AIRGAS COMMENTS ON AIR PRODUCTS' TENDER OFFER EXTENSION AND ANNOUNCEMENT REGARDING CONSENT DECREE

RADNOR, PA August 16, 2010 Airgas, Inc. (NYSE: ARG) today issued a statement regarding the third extension by Air Products & Chemicals, Inc. (NYSE: APD) ("Air Products") of its unsolicited tender offer.

The Airgas Board of Directors continues to believe that Air Products' unsolicited tender offer is extremely opportunistic and does not fairly compensate Airgas stockholders for Airgas' extraordinary track record, outstanding recent results, increased earnings guidance, excellent future prospects or unique strategic position in the industry.

Today's widely anticipated announcement regarding the Consent Decree with the Staff of the Federal Trade Commission does nothing to change our conviction that the Air Products' offer grossly undervalues Airgas. Airgas has an outstanding history of stockholder value creation and remains confident in its ability to continue delivering superior value to all Airgas stockholders. We are pleased that holders of nearly 80% of Airgas shares have chosen not to tender, notwithstanding Air Products' intensive efforts to get Airgas stockholders to tender by the August 13, 2010, expiration date.

We appreciate the support we have received and encourage all Airgas stockholders not to tender their shares into Air Products' grossly inadequate offer, and similarly encourage those who have tendered to withdraw their shares. Airgas also recommends that stockholders discard any Gold proxy cards they receive and promptly vote the WHITE proxy card FOR the three highly qualified Airgas Directors and AGAINST Air Products' proposed By-Law amendments.
