PROXY STATEMENT

INTRODUCTION

General

The preceding Notice of Annual Meeting of Shareholders, this Proxy Statement and the enclosed proxy card are being furnished by Key Tronic Corporation, a Washington corporation (the Company), to the holders of outstanding shares of Common Stock, no par value, of the Company (Common Stock) in connection with the solicitation of proxies by the Board of Directors of the Company from holders of such shares. The proxies are to be used at the Annual Meeting of Shareholders of the Company to be held on Thursday, October 22, 2009 at 10:00 a.m. Pacific Time at the principal executive offices of the Company, 4424 N. Sullivan Road Lower Level, Spokane Valley, Washington 99216, and any adjournments or postponements thereof (the Annual Meeting). The proxies appoint Craig D. Gates and Dale F. Pilz, each of them and their substitutes, as proxy to vote all shares represented at the Annual Meeting pursuant to this proxy solicitation.

Record Date, Proxies, Revocation

Record holders of the Common Stock at the close of business on September 2, 2009 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date 10,065,974 shares of Common Stock were issued and outstanding. A proxy card for use at the Annual Meeting is enclosed with this Proxy Statement. All completed, signed and dated proxies returned to the Company will be voted at the Annual Meeting in accordance with the instructions thereon. *If no instructions are given on an otherwise signed and dated proxy card, the proxy will be voted FOR the election of nominees for director named below, and FOR the ratification of the appointment of BDO Seidman, LLP as the Company's independent auditors for fiscal year 2010.* Any proxy may be revoked at any time before it has been voted by giving written notice of revocation to the Secretary of the Company at the address set forth above; by delivering a completed, signed proxy bearing a date later than any earlier proxy; or by voting shares in person at the Annual Meeting. The mere presence at the Annual Meeting of the shareholder who has given a proxy will not revoke such proxy.

Voting

Each share of Common Stock outstanding is entitled to one vote on each matter presented for a vote of the shareholders at the Annual Meeting. Under applicable law and the Company's Restated Articles of Incorporation and Amended and Restated By-Laws, if a quorum exists at a meeting: (i) the six nominees for election as directors who receive the greatest number of votes cast for the election of directors by the shares present in person or represented by proxy and entitled to vote shall be elected directors and (ii) matter 2 listed in the accompanying Notice of Annual Meeting of Shareholders will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast against it. In the election of directors, any action other than a vote for a nominee will have the practical effect of voting against the nominee. An abstention from voting or a broker nonvote will have no effect on the approval of matter 2 since neither represents a vote cast.

PROPOSAL 1

ELECTION OF DIRECTORS

Six directors are to be elected at the Annual Meeting to serve until the next Annual Meeting of Shareholders and until their respective successors have been elected and have qualified. The six nominees receiving the highest number of affirmative votes will be elected as directors. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected. CORPORATE GOVERNANCE AND BOARD OF DIRECTORS MATTERS

Board Meetings

All directors hold office until the next Annual Meeting of Shareholders and until their successors have been elected and have qualified. There are no family relationships among any of the directors or executive officers of the Company. The Company's Board of Directors met four times during fiscal 2009. During fiscal 2009, each director attended 95% of the Board of Directors meetings and 97% of meetings of committees of the Board of Directors on which the director served during the time he served on the Board or committee.

Directors Independence

The Board of Directors has determined that all members of the Company's Board of Directors are independent directors within the meaning of the applicable Nasdaq Stock Market (NASDAQ) listing standards, except for Mr. Gates, the Company's current President and Chief Executive Officer and Mr. Oehlke, the Company's former President and CEO.

The Board of Directors also has determined that all members of the Audit Committee (1) meet the definition of independence contained in the NASDAQ listing standards; (2) meet the requirements of the Securities and Exchange Commission (SEC) Rule 10A-3(b)(1); (3) have not participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years; and (4) are able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement, as required by the NASDAQ Marketplace Rules.

The Board of Directors has determined that Patrick Sweeney, a member of the Audit Committee, has the requisite attributes of an audit committee financial expert as defined by SEC regulations and that such attributes were acquired through relevant education and/or experience.

Executive Sessions

At one of the four regular meetings of the Board of Directors held during fiscal year 2009, the independent directors met separately in executive session without management present.

Code of Conduct

The Board of Directors has adopted a written Code of Conduct which applies to all directors, officers and employees of the Company. The Code of Conduct is available on the Company's website at www.keytronic.com. The Company intends to disclose on its website any amendments to or waivers of the Code of Conduct.

Shareholder Communications

Shareholders of Key Tronic Corporation may send written communications to the Board of Directors or any of its members by certified mail only, addressed to the Board of Directors or any member, c/o General Counsel & Secretary, Key Tronic Corporation, N. 4424 Sullivan Road Lower Level, Spokane Valley, WA 99216. All such shareholder communications will be compiled by the General Counsel & Secretary and submitted to the Board of Directors or Board member.

Nominations to the Board

The Governance and Nominating Committee will consider written proposals from shareholders for directors to be elected at the annual meeting which are submitted to the Secretary of the Company, together with biographical information and references, at least six months prior to the annual meeting.

Board Committees

The Board of Directors has four standing committees: the Audit Committee, the Compensation and Administration Committee, the Executive Committee and the Governance and Nominating Committee. The committees each have written charters approved by the Board. The charters of the Audit Committee, the Compensation and Administration Committee and the Governance and Nominating Committee are available on the Company's website at www.keytronic.com.

The **Audit Committee**, which currently consists of Messrs. Sweeney (Chairman), Bean and Pilz met nine times during fiscal 2009. The Audit Committee monitors the integrity of the Company's financial statements, financial reporting processes and systems of internal controls regarding finance, accounting and legal compliance; selects and appoints the Company's independent auditors, pre-approves all audit and non-audit services to be provided to the Company by the Company's independent auditors, and establishes the fees and other compensation to be paid to the independent auditors; monitors the qualifications, independence and performance of the Company's independent auditors; and establishes procedures for the receipt, retention, response to and treatment of complaints, including confidential, anonymous submissions by the Company's employees, regarding accounting, internal controls or auditing matters, and provides an avenue of communication among the Board, the independent auditor and management.

The **Compensation and Administration Committee** (Compensation Committee) which currently consists of Messrs. Shamash (Chairman), and Pilz, met three times during fiscal 2009. The Committee establishes and reviews annually the Company's general compensation policies applicable to the Company's executive officers and other key employees, reviews and approves the level of compensation awarded to the Company's Chief Executive Officer and other officers and key management employees, prepares and delivers annually to the Board a report disclosing compensation policies applicable to the Company's executive officers and the basis for the Chief Executive Officer's compensation during the last fiscal year and makes recommendations to the Board regarding changes to existing compensation plans. The Committee administers the Company's incentive compensation plans and stock option plans, including determining the individuals to receive awards and options and the terms of such awards and options.

The **Executive Committee**, which currently consists of Messrs. Sweeney (Chairman), Oehlke and Pilz did not meet during fiscal 2009. The Executive Committee generally exercises the authority of the Board of Directors with respect to the management and operation of the Company between meetings of the Board of Directors.

The **Governance and Nominating Committee**, which currently consists of Messrs. Sweeney (Chairman), Bean and Pilz met one time during fiscal 2009. The Committee makes recommendations to the Board regarding corporate governance, recommends for selection by the Board nominees for election as Directors and makes recommendations to the Board with respect to the structure and composition of the Board. The Committee evaluates potential director nominees based upon a number of criteria, including the potential nominee's skills, relevant experience and independence. The Committee has no specific minimum

qualifications which must be met by a potential director nominee. Each potential nominee is considered on a case by case basis. Potential nominees may be identified to the Committee by members of the Board, officers of the Company, shareholders or other persons. The Committee evaluates each potential nominee in the same manner regardless of the source of the potential nominee's recommendation. The Company has not paid any third party a fee to assist in identifying and evaluating potential director nominees. The Committee has not rejected any potential nominee recommended within the preceding year by a beneficial owner of more than 5% of the Company's Common Stock.

Related Person Transactions

In April 2007, the Board of Directors adopted a written policy and procedures for the approval or ratification of Interested Transactions with Related Parties. The policy and procedures supplement the Company's Code of Conduct. The policy defines an Interested Transaction as any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships (including any indebtedness or guarantee of indebtedness) in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) the Company is a participant, and (3) any Related Party has or will have a direct or indirect interest (other than solely as a result of being a director or a less than 10 percent beneficial owner of another entity).

The policy defines a Related Party as any (a) person who is or was (since the beginning of the last fiscal year for which the Company has filed a Form 10-K and proxy statement, even if they do not presently serve in that role) an executive officer, director or nominee for election as a director, (b) greater than 5 percent beneficial owner of the Company's common stock, or (c) immediate family member of any of the foregoing. Immediate family member includes a person's spouse, parents, stepparents, children, stepchildren, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, and brothers- and sisters-in-law and anyone residing in such person's home (other than a tenant or employee).

The Audit Committee is responsible for review, approval, ratification or disapproval of Interested Transactions. In determining whether to approve or ratify an Interested Transaction, the Committee will take into account, among other factors it deems appropriate, whether the Interested Transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the Related Party's interest in the Transaction. With the exception of the Transition Agreement with Mr. Oehlke (see Employment Contracts, pages 11-12), the Company had no related Party Transactions during fiscal year 2009.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Board of Directors has a Compensation Committee presently consisting of Messrs. Shamash and Pilz. No member of the Compensation Committee was an officer or employee of the Company or any of its subsidiaries during fiscal year 2009. None of the executive officers of the Company has served on the Board of Directors or on the Compensation Committee of any other entity, any of whose officers served either on the Board of Directors or on the Compensation Committee of the Company.

Narrative Disclosure of Summary Compensation Table

Base Salary

Key Tronic provides the Named Executive Officers with a level of guaranteed compensation in the form of base salary. Each position is paid within a range that targets median market salary. Individual salary levels vary around this point based on experience, knowledge, and individual contribution. Ranges were objectively determined using the combined survey data provided by Milliman, Inc.

Annual Incentives

For our Named Executive Officers, annual incentives are tied directly to the achievement of a company-wide financial goal which is profit before taxes (PBT). PBT is the financial goal because of its significant impact on increasing shareholder equity. Target annual incentive levels for the top executives are set at or slightly above typical market practice to enable total direct compensation to be more competitive given that Key Tronic's long-term incentive is cash-based and therefore not completely comparable to what our publicly traded peers offer through the potential appreciation available to them in their equity-based long term incentive plans. The fiscal year 2009 Incentive Compensation Plan provided that if Key Tronic achieved its PBT target, executives would have the opportunity to earn 100% of their incentive target. If PBT exceeded target by 18%, executives would have the opportunity to earn up to 150% of their annual incentive target. If PBT were more than 17% below target level, no incentive would be paid. Key Tronic's PBT for fiscal year 2009 was more than 17% below target level. Therefore no annual incentive payments were earned for fiscal year 2009.

Long-term Incentives

Historically, the primary form of long-term compensation at Key Tronic has been stock options. No options have been granted to any of the Named Executive Officers since October 24, 2002. Beginning in fiscal year 2006, the officers and non-employee directors of Key Tronic became eligible to participate in Key Tronic's Long-term Incentive Plan (LTIP). The LTIP was approved by the Board in September 2005. Under this plan, officers and non-employee directors may be awarded a number of performance units at the start of each fiscal year. These units will have a future value tied directly to the achievement of Board determined and approved goals for a three-year period. At the end of each three-year period, these units will be exchanged for cash at the value set by the Board at the beginning of the three year period based on goal achievement as measured at the end of the three year period. For Mr. Oehlke the award at target for the 2007-2009 performance cycle was \$250,000 of compensation. For Mr. Gates the award at target for the 2007-2009 performance cycle was \$150,000 of compensation. For Mr. Klawitter the award at target for the 2007-2009 performance cycle was \$120,000 of compensation. For Mr. Alford the award at target for the 2007-2009 performance cycle was \$40,000 of compensation. The employment contracts entered into with Messrs. Oehlke and Klawitter also provide that upon termination by the employee in the event the Company changes the substantive responsibilities and duties of the employee in such a way as to constitute a demotion, the Company shall continue to pay employee's base salary in effect prior to termination for a period of one year after termination. During fiscal year 2009, each non-employee Director was awarded 10,000 units under the Plan. If performance measures are met, these units will result in a cash payment ranging from \$5,000 to \$15,000 to each said non-employee Director at the end of fiscal year 2011. Payouts under the Long-term Incentive Plan will depend upon the achievement of goals for three year sales growth and return on invested capital compared to peer group companies.
