**EXPLANATORY NOTE**

This post-effective amendment no. 1 to Form S-3 on Form S-1 is being filed to convert our registration statement on Form S-3 (File No. 333-145919, which became automatically effective upon filing on September 7, 2007) (the "Registration Statement"), which registered an indeterminate number of shares of our common stock, shares of our preferred stock, warrants, and debt securities for sale from time to time, in one or more offerings, pursuant to a prospectus supplement related thereto, into a Form S-1. On March 2, 2009, we filed our annual report on Form 10-K for the year ended December 31, 2008. At that time we ceased to be eligible to register securities on Form S-3. Accordingly, we hereby amend the Registration Statement to terminate its applicability to offers and sales by the registrant on an immediate, continuous, or delayed basis pursuant to Rule 415(a)(1)(x) and hereby amend it to provide for its use for the issuance of shares of our common stock upon exercise of outstanding options, warrants or rights pursuant to Rule 415(a)(1)(iii), upon conversion of outstanding securities pursuant to Rule 415(a)(1)(iv), and for resales by certain persons or classes of persons pursuant to Rule 415(a)(1)(i), by filing this amendment. This amended Registration Statement relates to the registration of (i) 26,082,927 shares of our common stock, \$0.25 par value per share, issuable upon exercise of certain warrants previously issued under the Registration Statement, (ii) 460,976 shares of our common stock, \$0.25 par value per share, issuable upon exercise of certain warrants we issued in a private placement, (iii) 2,565,022 shares of our common stock issuable upon the conversion of certain shares of preferred stock we issued in a private placement, and (iv) the resale by certain selling stockholders named herein of shares of our common stock issued to such selling stockholders under clauses (ii) and (iii).

**RISK FACTORS**

*You should consider the Risk Factors included under Item 1A. to our Annual Report on Form 10-K for the fiscal year ended December 31, 2008, which is incorporated by reference in this prospectus. The market or trading price of our securities could decline due to any of these risks. In addition, please read Information Regarding Forward-Looking Statements in this prospectus, where we describe additional uncertainties associated with our business and the forward-looking statements included or incorporated by reference in this prospectus. Please note that additional risks not presently known to us or that we currently deem immaterial may also impair our business and operations.*

**INFORMATION REGARDING FORWARD-LOOKING STATEMENTS**

Some of the statements included in this prospectus and the other public filings incorporated by reference herein constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended ( Securities Act ) and Section 21E of the Securities Exchange Act of 1934, as amended ( Exchange Act ). Forward-looking statements are statements of expectations, beliefs, plans, objectives, assumptions or future events or performance. Words or phrases such as may, will, could, anticipate, believe, should, estimate, expect, plan, predict, project, will likely result, will continue, or similar expressions identify forward-looking statements.

Forward-looking statements are not guarantees of future performance and involve risks and uncertainties that could cause actual results or outcomes to differ materially from those expressed. Our expectations, beliefs and projections are expressed in good faith and are believed by us to have a reasonable basis including, without limitation, management's examination of historical operating trends, data contained in records and other data available from third parties, but there can be no assurance that our expectations, beliefs or projections will be achieved or accomplished. In addition to other factors and matters discussed elsewhere in this prospectus supplement or incorporated by reference, some important factors that could cause our actual results or outcomes to differ materially from those discussed in forward-looking statements include:

metals prices and price volatility;

volatility of metals production and costs;

exploration risks and results;

variance in ore grades;

our ability to obtain financing for working capital, construction costs and the repayment of any future maturing debt;

capital market conditions, including interest rate fluctuations and capital availability;

project development risks;

general economic, political, financial market, and infrastructure conditions;

compliance with the terms and conditions of existing or future financings;

mining risks and hazards;

risks inherent in foreign exploration activities and operations;

remediation, reclamation, and environmental costs;

the results or settlements of pending litigation;

cash flow;

currency fluctuations and currency exchange regulations;

reserve estimates;

changes in, and compliance with, environmental laws and policies;

financial or regulatory accounting principles or policies imposed by governing bodies;

political risks;

new federal, state and local laws that could have adverse effects on operating results;

legal and regulatory proceedings and issues;

the impact of any acquisitions or dispositions of operations, assets, entities, or mining properties; and

employee workforce factors, including strikes, work stoppages and the loss of key executives.

Any forward-looking statement speaks only as of the date on which such statement is made, and, except as required by law, we undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events. New factors emerge from time to time and it is not possible for management to predict all such factors, nor can it assess the impact of any such factor on the business or the extent to which any factor, or combination of factors, may cause results to differ materially from those contained in any forward-looking statement.

### **USE OF PROCEEDS**

To the extent convertible preferred stock is converted into common stock, we will receive no proceeds, although our obligations to pay any dividends or liquidation preference on such converted shares of preferred stock will cease upon conversion. To the extent warrants are exercised on a cashless basis, we will receive no proceeds. To the extent the warrants are exercised for cash, we will receive the exercise price for those warrants. Otherwise, the net proceeds from any disposition of the shares covered hereby will be received by the Selling Stockholders. We will not receive any of the proceeds from the sale by the Selling Stockholders of the common stock offered by this prospectus. If all of the warrants covered by this prospectus are exercised in full for cash, we will receive proceeds of approximately \$66 million.

We intend to use any net proceeds from the exercise of the warrants to repay indebtedness under our term loan facility at least to the extent required by the facility, and to use the remainder for working capital and general corporate purposes. Our term loan facility requires that 75% of the net proceeds of the exercise of our warrants covered by this prospectus be used to reduce indebtedness outstanding under our term loan facility.

Included in the warrants covered by this prospectus are those we issued on February 10, 2009, when we closed an underwritten public offering of 36.8 million shares of common stock and Series 3 Warrants to purchase 18.4 million shares of our common stock (which numbers include the underwriters' exercise of their over-allotment option). The securities were issued in the form of units ( "Units" ), with each Unit consisting of one share of our common stock and one-half Series 3 common stock purchase warrant. The Units were sold at a price of \$2.05 per Unit. Each whole warrant is exercisable for a share of our common stock at a price of \$2.50 per share, and expires on August 10, 2014. Canaccord Adams acted as the underwriter for this public offering.

The Units were sold under a base prospectus dated as of September 7, 2007, as supplemented by a prospectus supplement filed with the SEC on February 5, 2009, both of which were a part of the registration statement of which this prospectus is a part. More information concerning the offering of Units can be obtained from our Current Reports on Form 8-K filed with the SEC on February 9, 2009 and February 12, 2009, each of which is incorporated by reference in this prospectus. Please refer to "Where You Can Find More Information" below for directions on obtaining those documents.

The Underwriting Agreement pursuant to which we sold the Units to the underwriters is included as an exhibit to our Current Report on Form 8-K filed with the SEC on February 9, 2009, which is incorporated by reference in this prospectus. Please refer to "Where You Can Find More Information" below for directions on obtaining that document. Among the terms of the Underwriting Agreement, we are required to use our best efforts to file a shelf registration statement with the SEC and to maintain its effectiveness for a period of time, with respect to the issuance of shares of common stock issuable upon exercise of the Series 3 Warrants (holders of Series 3 Warrants are referred to hereinafter as the "Series 3 Warrant Holders" ). This prospectus is part of the registration statement filed in satisfaction of our obligations.

In addition to our obligations to the Series 3 Warrant Holders, this prospectus is part of the registration statement filed in satisfaction of our obligations with respect to two other recent transactions. Below, in the section of this prospectus entitled "Selling Stockholders," we describe these two other recent transactions which involved, respectively, the sale of (i) shares of our Series 12% Convertible Preferred Stock, and (ii) approximately 10,244,000 shares of our common stock, along with Series 1 Warrants to purchase up to 8,143,903 shares of our common stock.

**SELLING STOCKHOLDERS**

We have prepared this prospectus, in part, to facilitate the sale by the Selling Stockholders, from time to time, of up to 8,879,657 shares of our common stock, which they may acquire (i) upon conversion of shares of our 12% Convertible Preferred Stock we sold to certain Selling Stockholders in a private placement and (ii) upon the exercise of Series 1 Warrants which are held by certain Selling Stockholders.

All of the common stock offered by this prospectus may be offered by the Selling Stockholders for their own accounts. We would not receive any proceeds from any such sale of these shares. To the extent any of the warrants are exercised for cash, if at all, we will receive the exercise price for those warrants.

**February 2009 Private Placement of Preferred Stock**

In September 2005, we entered into a revolving credit agreement with the Bank of Nova Scotia ( Scotia ), an affiliate of Calder & Co., one of the Selling Stockholders. On or about April 16, 2008, we entered into an amended and restated credit agreement with Scotia (the Credit Agreement ), and Scotia subsequently syndicated a portion of the loan to other banks, including (i) BNP Paribas, an affiliate of Paribas North America, Inc., one of the Selling Stockholders, (ii) ING Capital, LLC, one of the Selling Stockholders, and (iii) WestLB AG, one of the Selling Stockholders. The Credit Agreement has been amended four times subsequent to April 16, 2008 and it and each of the amendments is included as an exhibit to the registration statement of which this prospectus is a part, each of which is incorporated by reference in this prospectus.

On February 3, 2009, we announced we had entered into the Fourth Amendment to our Credit Agreement (the Fourth Amendment ). The Fourth Amendment modified our term loan facility, which had been used by us to partially fund our acquisition of the companies owning 70.3% of the Greens Creek Mine, by deferring all of our regularly scheduled principal payments in 2009 so that our next regularly scheduled principal payments are \$15 million on March 31, 2010 and on the last day of each calendar quarter thereafter until the maturity date of March 31, 2011, on which the then remaining principal amount is due and payable. In exchange for this principal payment deferral, we agreed in the Fourth Amendment to, among other things, pay an additional fee to our lenders upon effectiveness of the Fourth Amendment, and on each subsequent July 1<sup>st</sup> and January 1<sup>st</sup> (until the term facility is paid off in full), by issuing to the lenders an aggregate amount of a new series of 12% Convertible Preferred Stock ( 12% Convertible Preferred Stock ) equal to 3.75% of the aggregate principal amount of the term facility outstanding on such respective dates. The Fourth Amendment became effective on February 10, 2009, and on that day we issued an aggregate of 42,621 shares of our Series 12% Convertible Preferred Stock (liquidation value \$100 per share) to the lenders under the Credit Agreement, who are identified below as Selling Stockholders (collectively, those lenders are referred to as the 12% Convertible Preferred Selling Stockholders ).

The terms of our 12% Convertible Preferred Stock are set forth in our Certificate of Designations of 12% Convertible Preferred Stock filed with the State of Delaware, and a copy of which is included under Item 15 as an exhibit to our Annual Report on Form 10-K for the fiscal year ended December 31, 2008, which is incorporated by reference in this prospectus. Please refer to Where You Can Find More Information below for directions on obtaining that document. Among the terms of the 12% Convertible Preferred Stock, we are required to use our reasonable best efforts to file a shelf registration statement with the Securities and Exchange Commission ( SEC ) and to maintain its effectiveness for a period of time, with respect to the resale of the shares of common stock into which the 12% Convertible Preferred Stock may convert at the holder's option, and this prospectus is part of the registration statement filed in satisfaction of our obligations.

In addition to the Credit Agreement, as amended, Scotia Capital (USA) Inc., an affiliate of Scotia, acted as an underwriter for our September 2008 public offering of common stock at \$5.00 per share that yielded net proceeds to us of approximately \$163 million (which number includes the underwriters' exercise of their over-allotment option). The underwriters, including Scotia Capital (USA) Inc., received an underwriting discount of \$0.225 per share.

Scotia Capital (USA) Inc. also acted as an underwriter for our December 2007 public offering of 6.5% mandatory convertible preferred stock at \$100.00 per share that yielded net proceeds to us of approximately \$194.7 million (which number includes the underwriters' exercise of their over-allotment option). The underwriters, including Scotia Capital (USA) Inc., received an underwriting discount of \$3.00 per share.

**Table of Contents****December 2008 Registered Direct Sale of Common Stock and Series 1 and Series 2 Warrants**

On December 11, 2008, we sold to several institutions identified below as Selling Stockholders (collectively, those institutions are referred to as the Series 1 Selling Stockholders ) approximately 10,244,000 shares of our common stock, priced at \$2.05 per share, along with Series 1 Warrants to purchase up to 7,682,927 shares of our common stock at an exercise price of \$2.45 per share, expiring on or about June 9, 2014, and Series 2 warrants to purchase up to 7,682,927 shares of our common stock at an exercise price of \$2.35 per share, which expired unexercised on February 28, 2009. Rodman & Renshaw, LLC, a wholly owned subsidiary of Rodman & Renshaw Capital Group, Inc., acted as our placement agent for the offering, and received a placement fee equal to \$945,000 as well as Series 1 Warrants to purchase 460,976 shares of our common stock at an exercise price of \$2.56 per share. The shares of our common stock and the Series 1 and Series 2 Warrants were offered and sold under a base prospectus dated as of September 7, 2007, as supplemented by a prospectus supplement filed with the SEC on December 10, 2008, both of which were a part of the registration statement of which this prospectus is a part.

The securities were sold pursuant to a Securities Purchase Agreement between us and each of the Series 1 Selling Stockholders, and that agreement is included as an exhibit to the registration statement of which this prospectus is a part, and is incorporated by reference in this prospectus. Among the terms of the Series 1 Warrants, we are required to use our best efforts to file a shelf registration statement with the SEC and to maintain its effectiveness for a period of time, with respect to the shares of common stock issuable upon exercise of the Series 1 Warrants. This prospectus is part of the registration statement filed in satisfaction of our obligations.

**Security Holdings of Selling Stockholders**

The following table sets forth information with respect to our common stock known to us to be beneficially owned by the Selling Stockholders as of April 3, 2009, including shares obtainable under Series 1 Warrants, and being offered under this prospectus. To our knowledge, except as otherwise disclosed herein, each of the Selling Stockholders has sole voting and investment power over the common stock listed in the table below. Except as otherwise disclosed herein (including the documents incorporated herein by reference), no Selling Stockholder, to our knowledge, has had a material relationship with us during the three years immediately preceding this offering, other than as an owner of our common stock or other securities. We are not able to estimate the amount of shares that will be held by each Selling Stockholder after the completion of this offering because each Selling Stockholder may offer all or some of its shares, and, except as indicated in the following table, there currently are no agreements, arrangements, or understandings with respect to the sale of any of the shares. The following table assumes that all of the shares being registered pursuant to this prospectus will be sold.

## **Table of Contents**

This prospectus also covers any additional shares of common stock that become issuable in connection with the shares being registered by reason of any stock dividend, stock split, recapitalization, or other similar transaction effected without the receipt of consideration which results in an increase in the number of our outstanding shares of common stock.

### **PLAN OF DISTRIBUTION**

#### **Conversion of Preferred Stock**

Each share of 12% Convertible Preferred Stock will be convertible based upon its liquidation value plus any accrued and unpaid dividends, in whole or in part at the option of the holder thereof, at any time after the issuance, into shares of common stock at the conversion price of \$1.74 per share of common stock (equivalent to a conversion rate of 57.47 shares of common stock for each share of 12% Convertible Preferred Stock before calculating the shares issuable upon conversion of any accrued and unpaid dividends).

#### **Exercise of the Warrants**

Holders of the Series 3 Warrants and the Series 1 Warrants may exercise their respective Warrants to purchase shares of our common stock on or before the applicable expiration date by delivering to us (i) notice of exercise, appropriately completed and duly signed, and (ii) if such holder is not utilizing the cashless exercise provisions with respect to the Warrants, payment of the exercise price for the number of shares with respect to which the Warrant is being exercised. Warrants may be exercised in whole or in part, but only for full shares of common stock, and any portion of a Warrant not exercised prior to the expiration date shall be and become void and of no value.

In addition, the holders of the Warrants may make (some Warrant holders are required to make) a cashless exercise if, at any time of exercise, there is no effective registration statement registering, or no current prospectus available for, the issuance or resale of the shares of common stock underlying the Warrants. This means the holders of the Warrants would receive fewer shares of common stock without paying the cash exercise price. The number of shares to be issued would be determined by a formula based on the total number of shares with respect to which the Warrant is being exercised, the volume weighted average of the prices per share of our common stock on the trading date immediately prior to the date of exercise and the applicable exercise price of the Warrants.

The shares of common stock issuable on exercise of the Warrants will be, when issued and paid for in accordance with the respective Warrants, duly and validly authorized, issued and fully paid and non-assessable. We will authorize and reserve at least that number of shares of common stock equal to the number of shares of common stock issuable upon exercise of all outstanding Warrants.

### **Resales**

The Selling Stockholders, which as used herein include donees, pledgees, transferees, or other successors-in-interest selling shares of common stock or interests in shares of common stock received after the date of this prospectus from another Selling Stockholder as a gift, pledge, or other transfer, may, from time to time, sell, transfer, or otherwise dispose of any or all of their shares of common stock or interests in shares of common stock on any stock exchange, market, or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The Selling Stockholders may use any one or more of the following methods when disposing of shares or interests therein:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

short sales effected after the effective date of the registration statement of which this prospectus is a part;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

broker-dealers may agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share; or

a combination of any such methods of sale.

The Selling Stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of Selling Stockholders to include the pledgee, transferee, or other successors in interest as Selling Stockholders under this prospectus. The Selling Stockholders also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with any sale of our common stock or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The Selling Stockholders may also sell shares of our common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

## Edgar Filing: HECLA MINING CO/DE/ - Form POS AM

The aggregate proceeds to the Selling Stockholders from any sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. Each of the Selling Stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We would not receive any of the proceeds from any such sale.

## **Table of Contents**

The Selling Stockholders and other recipients of common stock issued by us hereunder upon exercise of warrants or conversion of preferred stock also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided that they meet the criteria and conform to the requirements of that rule, or otherwise permitted by applicable law.

The Selling Stockholders and any underwriters, broker-dealers or agents that participate in the sale of the common stock or interests therein may be deemed to be underwriters within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. If the Selling Stockholder uses this prospectus for any sale of the shares of common stock, it will be subject to the prospectus delivery requirements of the Securities Act.

To the extent required, the shares of our common stock to be sold, the names of the Selling Stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, and any applicable commissions or discounts with respect to a particular offer will be set forth in this prospectus, a prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the Selling Stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the Selling Stockholders and their affiliates. In addition, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the Selling Stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The Selling Stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify certain Selling Stockholders against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We will pay all fees and expenses in connection with the registration statement, of which this prospectus constitutes a part, excluding any underwriting discounts and selling commissions and including without limitation registration and filing fees, printing expenses, messenger, telephone and delivery expenses, and fees and expenses of other advisors retained by us in connection herewith.

We have agreed with the 12% Convertible Preferred Selling Stockholders to keep the registration statement, of which this prospectus constitutes a part, effective until the earlier of such time as all such shares of common stock issuable upon conversion of the 12% Convertible Preferred Stock are freely tradable by the holders thereof without registration or two years from the date in which all holders of the 12% Convertible Preferred Stock will have exercised their conversion rights with respect to all of their shares and have been issued common stock in connection therewith. We have also agreed with the Series 3 Warrant Holders to keep the registration statement, of which this prospectus constitutes a part, effective until August 10, 2014 (the expiration date of the Series 3 Warrants).

**ITEM 14. INDEMNIFICATION OF DIRECTORS AND OFFICERS**

We are organized under the Delaware General Corporation Law (DGCL) which empowers Delaware corporations to indemnify any director or officer, or former director or officer, who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred in connection with such action, suit or proceeding, provided that such director or officer acted in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, provided further that such director or officer has no reasonable cause to believe his conduct was unlawful.

The DGCL also empowers Delaware corporations to provide similar indemnity to any director or officer, or former director or officer, for expenses, including attorneys' fees, actually and reasonably incurred by the person in connection with the defense or settlement of actions or suits by or in the right of the corporation if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the interests of the corporation, except in respect of any claim, issue or matter as to which such director or officer shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all of the circumstances of the case, such director or officer is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

The DGCL further provides that (i) to the extent a present or former director or officer of a corporation has been successful in the defense of any action, suit or proceeding described above or in the defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person, in connection therewith; and (ii) indemnification and advancement of expenses provided for, by, or granted pursuant to, the DGCL shall not be deemed exclusive of any other rights to which the indemnified party may be entitled.

The DGCL permits a Delaware corporation to purchase and maintain on behalf of any director or officer, insurance against liabilities incurred in such capacities. The DGCL also permits a corporation to pay expenses incurred by a director or officer in advance of the final disposition of an action, suit or proceeding, upon receipt of an undertaking by the director or officer to repay such amount if it is determined that such person is not entitled to indemnification.

The DGCL further permits a corporation, in its original certificate of incorporation or an amendment thereto, to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for violations of the director's fiduciary duty except: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

II-1

**Table of Contents**

Our certificate of incorporation, as amended, eliminates the personal liability of directors to us or our stockholders for monetary damages for breach of fiduciary duty to the extent permitted by Delaware law. Our certificate of incorporation, as amended, and by-laws, as amended, provide that we will indemnify our officers and directors to the fullest extent permitted by Delaware law.

In addition, we have entered into an Indemnification Agreement with each of our officers and directors, which states that if the officer or director that is a party to the agreement was, is, or becomes a party to or witness or other participant in, or is threatened to be made a party to, or witness or other participant in, any threatened, pending, or completed action, suit, or proceeding or any inquiry or investigation, whether conducted by us or any other party, by reason of (or arising in part out of) any event or occurrence related to the fact that the officer or director is or was our director, officer, employee, agent, or fiduciary or is or was serving at our request as a director, officer, employee, trustee, agent, or fiduciary of another corporation, partnership, joint venture, employee benefit plan, trust, or other enterprise or by reason of anything done or not done by the officer or director that is a party to the agreement in any such capacity, we shall indemnify such officer or director to the fullest extent permitted by law and New York Stock Exchange requirements against any and all attorneys' fees and all other costs, expenses, and obligations paid or incurred in connection with investigating, defending, being a witness in, or participating in any claim described above, and judgments, fines, penalties, and amounts paid in settlement of any claim described above, provided that a member or members of our board of directors has not concluded upon review of the claim that the director or officer party to the agreement would not be permitted to be indemnified under applicable law. Prior to our change in control, as defined in the agreement, the director or officer who is a party to the agreement will not be entitled to indemnification in connection with any claim described above by such officer or director against us or any of our other directors or officers except under certain circumstances. In the event of a change in control, as defined in the agreement, other than a change in control which has been approved by a majority of our board of directors who were directors immediately prior to such change in control, then with respect to all matters thereafter rising concerning the rights of the director or officer party to the agreement to indemnity payments, we are required to seek legal advice only from special, independent counsel selected by such officer or director and approved by us.

The foregoing statements are subject to the detailed provisions of the DGCL and our certificate of incorporation, as amended and our bylaws, as amended.

**ITEM 17. UNDERTAKINGS**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a further post-effective amendment to the registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

## **Table of Contents**

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) If the Registrant is relying on Rule 430B:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

**Table of Contents**

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(c) The undersigned Registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of the registration statement in reliance upon Rule 430A and contained in the form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of the registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
