Item 1.01. Entry into a Material Definitive Agreement

On March 16, 2010, we entered into an underwriting agreement with Denbury Onshore, LLC and Denbury Gathering & Marketing, Inc., affiliates of Denbury Resources Inc., and certain members of the Davison family (including James E. Davison, a director of the Partnership's general partner) identified in the underwriting agreement, and, as representatives of the several underwriters named in the underwriting agreement, Wells Fargo Securities, LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, UBS Securities LLC and RBC Capital Markets Corporation. The underwriting agreement provided for the secondary public offering of 6,250,000 common units representing limited partnership interests in us that are owned by the selling unitholders. In addition, the underwriters had a 30-day option to purchase up to 937,500 additional common units from the Davison family members to cover over-allotments, which was exercised in connection with the closing of the offering of the 6,250,000 common units. The units being sold are registered under the Securities Act of 1933, as amended, pursuant to registration statements on Form S-3 (File Nos. 333-164483 and 333-150239). The underwriters offered the units at an initial offering price to the public of \$20.50 per unit. The transaction closed on March 19, 2010.

A copy of the underwriting agreement is filed as Exhibit 1.1 hereto and is incorporated herein by reference. The description of the underwriting agreement contained herein is qualified in its entirety by the full text of such exhibit.
