Registration Rights Agreement

In connection with the Contribution Agreement, the Issuer entered into a Registration Rights Agreement, dated December 19, 2011, with SEP I (the **Registration Rights Agreement**). The shares of Common Stock held at any time by SEP I or, subject to compliance with the assignment provisions of the agreement, any other person that is the beneficial owner of the Issuer's Common Stock as a result of the sale, assignment or other transfer of such Common Stock originally issued by the Issuer to SEP I are referred to as Registrable Securities. Under the Registration Rights Agreement, SEP I and its transferees were granted certain demand, piggyback and Form S-3 registration rights relating to the resale of Registrable Securities pursuant to which the Issuer is required to use the Issuer's best efforts to effect the registration of such Registrable Securities on the applicable form or to include such Registrable Securities in such registration or offering on the same terms and conditions as such other securities being registered, as applicable. These registration rights are subject to conditions and limitations, including the total number of demand registrations that the Issuer is required to effect, the right of the managing underwriter or underwriters to limit the number of shares to be included in a registration and the Issuer's right to delay or withdraw a registration statement under specified circumstances. The Issuer will pay all expenses relating to any demand, piggyback or Form S-3 registration, except for any underwriter or brokers' discounts or commissions. The Issuer also agreed to indemnify the holders of Registrable Securities with respect to certain liabilities under the securities laws in connection with registrations pursuant to the Registration Rights Agreement.

The description of the Registration Rights Agreement is qualified in its entirety by reference to the full text of the agreement, which is filed as an exhibit to this Schedule 13D and incorporated herein by reference.

Lock-Up Agreements

In connection with the Offering and pursuant to certain lock-up agreements, SEP I and Antonio R. Sanchez, III agreed, subject to certain exceptions, that, without the prior written consent of the representative of the underwriters (the **Representative**) in the Offering, they will not, during the period including December 13, 2011 through and including the date that is the 180th day after December 13, 2011, directly or indirectly:

offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of any of the Issuer's shares or any securities convertible into or exercisable or exchangeable for the Issuer's shares; or

enter into any swap or other agreement, arrangement, hedge or transaction that transfers to another, in whole or in part, any of the economic consequences of ownership of the Issuer's shares or any securities convertible into or exercisable or exchangeable for the Issuer's shares,

Edgar Filing: Sanchez Energy Corp - Form SC 13D

whether any transaction described in any of the foregoing bullet points is to be settled by delivery of Common Stock, other securities, in cash or otherwise; or publicly announce an intention to do any of the foregoing. Moreover, if:

during the last 17 days of the lock-up period, the Issuer issues an earnings release or material news or a material event relating to the Issuer occurs; or

prior to the expiration of the lock-up period, the Issuer announces that it will release earnings results during the 16-day period beginning on the last day of the lock-up period, the restrictions described in the immediately preceding sentence will continue to apply, subject to certain exceptions, until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event, as the case may be, unless the underwriter waives, in writing, that extension.

Notwithstanding anything to the contrary above, SEP I is permitted to distribute its shares of Common Stock to its partners at any time after the closing of the Offering. If the recipient of the Issuer's shares in such distribution is an affiliate of SEP I, such recipient will be bound by the terms of the lock-up agreement. If the recipient of the Issuer's shares in such distribution is not an affiliate of SEP I, such recipient will not be bound by the lock-up agreement, but will be subject to certain restrictions on resale under federal and state securities laws.

The Representative may, in its sole discretion and at any time or from time to time, without notice, release all or any portion of the Common Stock or other securities subject to the lock-up agreements. Any determination to release any shares or other securities subject to the lock-up agreements would be based on a number of factors at the time of determination, which may include the market price of the shares, the liquidity of the trading market for the shares, general market conditions, the number of shares or other securities proposed to be sold or otherwise transferred and the timing, purpose and terms of the proposed sale or other transfer.

The description of the lock-up agreements is qualified in its entirety by reference to the full text of the agreements, forms of which are filed as exhibits to this Schedule 13D and incorporated herein by reference.
