals and objectives.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits our deduction for compensation paid to the Named Executive Officers to \$1 million unless certain requirements are met. The policy of the Stock Option and Compensation Committee with respect to Section 162(m) is to establish and maintain a compensation program that will optimize the deductibility of compensation. In that regard, no executive officer received compensation in excess of \$1 million during fiscal 2006. The Stock Option and Compensation Committee, however, reserves the right to use its judgment, where merited by the Stock Option and Compensation Committee's need for flexibility to respond to changing business conditions or by an executive's individual performance, to authorize compensation that may not, in a specific case, be fully deductible.

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the Company's internal control over financial reporting. In fulfilling its oversight responsibilities, the Committee reviewed the audited consolidated financial statements in the current Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

The Committee reviewed with our independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under the standards of the Public Company Accounting Oversight Board (United States). In addition, the Committee has discussed with our independent registered public accounting firm the accounting firm's independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

The Committee discussed with the Company's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Committee meets with the internal auditors and the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referenced above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended April 30, 2006 for filing with the Securities and Exchange Commission.

Representatives of the firm of Ernst & Young LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions. The Audit Committee of the Board of Directors has been discussing the terms of a proposed engagement with Ernst & Young LLP and has not yet recommended an independent registered public accounting firm to audit the consolidated financial statements of the Company for the fiscal year ending April 29, 2007.

The following table summarizes the fees billed to the Company for professional services by Ernst & Young LLP for the fiscal years 2006 and 2005:

	<u>2006</u>	<u>2005</u>
Audit Fees	\$ 1,880,389	\$ 2,023,266
Audit-Related Fees	284,000	
Tax Fees	182,525	364,372
	<u>\$ 2,346,914</u>	<u>\$ 2,387,638</u>

Audit fees include fees for professional services rendered for the audit of our annual consolidated financial statements and reports on internal control over financial reporting, the review procedures on the consolidated financial statements included in our Forms 10-Q, as well as accounting consultations, statutory audits, consents, and other services related to Securities and Exchange Commission filings. Audit-related fees include fees for audits performed related to property divestitures. Tax fees consist of amounts billed for tax compliance assistance and tax planning and advice.

The Audit Committee is responsible for reviewing and pre-approving any non-audit services to be performed by the Company's outside accounting firm. The Audit Committee may delegate its pre-approval authority to the Chairman of the Audit Committee to act between meetings of the Audit Committee. Any pre-approval given by the Chairman of the Audit Committee pursuant to this delegation is presented to the full Audit Committee at its next regularly scheduled meeting. The Audit Committee or Chairman of the Audit Committee reviews, and if appropriate, approves all non-audit service engagements, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation, and the likely impact of the non-audit services on the principal accountant's independence.

The Audit Committee pre-approved each engagement of the Company's independent registered public accounting firm to perform non-audit related services during fiscal year 2006.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence and believes the provision of the services referenced above is compatible.
