QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The board of directors, or the Board, of Seaspan Corporation, a corporation organized in the Republic of the Marshall Islands (referred to in this proxy statement as Seaspan, the Company, we or us), is providing these proxy materials for you in connection with our annual meeting of shareholders, which will take place on April 26, 2013. As a shareholder, you are invited to attend the annual meeting and are entitled and requested to vote on the items of business described in this proxy statement.

Q: What information is contained in this proxy statement?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and certain officers and other information about our Company.

Q: How may I obtain Seaspan's Annual Report on Form 20-F filed with the SEC?

A: The 2012 Annual Report on Form 20-F is available under "SEC Filings" in the Investor Relations section of our website at www.seaspancorp.com and at the website of the Securities and Exchange Commission, or the SEC, at www.sec.gov. Additionally, shareholders can request a hard copy of our complete audited financial statements free of charge upon request by:

Writing us at Seaspan Corporation, Unit 2, 7th Floor, Bupa Centre, 141 Connaught Road West, Hong Kong, China, fax number +852-2540-1689;

Emailing us at info@seaspancorp.com; or

Calling us at +852-2540-1686.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:

The election of three Class II directors to our Board for a term of three years; and

The ratification of the appointment of KPMG LLP, Chartered Accountants, as our independent auditors for the fiscal year ending December 31, 2013.

We will also consider any other business that properly comes before the annual meeting.

Q: *How does the Board recommend that I vote?*

A: Our Board recommends that you vote your shares **FOR** each of the nominees to the Board and **FOR** the ratification of the independent auditors for the 2013 fiscal year.

Q: *Who may vote at the annual meeting?*

A: You may vote all of the common shares that you owned at the close of business on March 7, 2013, the record date for the annual meeting. On the record date, we had 63,537,077 common shares outstanding and entitled to be voted at the meeting. You may cast one vote for each common share held by you on all matters presented at the meeting.

We also have outstanding 200,000 Series A 12% Cumulative Preferred Shares, par value \$0.01 per share, or the Series A Preferred Shares, and the holders of such shares are entitled to vote together with the holders of common shares on all matters voted upon by our shareholders. Each holder of Series A Preferred Shares is entitled to the number of votes equal to the largest number of whole common shares into which all Series A Preferred Shares held of record by such holder could be converted as of the date immediately preceding the

Table of Contents

record date for the determination of the shareholders entitled to vote on such matters. As of the record date for the meeting, the holders of Series A Preferred Shares were entitled to 20,827,265 votes in the aggregate, or approximately 104 votes per Series A Preferred Share.

You may vote all shares owned by you as of the record date for the annual meeting, including (1) shares held directly in your name as the shareholder of record and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee such as a bank.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most of our shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were a Seaspan shareholder as of the close of business on March 7, 2013 or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker, trustee or nominee (i.e., in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 8:00 a.m. (Hong Kong Time).

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Table of Contents

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. Shareholders of record of our common shares and Series A Preferred Shares may submit proxies by completing, signing and dating their proxy cards and mailing them in the enclosed envelopes or via the Internet as directed on the proxy card. Our shareholders who hold shares beneficially in street name may vote by completing, signing and dating the voting instruction cards provided and mailing them in the enclosed envelopes or via the Internet as directed on the proxy card, or otherwise as directed in the voting instruction card provided by your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary by mail received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Seaspan or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally shareholders provide written comments on their proxy card, which are then forwarded to our management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: A quorum is required for our shareholders to conduct business at the annual meeting. The presence at the meeting, in person or by proxy, of the holders of shares having a majority of the voting power represented by all outstanding shares entitled to vote on the record date will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as abstentions, if any, will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes. If less than a quorum is present, a majority of those shares present either in person or by proxy shall have power to adjourn the meeting until a quorum is present.

Q: How are votes counted?

A: In the election of directors, you may vote FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For the other items of business, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, the abstention has the same effect as a vote AGAINST.

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (i.e., FOR our nominees to the Board and FOR ratification of the independent auditors, and in the discretion of the proxy holders on any other matters that properly come before the meeting).

Edgar Filing: Seaspan CORP - Form 6-K

If your broker holds your shares in its name (or street name), the broker is permitted to vote your shares on discretionary matters, even if it does not receive voting instructions from you. The proposal to ratify the appointment of KPMG LLP, Chartered Accountants, as Seaspan's independent registered public accounting

Table of Contents

firm for the fiscal year ending December 31, 2013, is the only discretionary matter proposed for action at the annual meeting. If you hold shares beneficially in street name and do not provide your broker with voting instructions on any of the remaining non-discretionary matters, your shares may constitute broker non-votes. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the three persons receiving the highest number of FOR votes at the annual meeting will be elected. The proposal to ratify the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2013 requires the affirmative FOR vote of a majority of those shares present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. We do not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, each common share outstanding as of the close of business on the record date is entitled to one vote. Each Series A Preferred Share is entitled to 104 votes, which is the number of whole common shares each Series A Preferred Share could be converted into on the date immediately prior to the record date.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the two items of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Gerry Wang and Sai W. Chu, or either of them, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxyholder will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive or follow the instructions on each card to vote via the Internet.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder, you may receive only one set of the proxy statement unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our report on Form 6-K for the three months ending March 31, 2013.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

Shareholder Proposals

For a shareholder proposal to be considered for inclusion in our proxy statement for the annual meeting next year, the written proposal must be received by our Secretary at the address set forth below no earlier than December 27, 2013 and no later than January 26, 2014. For a shareholder proposal that is not intended to be included in our proxy statement as described above, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of our common shares and Series A Preferred Shares to approve that proposal, provide the information required by our bylaws and give timely notice to our Secretary in accordance with the bylaws, which, in general, require that the notice be received by our Secretary not less than 90 days or more than 120 days prior to the first anniversary date of the date on which we first mailed the proxy materials for the previous year's annual meeting of shareholders.

Nomination of Director Candidates

You may propose director candidates for consideration by the Board at the annual shareholder meeting in 2014. Any such recommendation should include the nominee's name and qualifications for Board membership and should be directed to our Secretary at the address set forth above. shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of our common and preferred shares to elect such nominee and provide the information required by Seaspan's bylaws. In addition, the shareholder must give timely notice to our Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Secretary not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of shareholders.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

We are committed to sound corporate governance principles. These principles contribute to our business success and are essential to maintaining our integrity in the marketplace. Our Corporate Governance Guidelines and Code of Business Conduct and Ethics are available under *Corporate Governance* in the Investor Relations section of our website at www.seaspancorp.com.

Board Practices

General

As of December 31, 2012, our Board consisted of 10 members. Except for George H. Juetten and Harald H. Ludwig, who were appointed by the holders of our Series A Preferred Shares on July 25, 2009 and August 1, 2012, respectively, and who do not belong to a class of directors, the Board is divided into the following three classes, with members of each class elected to hold office for a term of three years in accordance with the classification indicated below and until his successor is elected and qualified:

Our Class I directors are Kyle R. Washington, Nicholas Pitts-Tucker and David Lyall and their term expires in 2015;

Our Class II directors are Gerry Wang, Peter Lorange and Graham Porter and their term expires in 2013. Mr. Lorange has determined not to stand for re-election as a director. Mr. Wang and Mr. Porter have each been nominated by our Board for re-election at the 2013 annual meeting of shareholders. The board also nominated Harald H. Ludwig as a Class II director for election at the 2013 annual meeting of shareholders. Mr. Ludwig has agreed to resign as a director appointed by the holders of our Series A Preferred Shares if he is elected as a Class II director at the 2013 annual meeting of shareholders. Please read *Proposals to be Voted on Proposal No. 1 Election of Directors* on pages 17 and 18 for more information about Messrs. Wang, Porter and Ludwig; and

Our Class III directors are Peter S. Shaerf and John C. Hsu and their term expires in 2014. Our co-chairmen are Gerry Wang and Kyle R. Washington. Our deputy chairman is Peter Shaerf.

Our Board has determined that each of the current members of the Board, other than Kyle R. Washington, Gerry Wang and Graham Porter, has no material relationship with us, either directly or as a partner, shareholder or officer of an organization that has a relationship with us, and is, therefore, independent from management. Peter Lorange, who was previously an officer of certain of our subsidiary companies on an interim basis, resigned from that appointment on April 25, 2010 and was replaced with Mr. Porter. The Board has determined that Mr. Lorange has no material relationship with us either directly or as a partner, shareholder or officer of an organization that has a relationship with us. The Board has also determined that, in spite of his prior interim service as an officer of certain of our subsidiary companies, Mr. Lorange is independent from us, a standard that differs from the NYSE independence standard for U.S. domestic companies. Please read *Exemptions from NYSE Corporate Governance Rules* for more information about the ways in which our corporate governance practices differ from those followed by U.S. domestic companies.

The Board currently has the following three committees: audit committee, compensation and governance committee, and conflicts committee. Until July 2012, the Board had separate compensation and nominating and governance committees. In July 2012, the nominating and governance committee was dissolved and the Board designated the compensation committee as the compensation and governance committee. The membership of the committees during 2012 and the function of each of the committees are described below. Each of our committees operates under a written charter adopted by our Board. All of the committee charters are available under *Corporate Governance* in the Investor Relations section of our website at www.seaspancorp.com.

During 2012, the Board held six meetings, the audit committee held four meetings, the compensation and governance committee held four meetings, the compensation committee held nine meetings, the conflicts

Table of Contents

committee held nine meetings, and the nominating and corporate governance committee held three meetings. The conflicts committee was actively involved in the acquisition of Seaspan Management Services Limited, or our Manager, in early 2012.

Our audit committee is composed entirely of directors who currently satisfy applicable NYSE and SEC audit committee independence standards. In 2012, our audit committee members were George H. Juetten (chair), John C. Hsu and Nicholas Pitts-Tucker. All members of the committee are financially literate, and the Board has determined that George H. Juetten qualifies as a financial expert. The audit committee assists the Board in fulfilling its responsibilities for general oversight of: the integrity of our consolidated financial statements; our compliance with legal and regulatory requirements; the independent auditors' qualifications and independence; and the performance of our internal audit function and independent auditors.

Our compensation and governance committee is composed entirely of directors who satisfy applicable NYSE independence standards. Our compensation and governance committee consists of John C. Hsu (co-chair), Nicholas Pitts-Tucker (co-chair), George H. Juetten and Peter S. Shaerf. The compensation and governance committee: (1) reviews, evaluates and approves our agreements, plans, policies and programs to compensate our officers and directors; (2) produces a report on executive compensation, which is included in our proxy statement; (3) otherwise discharges the Board's responsibilities relating to the compensation of our officers and directors; (4) assists the Board with corporate governance practices, evaluating director independence and periodic performance evaluations of the members of the Board and each committee and (5) performs such other functions as the Board may assign to the committee from time to time.

Prior to July 2012, each of the compensation and the nominating and corporate governance committees was composed entirely of directors who satisfied applicable NYSE independence standards. Our compensation committee consisted of John C. Hsu (chair), George H. Juetten and Peter S. Shaerf. Our nominating and corporate governance committee consisted of Nicholas Pitts-Tucker (chair), John C. Hsu and George H. Juetten.

Our conflicts committee consists of Peter S. Shaerf (chair), David Lyall, Peter Lorange and Nicholas Pitts-Tucker. The conflicts committee reviews and approves transactions between us and our directors, our officers and other related parties for potential conflicts of interest on an ongoing basis. Each member of the committee satisfies applicable NYSE and SEC audit committee independence standards, other than Mr. Lorange, whom the Board has determined has no material relationship with us, either directly or as a partner, shareholder or officer of an organization that has a relationship with us and has been deemed by the Board to be independent from us. Please read Exemptions from NYSE Corporate Governance Rules .

The report of the compensation and governance committee is included beginning on page 14 of this proxy statement, and the report of the audit committee is included on page 22.

Exemptions from NYSE Corporate Governance Rules

As a foreign private issuer, we are exempt from certain corporate governance rules that apply to U.S. domestic companies under NYSE listing standards. The following are the significant ways in which our corporate governance practices differ from those followed by U.S. domestic companies:

In lieu of obtaining shareholder approval prior to the adoption of equity compensation plans, the Board alone approves such adoption.

Unlike domestic companies listed on the NYSE, foreign private issuers are not required to have a majority of independent directors and the standard for independence applicable to foreign private issuers may differ from the standard that is applicable to domestic issuers. Our Board has determined that six of our 10 current directors (being John C. Hsu, George H. Juetten, David Lyall, Harold Ludwig, Nicholas Pitts-Tucker and Peter S. Shaerf) satisfy the NYSE's independence standards for domestic companies. Our Board has also determined that Peter Lorange, who has no material relationship with us either directly or as a partner, shareholder or officer of an organization that has a

Table of Contents

relationship with us, is independent from us. This is the general NYSE independence standard. Our Board has not applied the NYSE three-year look-back test relating to Mr. Lorange's interim service as an officer of certain of our subsidiary companies in deeming Mr. Lorange to be independent.

U.S. issuers are required to have a compensation committee and a nominating and corporate governance committee, each comprised entirely of independent directors. As a foreign private issuer these rules do not apply to us. We have a compensation and governance committee that consists of four directors, all of whom satisfy NYSE standards for independence. NYSE standards for domestic companies require that an independent committee evaluate and recommend to the board of directors nominees to serve as directors.

Our Board, rather than a committee, nominates director candidates.

Consideration of Director Nominees

Shareholder Nominees

Our Board and its nominating and corporate governance committee will consider properly submitted shareholder nominations for Board candidates. In evaluating these nominations, our Board and its nominating and corporate governance committee consider, among other things, the balance of reputation, knowledge, experience, diversity of viewpoints, background, experience and other demographics and capability on the Board. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership and should be mailed or faxed, addressed to:

Secretary

Seaspan Corporation

For a description of the process for nominating directors in accordance with our bylaws, please see *Questions and Answers about the Proxy Materials and the Annual Meeting* *What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?* on page 6.

During the years ended December 31, 2012 and 2011, we paid to our directors and management (14 persons in 2012 and 11 persons in 2011) aggregate cash compensation of approximately \$5.0 million and \$3.3 million, respectively. The amount for 2012 includes amounts paid to our officers, but does not include amounts to be paid to Mr. Wang for his annual target performance bonus pursuant to his amended and restated employment agreement, which is described below. The amount paid in 2011 includes a cash bonus paid to Peter Curtis, our chief operating officer for services provided to our Manager prior to our acquisition of our Manager in January 2012. In December 2012, Mr. Wang's agreement with SSML was terminated and we

A total of 2,000,000 common shares are reserved for issuance under the Plan, which is administered by our Board. The Plan will expire in December 2015. On January 1, 2012, each of our non-employee directors was awarded 7,900 restricted shares, which vested on January 1, 2013 (except for two directors who were appointed during the year and awarded restricted shares on a pro-rata basis). In 2012, we also granted an aggregate of 40,000 phantom share units to our executive officers, other than our chief executive officer, under the Plan. REPORT OF THE COMPENSATION AND GOVERNANCE COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Our executive compensation program is administered by the compensation and governance committee of the Board.

Executive Compensation Philosophy

The compensation and governance committee is responsible for reviewing and evaluating the executive compensation of our chief executive officer, our chief financial officer and other senior officers, and our directors. Generally, the goals of our compensation program are to:

attract, retain and motivate a high-caliber executive leadership team;

pay competitively and consistently within an appropriately defined market;

align executive compensation with shareholder interests; and

link compensation to our performance and the individual performance of our executive officers and directors.

Executive Compensation Practices

Each year, we survey the executive compensation practices of our industry peer groups. The level of executive compensation will be commensurate with our performance both within and outside our peer group.

Components of Executive Compensation

Base Pay

Base pay is baseline cash compensation and is determined by the competitive market and individual performance. The base pay for our chief executive officer for 2012 was established by an employment agreement between us and Gerry Wang. For more information about our employment and other agreements with Mr. Wang, please read Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement and Other Related Agreements with Gerry Wang in our 2012 Annual Report on Form 20-F. The base pay for our other executive officers is established by various letter agreements between each officer and SSML.

Annual Bonus

Our annual bonus program for our executive officers focuses on matching reward with the individual's performance and our financial performance in the fiscal year through comparison to established targets and the financial performance of peer companies. The bonus has included in the past phantom share units and may include cash compensation, which will be evaluated and determined by the compensation and governance committee in conjunction with the chief executive officer. Mr. Wang's employment agreement with us provides that he will receive an annual target performance bonus. For more information about our employment agreement with Mr. Wang, please read Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement and Other Related Agreements with Gerry Wang in our 2012 Annual Report on Form 20-F.

Equity Incentive Plan

The Plan is intended to promote our interests by encouraging employees, consultants and directors to acquire or increase their equity interest in us and to provide a means whereby they may develop a sense of proprietorship and personal involvement in our development and financial success, and to encourage them to

remain with and devote their best efforts to our business, thereby advancing our interests and the interests of our stockholders. The Plan is also included to enhance our ability to attract and retain the services of individuals who are essential for our growth and profitability.

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1

ELECTION OF DIRECTORS

As of March 1, 2013, our Board consisted of 10 members. Except for George H. Juetten and Harald Ludwig, who were appointed by our Series A Preferred shareholders on July 25, 2009 and August 1, 2012, respectively, and who do not belong to a class of directors, the rest of the Board is divided into three classes: Class I, Class II and Class III. The number of directors in each class is required to be as nearly equal as possible. At the 2013 annual meeting, three Class II directors will be elected to serve for three-year terms until the 2016 annual meeting and until their successors are elected. The nominees for election at the 2013 annual shareholder meeting are Gerry Wang, Graham Porter and Harald H. Ludwig. Mr. Ludwig has agreed to resign as a director appointed by our Series A Preferred shareholders if he is elected as a Class II director at the 2013 annual shareholder meeting. The remaining five non-Series A Preferred directors are divided into two classes of three Class I directors and two Class III directors, whose terms expire in 2014 and 2015, respectively. Votes may not be cast at the 2013 annual shareholder meeting for a greater number of director nominees than three.

Information regarding the business experience of each nominee is provided below. There are no family relationships among our executive officers and directors. Please read Item 6. Directors, Senior Management and Employees A. Directors and Senior Management in our 2012 Annual Report on Form 20-F for information regarding directors continuing in office.

If you sign your proxy or voting instruction card but do not give instructions for the voting of directors, your shares will be voted FOR the three persons recommended by the Board. If you wish to give specific instructions for the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card.

The three persons receiving the highest number of FOR votes represented by common shares and Series A Preferred Shares of Seaspan, present in person or represented by proxy and entitled to be voted at the annual meeting, will be elected.

The Board expects that all nominees will be available to serve as directors. If, for any unforeseen reason, any of the Board's nominees is not available as a candidate for director, the proxyholders, Gerry Wang and Sai W. Chu, will vote your proxy for such other candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors on the Board.

Our Board recommends a vote FOR the election to the Board of each of the following nominees for Class II Directors (terms expiring in 2016):
