**Item 1.01 Entry into a Material Definitive Agreement.**

On October 1, 2009, Ascent Solar Technologies, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Barclays Capital Inc. (Barclays), providing for the sale in a firm commitment offering of 4,615,385 shares of the Company's common stock at a price to the public of \$6.50 per share (the Public Offering). The offer and sale of the shares are registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to the Company's Registration Statement on Form S-3 (File No. 333-156665), which became effective with the United States Securities and Exchange Commission on January 16, 2009. The Company expects the offering to close on or about October 6, 2009. In the Underwriting Agreement, the Company agrees to indemnify Barclays against certain liabilities, including liabilities under the Securities Act, or to contribute to payments that Barclays may be required to make because of any of those liabilities.

On September 29, 2009, the Company entered into a securities purchase agreement (the Securities Purchase Agreement) with Norsk Hydro Produksjon AS, its largest shareholder (Norsk Hydro). Pursuant to the Securities Purchase Agreement, the Company agrees to sell, and Norsk Hydro agrees to purchase, 769,230 restricted shares of the Company's common stock for approximately \$5.0 million in a private placement exempt from registration under the Securities Act. The restricted shares will be sold to Norsk Hydro at a per share price equal to the Public Offering price. The purchase by Norsk Hydro is contingent upon the completion of the Public Offering, and the Company expects the private placement to close on or about October 6, 2009 concurrently with the Public Offering, at which time the Company and Norsk Hydro will also execute a Registration Rights Agreement, pursuant to which Norsk Hydro will be granted demand and piggy-back registration rights.

The foregoing descriptions of the Underwriting Agreement, Securities Purchase Agreement and Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the Underwriting Agreement, Securities Purchase Agreement and Registration Rights Agreement, which are included as Exhibits 1.1, 10.1 and 10.2, respectively, to this Current Report on Form 8-K.

**Item 8.01 Other Events**

The prospectus supplement relating to the Public Offering updated the business description and risk factors contained in Part I, Items 1 and 1A of the Company's Annual Report on Form 10-K for the year ended December 31, 2008. A copy of the updated business description and risk factors are filed herewith as Exhibit 99.1 and incorporated herein by reference.

**Forward-Looking Statements**

This Current Report on Form 8-K, including its exhibits, contains forward-looking statements. Forward-looking statements typically are identified by use of terms such as may, will, should, plan, expect, anticipate, intend, estimate and similar words, although some forward-looking statements are expressed differently. Forward-looking statements represent our management's judgment regarding future events. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, the Company can give no assurance that such expectations will prove to be correct. All statements other than statements of historical fact included in this Current Report on Form 8-K are forward-looking statements. The Company cannot guarantee the accuracy of the forward-looking statements, and you should be aware that the Company's actual results could differ materially from those contained in the forward-looking statements due to a number of factors, including the statements under Risk Factors contained in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission.

**SIGNATURES**
