Current Report on Form 8-K

Item 1.01 Entry into a Material Definitive Agreement.

On December 21, 2006, the Registrant entered into an option agreement (the "Option Agreement") with three senior managers (the "Deephaven Managers") of the Registrant's Deephaven Capital Management LLC subsidiary ("Deephaven") pursuant to which the Deephaven Managers have been granted an option (the "New Option"), exercisable after January 1, 2008 and until December 31, 2012, to obtain a 49% interest in Deephaven (or a new limited liability company to which the Registrant's interests in Deephaven would be contributed) in exchange for the termination of their new employment contracts which are effective as of January 1, 2007 and the associated profit-sharing bonuses. Exercise of the New Option is conditioned on meeting certain requirements related to minimum assets under management and employee retention. As with the current option agreement between Knight and certain senior managers of Deephaven, the new Option Agreement also provides that in the event of a change of control of the Registrant following January 1, 2007 and prior to December 31, 2012, the Deephaven Managers would have the option (the "Change of Control Option"), in exchange for the termination of their new employment agreements and associated profit-sharing bonuses, to obtain a 51% interest in Deephaven (or a new limited liability company to which the Registrant's interests in Deephaven would be contributed) or, if the New Option has already been exercised, to increase their 49% interest resulting from the New Option by an additional 2%. In addition, while the New Option and Change of Control Option are in effect, the Option Agreement provides that the Registrant may not sell Deephaven without the approval of the Deephaven Managers.

Upon an exercise of the New Option or the Change of Control Option, a new profit-sharing arrangement will go into effect under which the Registrant will generally receive 50% of the first \$60 million, and 25% thereafter, of pre-tax earnings of the Deephaven business prior to profit-sharing. In addition, following an exercise of the New Option or the Change of Control Option, neither the Registrant nor the Deephaven Managers can cause a sale of Deephaven without the consent of the other party, except that the Deephaven Managers may cause such a sale if the total proceeds of such sale exceed \$450 million.

The foregoing summary of the Option Agreement, and the transactions contemplated thereby, does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Option Agreement, which is attached as Exhibit 1.1 and incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

On December 22, 2006, the Registrant issued a press release which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

On December 22, 2006, Deephaven sent a letter to its investors which is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

The information furnished under this Item 7.01 shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
