TO THE PROSPECTUS DATED APRIL 26, 2006

This document supplements, and should be read in conjunction with, our prospectus dated April 26, 2006 relating to our offering of 475,000,000 shares of common stock, as supplemented by supplement no. 1 dated May 16, 2006, supplement no. 2 dated August 11, 2006 and supplement no. 3 dated September 22, 2006. Capitalized terms used in this supplement have the same meanings as set forth in the prospectus. The purpose of this supplement is to disclose:

the status of our public offerings;

the acquisition of a 19-story office building containing approximately 630,000 rentable square feet located on a 1.9-acre parcel of land in Jersey City, New Jersey; and

information regarding our indebtedness.

Status of Our Public Offerings

We commenced our initial public offering of 785 million shares of common stock on December 1, 2003, which consisted of a 600 million-share primary offering and a 185 million-share offering under our dividend reinvestment plan. We stopped making offers under the primary offering on November 26, 2005. We raised gross offering proceeds of approximately \$2.0 billion from the sale of approximately 197.1 million shares in our initial public offering, including shares sold under the dividend reinvestment plan after the primary offering had been terminated.

On November 10, 2005, we commenced our follow-on offering of 300.6 million shares of common stock. Of these shares, we are offering 300 million shares in a primary offering and 0.6 million shares under our dividend reinvestment plan. On April 14, 2006, we amended the registration statements for our follow-on offering and our initial public offering in order to offer in a combined prospectus the 300.6 million shares registered under the follow-on offering and the 174.4 million unsold dividend reinvestment plan shares registered under the initial public offering. As of October 27, 2006, we had received gross offering proceeds of approximately \$708.6 million from the sale of approximately 70.9 million shares in our follow-on offering.

As of October 27, 2006, we had received aggregate gross offering proceeds of approximately \$2.7 billion from the sale of approximately 268.0 million shares in our public offerings. After incurring approximately \$53.4 million in acquisition fees, approximately \$250.6 million in selling commissions and dealer manager fees, approximately \$40.7 million in other organization and offering expenses, and funding common stock redemptions of approximately \$42.3 million pursuant to the share redemption program, as of October 27, 2006, we had raised aggregate net offering proceeds available for investment in properties of approximately \$2.3 billion, substantially all of which had been invested in real estate properties.

Acquisition of International Financial Tower

On October 31, 2006, we purchased a 19-story office building containing approximately 630,000 rentable square feet (the International Financial Tower) for approximately \$193.6 million, exclusive of closing costs. The acquisition was funded with net proceeds raised from our ongoing public offering and with proceeds from our \$400.0 million line of credit with Wachovia Bank, N.A. The International Financial Tower is located on approximately 1.9 acres of land located at 95 Christopher Columbus Drive in Jersey City, New Jersey. The International Financial Tower was purchased from Financial Tower Jersey City, L.P., which is not affiliated with us or Wells Capital, Inc.

The International Financial Tower, which was completed in 1989, is leased to Pershing, LLC (Pershing) (approximately 75%) and NTT Data USA, LLC (NTT Data USA) (approximately 22%) and various other office and retail tenants (approximately 3%).
