Item 7.01 Regulation FD Disclosure

On December 7, 2007, Quality Distribution, LLC, the wholly owned subsidiary of Quality Distribution, Inc. (NASDAQ: QLT), and its wholly owned subsidiary, QD Capital Corporation (together, the Company), announced their intent to offer, through a private placement, \$50,000,000 aggregate principal amount of Senior Floating Rate Notes due 2012, Series B (the Additional Notes), subject to market and other conditions. The Additional Notes will be in addition to, but not part of the same series as, the Company's outstanding \$85,000,000 aggregate principal amount of Senior Floating Rate Notes due 2012 issued on January 28, 2005 (the Original Notes). The press release related to the Additional Notes offering is attached as Exhibit 99.1, and is incorporated herein by reference.

Consummation of the Additional Notes offering will occur concurrently with, and is conditioned upon, consummation of the acquisition by Quality Distribution, Inc. (QDI) of Boasso America Corporation (Boasso), which was announced August 2, 2007. The Company intends to use the proceeds of the offering, along with cash on hand, amounts drawn under a new senior secured asset-based loan revolving facility with a maturity of five and one half years and a \$2.5 million promissory note to (i) consummate the acquisition of Boasso, (ii) refinance the Company's existing senior secured credit facility and (iii) pay related fees and expenses.

In connection with the Additional Notes offering, the Company has prepared a preliminary offering memorandum that contained historical financial information and other historical financial data of QDI and Boasso. This historical financial information and other historical financial data is attached to this report as Exhibit 99.2 and is incorporated herein by reference.
