Item 8.01. OTHER EVENTS

Clear Channel Outdoor Holdings, Inc. (NYSE: CCO), a Delaware corporation and a subsidiary of the Registrant, announced today that its indirect, wholly-owned subsidiary, Clear Channel Worldwide Holdings, Inc., a Nevada corporation, will explore an increase in the size of its proposed offering of senior notes due 2017 (the Notes) from the \$750,000,000 aggregate principal amount previously announced on December 10, 2009 to facilitate the repayment of the then-outstanding balance on the CCOH intercompany note to Clear Channel Communications, Inc. with a corresponding repayment of term loans under the Clear Channel Communications, Inc. senior secured cash flow credit facilities (the CCU Credit Agreement) at par.

The Notes will be senior obligations that rank pari passu in right of payment to all unsubordinated indebtedness of Clear Channel Worldwide Holdings. Clear Channel Outdoor Holdings and certain of its existing and future domestic subsidiaries will guarantee the Notes, and the guarantees of the Notes will rank pari passu in right of payment to all unsubordinated indebtedness of the guarantors.

In connection with the previously announced transaction, counsel for certain lenders delivered a letter asserting that the previously announced transaction and the intended use of proceeds was an event of default under the CCU Credit Agreement. Clear Channel Communications, Inc. has evaluated the assertions made in the letter and believes the assertions made by those lenders were without merit and, in any event, are not relevant in the context of the restructured transactions. It is possible, however, that lenders under the CCU Credit Agreement could raise similar or new claims under the CCU Credit Agreement. We believe any such objections would be without merit and would contest them vigorously.

The Notes will be offered and sold only to qualified institutional buyers in an unregistered offering pursuant to Rule 144A under the Securities Act of 1933, as amended (the Act), and to certain non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Act. The initial issuance and sale of the Notes will not be registered under the Act, and the Notes may not be offered or sold in the United States absent registration or an exemption from the registration requirements of the Act. This press release does not constitute an offer to sell, or the solicitation of an offer to buy, the Notes or any other security and shall not constitute an offer, solicitation or sale in any jurisdiction in which, or to any person to whom, such an offer, solicitation or sale is unlawful.
