**Item 8.01** *Other Events.*

On July 19, 2012, Visa Inc. (the Company) issued a press release announcing that its board of directors had declared a quarterly dividend in the aggregate amount of \$0.22 per share of class A common stock (determined in the case of class B and class C common stock on an as-converted basis) payable on September 4, 2012, to all holders of record of the Company's class A, class B and class C common stock as of August 17, 2012.

In addition, the Company announced it had decided to deposit \$150 million into the litigation escrow account previously established under the Company's retrospective responsibility plan (the Plan). The funding calculations will be conducted in accordance with the Company's certificate of incorporation currently in effect. Under the terms of the Plan, when the Company funds the litigation escrow, its U.S. financial institutions and their affiliates and successors, the sole holders of class B shares, bear a corresponding financial impact via a reduction in their as-converted share count.

A copy of the press release is attached hereto as Exhibit 99.1 to this Current Report on Form 8-K.
