Canadian Pacific comments on decision of federal labour arbitrator

CP also announces ratification of IBEW agreement

Calgary, AB - Canadian Pacific (TSX:CP)(NYSE:CP) said today it is pleased the collective bargaining process with the Teamsters Canada Rail Conference, on behalf of Running Trade Employees, and Rail Traffic Controllers has finally concluded and an agreement is now in place.

CP has received the award of federally-appointed arbitrator, William Kaplan.

The award contains, among other changes a cap on pension growth and a new pension accrual rate for future hires. The deal is three years in length and is retroactive to January 2012.

Mr. Kaplan had an extremely difficult job. He was thoughtful and sought at all times to close the gap between the parties. CP is appreciative of his efforts, said Peter Edwards, vice president of Human Resources.

IBEW Ratification

CP is also pleased to announce the five-year agreement reached with the International Brotherhood of Electrical Workers on November 15, 2012 has been ratified with 94% acceptance.

This contract begins January 1, 2013.

I am pleased we were able to reach another agreement with a key union and we are looking forward to working with the IBEW, said E. Hunter Harrison, president and CEO. With our labour situation settled, CP is in very good position to continue the work of being an even more reliable and efficient railway for our customers.
