**Item 1.01. Entry into a Material Definitive Agreement.**

On January 6, 2012, Corrections Corporation of America (the Company or CCA) entered into an Amended and Restated Credit Agreement, by and among the Company, as Borrower, certain lenders and Bank of America, N.A., as Administrative Agent for the lenders (the New Revolving Credit Facility). The New Revolving Credit Facility effectively replaces the Company's prior senior secured credit facility, and includes the outstanding \$28.3 million in letters of credit issued under the prior facility.

The material terms of the New Revolving Credit Facility are as follows:

***Availability***

The New Revolving Credit Facility is in the aggregate principal amount of \$785.0 million, with a \$30.0 million sublimit for swingline loans and a \$100.0 million sublimit for the issuance of standby letters of credit, and matures on December 30, 2016. In addition, the Company has an option to increase the availability under the New Revolving Credit Facility and to request term loans from the lenders in an aggregate amount not to exceed \$115.0 million subject to, among other things, the receipt of commitments for the increased amount.

***Collateral and Guarantees***

The loans and other obligations under the New Revolving Credit Facility are guaranteed by each of the Company's domestic subsidiaries.

The Company's obligations under the New Revolving Credit Facility and the guarantees are secured by, among other things:

all of the capital stock (or other ownership interests) of the Company's domestic subsidiaries and 65% of the capital stock (or other ownership interests) of the Company's first-tier foreign subsidiaries;

the accounts receivable of the Company and each of the Company's domestic subsidiaries; and

substantially all of the deposit accounts of the Company and its domestic subsidiaries.

***Interest and Fees***

The Company's borrowings under the New Revolving Credit Facility bear interest at rates that, at the Company's option, can be either:

a base rate generally defined as the sum of (i) the higher of (x) the Administrative Agent's prime rate, (y) the average overnight federal funds effective rate plus one-half percent (0.50%) per annum and (z) one-month LIBOR plus one percent (1%) per annum and (ii) an applicable margin.

a LIBOR rate generally defined as the sum of (i) the British Bankers Association LIBOR Rate (as published by Reuters or other commercially available source) for one, two, three or six months or, if approved by the relevant lenders, nine or twelve months (as selected by the Company), and (ii) an applicable margin.

The initial applicable margin for base rate loans is 0.50%, and the initial applicable margin for LIBOR loans is 1.50%. Commencing ten (10) business days after the Administrative Agent's receipt of the Company's financial statements for the fiscal quarter ending December 31, 2011, and quarterly thereafter, the applicable margins will be subject to adjustment based on the Company's leverage ratio (consolidated debt/consolidated EBITDA).

Interest on the Company's borrowings is payable quarterly in arrears for base rate loans and at the end of each interest rate period (but not less often than quarterly) for LIBOR loans.

The Company is also required to pay a commitment fee on the difference between committed amounts and amounts other than swingline loans actually used under the New Revolving Credit Facility, which fee initially is 0.30% per annum, subject to adjustment in the same manner as the applicable margins for interest rates.

#### ***Certain Covenants***

The New Revolving Credit Facility requires the Company to meet certain financial tests, including, without limitation:

a consolidated total leverage ratio (consolidated debt/consolidated EBITDA) of not more than 5.00 to 1.00

a consolidated secured leverage ratio of not more than 2.75 to 1:00 (consolidated secured debt/consolidated EBITDA); and

a minimum interest coverage ratio (consolidated EBITDA/consolidated interest expense) of not less than 2.25 to 1.00.

In addition, the New Revolving Credit Facility contains certain customary affirmative and negative covenants.

#### ***Events of Default***

The New Revolving Credit Facility contains customary events of default, including, without limitation, payment defaults, breaches of representations and warranties, covenant defaults, cross-defaults to certain other material indebtedness in excess of specified amounts, certain events of bankruptcy and insolvency, certain ERISA events, judgments in excess of specified amounts and change in control.

Certain of the lenders under the New Revolving Credit Facility or their affiliates have provided, and may in the future provide, certain commercial banking, financial advisory, and investment banking services in the ordinary course of business for the Company, its subsidiaries and certain of its affiliates, for which they receive customary fees and commissions.

The foregoing description of the New Revolving Credit Facility does not purport to be complete and is qualified in its entirety by reference to the credit agreement constituting the New Revolving Credit Facility, which is attached hereto as Exhibit 10.1.

On January 9, 2012, the Company issued a press release announcing the New Revolving Credit Facility. A copy of the press release is furnished herewith as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
