Basic earnings per common share $\frac{\text{net income available to common shareholders}}{\text{Average number of common stock during the fiscal year}}$

$\frac{\text{Net income available to common shareholders}^*}{\text{Average number of common stock during the fiscal year}^{**}}$

Diluted earnings per common share $\frac{\text{net income available to common shareholders}}{\text{Average number of common stock during the fiscal year} + \text{Number of dilutive potential common stock}}$

$\frac{\text{Net income available to common shareholders}^* + \text{Adjustments in net income assuming dilution}}{\text{Average number of common stock during the fiscal year}^{**} + \text{Number of dilutive potential common stock}}$

Net income available to common shareholders as a percentage of total average shareholders equity

$\frac{\text{Net income available to common shareholders}^*}{\text{Total average shareholders equity}} \times 100$

Total shareholders equity per common share

$\frac{\text{Total shareholders equity at end of fiscal year} - \text{Number of preferred stock at end of fiscal year} \times \text{Issue price}}{\text{Number of common stock at end of fiscal year}^{**}}$

* excluding cash dividends paid to preferred shareholders and beneficial conversion feature

** excluding treasury stock and parent's common stock owned by subsidiaries and affiliated companies

Note: Effective September 30, 2007, MUFJ declared a stock split whereby each common and preferred share was split into 1,000 common and preferred shares. As a result, the number of shares and per share information have been retroactively adjusted.

This report is an excerpt of certain highlights from our consolidated financial information under U.S. GAAP that is included in our annual report on Form 20-F (Form 20-F) to be filed with the U.S. Securities and Exchange Commission. This excerpt report does not contain all of the information that may be important to you. In addition to the items highlighted in this report, the Form 20-F includes material disclosure about Mitsubishi UFJ Financial Group, Inc., including risk factors and business and other detailed U.S. GAAP financial information. You should read the entire Form 20-F carefully to obtain a comprehensive understanding of our business and U.S. GAAP financial data and related issues.

This report contains forward-looking statements regarding estimation, forecast, target and plan in relation to the results of operations, financial conditions and other general management of the company and/or the group as a whole (the forward-looking statements). The forward-looking statements are made based upon, among other things, the company's current estimations, perceptions and evaluations. In addition, in order for the company to adopt such estimation, forecast, target and plan regarding future events, certain assumptions have been made, which assumptions are inherently subjective and uncertain. The forward-looking statements should not be viewed as guarantees of future performance as actual results may be significantly different. For instance, the statements regarding realizability of the deferred tax assets are based on estimation and other assumptions such as our business plan and the premises thereof, and exemplify such situation as above. There exist a number of factors that might lead to uncertainties and risks, including, but not limited to, the recent instability in global financial markets. For the key factors that should be considered, please see the financial highlight, the Annual Securities Report, Disclosure Book, Annual Report, Form 20-F and other

current disclosures that the company has publicly released.
