Shah Opportunity, Mr. Shah, Mr. Lu, Lu Charitable Trust, Lu Family Trust and Lu Family Partnership (collectively, the Consortium Members) anticipate that at the price per Ordinary Share set forth in the Proposal (as defined and further described in Item 4 below), approximately US\$103 million will be expended in acquiring all of the outstanding Ordinary Shares of the Company that are not already owned by the Consortium Members. It is anticipated that the funding for the purchase of all of the outstanding Ordinary Shares that are not already owned by the Consortium Members will be provided by a combination of equity and debt capital. Equity financing will be provided by the Consortium Members in the form of equity in the Company. The Consortium Members have been in discussions with leading financial institutions and have received a highly confident letter dated March 25, 2013 indicating that they are highly confident of their ability to fully underwrite the debt financing for the Transaction subject to the terms and conditions set forth therein.

Item 4. Purpose of Transaction.

Item 4 of the Original Schedule 13D is hereby amended and supplemented by adding the following at the end thereof:

On March 27, 2013, the Consortium Members entered into a consortium agreement (the Consortium Agreement), pursuant which the Consortium Members will cooperate in good faith in connection with the acquisition of all of the outstanding Ordinary Shares that are not already owned by the Consortium Members for US\$3.20 in cash per Ordinary Share (the Proposed Transaction). The Consortium Agreement provides, among other things, for: cooperation in arranging financing; engaging advisors; sharing all information reasonably necessary to evaluate the Company; cooperation in obtaining applicable governmental, statutory, regulatory or other consents, licenses, waivers or exemptions required for the consummation of the Proposed Transactions; and cooperation in preparing and negotiating definitive agreements with respect to the Proposed Transaction. During the period beginning on the date of the Consortium Agreement and ending on the first to occur of (i) the date nine months after the date of the Consortium Agreement, and (ii) the termination of the Consortium Agreement pursuant to a mutual written agreement of Shah Opportunity, Mr. Shah and Mr. Lu, the Consortium Members have agreed to work exclusively with each other to implement the Proposed Transaction.

On March 27, 2013, the Consortium Members submitted a preliminary, nonbinding proposal (the Proposal) to the Company's board of directors (the Board) in connection with the Proposed Transaction. In the Proposal, the Consortium Members, among other things, (i) indicated that the Consortium Members are interested only in pursuing the Proposed Transaction and are not interested in selling their Ordinary Shares in any other transaction involving the Company, (ii) informed the Board of the financing arrangement, and (iii) requested that the Board grant a timely opportunity to conduct customary business, legal, financial and accounting due diligence on the Company.

The description of the Consortium Agreement and the Proposal in this Item 4 is qualified in its entirety by reference to the complete text of the Consortium Agreement and the Proposal, which have been filed as Exhibit 99.2 and 99.3 to this Schedule 13D and are incorporated by reference in their entirety into this Item 4.

If the Proposed Transaction is carried out and consummated, the Ordinary Shares will no longer be traded on the NASDAQ Stock Market LLC and the Company's obligation to file periodic reports under the Securities Exchange Act of 1934, as amended (the Exchange Act) would be terminated. In addition, consummation of the Proposed Transaction could result in one or more of the actions specified in clauses (a)-(j) of Item 4 of Schedule 13D, including the acquisition or disposition of securities of the Company, a merger or other extraordinary transaction involving the Company, a change to the Board (as the surviving company in the merger) to consist solely of persons to be designated by the Consortium Members, and a change in the Company's memorandum and articles of association to reflect that the Company would become a privately held company. In connection with the Proposed Transaction, approximately 30% of the Ordinary Shares managed by Shah Management in separately managed accounts which are owned by certain accredited investors will be transferred to Shah Opportunity before the consummation of the Proposed Transaction. The remaining portion of the Ordinary Shares managed by Shah Management will be sold to third parties in the open market before or at the consummation of the Proposed Transaction. No assurance can be given that any proposal, any definitive agreement or any transaction relating to the Proposed Transaction will be entered into or be consummated. The Proposal provides that no binding obligation on the part of the Company or the Consortium Members shall arise with respect to the Proposed Transaction unless and until definitive agreements have been executed.

The Reporting Persons reserve their right to change their plans and intentions in connection with any of the actions discussed in this Item 4 including among others, the purchase price for the Proposed Transaction and the debt and/or equity financing arrangements. Any action taken by the Reporting Persons may be effected at any time or from time to time, subject to any applicable limitations imposed thereon by any applicable laws.

Except as set forth in this Item 4, none of the Reporting Persons has any plans or proposals which relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, formulate other purposes, plans or proposals regarding the Company, or any other actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) of Item 4 of Schedule 13D.
