**ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On March 27, 2008, Peak International Limited ( Peak ) and S&G Company, Ltd. ( S&G ) announced the execution of an Agreement and Plan of Amalgamation, dated as of March 26, 2008 (the Amalgamation Agreement ), by and among S&G, Daewon Semiconductor Packaging Industrial Co., Ltd. and Peak, pursuant to which S&G will acquire Peak in an all cash transaction valued at approximately \$24.8 million. The Amalgamation Agreement provides that, upon the terms and subject to the conditions set forth in the Amalgamation Agreement, Peak will amalgamate and merge with a wholly owned subsidiary of S&G ( Merger Sub ), with Merger Sub continuing as the amalgamated company. At the effective time and a result of the merger, Peak s shareholders will receive, for each share of Peak common stock that they own, an amount of cash equal to \$2.00.

Consummation of the transactions contemplated by the Amalgamation Agreement is conditioned upon, among other things, (1) approval of the Amalgamation Agreement, the amalgamation and the transactions contemplated thereby by the shareholders of Peak, (2) the Bermuda governmental approvals, and (3) resignation of directors and certain officers of Peak. It is anticipated that the transaction will be completed during the second quarter of 2008.

The Amalgamation Agreement contains customary representations and warranties by Peak, S&G and Merger Sub. The Amalgamation Agreement also contains customary covenants and agreements, including with respect to the operation of the business of Peak and its subsidiaries between signing and closing, restrictions on solicitation of proposals with respect to alternative transactions, governmental filings and approvals, public disclosures and similar matters.

The Amalgamation Agreement contains certain termination rights for both Peak and S&G, and further provides that, upon termination of the Amalgamation Agreement under certain circumstances, Peak may be obligated to pay S&G a termination fee of approximately \$1.24 million.

The Amalgamation Agreement is included herein as Exhibit 2.1 and is incorporated herein by reference. The forgoing description of the Amalgamation Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to such document.

The Amalgamation Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Peak, S&G or Merger Sub. As described above, the Amalgamation Agreement contains representations and warranties of each of Peak, S&G and Merger Sub made to the other parties to the Amalgamation Agreement. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Amalgamation Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Amalgamation Agreement. Accordingly, investors should not rely on the representations or warranties as characterizations of the actual state of facts at the time they were made or otherwise.

Certain affiliates of Peak have entered into a voting agreement with S&G, in connection with the Merger. The voting agreement provides that such Peak shareholders will vote their shares of Peak common stock in favor of the approval of the Amalgamation Agreement, the amalgamation and the transactions contemplated thereby. A copy of the voting agreement is attached hereto as Exhibit 2.2 and is incorporated herein by reference.

On March 27, 2008, Peak and S&G issued a joint press release announcing that Peak and S&G had entered into the Amalgamation Agreement. The joint press release of Peak and S&G announcing the execution of the Amalgamation Agreement is attached to this report as Exhibit 99.1.
