Announcement on the Estimated Improvement in

Results for the First Half of 2007

This announcement is made pursuant to Rules 13.09(1) and 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

This announcement is also disseminated on the Shanghai Stock Exchange.

The financial information in relation to the results for the first half of 2007 contained in this announcement is only a preliminary estimate of the Company and has not been audited by the Company's auditors. Shareholders of the Company and investors are advised to exercise caution when dealing in the shares of the Company.

The Company and all members of the Board of Directors hereby confirm the truthfulness, accuracy and completeness of the contents of this announcement and jointly accept full responsibility for any false representation, misleading statement or material omission herein contained.

I. Estimated results for the reporting period

1. Period for which the estimated results covers: 1 January 2007 to 30 June 2007
2. Estimated results: substantial increase as compared to the corresponding period for the last year

Based on preliminary calculations, the Company estimated that the net profit of the Company for the six months ended 30 June 2007 prepared in accordance with the Accounting Standards for Business Enterprises published by the Ministry of Finance of the People's Republic of China in 2006 (the Accounting Standards for Business Enterprises) may increase by over 100% as compared to the Company's net profit for the corresponding period for 2006. Detailed financial information of the Company will be disclosed in the Company's 2007 interim report.

3. The estimated results have not been audited by certified public accountants.

II. Results for the corresponding period for the last year

1. Net Profit (attributable to shareholders of the Company): RMB7.4 billion

2. Earnings per share: RMB0.28

Results for the corresponding period for the last year have been retrospectively adjusted in accordance with the Accounting Standards for Business Enterprises. Earnings per share is calculated based on 26,764,705,000 shares of the Company in issue prior to the A share issue of the Company.

The results for the corresponding period for the last year contained in this announcement have not been audited by certified public accountants.

III. Reasons for estimated improvement in results

The estimated substantial increase in results for the first half of 2007 is mainly due to the Company's steady growth in its insurance business and substantial increase in return on its investment business.

IV. Other information

The Company completed its initial public offer of 1,500,000,000 A shares in late 2006. As at 30 June, 2007, the Company had 28,264,705,000 shares in issue.
