ITEM 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 22, 2011, Apollo Commercial Real Estate Finance, Inc. (the Company), through an indirect wholly-owned subsidiary as borrower and on behalf of itself as guarantor, entered into an amendment letter (the Amendment Letter) related to its Master Repurchase and Securities Contract with Wells Fargo Bank, N.A. (the Wells Facility), which was originally entered into in August 2010, to increase its maximum permitted borrowing under the facility from \$250 million to \$506 million in order to pay down its borrowings under the Term Asset-Backed Securities Loan Facility (TALF) program administered by the Federal Reserve Bank of New York and to finance the commercial mortgage-backed securities (CMBS) that had been financed under the TALF program. The Amendment Letter additionally adjusts the pricing margin for all assets financed under the Wells Facility occurring after December 22, 2011 from 1.25% to 1.50%, and adds a minimum liquidity covenant, requiring the Company to maintain at all times an amount in Repo Liquidity (as generally defined under the Wells Facility to include all amounts held in the collection account established under the Facility for the benefit of Wells Fargo Bank, N.A., cash, cash equivalents, super-senior CMBS rated AAA by at least two rating agencies, and total amounts immediately and unconditionally available on an unrestricted basis under all outstanding capital commitments, subscription facilities and secured revolving credit or repurchase facilities) no less than the greater of 10% of total consolidated recourse indebtedness of the Company and \$12.5 million. Advances under the Wells Facility accrue interest at a per annum pricing rate equal to the sum of (i) 30 day LIBOR and (ii) the applicable pricing margin. The Wells Facility matures in August 2012, with a one-year extension available at the Company's option on all assets financed on or prior to December 22, 2011, subject to certain restrictions, and upon the payment of an extension fee equal to 0.25% on the then aggregate outstanding repurchase price for all such assets.
