To our fellow Unitholders:

Our results during 2010 were strong despite continued poor natural gas prices and reduced drilling activity in most producing areas. Significant results include the following:

Recorded Total Net Income of \$34.9 million;

Distributed \$50.5 million to our limited partners;

Identified 360 new wells located on our Royalty and Net Profits Interest Properties in eleven states;

Consummated 103 leases and pooling elections of our mineral interest in undeveloped properties located in 32 counties and parishes in eight states and;

Consummated the acquisition of complementary mineral, royalty, and net profits interest properties in exchange for our limited partnership units.

Leasing, drilling and completion activity in existing and emerging resource plays represented in our portfolio continued at a brisk pace during 2010. Permits for one hundred forty seven new wells were granted on our Fayetteville Shale and Horizontal Bakken lands during 2010, an increase of 54% over the prior year. Drilling activity during 2010 on the Barnett Shale interests located in Tarrant County has exceeded our expectations. Leasing activity in the Granite Wash trend of the Anadarko Basin of Western Oklahoma and the Texas Panhandle contributed meaningfully to our limited partner distributions; drilling activity on these lands is expected to commence during the first quarter of 2011.

Our efforts to acquire complementary assets in non-taxable exchanges for our partnership units continued to yield successes in 2010 when we acquired producing and nonproducing mineral, royalty and net profits interests located in 206 counties and parishes in 17 states in exchange for 835,000 of our limited partnership units. We continue to pursue transactions that are accretive to our unitholders, both financially and strategically, and are hopeful we can consummate additional acquisitions in 2011 and beyond.

The Dorchester family lost two of its closest members with the passing of John L. Dannelley and Frank M. Burke, Jr. during 2010. Air Force mechanic, Aggie engineer and Production Manager in our Amarillo office, John Dannelley was Dorchester's representative in the Hugoton Field of Kansas and Oklahoma for 35 years, and was responsible for many extraordinary operational achievements. John is remembered by young engineers, ornery regulators and service company representatives for his fair dealing, and by all of us with respect and great thanksgiving. Attorney, CPA, Marine and loyal Red Raider, Frank Burke enjoyed many professional accomplishments in public accounting, as director of 13 public companies and author of the original legislation creating the limited liability company. We remember Frank for his service as our first Audit Committee Chairman and for his little-appreciated role of introducing the undersigned to Preston Peak and Jim Raley over lunch in the summer of 2000, a square meal that led to the formation of today's Dorchester Minerals, L.P. We honor these gentlemen for their service and cherish their friendship.

The enclosed Annual Report on Form 10-K includes information about activity on our Royalty Properties and Net Profits Interests. We encourage you to read this information and to contact us with any questions about your investment. In addition, the enclosed Proxy Statement contains important information concerning matters to be voted upon at our 2011 Annual Meeting. Please read the Proxy Statement and submit your vote at your earliest convenience.

We thank you for your continued support.

Very truly yours,
William Casey McManemin

PROXY STATEMENT

For

ANNUAL MEETING OF LIMITED PARTNERS

To Be Held on May 11, 2011

SOLICITATION OF PROXIES

This Proxy Statement is being furnished to holders of common units in connection with the solicitation of proxies by our Board of Managers for use at the Dorchester Minerals, L.P. 2011 Annual Meeting. Our general partner is Dorchester Minerals Management LP, and its general partner is Dorchester Minerals Management GP LLC. As a result, the Board of Managers of Dorchester Minerals Management GP LLC exercises effective control of us. Dorchester Minerals Management LP is referred to herein as our general partner, and Dorchester Minerals Management GP LLC is referred to herein as the general partner of our general partner. The approximate date on which definitive copies of this proxy statement and form of proxy are intended to be released to Unitholders is April 4, 2011.

WHEN AND WHERE IS THE 2011 ANNUAL MEETING?

The 2011 Annual Meeting will be held at 10:00 a.m. Central Time on Wednesday, May 11, 2011, at the DeGolyer House at the Dallas Arboretum and Botanical Gardens, 8525 Garland Road, Dallas, TX 75218.

WHAT ARE THE BOARD OF MANAGERS PROPOSALS?

To elect three managers who will serve on the Board of Managers and be appointed to the Advisory Committee, to approve the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2011, to approve, by non-binding advisory vote the compensation paid to the Partnership's named executive officers as described in this Proxy Statement, and to establish, by non-binding advisory vote the frequency of submission to unitholders of advisory Say on Pay proposals.

HOW DOES THE BOARD OF MANAGERS RECOMMEND I VOTE ON THE PROPOSALS?

The Board of Managers recommends a vote FOR each of the nominees to serve on the Board of Managers and Advisory Committee, a vote FOR the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2011, a vote FOR the approval of the compensation paid to the Partnership's named executive officers, as described in this Proxy Statement, and a vote FOR 3 years as the frequency for voting on Say on Pay proposals.

HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?

The Board of Managers does not know of any business to be considered at the 2011 Annual Meeting other than the proposals described in this Proxy Statement. However, if any other business is properly presented, your signed proxy card gives authority to the persons named in the proxy to vote on these matters at their discretion.

WHO IS ENTITLED TO VOTE?

Each Unitholder as of the close of business on March 21, 2011, the record date, is entitled to vote at the 2011 Annual Meeting.

HOW MANY UNITS MAY BE VOTED?

As of the record date, 30,675,431 units were outstanding. Each unit entitles its holder to one vote.

WHAT IS A QUORUM ?

A quorum is established if a majority of the outstanding units are represented in person or by proxy at the 2011 Annual Meeting. There must be a quorum for the 2011 Annual Meeting to be held. If you submit a properly executed proxy card, you will be considered part of the quorum. Proxies received by us that are marked "withhold authority" or abstain, or that constitute a broker non-vote, are counted as present for purposes of establishing a quorum. A broker non-vote occurs when a broker returns a valid proxy but does not vote on a particular matter because the broker does not have the discretionary voting power for that matter and has not received instructions from the beneficial owner.

WHAT VOTE IS REQUIRED TO APPROVE THE PROPOSALS?

The affirmative vote of holders of a plurality of the outstanding units is required to elect each manager to the Board of Managers. Thus, any abstentions, broker non-votes or other limited proxies will have no effect on the outcome of the election of managers. The affirmative vote of holders of a majority of the units present in person or represented by proxy at the annual meeting and entitled to vote thereon is required to approve the appointment of Grant Thornton LLP as our registered independent public accounting firm for the year ending December 31, 2011. Abstentions will have the effect of votes against the proposal to approve Grant Thornton LLP as our independent public accounting firm, but broker non-votes and other limited proxies will have no effect on this proposal. The affirmative vote of holders of a majority of the units held by unitholders entitled to vote thereon and present in person or by proxy shall constitute the unitholders' non-binding approval of the "Say on Pay" proposal. Abstentions will have the effect of votes against the proposal to approve the "Say on Pay" proposal, but broker non-votes and other limited proxies will have no effect on this proposal. The affirmative vote of holders of a majority of the units held by unitholders entitled to vote thereon and present in person or by proxy shall constitute the unitholders' non-binding approval of the frequency of the advisory vote by unitholders on executive compensation. Abstentions, broker non-votes and other limited proxies will have no effect on the outcome of the vote. If none of the alternatives receive a majority vote, we will consider the highest number of votes cast by unitholders to be the frequency that has been selected by the unitholders.

HOW DO I VOTE?

You may vote by any one of three different methods:

- (a) In Writing. You can vote by marking, signing and dating the enclosed proxy card and returning it in the enclosed envelope. If you return your signed proxy card but do not give instructions as to how you wish to vote, your units will be voted FOR proposal nos. 1, 2 and 3, and in accordance with the Board of Managers' recommendation of three years for proposal no. 4.
- (b) By Telephone. You can vote by calling the telephone number on the proxy card and following the instructions. Please have the proxy card in hand when calling.
- (c) In Person. You can vote by attending the 2011 Annual Meeting.

Units represented by properly executed proxies that are not revoked will be voted in accordance with the instructions shown on the proxy card. You have the right to revoke your proxy at any time before the 2011 Annual Meeting by:

- (a) Delivering to Dorchester Minerals, L.P., Attn: 2011 Annual Meeting, 3838 Oak Lawn Avenue, Suite 300, Dallas, Texas, 75219-4541, a written revocation;

(b) Voting in person at the 2011 Annual Meeting; or

(c) Returning a later-dated proxy card.

Attendance at the 2011 Annual Meeting will not, without further action by you, revoke your proxy.

Unitholders have no dissenters' rights or rights of appraisal under Delaware law or our Amended and Restated Agreement of Limited Partnership.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

If your units are registered differently and/or are in more than one account, you will receive more than one proxy card. Please mark, sign, date and return all of the proxy cards you receive to ensure that all of your units are voted. We encourage you to have all accounts registered in the same name and address (whenever possible). You can accomplish this by contacting our transfer agent, American Stock Transfer & Trust Company, at (800) 937-5449.

HOW CAN I VOTE IF MY UNITS ARE HELD IN STREET NAME ?

If your units are held in the name of your broker, a bank, or other nominee, that party will give you instructions about how to vote your units.

WHO WILL COUNT THE VOTES?

Representatives of Broadridge Investor Communication Services, an independent tabulator, will count the votes and act as the inspector of election.

WHERE AND WHEN WILL I BE ABLE TO FIND OUT THE RESULTS OF VOTING?

In addition to announcing the results at the 2011 Annual Meeting, you will also be able to find the results in our Form 8-K that will be publicly filed within four days of the 2011 Annual Meeting.

WHO IS BEARING THE COST OF THIS PROXY SOLICITATION?

We are bearing the cost of soliciting proxies for the 2011 Annual Meeting. In addition to using the mail, managers, officers and employees may solicit proxies by telephone, personal interview or otherwise. They will not receive additional compensation for this activity but may be reimbursed for their reasonable out-of-pocket expenses. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to Unitholders.

HOW CAN I OBTAIN A COPY OF THE ANNUAL REPORT ON FORM 10-K?

A copy of our 2010 Annual Report on Form 10-K, including the consolidated financial statements filed therewith is included with this proxy statement. We will provide an additional copy of our 2010 Annual Report on Form 10-K, including the consolidated financial statements, upon written request to Dorchester Minerals, L.P., Attn: 2011 Annual Meeting, 3838 Oak Lawn Avenue, Suite 300, Dallas, Texas 75219-4541. We will furnish a requesting Unitholder with any exhibit not contained therein upon payment of a reasonable fee.

WHEN ARE THE UNITHOLDER PROPOSALS FOR THE 2012 ANNUAL MEETING OF LIMITED PARTNERS DUE?

We presently expect that our next Annual Meeting of Limited Partners will be held on May 16, 2012. Unitholder proposals for inclusion in the proxy materials relating to the 2012 Annual Meeting must be received at our principal executive office at 3838 Oak Lawn Avenue, Suite 300, Dallas, Texas 75219-4541, addressed to our general partner no later than December 6, 2011. In accordance with our Amended and Restated Agreement of Limited Partnership, Unitholders who intend to present a proposal at the 2012 Annual Meeting without inclusion of such proposal in our proxy materials are required to provide notice of such proposal to us no later than February 16, 2012, and Unitholders who intend to nominate a manager for election to the Board of Managers and Advisory Committee are required to provide notice of such proposal to us no later than February 16, 2012. If the date of the 2012 Annual Meeting is changed to a different month, we will advise our Unitholders of the new date for the submission of Unitholder proposals in one of our periodic filings with the Securities and Exchange Commission.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our managers, officers and persons who own more than 10% of our common units to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common units. Managers, officers and 10% holders of the common units are required by Securities and Exchange Commission rules and regulations to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations that no other reports were required, all Section 16(a) filing requirements applicable to our managers, officers and 10% holders were met.

PARTNERSHIP GOVERNANCE

Our business and affairs are managed by and under the direction of the Board of Managers, which exercises all of our corporate powers and establishes broad corporate policies. The Board of Managers consists of five managers appointed by the five members of the general partner of our general partner and three additional managers nominated by these members and elected annually by our limited partners. The elected managers, as a group, must meet the requirements of our Amended and Restated Agreement of Limited Partnership and the Securities and Exchange Commission and NASDAQ Global Select Market (NASDAQ) rules for members of an audit committee.

Messrs. Allen, McManemin, Peak, Raley and Vaughn are the five managers appointed by the members of the general partner of our general partner and will hold office until the earlier of their death, resignation or removal from office. In the event of any vacancy on the Board of Managers left by an appointed manager, the member who holds the right to appoint the appointed manager will designate the replacement appointed manager, unless the member who otherwise holds the right to appoint the replacement appointed manager has lost his appointment right.

Messrs. Berry, Russell and Trout are the three managers who were elected at our 2010 Annual Meeting and are the three managers nominated by the members of the general partner of our general partner to stand for election to the Board of Managers at the 2011 Annual Meeting.

In the opinion of the Board of Managers, and as independent currently is defined by the NASDAQ rules, and assuming the three nominated managers are elected by the limited partners at the 2011 Annual Meeting, a majority of the Board of Managers after the 2011 Annual Meeting are and will be independent of management and free of any relationship that would interfere with their exercise of independent judgment. The Board of Managers has affirmatively determined that Messrs. Berry, Peak, Russell, Trout and Vaughn are independent. In addition to the NASDAQ independent rules, the Board of Managers has also affirmatively determined that Messrs. Berry, Russell and Trout also satisfy the definition of independent prescribed by the Securities and Exchange Commission for members of an audit committee.

The Board of Managers held eight meetings and acted by unanimous written consent two times in fiscal 2010. Each Manager attended at least 75% of the total number of meetings of the Board of Managers and of the committees of the Board of Managers on which such Manager served.

The Board of Managers strongly recommends each manager attend the 2011 Annual Meeting of our limited partners. All of the managers currently serving attended the 2010 Annual Meeting.

The Board of Managers has an Advisory Committee that consists of Messrs. Berry, Russell and Trout. The Advisory Committee functions as the audit committee and as the compensation committee. In addition the Advisory Committee addresses all matters concerning conflicts of interest and the application of the Business Opportunities Agreement. The Advisory Committee met four times in person and acted by unanimous written consent two times in fiscal 2010.

The Board of Managers does not have a nominating committee or committee performing similar functions and has not adopted a resolution addressing the nominations process nor does it consider diversity with respect to manager nominees or have a diversity policy. This arrangement is appropriate as the nominations for all managers are made by the members of the general partner of our general partner. Messrs. McManemin, Raley, Allen, Vaughn and Peak all participate in the consideration of nominees for the Board of Managers in their capacities as officers and/or managers of the members of the general partner of our general partner. The Board of Managers has not adopted a resolution addressing the nominations process as the general partner of our general partner is legally required to provide its members with the ability to nominate managers.

The Board of Managers does provide a process for Unitholders to send communications to it. Unitholders may contact each member of the Board of Managers in writing at their respective business addresses. See Security Ownership of Certain Beneficial Owners and Management.

Our partnership adopted our Code of Business Conduct and Ethics on July 17, 2003. The Board of Managers reviewed the Code of Business Conduct and Ethics in 2010 for adequacy and was satisfied therewith. The Code of Business Conduct and Ethics applies to all officers, managers, advisors and employees of our partnership and its affiliates. Upon written request, we will provide any person, without charge, a copy of the Code of Business Conduct and Ethics. Written requests should be sent to Dorchester Minerals, L.P., Attn: Annual Report, 3838 Oak Lawn Avenue, Suite 300, Dallas, Texas 75219-4541.

ADVISORY COMMITTEE

In their service as the Audit Committee, the members of the Advisory Committee assist the Board of Managers in fulfilling its oversight responsibilities relating to our consolidated financial statements and other financial information; compliance with applicable laws, regulations and our code of conduct; independence and qualifications of the independent auditor; management's establishment of and adherence to a system of internal accounting and disclosure controls; and the performance of the internal audit function and independent auditors. The Advisory Committee is empowered to investigate any matter brought to its attention with full access to all our books, records, facilities and personnel and may retain outside counsel, auditors or other experts to assist it. Our Board of Managers has adopted a written charter for the Advisory Committee in its service as the Audit Committee specifying its purpose of overseeing the accounting and financial reporting processes, a copy of which can be obtained free of charge on our website at dmlp.net/proxy. The charter is reviewed periodically to ensure that it meets all applicable legal and NASDAQ listing requirements. As interpreted in the Board of Managers' business judgment, assuming the three nominated managers are elected by the limited partners at the 2011 Annual Meeting, each member of the Audit Committee is financially literate and two members, including C.W. (Bill) Russell, of the Advisory Committee possess accounting or related financial management expertise. None of the members of the Advisory Committee has participated in the preparation of our consolidated financial statements in the previous three years.

We administer our risk oversight function through our Advisory Committee as well as through our Board of Managers as a whole. Our Advisory Committee is empowered to monitor the integrity of our financial reporting processes and systems of internal controls and provide an avenue of communication among our independent auditors, management, employees overseeing our internal audit functions and our Board of Managers. Additionally, reports are provided during our board meetings by the individuals who oversee risk management in liquidity, environmental, safety, litigation and other operational areas.

In their service as the Compensation Committee, the members of the Advisory Committee exercise the power of the Board of Managers in connection with all matters relating to compensation of executive officers. All determinations concerning executive compensation for our officers are made by the Advisory Committee as provided in our agreements of the general partner and the general partner of our general partner. Advisor compensation is approved by the Board of Managers. Because of the simple remuneration for the services of our officers and managers, the Advisory Committee does not delegate or use consultants in determining and considering amounts or form of compensation and has not adopted a Compensation Committee charter.

COMPENSATION DISCUSSION AND ANALYSIS

Our executive officers are not paid any compensation for their services as officers of our Partnership, however, they generally serve in the same capacities for our general partner, the general partner of our general partner and for the operating partnership of our general partner and are compensated by the operating partnership for their service in those capacities. Such compensation is borne indirectly by us as a result of our obligation to reimburse our general partner and the operating partnership for management expenses, subject to the limitation on reimbursement.

Each of our Appointed Managers is associated with one or more of the five members of our general partner. Each owner of our general partner receives a portion of the cash flow generated by our activities and those of the operating partnership as set forth in the agreement of the general partner of our general partner. Three of our Appointed Managers also serve as officers. The incentives to each of our Appointed Managers come solely from a portion of the cash flow generated and their individual holdings, if any, of publicly traded units in our partnership. The additional amount paid to each of the officers by the operating partnership as compensation is in recognition of their service provided in managing the day-to-day affairs necessary to our partnership and the operating partnership. This arrangement has been in place since we began operations on January 31, 2003, and each officer has received the same \$96,000 annual salary from our operating partnership since then. At this time, there are no other objectives, designs or elements of our compensation program, except recognition of management services provided. In the event we have new officers that are not also associated with the owners of our general partner or otherwise not holders of significant amounts of our units, our compensation may then require such programs.

The Advisory Committee has the discretion and authority to award performance-based cash bonuses, the amount of which will be determined based on the contribution of the executive officer and the benefit to the Partnership of the contribution of the executive officer. The Advisory Committee has not awarded any cash bonuses since 2003.

REPORT OF THE AUDIT COMMITTEE

As members of the Audit Committee of the Board of Managers, we are responsible for helping to ensure the reliability of the Partnership's consolidated financial statements. In keeping with this goal, the Board of Managers has adopted a written charter for the Audit Committee to follow. The Audit Committee reviewed and reassessed the charter's adequacy on February 24, 2011.

Independence of Audit Committee Members. All of the members of the Audit Committee are independent as defined by Rule 4200(a)(15) of the NASDAQ Marketplace Rules and the most recent interpretations of those standards.

Review and Discussions. The Audit Committee has reviewed and discussed the Partnership's audited consolidated financial statements with management. It has also discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU § 380). Additionally, the Audit Committee has received the written disclosures and the letter from the independent accountants at Grant Thornton LLP, as required by the Public Company Accounting Oversight Board Ethics and Independence Rule 3526 (Communication With Audit Committees Concerning Independence), and has discussed with the independent accountants their independence.

Recommendation to Include Audited Consolidated Financial Statements in Annual Report. Based on the Audit Committee's discussions with management and the independent accountants and its review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Managers include the audited consolidated financial statements in the Partnership's Annual Report on Form 10-K for the year ended December 31, 2010 filed with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In 2010, we and our wholly-owned subsidiaries reimbursed certain direct and indirect expenses to the operating partnership and our general partner. The reimbursements were made pursuant to the Partnership's Amended and Restated Agreement of Limited Partnership and Administrative Services Agreements between the operating partnership and each of Dorchester Minerals Oklahoma LP and Dorchester Minerals Acquisition LP, wholly-owned subsidiaries of the Partnership. Dorchester Minerals Acquisition LP merged into Dorchester Minerals Oklahoma LP effective December 31, 2009. No management fees or any other type of compensation is paid by or to any related party, other than compensation reported pursuant to Item 402 of Regulation S-K.

Reimbursement of Our General Partner

Our general partner was reimbursed \$1,422,800 for expenses incurred in 2010 pursuant to our Amended and Restated Agreement of Limited Partnership. Our general partner is not compensated for services provided in acting as our general partner. However, we reimburse our general partner on a monthly basis for all expenses incurred or payments made on our behalf, and all other necessary or appropriate expenses allocable to us. Such expenses include both direct expenses and management expenses. Pursuant to our Amended and Restated Agreement of Limited Partnership, direct expenses include

- professional fees and expenses, such as audit, tax, legal and engineering costs;
- regulatory fees and expenses;
- ad valorem taxes;
- severance taxes;
- the fees and expenses of independent managers of our general partner and its general partner; and
- premiums for officers' and managers' liability insurance.

Management expenses are expenses of the general partner and its affiliates incurred on our behalf and include:

- rent, wages, salaries and the cost of employee benefit plans provided to employees and officers that are properly allocable to us; and
- all other necessary or appropriate expenses allocable to us but do not include items classified as direct expenses or production costs.

As a result of the limitation on management expenses discussed below, recovery of additional expenses may occur by changing the classification of the expenses only to the extent that (i) a portion of management expense is reduced by shifting certain costs to direct expenses or production cost, and (ii) such classification change impacts a period when management expense could otherwise exceed the 5% cap and (iii) such excess above the cap cannot be recovered in future or past fiscal years.

Our reimbursements to our general partner of management expenses (excluding overhead expenses included in production costs that are deducted in determining net profits interests) during any fiscal year are limited to an amount not greater than five percent (5%) of the sum of our distributions to our partners for that fiscal year, adjusted for changes in cash reserves, plus expenses paid by us for that year for direct and management expenses and production costs which are capital in nature and charged against the net profits interests, and increases in taxes and regulatory compliance costs.

To the extent that actual reimbursement for management expenses in any fiscal year is less than five percent (5%) of this sum, our reimbursement to our general partner may exceed the 5% limitation by the amount of that difference at any time during the succeeding three fiscal years. If reimbursement to our general partner was limited by the 5% limitation during the preceding three fiscal years, the amount by which the management expenses are less than the 5% limitation in the current year may be used to permit our general partner to recoup the deficit from the preceding years.

Our Amended and Restated Agreement of Limited Partnership generally may not be amended to increase the 5% limitation on the reimbursement of management expenses.

Reimbursement to the Operating Partnership

In 2010, the operating partnership was reimbursed an aggregate of \$1,050,300 from Dorchester Minerals Oklahoma LP and Maecenas Minerals, L.L.P., two of our wholly-owned subsidiaries, pursuant to Administrative Service Agreements or office lease agreement. The operating partnership provided the wholly-owned subsidiaries services related to accounting, internal controls, management of data processing systems, preparation of all federal and state tax reports, service as paymaster, preparation of periodic financial statements and banking and other financial relationships. The operating partnership was reimbursed for the payment of all direct and indirect costs and expenses incurred in the performance of the services provided, including without limitation, (i) attributable secretarial, telephone, office rent and other office expenses, (ii) attributable salaries and other compensation expenses of employees, officers and directors, (iii) other attributable administrative expenses, (iv) travel expenses, (v) legal and accounting costs and expenses and (vi) expenses incurred in providing or obtaining such other professional, technical, administrative services and advice as deemed necessary or desirable. Reimbursements made pursuant to the Administrative Service Agreements were not also made pursuant to the Amended and Restated Agreement of Limited Partnership.

Review, Approval or Ratification of Transactions with Related Persons

Whenever any potential conflict of interest exists or arises between our general partner or any of its affiliates and us or any of our partners, our general partner resolves that conflict. Our Amended and Restated Agreement of Limited Partnership requires our general partner to seek approval of a majority of the members of the Advisory Committee of the general partner of our general partner as to a proposed resolution of the conflict. In addition to approval by the Advisory Committee the resolution of the conflict of interest must also be fair and reasonable to us. Any resolution of a conflict of interest shall also be conclusively deemed fair and reasonable to us if such resolution is:

on terms no less favorable to us than those generally being provided to or available from unrelated third parties, or fair to us, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to us).

Our general partner, or its general partner's Advisory Committee if its approval is sought, is authorized, in connection with its determination of what is fair and reasonable to us, and in connection with its resolution of any conflict of interest, to consider:

the relative interests of any party to such conflict, agreement, transaction or situation and the benefits and burdens relating to such interest,

any customary or accepted industry practices and any customary or historical dealings with a particular person, any applicable generally accepted accounting practices or principles, and such additional factors as our general partner s, or its general partner s Advisory Committee, determines in its sole discretion to be relevant, reasonable or appropriate under the circumstances.

Whenever our Amended and Restated Agreement of Limited Partnership requires that a particular transaction, arrangement or resolution of a conflict of interest be fair and reasonable, the fair and reasonable nature of that transaction, arrangement, or resolution shall be considered in the context of all similar or related transactions.

APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

(PROPOSAL NO. 2 ON THE PROXY CARD)

The Board of Managers recommends the approval of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2011. Grant Thornton LLP has been our independent registered accounting firm since 2003.

Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting of Unitholders and will be given the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions. Although unitholder approval of the appointment of Grant Thornton LLP is not required, the Board believes that it is appropriate to seek unitholder approval of this appointment. If the unitholders fail to approve the appointment, the Advisory Committee and the Board of Managers will consider whether or not to retain Grant Thornton LLP. Even if the appointment is approved, the Board of Managers, at its discretion, may direct the appointment of a different independent registered accounting firm at any time during the year if it determines that such a change would be in our best interest and the best interests of our unitholders.

During 2010 and 2009, we incurred the following fees with Grant Thornton:

	2009	2010
AUDIT FEES	\$ 258,000	\$ 271,000
AUDIT-RELATED FEES		
TAX FEES		
ALL OTHER FEES		

The Advisory Committee has adopted procedures for pre-approving all audit and permitted non-audit services provided by our independent auditor. Part of this approval process includes making a determination on whether non-audit services are consistent with the Securities and Exchange Commission's rules on auditor independence. The Advisory Committee periodically monitors the services rendered and actual fees paid to the independent auditors to ensure such services are within the parameters approved.

Unless unitholders specify otherwise in the proxy, proxies solicited by the Board of Managers will be voted by the persons named in the proxy at the Annual Meeting of Unitholders to approve the appointment of Grant Thornton LLP as our independent registered accounting firm for 2011.

THE BOARD OF MANAGERS RECOMMENDS THAT UNITHOLDERS VOTE FOR THE APPOINTMENT OF GRANT THORNTON LLP.

PROPOSAL TO APPROVE, BY A UNITHOLDER NON-BINDING ADVISORY VOTE, THE COMPENSATION PAID TO THE PARTNERSHIP S NAMED EXECUTIVE OFFICERS, PURSUANT TO ITEM 402 OF REGULATION S-K OR ANY SUCCESSOR THERETO, COMMONLY REFERRED TO AS A SAY ON PAY PROPOSAL

(PROPOSAL NO. 3 ON THE PROXY CARD)

The Board of Managers recommends the approval of the compensation paid to the Partnership s named executive officers as described in this Proxy Statement.

As required under the newly enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd Frank Act), we are submitting a Say on Pay proposal for our unitholders consideration. This proposal provides unitholders with the opportunity to cast an advisory vote on the compensation of the Partnership s executive officers, in their capacities as the executive officers of our general partner, the general partner of our general partner and the operating partnership of our general partner. Our overall compensation program is intended to ensure that the compensation and incentive opportunities provided to our executives and employees remain competitive and provide the motivation to deliver the extra effort that leads to returning value to our unitholders. The primary objective of our executive compensation program is to provide competitive pay opportunities that are commensurate with the Partnership s performance, that recognize individual initiative and achievements and that enable us to retain and attract qualified executive officers who are focused on our goals and long term success.

We invite you to carefully review the Compensation Discussion and Analysis including the tabular and other disclosures on executive compensation contained in this proxy statement. Based upon that review, the Board of Managers recommends that the unitholders approve, on an advisory basis, the following resolution at the annual meeting:

RESOLVED, that the compensation paid to the Partnership s named executive officers, as discussed and disclosed pursuant to Item 402 of Regulation S-K in the Compensation Discussion and Analysis, the compensation table, and any narrative executive compensation disclosure contained in this Proxy Statement is hereby approved .

While the vote does not bind the Board of Managers to any particular action, the Board of Managers values the input of our unitholders, and will take into account the outcome of this vote in considering future compensation arrangements.

THE BOARD OF MANAGERS RECOMMENDS THAT THE UNITHOLDERS VOTE FOR THE APPROVAL OF THE COMPENSATION PAID BY TO THE PARTNERSHIP S NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT.

PROPOSAL TO ESTABLISH, BY A UNITHOLDER NON-BINDING ADVISORY VOTE, THE FREQUENCY OF SUBMISSION TO UNITHOLDERS OF ADVISORY SAY ON PAY PROPOSALS

(PROPOSAL NO. 4 ON THE PROXY CARD)

Under the Dodd Frank Act, the Partnership is also required to seek a non-binding advisory unitholder vote regarding the frequency of submission to unitholders of a Say on Pay advisory vote such as that set forth in Proposal No. 3. As discussed in Proposal No. 3, the Board of Managers values the input of our unitholders regarding the compensation of the Partnership's executive officers. Unitholders can advise the Board of Managers on whether such votes should occur every year, every two years, or every three years, or may abstain from voting. Although this vote is advisory and non-binding, our Board of Managers will review voting results and give serious consideration to the outcome of such voting. A scheduling vote similar to this will occur at least every six years.

The average and total annual compensation of the Partnership's named executive officers is \$115,200 and \$345,600, respectively. As noted above, compensation of our named executive officers consists solely of salary and compensation for SEP-IRA contributions, and they receive no equity compensation or perquisites in connection with their service as executive officers. Therefore, our Board of Managers recommends that the advisory unitholder vote on executive compensation be held every three years.

Please mark on the Proxy Card your preference as to the frequency of holding Say on Pay unitholder advisory votes as either every year, every two years, or every three years or mark abstain. You are not voting to approve or disapprove the Board of Managers' recommendation on this item.

THE BOARD OF MANAGERS RECOMMENDS A VOTE FOR 3 YEARS AS THE FREQUENCY FOR VOTING ON SAY ON PAY PROPOSALS.

OTHER MATTERS

The Board of Managers does not intend to present any other matters at the 2011 Annual Meeting and knows of no other matters that will be presented. However, if any other matters come before the 2011 Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote in accordance with their judgment on such matters.

By Order of the Board of Managers of Dorchester Minerals Management GP LLC,

/s/ William Casey McManemin
