ITEM 7.01. Regulation FD Disclosure

On November 5, 2010, FTI Consulting, Inc. (FTI) held a conference call relating to the press release issued on November 5, 2010 announcing financial results for the three months and nine months ended September 30, 2010. The full text of the transcript of the conference call is furnished as Exhibit 99.1 hereto and incorporated by reference herein.

FTI defines Adjusted EBITDA as consolidated operating income before depreciation, amortization of intangible assets and special charges plus non-operating litigation settlements. FTI defines Adjusted Segment EBITDA as the segment's share of consolidated operating income before depreciation, amortization of intangible assets and special charges plus non-operating litigation settlements. FTI defines adjusted earnings per diluted share (Adjusted EPS) as earnings per diluted share excluding the per share impact of the special charges and debt extinguishment costs that were incurred in that year. Although Adjusted EBITDA, Adjusted Segment EBITDA and Adjusted EPS are not measures of financial condition or performance determined in accordance with generally accepted accounting principles (GAAP), FTI believes that these measures can be useful operating performance measures for evaluating our results of operations as compared from period to period and as compared to our competitors. EBITDA is a common alternative measure of operating performance used by investors, financial analysts and rating agencies to value and compare the financial performance of companies in our industry. We use Adjusted EBITDA and Adjusted Segment EBITDA to evaluate and compare the operating performance of our segments and it is one of the primary measures used to determine employee incentive compensation.

Adjusted EBITDA, Adjusted Segment EBITDA and Adjusted EPS are not defined in the same manner by all companies and may not be comparable to other similarly titled measures of other companies unless the definition is the same. These non-GAAP measures should be considered in addition to, but not as a substitute for or superior to, the information contained in our statements of income.

The information included herein, including Exhibit 99.1 furnished herewith, shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into any filing pursuant to the Securities Act of 1933, as amended, or the Exchange Act, regardless of any incorporation by reference language in any such filing, except as expressly set forth by specific reference in such filing.
