Item 2.02. Results of Operations and Financial Condition

On March 17, 2008, Lydall, Inc. (the Company) issued a press release setting forth the Company's financial results for the fourth quarter ended December 31, 2007. Such results have been updated to reflect events occurring after the release of preliminary financial results for the fourth quarter on February 20, 2008. Net income was \$2.4 million, or \$.15 per diluted share for the quarter ended December 31, 2007, compared to the previously reported net income of \$2.9 million, or \$0.18 per diluted share. The Annual Report on Form 10-K for the year ended December 31, 2007, filed by the Company on March 17, 2008, reflects the updated results.

The previously announced financial results were updated to reflect a new litigation matter involving a former employee of the Company which occurred subsequent to the Company's previous earnings announcement.

On February 22, 2008, a former employee of the Company commenced an action in the Delaware Chancery Court seeking advancement and indemnification from the Company of approximately \$0.9 million. The amount sought is for income taxes that he is expecting to incur as a result of payments made by the Company in 2007, related to a previous litigation matter. Management concluded that it was probable that a loss had been incurred by the Company as of December 31, 2007. Based on management's estimates at this time, the Company recorded expense of approximately \$0.9 million (pre-tax) during the quarter ended December 31, 2007, related to this matter. The expense was recorded in corporate office selling, product development and administrative expenses.

A copy of the Company's press release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference.
