Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 17, 2008 and May 28, 2009, NASDAQ OMX's board of directors approved amendments to NASDAQ OMX's By-Laws that took effect on August 24, 2009, following SEC approval.

The By-Law amendments were intended to make improvements to corporate governance and update several provisions. The amendments included the following items.

Article I was amended to reflect certain subsidiary name changes.

Article III was amended to modify the procedures governing proposals by stockholders, including proposals by stockholders to nominate directors.

Article IV was amended to state explicitly that the management compensation committee and the audit committee of the board of directors must be composed exclusively of independent directors within the meaning of the rules of The NASDAQ Stock Market (and, in the case of the audit committee, Section 10A of the Exchange Act). Although NASDAQ OMX adheres to the independence requirements imposed by The NASDAQ Stock Market and the Exchange Act, it believes that these requirements should be explicitly stated in the By-Laws.

Article IV was amended to adopt a nominating committee structure typical of publicly-traded companies in which the committee is composed exclusively of independent directors. Prior to the By-Law changes, NASDAQ OMX's nominating committee was composed of persons who were not directors or who were directors not standing for re-election.

Article VIII was amended to provide that NASDAQ OMX shall provide indemnification against liability, advancement of expenses and the power to purchase and maintain insurance on behalf of persons serving as a director, officer or employee of any wholly owned subsidiary of NASDAQ OMX to the same extent as indemnification, advancement of expenses and the power to maintain insurance is provided for directors, officers or employees of NASDAQ OMX.

Article IX was amended to modernize the language of the provisions dealing with capital stock to reflect possible participation in the Direct Registration System.

Article XII was amended to clarify the provisions that govern the relationships between NASDAQ OMX and each of its subsidiaries that is a self-regulatory organization.

The text of the amended and restated By-Laws is attached to this Current Report on Form 8-K as Exhibit 3.2.

Item 9.01. Financial Statements and Exhibits.
