*Amendment to Management Incentive Compensation Plan*

Effective as of July 19, 2012, the Board of Directors of Kestrel Heat, LLC ( Kestrel Heat ), the general partner of Star Gas Partners, L.P. (the Partnership ), has adopted certain amendments (the Plan Amendments ) to the Partnership s Management Incentive Compensation Plan (the Plan ), and as amended, the Plan has been amended and restated in its entirety.

Under the Plan Amendments, the number and identity of the Plan participants and their participation interests in the Plan have been frozen at the current levels. In addition, under the Plan Amendments, the plan benefits (to the extent vested) may be transferred upon the death of a participant to his or her heirs. A participant s vested percentage of his or her plan benefits will be 100% during the time a participant is an employee or consultant of the Partnership. Following the termination of such positions, a participant s vested percentage shall be equal to 20% for each full or partial year of employment or consultation with the Partnership starting with the fiscal year ending September 30, 2012 (33 1/3% in the case of the Partnership s chief executive officer).

Under the Plan, participants are entitled to receive a pro rata share of an amount equal to:

50% of the distributions ( Incentive Distributions ) of available cash (as defined in the Partnership Agreement) in excess of the minimum quarterly distribution of \$0.0675 per unit otherwise distributable to Kestrel Heat pursuant to the Partnership Agreement on account of its General Partner Units (as defined in the Partnership Agreement); and

50% of the proceeds (the Gains Interest ) which Kestrel Heat shall receive from the sale of or with respect to its General Partner Units, less expenses and applicable taxes.

To fund the benefits under the Plan, Kestrel Heat has agreed to permanently and irrevocably forego receipt of the amount of Incentive Distributions that are payable to plan participants. For accounting purposes, amounts payable to management under the Plan are treated as compensation and will reduce both EBITDA and net income but not adjusted EBITDA (as those terms are defined in the Partnership s periodic reports). Kestrel Heat also agreed to contribute to the Partnership, as a contribution to capital, an amount equal to the Gains Interest payable to participants in the Plan by the Partnership. The Partnership is not required to reimburse Kestrel Heat for amounts payable pursuant to the Plan.

*Amendment to Partnership Agreement*

The Partnership also entered into Amendment No. 3 dated as of July 19, 2012 (the Partnership Agreement Amendment ) to its Second Amended and Restated Agreement of Limited Partnership (the Partnership Agreement ) in order to give effect to the Plan Amendments.

The description of the Plan and the Partnership Agreement Amendment that are contained in this Form 8-K are qualified in their entirety to the text of the actual documents that are filed as exhibits hereto.
