The exchange notes will be structurally subordinated to all of the liabilities of our subsidiaries that do not guarantee the exchange notes. See "Description of Exchange Notes."

These forward-looking statements are necessarily estimates reflecting the best judgment of our senior management and involve a number of risks and uncertainties, some of which may be beyond our control, which could cause actual results to differ materially from those suggested by the forward-looking statements. If any of those risks and uncertainties materialize, actual results could differ materially from those discussed in any such forward-looking statement. Among the factors that could cause actual results to differ materially from those discussed in forward-looking statements are those discussed under the heading **Risk Factors** in this prospectus and our Annual Report on Form 10-K for the fiscal year ended December 31, 2012, as well as in our other reports filed from time to time with the SEC that are incorporated by reference into this prospectus. These factors include, but are not limited to:

The effects of intense competition that exists in the gaming industry.

The economic downturn and its effect on consumer spending.

The fact that our expansion, development and renovation projects (including enhancements to improve property performance) are subject to many risks inherent in expansion, development or construction of a new or existing project, including:

design, construction, regulatory, environmental and operating problems and lack of demand for our projects;

delays and significant cost increases, shortages of materials, shortages of skilled labor or work stoppages;

poor performance or nonperformance of any of our partners or other third parties upon whom we are relying in connection with any of our projects;

construction scheduling, engineering, environmental, permitting, construction or geological problems, weather interference, floods, fires or other casualty losses;

failure by us, our partners, or Borgata to obtain financing on acceptable terms, or at all; and

failure to obtain necessary government or other approvals on time, or at all.

The risk that USCG may not continue to allow in-place underwater inspections of our riverboats.

The risk that any of our projects may not be completed, if at all, on time or within established budgets, or that any project will result in increased earnings to us.

The risk that significant delays, cost overruns, or failures of any of our projects to achieve market acceptance could have a material adverse effect on our business, financial condition and results of operations.

The risk that our projects may not help us compete with new or increased competition in our markets.

The risk that new gaming licenses or jurisdictions become available (or offer different gaming regulations or taxes) that results in increased competition to us.

The risk associated with owning real property, including environmental regulation and uncertainties with respect to environmental expenditures and liabilities;

The risk associated with challenges to legalized gaming in existing or current markets;

The risk that the actual fair value for assets acquired and liabilities assumed from any of our acquisitions differ materially from our preliminary estimates.

Our inability to select the new joint venture partner for Borgata and the possibility that a new operating agreement will be entered into with the new venture partner, which could result in changes to Borgata's ongoing operations.

The risk that we may be unable to finance our expansion, development, investment and renovation projects, including cost overruns on any particular project, as well as other capital expenditures through cash flow, borrowings under our Credit Facility, the Peninsula Credit Facility or the Borgata bank credit facility, and additional financings, which could jeopardize our expansion, development, investment and renovation efforts.

The risk that we, Peninsula Gaming or Borgata may be unable to refinance our respective outstanding indebtedness as it comes due, or that if we, Peninsula Gaming or Borgata do refinance, the terms are not favorable to us or them.

Risks associated with our ability to comply with the Total Leverage, Secured Leverage and Interest Coverage ratios as defined in our Credit Facility, and the risks associated with Borgata's ability to comply with the minimum consolidated EBITDA and minimum liquidity covenants in the Borgata bank credit facility;

The risk that we ultimately may not be successful in dismissing the action filed against Treasure Chest and may lose our ability to operate that property, which result could adversely affect our business, financial condition and results of operations.

The effects of the extensive governmental gaming regulation and taxation policies that we are subject to, as well as any changes in laws and regulations, including increased taxes, which could harm our business.

The effects of federal, state and local laws affecting our business such as the regulation of smoking, the regulation of directors, officers, key employees and partners and regulations affecting business in general.

The effects of extreme weather conditions or natural disasters on our facilities and the geographic areas from which we draw our customers, and our ability to recover insurance proceeds (if any).

The risks relating to mechanical failure and regulatory compliance at any of our facilities.

In addition to these properties, we own and operate a travel agency in Hawaii, and a captive insurance company, also in Hawaii, that underwrites travel-related insurance. Results for our travel agency and our captive insurance company are included in our Downtown Las Vegas segment, as our Downtown Las Vegas properties concentrate their marketing efforts on gaming customers from Hawaii.

We also own and operate Dania Jai-Alai, which is a pari-mutuel jai-alai facility with approximately 47 acres of related land located in Dania Beach, Broward County, Florida. The results of Dania Jai-Alai are included as part of the Other category in our segment information. On February 22, 2013, we and Dania Entertainment Center, LLC (Dania Entertainment) entered into an Asset Purchase Agreement (the New Dania Agreement) for the sale of certain assets and liabilities of the Dania Jai-Alai Business, for a purchase price of \$65.5 million. The closing of the transactions contemplated by the New Dania Agreement is expected to occur on or prior to May 24, 2013, subject to certain closing conditions.

On March 1, 2013, we entered into a definitive agreement with Genting Assets, Inc. (Genting) to sell 87 acres of land on the Las Vegas Strip, where our Echelon development project was to be located (Echelon) for \$350.0 million in cash. The sale agreement included the 87-acre land parcel as well as site improvements, including the district energy system and central energy center that was to be built by LVE Energy Partners, LLC (LVE). The transaction was completed on March 4, 2013, and we received \$157.0 million in net proceeds after payment of a portion of the proceeds to a third party to fulfill our obligations to LVE.

Outlook

Our focus has been, and will continue to remain on: (i) ensuring our existing operations are managed as efficiently as possible and remain positioned for growth; (ii) our capital structure and strengthening our balance sheet, not just by paying down debt, but also by strengthening our operations and diversifying our asset base; and (iii) our growth strategy, which is built on finding those assets that are a good strategic fit and provide an appropriate return to our shareholders.

We believe that our key operating results during the year ended December 31, 2012 demonstrate positive trends in our business. Although over the course of the past several years, the severe economic recession has had a profound effect on consumer confidence and has shifted spending away from discretionary items, such as leisure, hospitality, gaming and entertainment activities, our recent quarterly results indicate that we have realized some recovery in our business. Generally, the tourism industry is stabilizing, as evidenced by increased visitation, hotel room rates and convention business.

We continually work to position our Company for greater success by strengthening our existing operations and growing through capital investment and other strategic initiatives. For instance, in November 2012, we completed the Peninsula Acquisition and added five properties to our portfolio: the Kansas Star in Mulvane, Kansas; Diamond Jo Casino in Dubuque, Iowa, Diamond Jo Casino in Northwood, Iowa, Evangeline Downs Racetrack and Casino in Opelousas, Louisiana, and Amelia Belle Casino in Amelia, Louisiana. We have established a nationwide branding initiative and loyalty program. Previously, players were able to use their Club Coast or B Connected cards to earn and redeem points at nearly all of our wholly-owned Boyd Gaming properties in Nevada, Illinois, Indiana, Louisiana and Mississippi. In June 2010, we launched an enhanced, multi-property player loyalty program under the B Connected brand, which replaced the Club Coast program. Customers under the Club Coast program were able to keep all earned benefits and club points they had previously earned under the program. The new B Connected club, among other benefits, extends the time period over which players may qualify for promotion and increases the credits awarded to reel slot and table games players.

In addition to the B Connected player loyalty program, we launched the B Connected Mobile program in July 2010. B Connected Mobile, the first multi-property, loyalty program-based iPhone application of its

Table of Contents

kind in the gaming industry, is a personalized mobile application that delivers customized offers and information directly to a customer's iPhone, iPad or Android device, making B Connected Mobile the first application of its kind available on multiple platforms. The application further expands the benefits of the B Connected program. B Connected Mobile, provides real-time personalized information when a customer visits a Boyd property, including: hotel, dining and gaming offers, such as Best Rates Available on hotel rooms for B Connected members, instant access to event information, schedules and special offers at all Boyd Gaming properties using a search engine which allows customers to find Boyd Gaming casinos that have their favorite machines and displays the games' locations on a casino floor map, the ability to track B Connected point balances in real time, and the ability to make immediate hotel or restaurant reservations. These tools help customers obtain the greatest value from their B Connected membership, and ensure that our marketing is as effective as possible.

We have continued to improve our B Connected loyalty program with the introduction of B Connected Social in the first quarter of 2012, which rewards customers for using B Connected Online, B Connected Mobile, or sharing offers and events on social networks. B Connected Social is a dynamic network loyalty program that allows B Connected members to share offers with friends, connect to their favorite social networks, check in online via certain social networks, as well as participate in a variety of online activities including interfacing with B Connected Online or B Connected Mobile, participate in online contests, and register for alerts to deliver targeted information specific to the B Connected member.

Overview of our Properties

We operate gaming entertainment properties, most of which also include hotel, dining, retail and other amenities. Our main business emphasis is on slot revenues, which are highly dependent upon the volume and spending levels of customers at our properties, which affects our operating results.

Our properties have historically generated significant operating cash flow, with the majority of our revenue being cash-based. While we do provide casino credit, subject to certain gaming regulations and jurisdictions, most of our customers wager with cash and pay for non-gaming services by cash or credit card.

Our industry is capital intensive; we rely heavily on the ability of our properties to generate operating cash flow in order to fund maintenance capital expenditures, fund acquisitions, provide excess cash for future development, repay debt financing and associated interest costs, purchase our debt or equity securities, pay income taxes and pay dividends.

The following sets forth information regarding our gaming entertainment properties as of December 31, 2012.

Las Vegas Locals Properties

Our Las Vegas Locals segment consists of six casinos that serve the resident population of the Las Vegas metropolitan area, which had been one of the fastest growing areas in the United States prior to the economic downturn beginning in late 2007. Las Vegas has historically been characterized by a vibrant economy and strong demographics that include a large population of retirees and other active gaming customers. Although we are seeing signs of stabilization, the current recession has had an adverse impact on the growth and economy of Las Vegas, resulting in significant declines in the local housing market and unstable unemployment in the Las Vegas valley, which has negatively affected consumer spending. Our Las Vegas Locals segment competes directly with other locals' casinos and gaming companies, some of which operate larger casinos and offer different promotions than ours.

Downtown Las Vegas Properties

We directly compete with 11 casinos that operate in downtown Las Vegas; however, we have developed a distinct niche for our downtown properties by focusing on customers from Hawaii. Our downtown properties focus their marketing on gaming enthusiasts from Hawaii and tour and travel agents in Hawaii with whom we have cultivated relationships since we opened our California Hotel and Casino (the Cal) in 1975. Through our Hawaiian travel agency, Vacations Hawaii, we operate as many as four charter flights from Honolulu to Las Vegas each week, helping to ensure a stable supply of air transportation. We also have strong, informal

Table of Contents

relationships with other Hawaiian travel agencies and offer affordable all-inclusive packages. These relationships, combined with our Hawaiian promotions, have allowed the Cal, Fremont Hotel and Casino (Fremont) and Main Street Station Casino, Brewery and Hotel (Main Street Station) to capture a significant share of the Hawaiian tourist trade in Las Vegas. During the year ended December 31, 2012, patrons from Hawaii comprised approximately 66% of the occupied room nights at California, 48% of the occupied room nights at Fremont, and 52% of the occupied room nights at Main Street Station.

California Hotel and Casino

The Cal s amenities include 781 hotel rooms, multiple dining options, a sports book and meeting space. The Cal and Main Street Station are connected by an indoor pedestrian bridge.

Fremont Hotel and Casino

Main Street Station s amenities include 406 hotel rooms and three restaurants, one of which includes a brewery. In addition, Main Street Station features a 96-space recreational vehicle park, the only such facility in the downtown area.

Midwest and South Properties

Our Midwest and South properties consist of four dockside riverboat casinos, one racino and two barge-based casinos that operate in four states in the Midwest and southern United States. Generally, these states allow casino gaming on a limited basis through the issuance of a limited number of gaming licenses. Our Midwest and South properties generally serve customers within a 100-mile radius and compete directly with other casino facilities operating in their respective immediate and surrounding market areas, as well as with gaming operations in surrounding jurisdictions.

Sam s Town Hotel and Gambling Hall

Sam s Town Hotel and Gambling Hall (Sam s Town Tunica) is a barge-based casino located in Tunica County, Mississippi. The property has extensive amenities, including 842 hotel rooms, an entertainment lounge, four dining venues and the 1,600-seat River Palace Arena. Tunica is the closest gaming market to Memphis, Tennessee and is located approximately 30 miles south of Memphis.

IP Casino Resort Spa

The property features nearly 1,100 hotel rooms and suites; a 70,000-square-foot casino with 1,783 slot machines and 63 table games; 73,000 square feet of convention and meeting space; a spa and salon; a 1,400-seat theater offering regular headline entertainment; six lounges and bars; and eight restaurants, including a steak and seafood restaurant, and an upscale Asian restaurant.

pavilion, which includes three restaurants, a cocktail lounge, and a gift shop. Par-A-Dice is strategically located near Interstate 74, a major east-west interstate highway.

Blue Chip Casino, Hotel & Spa

Blue Chip Casino, Hotel & Spa (Blue Chip) is a dockside riverboat casino located in Michigan City, Indiana, which is 40 miles west of South Bend, Indiana and 60 miles east of Chicago, Illinois. The property competes primarily with five casinos in northern Indiana and southern Michigan and, to a lesser extent, with casinos in the Chicago area and racinos located near Indianapolis. In 2006, we began operations on our newly constructed single-level dockside riverboat at Blue Chip. The new boat allowed us to expand our casino and, in connection with the construction of our new boat, add a new parking structure and enhance the land-based pavilion. On January 22, 2009, we completed an expansion project at Blue Chip that added a 22-story hotel, which included 300 additional guest rooms and increased total guest rooms to 486, a spa and fitness center, additional meeting and event space, as well as new dining and nightlife venues to the existing property structure.

Treasure Chest Casino

Treasure Chest Casino (Treasure Chest) is a dockside riverboat casino located on Lake Pontchartrain in the western suburbs of New Orleans, Louisiana. The property is designed as a classic 18th century Victorian style paddlewheel riverboat, with a total capacity for 1,750 people. The entertainment complex located adjacent to the riverboat houses a 140-seat Caribbean showroom and two restaurants. Located approximately five miles from the New Orleans International Airport, Treasure Chest primarily serves residents of suburban New Orleans.

Delta Downs Racetrack Casino & Hotel

Delta Downs is located in Vinton, Louisiana and has historically conducted horse races on a seasonal basis and operated year-round simulcast facilities for customers to wager on races held at other tracks. In 2002, we began slot operations in connection with a renovation project that expanded the facility. We completed an expansion of the casino in 2004 and opened a 203-room hotel at the property in 2005. Delta Downs is approximately 25 miles closer to Houston than the next closest gaming property, located in Lake Charles, Louisiana. Customers traveling from Houston, Beaumont and other parts of southeastern Texas will generally drive past Delta Downs to reach Lake Charles.

Sam's Town Hotel and Casino

Sam's Town Hotel and Casino (Sam's Town Shreveport) is a dockside riverboat casino located along the Red River in Shreveport, Louisiana. Amenities at the property include 514 hotel rooms, a spa, four restaurants, a live entertainment venue, and convention and meeting space. Feeder markets include east Texas (including Dallas), Texarkana, Arkansas and surrounding Louisiana cities, including Bossier City, Minden, Ruston and Monroe. The continued expansion of Native American gaming in Oklahoma could have a material adverse impact on the operations of Sam's Town Shreveport.

Peninsula Gaming Segment

Our Peninsula Gaming properties consist of three casinos, one racino and one riverboat casino that operate in three states including Louisiana, Iowa and Kansas. Generally, these states allow casino gaming on a limited basis through the issuance of a limited number of gaming licenses. Our Peninsula Gaming properties generally compete directly with other casino facilities operating in their respective immediate and surrounding market areas, as well as with gaming operations in surrounding jurisdictions.

Evangeline Downs currently operates four OTB locations in Louisiana in each of Port Allen, Henderson, Eunice and St. Martinville. Each of the OTB's offers simulcast pari-mutuel wagering and video poker. Under Louisiana's racing and off-track betting laws, we have a right of prior approval with respect to any applicant seeking a permit to operate an OTB within a 55-mile radius of our Evangeline Downs racetrack, which effectively gives us the exclusive right, at our option, to operate additional OTB's within such a radius, provided that such OTB is not also within a 55-mile radius of another horse racetrack.

casino operations, utilizing this space in the interim, while the remaining casino facilities were being constructed. We are currently in the process of renovating the 162,000 square foot indoor event center which housed our interim casino operations during much of 2012. When completed, the event center will be able to host a number of events including concerts, trade shows and equestrian events.

Atlantic City

Borgata

Borgata opened in Atlantic City, New Jersey in July 2003. Atlantic City is predominantly a regional day-trip and overnight-trip market. Borgata directly competes with ten other Atlantic City casinos as well as with gaming operations in surrounding jurisdictions. Borgata is an upscale destination resort that features a 160,000 square-foot casino with 3,305 slot machines and 183 table games. The property has a total of 2,767 guest rooms and suites comprised of 1,970 guest rooms and suites at the Borgata hotel and 797 guest rooms and suites at The Water Club. MDDC developed, owns and operates Borgata.

Borgata features five fine-dining restaurants with acclaimed chefs including Bobby Flay, Wolfgang Puck, Michael Schulson and Stephen Kalt, six casual dining restaurants, eight quick dining options, 14 retail boutiques, two European-style spas, two nightclubs and over 8,200 parking spaces. In addition, the property contains approximately 88,000 square feet of meeting and event space, as well as two entertainment venues. Borgata was master-planned with ease of access and designed as a single-level casino floor with appealing design elements, creating an immediate sense of excitement upon entrance, heightened by the placement of multiple food and beverage outlets on the casino floor itself. Its location at Renaissance Pointe provides guests with convenient access to the property via the Atlantic City Expressway Connector tunnel, without the delays associated with driving to competing casinos located on the Boardwalk of Atlantic City.

Borgata was developed as a 50%/50% joint venture between our wholly-owned subsidiary, Boyd Atlantic City, Inc. (BAC), and MAC, Corp. (MAC), a second tier, wholly-owned subsidiary of MGM Resorts International (MGM). On March 24, 2010, MAC transferred its 50% ownership interest (the MGM Interest) in Marina District Development Holding Co., LLC (MDDHC), and certain land leased to MDDC, into a divestiture trust, of which MGM and its subsidiaries are the economic beneficiaries (the Divestiture Trust), for sale to a third party in connection with MGM's settlement agreement with the Division of Gaming Enforcement Office of the Attorney General of the State of New Jersey (the NJDGE). MDDHC is the parent of MDDC, the entity that developed, owns and operates Borgata. BAC has a right of first refusal on any sale of the MGM Interest and has an option to purchase certain land leased by MDDC from MAC, which land is now held by the Divestiture Trust. As managing member of MDDHC pursuant to the terms of the operating agreement of MDDHC between BAC and MAC, BAC, through MDDHC, has responsibility for the oversight and management of Borgata's day-to-day operations but does not receive a management fee from Borgata. Borgata employs a management team and full staff to perform these services for the property.

On March 24, 2010, as a result of the amendment to our operating agreement with MGM, which provided, among other things, for the termination of MGM's participating rights in the operations of Borgata, we effectively obtained control of Borgata. As a result, we have consolidated the financial position and results of operations of Borgata from March 24, 2010 through December 31, 2010. Prior period amounts were not restated or recasted as a result of this change. The financial position of Borgata is presented in our consolidated balance sheets as of December 31, 2012 and 2011; its results of operations for the full year are included in our consolidated statements of operations and cash flows for the years ended December 31, 2012 and 2011; its results

Table of Contents

of operations for the period from March 24, 2010 through December 31, 2010 are included in our consolidated statements of operations and cash flows for the year ended December 31, 2010.

MGM announced that it has entered into an amendment with respect to its settlement agreement with the NJDGE, which was approved by the New Jersey Casino Control Commission at a hearing on August 8, 2011. The amendment provides that until March 24, 2013, MGM has the right to direct the Divestiture Trust to sell the MGM Interest. If a sale is not concluded by that time, the Divestiture Trust will be responsible for selling MGM's Interest during the following 12-month period, or not later than March 24, 2014.

On February 20, 2013, MGM announced that it had entered into an amendment with the NJDGE, effective February 13, 2013, pursuant to which MGM was allowed to reapply to the New Jersey Casino Control Commission for licensure in New Jersey. The March 24, 2013 deadline to sell the MGM Interest was deferred pending the outcome of the licensure process.

Echelon Development

Echelon

On August 1, 2008, we announced the delay of our Echelon development project that was to be located on the Las Vegas strip. We originally expected to resume development in the project in three to five years. However, as discussed in Note 5, Assets Held for Development and Note 24, Subsequent Events to our financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012, incorporated herein by reference, during the fourth quarter of 2012, we reconsidered our options for the development of Echelon. After considering our current business strategy, the current and future direction of business on the Las Vegas Strip, anticipated return on investment, and our overall financial position, we concluded that developing a large-scale project on the Las Vegas strip from the ground up was not consistent with our current strategy.

On March 1, 2013, we entered into a definitive agreement with Genting to sell the Echelon site for \$350.0 million in cash. The sale agreement included the 87-acre land parcel as well as site improvements, including the district energy system and central energy center that was to be built by LVE. The transaction was completed on March 4, 2013, and we received \$157.0 million in net proceeds after payment of a portion of the proceeds to a third party to fulfill our obligations to LVE.

Central Energy Facility

LVE is a joint venture between Marina Energy LLC and DCO ECH Energy, LLC. We had entered into an Energy Sales Agreement with LVE to design, build, own (other than the underlying real property which is leased from Echelon) and operate a district energy system and central energy center for our planned Echelon resort development to provide electricity, emergency electricity generation, and chilled and hot water to Echelon and potentially other joint venture entities associated with the Echelon development project or other third parties. LVE began construction of the facility in 2007.

On March 1, 2013, as part of the sale of the Echelon site, we entered into a definitive agreement with LVE to permit Genting to acquire LVE's power plant improvements on the Echelon site. The transaction was completed on March 4, 2013 and Genting paid LVE \$187.0 million at the closing.

arrange for The Depository Trust Company to transmit certain required information, including an agent's message forming part of a book-entry transfer in which you agree to be bound by the terms of the letter of transmittal, to the exchange agent in connection with a book-entry transfer.

By tendering your old notes in either manner, you will be representing, among other things, that:

you are acquiring the exchange notes issued to you in the exchange offer in the ordinary course of your business;

you are not engaged in, and do not intend to engage in, and have no arrangement or understanding with any person to participate in, a distribution of the exchange notes issued to you in the exchange offer; and

you are not an affiliate of ours within the meaning of Rule 144 under the Securities Act.

See The Exchange Offer Procedures for Tendering Old Notes.

Special Procedures for Beneficial Owners

If you beneficially own old notes registered in the name of a broker, dealer, commercial bank, trust company or other nominee and wish to tender your beneficially owned old notes in the exchange offer, you should contact the registered holder promptly and instruct it to tender the old notes on your behalf. If you wish to tender on your own behalf, you must, prior to completing and executing the letter of transmittal and delivering your old notes, either make appropriate arrangements to register ownership of the old notes in your name or obtain a properly completed bond power from the registered holder. The transfer of registered ownership may take considerable time and may not be able to be completed prior to the expiration date. See The Exchange Offer Procedures for Tendering Old Notes.

Guaranteed Delivery Procedures

If you wish to tender your old notes, but:

your old notes are not immediately available; or

you cannot deliver your old notes, the letter of transmittal or any other documents required by the letter of transmittal to the exchange agent prior to the expiration date; or

the procedures for book-entry transfer of your old notes cannot be completed prior to the expiration date;

you may tender your old notes pursuant to the guaranteed delivery procedures set forth in this prospectus and the letter of transmittal. See The Exchange Offer Guaranteed Delivery Procedures.

The Exchange Notes

The following is a brief summary of some of the terms of the exchange notes. The form and term of the exchange notes will be substantially identical to those of the respective old notes except that the exchange notes will not be subject to certain transfer restrictions, registration rights and certain provisions regarding additional interest applicable to the old notes prior to the consummation of the exchange offer. For a more complete description of the terms of the exchange notes, see "Description of Exchange Notes" in this prospectus.

Interest and Payment Dates	Interest will accrue at a rate of 9.00% per year until maturity or earlier redemption. Interest is payable on January 1 and July 1 of each year. The first interest payment date was January 1, 2013.
Guarantees	<p>The exchange notes will be fully and conditionally guaranteed, jointly and severally, on a senior unsecured basis by certain of our current and future domestic restricted subsidiaries. The guarantors include all of our subsidiaries that guarantee our Credit Facility, as amended from time to time. The guarantees may be released under certain circumstances. We are permitted to designate certain restricted subsidiaries as unrestricted subsidiaries subject to compliance with certain tests. See "Description of Exchange Notes" "Certain Covenants" "Designation of Restricted and Unrestricted Subsidiaries."</p> <p>Not all of our Restricted Subsidiaries will guarantee the exchange notes. Additionally, our non-wholly-owned subsidiaries are prohibited from guaranteeing the exchange notes. For the year ended December 31, 2012, our non-guarantor subsidiaries accounted for approximately \$0.1 billion, or 6.3%, of our net revenue (excluding amounts related to our non-wholly-owned subsidiaries), and at December 31, 2012, accounted for approximately \$1.7 billion, or 36.3%, of our total assets (excluding amounts related to our non-wholly-owned subsidiaries), and approximately \$1.6 billion, or 33.5%, of our total liabilities (excluding amounts related to our non-wholly-owned subsidiaries).</p>

outstanding senior subordinated notes. The guarantees will be general senior unsecured obligations of the guarantors, will rank equally in right of payment with the guarantors' existing and future senior debt, including guarantees of our 9% senior notes due 2018 and debt under our Credit Facility, and will rank senior in right of payment to any of the guarantors' subordinated debt. The exchange notes and the guarantees will be effectively subordinated to our secured debt and the guarantors' secured debt, to the extent of the value of the collateral securing such obligations, including obligations under our Credit Facility. The exchange notes will be structurally subordinated to all of the liabilities of our subsidiaries that do not guarantee the exchange notes. See "Description of Exchange Notes."

We and our wholly-owned subsidiaries had approximately \$4.1 billion of long-term debt as of December 31, 2012 (of which \$1.5 billion is outstanding under our Credit Facility) and which amounts include approximately \$61.6 million of current maturities of such long-term debt and exclude approximately \$14.5 million of outstanding letters of credit, in each case as of December 31, 2012). In addition, approximately \$253.1 million was available for borrowing under our Credit Facility as of December 31, 2012. All obligations under our Credit Facility would be effectively senior to the notes offered hereby to the extent of the collateral securing such facility.

Boyd Acquisition I, LLC, an indirect wholly-owned subsidiary of Boyd Gaming and the parent of Boyd Acquisition II, LLC, an indirect wholly-owned subsidiary of Boyd Gaming ("HoldCo"), and each of its subsidiaries, including HoldCo and PGL and its subsidiaries, will be unrestricted subsidiaries under the exchange notes. We and our restricted subsidiaries will not provide any credit support for the promissory note that HoldCo entered into upon the closing of the Peninsula Acquisition (the "HoldCo Note"), any indebtedness of PGL or any other indebtedness of an unrestricted subsidiary. Creditors of the unrestricted subsidiaries will have no recourse to our stock or assets or to the stock or assets of any restricted subsidiary.

See "Capitalization" and "Description of Other Indebtedness" "Credit Facility."

Use of Proceeds

We will not receive any cash proceeds from the issuance of the exchange notes.

Optional Redemption

We may redeem some or all of the exchange notes at any time prior to July 1, 2016 at a redemption price equal to 100% of the principal amount thereof plus accrued and unpaid interest and all amounts, if any, payable pursuant to the provisions relating to additional interest (i) as described in "Description of Exchange Notes" "Events of Default and Remedies" and (ii) as provided in

Table of Contents

the registration rights agreement as described in The Exchange Offer Additional Interest (collectively, Additional Interest), up to, but excluding, the applicable redemption rate plus a make-whole premium. We may redeem some or all of the exchange notes at any time after July 1, 2016 at the redemption prices specified in Description of Exchange Notes Optional Redemption. In addition, at any time prior to July 1, 2015, we may redeem up to 35% of the aggregate principal amount of the exchange notes at a redemption price equal to 109.000% of the principal amount thereof plus accrued and unpaid interest and Additional Interest, if any, to the redemption date, with the net cash proceeds that we raise in one or more equity offerings.

Change of Control Offer; Asset Sales

Upon a change of control or, if the exchange notes have investment grade status, a change of control triggering event, we must offer to repurchase the exchange notes at 101% of the principal amount, plus accrued and unpaid interest and Additional Interest, if any, to, but not including, the purchase date. See Description of Exchange Notes Repurchase at the Option of Holders Change of Control.

If we sell assets or experience an event of loss, we will be required under certain circumstances to make an offer to purchase the exchange notes pursuant to the terms of the indenture governing the exchange notes. See Description of Exchange Notes Repurchase at the Option of Holders Asset Sales; Event of Loss.

Certain Indenture Provisions

The indenture governing the exchange notes restricts our ability and the ability of our restricted subsidiaries to, among other things:

incur additional indebtedness or liens;

pay dividends or make distributions on our capital stock or repurchase our capital stock;

make certain investments;

place restrictions on the ability of subsidiaries to pay dividends or make other distributions to us; and

sell certain assets or merge with or into other companies.

These covenants are subject to important exceptions and qualifications, which are described in Description of Exchange Notes Certain Covenants.

Risk Factors

Investing in the exchange notes involves risks. See the section entitled "Risk Factors" for a description of the risks you should consider before participating in the exchange offer, including factors affecting forward-looking statements.

RISK FACTORS

An investment in the notes involves a high degree of risk. In addition to the other information in this prospectus, prospective investors should carefully consider the following risks before participating in the exchange offer. If any of the following risks actually occur, our business, financial condition or operating results could be materially adversely affected, which, in turn, could adversely affect our ability to pay interest or principal on the notes or otherwise fulfill our obligations under the indenture governing the notes.

Risks Related to the Exchange Offer

An active trading market may not develop for the old notes or the exchange notes.

We are offering the exchange notes to the holders of the old notes. The old notes were sold in June 2012 to a small number of qualified institutional buyers in the United States and to investors outside of the United States under Regulation S and were subject to certain restrictions on transfer. To the extent that the old notes are tendered and accepted in the exchange offer, the trading market for any untendered and tendered but unaccepted old notes will be adversely affected. We cannot assure you that the market will provide liquidity for you if you want to sell your old notes. The liquidity of the trading market in the old notes and the exchange notes, and the market price quoted for the exchange notes and the old notes, may be adversely affected by:

changes in the overall market for these types of securities;

changes in our financial performance or prospects;

the prospects for companies in our industry generally;

the number of holders of the notes;

the interest of securities dealers in making a market for the notes; and

prevailing interest rates.

As a result, you cannot be sure that an active trading market will develop for the old notes or the exchange notes.

The exchange notes will be registered under the Securities Act, but will constitute a new issue of securities with no established trading market. Moreover, the exchange notes will not be listed on any stock exchange. We cannot assure you that all of the exchange notes will be freely tradable without a restrictive legend after the exchange offer, nor can we assure you as to the liquidity of the markets that may develop for the exchange notes, your ability to sell the exchange notes or the price at which you would be able to sell the exchange notes. If such markets were to exist, the exchange notes could trade at prices lower than their principal amount or purchase price depending on many factors, including prevailing interest rates and the markets for similar securities. The initial purchasers of the old notes have advised us that they presently intend to make a market in the exchange notes after completion of the exchange offer, as permitted by applicable laws and regulations. However, they are not obligated to do so, and any market-making activities that the initial purchasers do engage in may be discontinued at any time without notice. In addition, such market-making activity may be limited during the pendency of the exchange offer.

Your old notes will not be accepted for exchange if you fail to follow the exchange offer procedures.

The issuance of exchange notes in exchange for old notes pursuant to the exchange offer will be made only after timely receipt by the exchange agent of a properly completed and duly executed letter of transmittal, or an agent's message in lieu thereof, including all other documents required by such letter of transmittal. Therefore, holders of old notes desiring to tender such old notes in exchange for exchange notes should allow sufficient time

Table of Contents

to ensure timely delivery. We and the exchange agent are under no duty to give notification of defects or irregularities with respect to the tenders of old notes for exchange. Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. See *The Exchange Offer Resale of Exchange Notes* and *Plan of Distribution*.

If you do not exchange your old notes, there will be restrictions on your ability to resell your old notes.

Holders of old notes who do not exchange their old notes for exchange notes pursuant to the exchange offer will continue to be subject to the restrictions on transfer of such old notes as set forth in the legend on the old notes. In general, the old notes may not be offered or sold, unless registered under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. To the extent that old notes are tendered and accepted in the exchange offer, the trading market for any untendered and tendered but unaccepted old notes could be adversely affected. See *The Exchange Offer Consequences of Failure to Exchange*.

Pursuant to the terms of the registration rights agreement, we will be required to use commercially reasonable efforts to file a shelf registration statement pursuant to Rule 415 of the Securities Act if (i) the exchange offer is not permitted by applicable law or SEC policy, (ii) the exchange offer is not consummated by June 10, 2013 or (iii) if any holder of the old notes notifies us prior to the 10th business day following consummation of the exchange offer that (a) such holder, alone or together with other holders who hold in the aggregate at least \$1.0 million in principal amount of old notes, was prohibited by applicable law or SEC policy from participating in the exchange offer, (b) such holder may not resell the exchange notes to the public without delivery of a prospectus and the prospectus contained in the exchange offer registration statement may not be used for such resales by such holder or (c) such holder is a broker-dealer who holds old notes acquired directly from us or any of our affiliates. See *The Exchange Offer Shelf Registration Statement*.

Your ability to sell your exchange notes may be impaired because the exchange notes are non-investment grade debt.

At the time of this exchange offer, the exchange notes are non-investment grade debt. There can be no assurance that the exchange notes will ever achieve or maintain investment grade status. Many institutional investors have policies which prohibit or restrict their investment in non-investment grade debt. As a result, any trading market which may develop for the exchange notes may be relatively illiquid and you may encounter difficulties in disposing of your exchange notes. Moreover, the market for non-investment grade debt has, historically, been subject to disruptions that have caused substantial volatility in the prices of securities similar to the exchange notes. We cannot assure you that the market, if any, for the exchange notes will be free from similar disruptions, and any such disruptions may adversely affect the prices at which you may sell your exchange notes.

Risks Related to the Exchange Notes

Your right to receive payments on the exchange notes will be effectively subordinated to our secured debt and the secured indebtedness of the guarantors, including obligations under our Credit Facility, to the extent of the value of the collateral securing such debt, and structurally subordinated to the existing and future debt and other liabilities of our subsidiaries that do not guarantee the exchange notes.

The exchange notes will be effectively subordinated to any secured debt, including debt under our Credit Facility, to the extent of the value of the collateral securing such debt. Certain of our current and future domestic restricted subsidiaries will guarantee the exchange notes with full and unconditional guarantees that will be unsecured senior obligations of such subsidiaries and will rank senior to all of such subsidiaries existing and

Table of Contents

future subordinated debt. The guarantees will be effectively subordinated to any secured debt of our guarantor subsidiaries, including debt under our Credit Facility, to the extent of the value of the collateral securing such debt. The exchange notes will be structurally subordinated to all of the liabilities of our subsidiaries that do not guarantee the exchange notes.

We and our wholly-owned subsidiaries had approximately \$4.1 billion of long-term debt as of December 31, 2012 (of which \$1.5 billion is outstanding under our Credit Facility) and which amounts include approximately \$61.6 million of current maturities of such long-term debt and exclude approximately \$14.5 million of outstanding letters of credit, in each case as of December 31, 2012). In addition, approximately \$253.1 million was available for borrowing under our Credit Facility as of December 31, 2012.

We are a holding company and depend on the business of our subsidiaries to satisfy our obligations under the exchange notes.

We are a holding company. Our subsidiaries conduct substantially all of our consolidated operations and own substantially all of our consolidated assets. Consequently, our cash flow and our ability to pay our debts depends on our subsidiaries' cash flow and their payment of funds to us. Our subsidiaries are not obligated to make funds available to us for payment on the exchange notes. In addition, our subsidiaries' ability to make any payments to us will depend on their earnings, the terms of their indebtedness, business and tax considerations, contractual, legal and regulatory restrictions, and economic conditions. The ability of our subsidiaries to make payments to us is also governed by the gaming laws of certain jurisdictions, which place limits on the amount of funds which may be transferred to us and may require prior or subsequent approval for any payments to us. The terms of the Borgata bank credit facility limits the amount of funds that can be distributed to us. The funds generated by Borgata are primarily used to service its own indebtedness and are not generally available to service our indebtedness, except to the extent distributions are allowed to be paid to us, primarily for payment of our share of liabilities for income taxes incurred by MDDC.

We are permitted to create unrestricted subsidiaries, which will not be subject to any of the covenants in the indenture, and we may not be able to rely on the cash flow or assets of those unrestricted subsidiaries to pay our indebtedness.

Unrestricted subsidiaries will not be subject to the covenants under the indenture. Unrestricted subsidiaries may enter into financing arrangements that limit their ability to make loans or other payments to fund payments in respect of the exchange notes. Accordingly, we may not be able to rely on the cash flow or assets of unrestricted subsidiaries to pay any of our indebtedness, including the exchange notes. For example, each of PGL and the entities it owns constitute unrestricted subsidiaries, and we will not be able to rely on the cash flow or assets of such entities to pay any of our indebtedness, including the exchange notes.

The exchange notes and the related guarantees will not be secured by any of our assets and your right to enforce remedies will be limited by the rights of holders of secured debt.

The exchange notes and the related guarantees will not be secured by any of our assets. Our obligations under our Credit Facility, subject to certain exceptions, are guaranteed by our material restricted subsidiaries and are secured by the capital stock of each restricted subsidiary that holds a gaming license (other than Eldorado Inc.). In addition, subject to certain exceptions, Boyd Gaming Corporation and each of its significant subsidiaries (as determined under the Credit Facility) granted the administrative agent, for the benefit of the lenders, first priority liens and security interests on substantially all of their real and personal property, other than gaming licenses and subject to certain other exceptions, as additional security for the performance of the secured obligations under our Credit Facility. If we become insolvent or are liquidated, or if payment under our Credit Facility is accelerated, the agent under our Credit Facility will be entitled to exercise the remedies available to a secured lender under applicable law and our Credit Facility. Accordingly, the lenders under our Credit Facility will have a prior claim with respect to such assets and there may not be sufficient assets remaining to pay

Table of Contents

amounts due on the exchange notes then outstanding. Furthermore, in certain circumstances, we and our subsidiaries will be permitted under the terms of the indenture governing the exchange notes to incur additional secured indebtedness and the amount of such secured indebtedness may be substantial. The exchange notes are effectively subordinated to our existing and future secured indebtedness and the guarantees are effectively subordinated to the existing and future secured indebtedness of the guarantors, in each case, to the extent of the value of the assets securing that indebtedness. As a result, holders of exchange notes sold in this offering may receive less, ratably, than holders of our or the guarantors' secured debt in the event of a bankruptcy or liquidation.

We may not have the funds necessary to finance the repurchase of the exchange notes required by the indenture upon the occurrence of certain change of control events and asset sales.

Upon the occurrence of certain specific kinds of change of control events, we will be required to offer to repurchase all outstanding exchange notes. In addition, upon the occurrence of certain asset sales, subject to our right to reinvest the proceeds from such sales or repay other senior indebtedness, within a limited period after such sales, we will be required to offer to repurchase outstanding exchange notes as specified in the indenture governing the exchange notes. However, it is possible that we will not have sufficient funds at the time of the change of control or the time of the repurchase obligation resulting from asset sales to make the required repurchase of exchange notes or that restrictions in our Credit Facility will not allow such repurchases.

Our failure to repurchase the exchange notes would be a default under the indenture governing the exchange notes and could result in a cross default under our Credit Facility, our 9 ¹/₈% senior notes due 2018 and our outstanding senior subordinated notes. In addition, events constituting a change of control would generally require us to offer to repurchase our 9 ¹/₈% senior notes due 2018, of which an aggregate principal amount of \$500.0 million was outstanding, our 6.75% senior subordinated notes due 2014, of which an aggregate principal amount of \$215.7 million was outstanding (of which \$150.0 million in aggregate principal amount were redeemed on April 6, 2013), and our 7.125% senior subordinated notes due 2016, of which an aggregate principal amount of \$240.8 million was outstanding, in each case at December 31, 2012. To the extent that proceeds from certain asset sales are not reinvested or used to repay the exchange notes, obligations under the Credit Facility or other senior debt, we are required by the terms of our 9 ¹/₈% senior notes due 2018 and such senior subordinated notes to make an offer to purchase such exchange notes. It is possible that we will not have sufficient funds at such time to make the required repurchase of our outstanding exchange notes, including the exchange notes offered pursuant to this prospectus, or that restrictions in the Credit Facility, the indenture governing the exchange notes and/or the indenture governing the 9 ¹/₈% senior notes due 2018 will not allow such repurchases.

The indenture governing the exchange notes contains restrictions and limitations that could significantly affect our ability to operate our business, as well as significantly affect our liquidity, and adversely affect you, as holders of the exchange notes.

The indenture governing the exchange notes contains a number of significant covenants that could adversely affect our ability to operate our business, as well as significantly affect our liquidity, and therefore could adversely affect our results of operations. These covenants restrict, among other things, our ability to:

incur additional indebtedness or liens;

pay dividends or make distributions on our capital stock or repurchase our capital stock;

make certain investments;

place restrictions on the ability of subsidiaries to pay dividends or make other distributions to us; and

sell certain assets or merge with or into other companies.

These covenants are subject to important exceptions and qualifications as described under "Description of Exchange Notes." For example, the asset sale covenant does not prohibit the sale or transfer of assets with a fair market value of \$100 million or less and therefore we may dispose of assets with significant value without restriction.

Table of Contents

Our ability to comply with these covenants may be affected by events beyond our control. The breach of any such covenants or obligations not otherwise waived or cured could result in a default under the indenture and could trigger acceleration of those obligations, which in turn could trigger cross defaults under other agreements governing our long-term indebtedness. Any default under the indenture governing the exchange notes could adversely affect our growth, our financial condition, our results of operations and our ability to make payments on our debt, and could force us to seek protection under the bankruptcy laws.

Fraudulent transfer matters federal and state statutes allow courts, under specific circumstances, to void guarantees and require noteholders to return payments received from guarantors.

Under the federal bankruptcy law and comparable provisions of state fraudulent transfer laws, a guarantee could be voided, or claims in respect of a guarantee could be subordinated to all other debts of that guarantor, if the guarantor at the time it incurred the indebtedness evidenced by its guarantee:

received less than reasonably equivalent value or fair consideration for the incurrence of such guarantee and was insolvent or rendered insolvent by reason of such incurrence;

was engaged in a business or transaction for which the guarantor's remaining assets constituted unreasonably small capital; or

intended to incur, or believed that it would incur, debts beyond its ability to pay such debts as they mature.

In addition, any payment by that guarantor pursuant to its guarantee could be voided and required to be returned to the guarantor or to a fund for the benefit of the creditors of the guarantor.

The measures of insolvency for purposes of these fraudulent transfer laws will vary depending upon the law applied in any proceeding to determine whether a fraudulent transfer has occurred. Generally, however, a guarantor would be considered insolvent if:

the sum of its debts, including contingent liabilities, was greater than the fair saleable value of all its assets;

the present fair saleable value of its assets was less than the amount that would be required to pay its probable liability on its existing debts, including contingent liabilities, as they become absolute and mature; or

it could not pay its debts as they become due.

We, meaning only Boyd Gaming Corporation, have no significant operations of our own and derive substantially all of our revenue from our subsidiaries. If a guarantee of the exchange notes by a subsidiary were avoided as a fraudulent transfer, holders of other indebtedness of, and trade creditors of, that subsidiary would generally be entitled to payment of their claims from the assets of the subsidiary before such assets could be made available for distribution to us to satisfy our own obligations, such as the exchange notes.

You may have to dispose of the exchange notes if your ownership of the exchange notes is determined to be harmful to us.

The gaming authority of any jurisdiction in which we currently or in the future conduct or propose to conduct gaming may require that a holder of the exchange notes be registered, licensed, qualified or found suitable, or comply with any other requirement under applicable gaming laws. Under the indenture governing the exchange notes, we are able to redeem or require you to dispose of all or a portion of your exchange notes, and if required by the applicable gaming authority, we will be required to redeem or require you to dispose of, all or a portion of your exchange notes to the extent required by the gaming authority or deemed necessary or advisable by us.

Table of Contents

The redemption price will be equal to the lesser of:

the lowest closing sale price of the exchange notes on any trading day during the 120-day period ending on the date upon which we shall have received notice from a gaming authority of your disqualification, or

the price that you or the beneficial owner paid for the exchange notes, unless a different amount is required by such gaming authority.

By accepting an exchange note, each holder or beneficial owner of an exchange note agrees that the exchange notes held by such holder or beneficial owner shall be subject to the aforementioned provisions.

The market valuation of the exchange notes may be exposed to substantial volatility.

A real or perceived economic downturn or higher interest rates could cause a decline in the exchange notes, and to high-yield bonds generally, and thereby negatively impact the market for high-yield bonds, and more specifically, the exchange notes. Because the exchange notes may be thinly traded, it may be more difficult to sell and accurately value the exchange notes. In addition, as has recently been evident in the recent turmoil in the global financial markets, the present economic slowdown and the uncertainty over its breadth, depth and duration, the entire high-yield bond market can experience sudden and sharp price swings, which could be exacerbated by large or sustained sales by major investors in the exchange notes, a high-profile default by another issuer, or simply a change in the market's psychology regarding high-yield exchange notes. Moreover, if one of the major rating corporations lowers its credit rating of the exchange notes, the price of the exchange notes will likely decline.

Risks Related to Our Indebtedness

We have a significant amount of indebtedness.

We had total consolidated long-term debt, including current maturities, of approximately \$2.9 billion at December 31, 2012, excluding debt held by MDFC and Peninsula Gaming. If we pursue, or continue to pursue, any expansion, development, investment or renovation projects, we expect that our long-term debt will substantially increase in connection with related capital expenditures. This indebtedness could have important consequences, including:

difficulty in satisfying our obligations under our current indebtedness;

increasing our vulnerability to general adverse economic and industry conditions;

requiring us to dedicate a substantial portion of our cash flows from operations to payments on our indebtedness, which would reduce the availability of our cash flows to fund working capital, capital expenditures, expansion efforts and other general corporate purposes;

limiting our flexibility in planning for, or reacting to, changes in our business and the industry in which we operate;

placing us at a disadvantage compared to our competitors that have less debt; and

Edgar Filing: BOYD TUNICA INC - Form S-4/A

limiting, along with the financial and other restrictive covenants in our indebtedness, among other things, our ability to borrow additional funds.

Failure to comply with these covenants could result in an event of default, which, if not cured or waived, could have a significant adverse effect on our business, results of operations and financial condition.

Table of Contents

Our debt instruments contain, and any future debt instruments likely will contain, a number of restrictive covenants that impose significant operating and financial restrictions on us, including restrictions on our ability to, among other things:

incur additional debt, including providing guarantees or credit support;

incur liens securing indebtedness or other obligations;

make certain investments;

dispose of assets;

make certain acquisitions;

pay dividends or make distributions and make other restricted payments;

enter into sale and leaseback transactions;

engage in any new businesses; and

enter into transactions with our stockholders and our affiliates.

In addition to our debt instruments, our indirect wholly-owned subsidiaries, MDFC and Peninsula Gaming, each have a significant amount of indebtedness which contain restrictive covenants that impose significant operating and financial restrictions on each company, including limitations on dividends, distributions and certain other restricted payments, which could have a significant adverse effect on our business, results of operations and financial condition.

Boyd Gaming Credit Facility

At December 31, 2012, approximately \$1.47 billion was outstanding under our Credit Facility (including \$782.5 million of term loans and \$684.1 million of revolving commitments), with \$14.5 million allocated to support various letters of credit, leaving remaining contractual availability of approximately \$253.1 million

Interest on \$450 million of term loans under our Credit Facility amortizes in an annual amount equal to 5% of the original principal amount thereof, commencing March 31, 2011, payable on a quarterly basis. The interest rate per annum applicable to such term loans are based upon, at our option, LIBOR or the base rate, plus an applicable margin in either case. The applicable margin is a percentage per annum determined in accordance with a specified pricing grid based on the total leverage ratio. Interest on \$332.5 million of term loans under our Credit Facility amortizes in an annual amount equal to 5% of the original principal amount thereof, commencing in March 2012 and payable on a quarterly basis. At any time and to the extent that such term loan is a Eurodollar Rate Loan, the term loan will bear interest on the outstanding principal amount thereof for each quarterly interest period at a rate per annum equal to the effective Eurodollar Rate for such period plus 4.75%, and at any time and to the extent that such term loan bears interest at the base rate, the outstanding principal amount thereof at a rate per annum equal to the base rate for such Interest period plus 3.75%. The applicable margin on the outstanding balance on the revolver portion of our Credit Facility ranges from 2.50% to 3.50% (if using LIBOR), and from 1.50% to 2.50% (if using the base rate). The applicable margin on the outstanding balance of the loans and commitments of the non-extending lenders continues to range from 0.625% to 1.625% (if using LIBOR), and from 0.00% to 0.375% (if using the base rate). A fee of a percentage per annum (which ranges from 0.250% to 0.500%) determined by the level of the total leverage ratio is payable on the unused portions of the Credit Facility. The base rate under the Credit Facility is the highest of

Edgar Filing: BOYD TUNICA INC - Form S-4/A

(x) Bank of America's publicly-announced prime rate, (y) the federal funds rate plus 0.50%, or (z) the Eurodollar rate for a one month period plus 1.00%.

The blended interest rate for outstanding borrowings under our Credit Facility was 4.2% and 4.2% at December 31, 2012 and 2011, respectively. Our obligations under the Credit Facility, subject to certain exceptions, are guaranteed by certain of the Company's subsidiaries and are secured by the capital stock of

certain subsidiaries. In addition, subject to certain exceptions, the Company and each of the guarantors granted the administrative agent first priority liens and security interests on substantially all of their real and personal property (other than gaming licenses and subject to certain other exceptions) as additional security for the performance of the secured obligations under the Credit Facility.

The Credit Facility contains certain financial and other covenants, including, without limitation, various covenants that:

require the maintenance of a minimum consolidated interest coverage ratio;

establish a maximum permitted consolidated total leverage ratio;

establish a maximum permitted secured leverage ratio;

impose limitations on the incurrence of indebtedness;

impose limitations on transfers, sales and other dispositions; and

impose restrictions on investments, dividends and certain other payments.

Subject to certain exceptions, we may be required to repay the amounts outstanding under the Credit Facility in connection with certain asset sales and issuances of certain additional secured indebtedness.

Our Credit Facility requires us to maintain a minimum Interest Coverage Ratio, a Total Leverage Ratio and a Secured Leverage Ratio (each as defined in the Credit Facility) that adjust over the life of our Credit Facility. We believe that we were in compliance with the Credit Facility covenants, including the minimum Interest Coverage Ratio, the maximum permitted Total Leverage Ratio and the maximum permitted Secured Leverage Ratio.

However, in the event that we project that our future performance may result in our not being in compliance with these covenants, we could implement certain actions in an effort to minimize the possibility of a breach of the maximum permitted Total Leverage Ratio, the maximum permitted Secured Leverage Ratio and the minimum Interest Coverage Ratio covenants. These actions may include, among others, reducing payroll, benefits and certain other operating costs, deferring or eliminating certain maintenance, expansion or other capital expenditures, reducing our outstanding indebtedness through repurchases or redemption, and/or increasing cash by selling assets or issuing equity.

Peninsula Gaming Credit Facility

In connection with the Peninsula Acquisition and Peninsula Gaming (as successor to Boyd Acquisition Sub, LLC, an indirect wholly owned subsidiary of Boyd (Merger Sub)) entered into a Credit Agreement (the Peninsula Credit Agreement) dated as of November 14, 2012, with the lenders party thereto and Bank of America, N.A., as administrative agent, collateral agent, swing line lender, and L/C issuer. The Peninsula Credit Agreement provides for the \$875.0 million Peninsula Credit Facility, which consists of (a) a term loan facility of \$825.0 million (the PGL Term Loan) and (b) a revolving credit facility of \$50.0 million (the PGL Revolver). At December 31, 2012, approximately \$854.4 million (including \$825.0 million in term loans and \$29.4 million of revolving commitments) was outstanding. The maturity date for obligations under the Peninsula Credit Facility is November 17, 2017.

The interest rate on the outstanding balance of the term loan is based upon, at Peninsula's option either: (i) the Eurodollar rate plus 4.50%, or (ii) the base rate plus 3.50%. The interest rate on the outstanding balance from time to time of the revolving loans is based upon, at the Peninsula's option either: (i) the Eurodollar rate plus 4.00%, or (ii) the base rate plus 3.00%. The base rate under the Peninsula Credit Facility is the highest of (x) Bank of America's publicly-announced prime rate, (y) the federal funds rate plus 0.50%, or (z) the Eurodollar rate for a one-month period plus 1.00%. The Peninsula Credit Facility also establishes, with respect to

Table of Contents

outstanding balances under the Term Loan, a minimum Eurodollar rate for any interest period of 1.25%. In addition, Peninsula Gaming will incur a commitment fee on the unused portion of the Peninsula Credit Facility at a per annum rate of 0.50%.

Peninsula Gaming's obligations under the Peninsula Credit Facility, subject to certain exceptions, are guaranteed by Peninsula Gaming's subsidiaries and are secured by the capital stock and equity interests of Peninsula Gaming's subsidiaries. In addition, subject to certain exceptions, Peninsula Gaming and each of the guarantors granted the collateral agent first priority liens and security interests on substantially all of the real and personal property (other than gaming licenses and subject to certain other exceptions) of Peninsula Gaming and its subsidiaries as additional security for the performance of the obligations under the Peninsula Credit Facility. The obligations under the revolver rank second in right of payment to the obligations under the term loan. The Peninsula Credit Facility contains customary affirmative and negative covenants (and are subject to customary exceptions). Peninsula Gaming is required to maintain (i) beginning with the fiscal quarter ended March 31, 2013, a maximum consolidated leverage ratio over each twelve month period ending on the last day of each fiscal quarter (discussed below), (ii) beginning with the fiscal quarter ended March 31, 2013, a minimum consolidated interest coverage ratio of 2.00 to 1.00 as of the end of each calendar quarter, and (iii) a maximum amount of capital expenditures for each fiscal year.

The minimum consolidated Interest Coverage Ratio is calculated as (a) twelve-month trailing Consolidated EBITDA, to (b) consolidated interest expense.

The maximum permitted consolidated Leverage Ratio is calculated as Consolidated Fund Indebtedness less Excess Cash to twelve-month trailing Consolidated EBITDA.

Capital Expenditures should not be made by Peninsula Gaming or any of its Restricted Subsidiaries (excluding (i) capital expenditures which adds to or improves any existing property and (ii) capital expenditures made prior to the first anniversary of the Funding Date relating to integration and/or transition of business systems) in an aggregate amount in excess of \$20.0 million in any fiscal year; provided that no default has occurred and is continuing or would result from such expenditure, any portion of such maximum amount, if not expended in the fiscal year for which it is permitted, may be carried over for expenditure in the next following fiscal year.

While we are not guarantors of the Peninsula Credit Facility, the Peninsula Credit Agreement contains other financial and other covenants that could affect Peninsula Gaming's ability to pay dividends to us, including, without limitation, various covenants that:

impose limitations on the incurrence of indebtedness;

impose limitations on transfers, sales and other dispositions; and

impose restrictions on investments, dividends and certain other payments.

Borgata bank credit facility

Borgata has significant indebtedness, including the Borgata bank credit facility, which could affect its ability to pay dividends to us. While we received a one-time distribution from Borgata of approximately \$135.4 million in August 2010 in connection with Borgata's financing, any future distribution from Borgata (other than distributions to satisfy tax liabilities relating to income of Borgata) will be subject to the limitations on dividends, distributions and certain other restricted payments under the Borgata bank credit facility and the indenture governing Borgata's senior secured notes.

At December 31, 2012, the outstanding balance under the Borgata bank credit facility, as amended, was \$20.0 million, which bore an interest rate of 4.94%. Contractual availability under the Borgata bank credit facility, as amended, at December 31, 2012 was \$40.0 million.

Table of Contents

On December 27, 2012, MDFC entered into a Second Borgata Credit Facility Amendment that (i) decreases the minimum Consolidated EBITDA (as defined therein) to \$110.0 million for fiscal quarters ending December 31, 2012 and thereafter, (ii) modifies the definition of Consolidated EBITDA to exclude certain losses, charges, and expenses, (iii) adjusts the calculation of Consolidated EBITDA such that for the fiscal quarter ending December 31, 2012 through the fiscal quarter ending September 30, 2013, Consolidated EBITDA will be computed by including the four fiscal quarters with the highest Consolidated EBITDA out of the most recently ended five fiscal quarters, (iv) reduces the Aggregate Commitments (as defined therein) to \$60.0 million, (v) modifies the Use of Proceeds covenant to provide that the proceeds of revolving loans can only be used to repurchase or redeem MDFC's senior secured notes if, after giving effect thereto, the aggregate amount of outstanding loans and letters of credit under the Borgata bank credit facility does not exceed \$50.0 million, and (vi) adds a covenant prohibiting MDFC and MDDC from repurchasing or redeeming MDFC's senior secured notes at any time unless Consolidated EBITDA was at least \$125.0 million for the most recently ended period of four consecutive fiscal quarters prior thereto.

As amended, the Borgata bank credit facility provides for a \$60 million senior secured revolving credit facility and matures in August 2014. The Borgata bank credit facility is guaranteed on a senior secured basis by MDDC and any future subsidiaries of MDDC and is secured by a first priority lien on substantially all of Borgata's assets, subject to certain exceptions. The obligations under the Borgata bank credit facility have priority in payment to Borgata's senior secured notes. Neither we, nor our subsidiaries, are guarantors of the Borgata bank credit facility, as amended.

Outstanding borrowings under the Borgata bank credit facility, as amended, accrue interest at a selected rate based upon either: (i) highest of (a) the agent bank's quoted prime rate, (b) the one-month Eurodollar rate plus 1.00%, or (c) the daily federal funds rate plus 1.50%, and in any event not less than 1.50% (such highest rate, the "base rate"), or (ii) the Eurodollar rate, plus with respect to each clause (i) and (ii) an applicable margin as provided in the Borgata bank credit facility. In addition, a commitment fee is incurred on the unused portion of the Borgata bank credit facility ranging from 0.50% per annum to 1.00% per annum.

The Borgata bank credit facility, as amended, contains certain financial and other covenants, including, without limitation, (i) establishing a minimum consolidated EBITDA (as defined in the Borgata bank credit facility) of \$110 million over each trailing twelve-month period ending on the last day of each calendar quarter; (ii) imposing limitations on MDFC's ability to incur additional debt; and (iii) imposing restrictions on Borgata's ability to pay dividends and make other distributions, make certain restricted payments, create liens, enter into transactions with affiliates, merge or consolidate, and engage in unrelated business activities.

In addition, the Borgata bank credit facility contains customary affirmative and negative covenants, including covenants that limit MDFC's and MDDC's ability to:

incur additional debt;

pay dividends and make other distributions;

create liens;

enter into transactions with affiliates;

merge or consolidate; and

engage in unrelated business activities.

The increase in our consolidated leverage and debt service obligations as a result of the Peninsula Acquisition, may adversely affect our consolidated financial condition, results of operations and earnings per share.

Edgar Filing: BOYD TUNICA INC - Form S-4/A

As a result of the Peninsula Acquisition, we now have a greater amount of debt on a consolidated basis than we have maintained in the past. As of December 31, 2012, our indebtedness primarily consists of \$1.47 billion in

Table of Contents

principal outstanding under our Credit Facility and \$1.3 billion aggregate principal amount of our senior and senior subordinated notes, which are the obligations of Boyd Gaming, \$854.4 million in principal outstanding under Peninsula's Credit Facility and \$350 million aggregate principal amount of Peninsula's senior note, and \$20.0 million outstanding under the Borgata bank credit facility and Borgata's \$791.5 million aggregate outstanding principal amount of senior secured notes which are the obligations of Borgata. Our maintenance of higher levels of indebtedness could have adverse consequences including impairing our ability to obtain additional financing in the future.

Our ability to meet our expenses and debt obligations will depend on our future performance, which will be affected by financial, business, economic, regulatory and other factors. Furthermore, our operations may not generate sufficient cash flows to enable us to meet our expenses and service our debt. As a result, we may need to enter into new financing arrangements to obtain the necessary funds. If we determine that it is necessary to seek additional funding for any reason, we may not be able to obtain such funding or, if funding is available, obtain it on acceptable terms. If we fail to make a payment on our debt, we could be in default on such debt, and this default could cause us to be in default on our other outstanding indebtedness.

The terms of the Peninsula Gaming indebtedness limits the payment of dividends (other than tax distributions), distributions and management fees from Peninsula Gaming to HoldCo. The HoldCo Note, which we entered into upon the closing of the Peninsula Acquisition, imposes limitations on HoldCo and on Peninsula Gaming and Peninsula Gaming's subsidiaries with respect to (i) incurrence of indebtedness, (ii) liens, (iii) consolidations and mergers, (iv) sales and other dispositions of assets and (v) restricted payments, including investments. Subject to certain exceptions, we may be required to repay the amounts outstanding under the HoldCo Note in connection with certain assets sales by Peninsula Gaming or upon a change of control.

To service our indebtedness, we will require a significant amount of cash. Our ability to generate cash depends on many factors beyond our control.

Our ability to make payments on and to refinance our indebtedness and to fund planned capital expenditures and expansion efforts will depend upon our ability to generate cash in the future. This, to a certain extent, is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control.

It is unlikely that our business will generate sufficient cash flows from operations, or that future borrowings will be available to us under our Credit Facility in amounts sufficient to enable us to pay our indebtedness, as such indebtedness matures and to fund our other liquidity needs. We believe that we will need to refinance all or a portion of our indebtedness, at or before maturity, and cannot provide assurances that we will be able to refinance any of our indebtedness, including our Credit Facility, on commercially reasonable terms, or at all. We may have to adopt one or more alternatives, such as reducing or delaying planned expenses and capital expenditures, selling assets, restructuring debt, or obtaining additional equity or debt financing or joint venture partners. These financing strategies may not be affected on satisfactory terms, if at all. In addition, certain states' laws contain restrictions on the ability of companies engaged in the gaming business to undertake certain financing transactions. Some restrictions may prevent us from obtaining necessary capital.

We and our subsidiaries may still be able to incur substantially more debt, which could further exacerbate the risks described above.

We and our subsidiaries may be able to incur substantial additional indebtedness in the future. The terms of the indenture governing our senior and senior subordinated notes will not fully prohibit us or our subsidiaries from doing so. At December 31, 2012, contractual availability under the Boyd Credit Facility, Peninsula Credit Facility and Borgata bank credit facility were \$253.1 million, \$12.7 million and \$40.0 million, respectively. All of those borrowings would be effectively senior to our senior and senior subordinated notes and the guarantees of

Table of Contents

our subsidiary guarantors to the extent of the value of the collateral securing such borrowings. If new debt is added to our, or our subsidiaries', current debt levels, the related risks that we or they now face could intensify.

Borgata may be unable to refinance its indebtedness.

Borgata has outstanding indebtedness consisting of a \$60.0 million bank credit facility that matures in August 2014 and \$800 million in senior secured debt, \$400 million of which matures in October 2015 and \$400 million of which matures in August 2018.

Borgata's ability to refinance its indebtedness will depend on its ability to generate future cash flow and Borgata is entirely dependent on its operations, including the Water Club, for all of its cash flow. Its ability to generate cash in the future, to a certain extent, is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond its control.

It is unlikely that Borgata's business will generate sufficient cash flows from operations in amounts sufficient to enable it to pay the principal on its indebtedness at maturity and to fund its other liquidity needs. We believe Borgata will need to refinance all or a portion of its indebtedness before maturity, and we cannot provide assurances that it will be able to repay or refinance its indebtedness on commercially reasonable terms, or at all. Borgata may have to adopt one or more alternatives, such as reducing or delaying planned expenses and capital expenditures, selling assets, restructuring debt, or obtaining additional equity or debt financing or joint venture partners. These financing strategies may not be affected on satisfactory terms, if at all. In addition, New Jersey laws and regulations contain restrictions on the ability of companies engaged in the gaming business to undertake certain financing transactions. Such restrictions may prevent Borgata from obtaining necessary capital.

If we are unable to finance our expansion, development, investment and renovation projects, as well as other capital expenditures, through cash flow, borrowings under the credit facility and additional financings, our expansion, development, investment and renovation efforts will be jeopardized.

We intend to finance our current and future expansion, development, investment and renovation projects, as well as our other capital expenditures, primarily with cash flow from operations, borrowings under the Credit Facility, and equity or debt financings. If we are unable to finance our current or future expansion, development, investment and renovation projects, or our other capital expenditures, we will have to adopt one or more alternatives, such as reducing, delaying or abandoning planned expansion, development, investment and renovation projects as well as other capital expenditures, selling assets, restructuring debt, reducing the amount or suspending or discontinuing the distribution of dividends, obtaining additional equity financing or joint venture partners, or modifying the Credit Facility. These sources of funds may not be sufficient to finance our expansion, development, investment and renovation projects, and other financing may not be available on acceptable terms, in a timely manner, or at all. In addition, our existing indebtedness contains certain restrictions on our ability to incur additional indebtedness.

Recently, there have been significant disruptions in the global capital markets that have adversely impacted the ability of borrowers to access capital. We anticipate that these disruptions may continue for the foreseeable future. We anticipate that we will be able to fund any expansion projects using cash flows from operations and availability under the Credit Facility (to the extent that availability exists after we meet our working capital needs).

If availability under the Credit Facility does not exist or we are otherwise unable to make sufficient borrowings thereunder, any additional financing that is needed may not be available to us or, if available, may not be on terms favorable to us. As a result, if we are unable to obtain adequate project financing in a timely manner, or at all, we may be forced to sell assets in order to raise capital for projects, limit the scope of, or defer such projects, or cancel the projects altogether. In the event that capital markets do not improve and we are unable to access capital with more favorable terms, additional equity and/or credit support may be necessary to obtain construction financing for the remaining cost of the project.

Risks Related to Boyd Gaming and the Gaming Industry

Our business is particularly sensitive to reductions in discretionary consumer spending as a result of downturns in the economy.

Consumer demand for entertainment and other amenities at casino hotel properties, such as ours, are particularly sensitive to downturns in the economy and the corresponding impact on discretionary spending on leisure activities. Changes in discretionary consumer spending or consumer preferences brought about by factors such as perceived or actual general economic conditions, effects of the current decline in consumer confidence in the economy, including the current housing, employment and credit crisis, the impact of high energy and food costs, the increased cost of travel, the potential for continued bank failures, decreased disposable consumer income and wealth, or fears of war and future acts of terrorism could further reduce customer demand for the amenities that we offer, thus imposing practical limits on pricing and negatively impacting our results of operations and financial condition.

For example, we have recently experienced one of the toughest economic periods in Las Vegas Locals history. The current housing crisis and economic slowdown in the United States has resulted in a significant decline in the amount of tourism and spending in Las Vegas. Similarly, weak economic conditions have also adversely affected tourism and spending in Atlantic City, where Borgata is located. Since our business model relies on consumer expenditures on entertainment, luxury and other discretionary items, continuation or deepening of the economic downturn will further adversely affect our results of operations and financial condition.

Intense competition exists in the gaming industry, and we expect competition to continue to intensify.

The gaming industry is highly competitive for both customers and employees, including those at the management level. We compete with numerous casinos and hotel casinos of varying quality and size in market areas where our properties are located. We also compete with other non-gaming resorts and vacation destinations, and with various other casino and other entertainment businesses, and could compete with any new forms of gaming that may be legalized in the future. The casino entertainment business is characterized by competitors that vary considerably in their size, quality of facilities, number of operations, brand identities, marketing and growth strategies, financial strength and capabilities, level of amenities, management talent and geographic diversity. In most markets, we compete directly with other casino facilities operating in the immediate and surrounding market areas. In some markets, we face competition from nearby markets in addition to direct competition within our market areas.

For example, the Kansas Star is located approximately 33 miles north of the Kansas/Oklahoma border and faces competition from established gaming facilities in Kansas and Oklahoma, including First Council Casino, Native Lights Casino, and Kaw Southwind Casino, which are located in Newkirk Oklahoma approximately 60 miles south of the Kansas Star, in addition to potential expansion of gaming facilities in Oklahoma. The Kansas Star may face additional competition in the Wichita, Kansas metropolitan area. The Wyandotte Nation of Oklahoma has filed an application with the U.S. Department of Interior to have certain land located in Park City, Kansas (in the Wichita metro area) taken into trust by the U.S. Government and to permit gaming. If successful, the Wyandotte Nation would be permitted to open a Class II gaming facility, and upon successful negotiation of a compact with the State of Kansas would be permitted to open a Class III gaming facility. In July 2011, the Wyandotte Nation brought suit against the Secretary of the U.S. Department of Interior to compel the Secretary to take the Park City land into trust. This litigation is ongoing.

In recent years, with fewer new markets opening for development, competition in existing markets has intensified. We have invested in expanding existing facilities, developing new facilities, and acquiring established facilities in existing markets. In addition, our competitors have also invested in expanding their existing facilities and developing new facilities. This expansion of existing casino entertainment properties, the

Table of Contents

increase in the number of properties and the aggressive marketing strategies of many of our competitors have increased competition in many markets in which we compete, and this intense competition can be expected to continue. For example, on May 25, 2012, a new property was opened in Atlantic City which will compete with Borgata for gaming customers. In addition, competition may intensify if our competitors commit additional resources to aggressive pricing and promotional activities in order to attract customers.

If our competitors operate more successfully than we do, if they attract customers away from us as a result of aggressive pricing and promotion, if they are more successful than us in attracting and retaining employees, if their properties are enhanced or expanded, if they operate in jurisdictions that give them operating advantages due to differences or changes in gaming regulations or taxes, or if additional hotels and casinos are established in and around the locations in which we conduct business, we may lose market share or the ability to attract or retain employees. In particular, the expansion of casino gaming in or near any geographic area from which we attract or expect to attract a significant number of our customers could have a significant adverse effect on our business, financial condition and results of operations.

Also, our business may be adversely impacted by the additional gaming and room capacity in states which may be competitive in the other markets where we operate or intend to operate. Several states are also considering enabling the development and operation of casinos or casino-like operations in their jurisdictions.

For example, the expansion of casino gaming in or near the mid-Atlantic region from which Borgata attracts and expects to attract most of its customers has had an adverse effect on its business, results of operations and financial condition. In January 2010, table game legislation was signed into Pennsylvania law which allows up to 250 table games at each of the twelve largest authorized casinos and up to 50 table games at each of the remaining two smaller authorized casinos. Table games became operational at the existing casinos in the Philadelphia region in mid-July 2010. In addition, other states near New Jersey, including New York and Delaware, either have or are currently contemplating gaming legislation. In January 2010, Delaware legalized table games, which became operational in June 2010 at all three Delaware casinos. Convenience may be a more important factor than amenities for some customers, especially mid-week and repeat customers. These customers may prefer the convenience of a closer drive to a nearby casino rather than dealing with a longer drive to enjoy the amenities that Borgata has to offer. Expansion of gaming facilities in Pennsylvania and other nearby states therefore has resulted in fewer customer visits to Borgata, which has adversely impacted Borgata's business, results of operations and financial condition.

In addition, we compete with legalized gaming from casinos located on Native American tribal lands. Expansion of Native American gaming in areas located near our properties, or in areas in or near those from which we draw our customers, could have an adverse effect on our operating results. For example, increased competition from federally recognized Native American tribes near Blue Chip and Sam's Town Shreveport has had a negative impact on our results. Native American gaming facilities typically have a significant operating advantage over our properties due to lower gaming taxes, allowing those facilities to market more aggressively and to expand or update their facilities at an accelerated rate. Although we have expanded our facility at Blue Chip in an effort to be more competitive in this market, competing Native American properties could continue to have an adverse impact on the operations of both Blue Chip and Sam's Town Shreveport.

We also compete to some extent with other forms of gaming on both a local and national level, including state-sponsored lotteries, charitable gaming, on-and off-track wagering, Internet gaming, and other forms of entertainment, including motion pictures, sporting events and other recreational activities. It is possible that these secondary competitors could reduce the number of visitors to our facilities or the amount they are willing to wager, which could have a material adverse effect on our ability to generate revenue or maintain our profitability and cash flows.

Increased competition may require us to make substantial capital expenditures to maintain and enhance the competitive positions of our properties, including updating slot machines to reflect changing technology,

Table of Contents

refurbishing public service areas periodically, replacing obsolete equipment on an ongoing basis and making other expenditures to increase the attractiveness and add to the appeal of our facilities. Because we are highly leveraged, after satisfying our obligations under our outstanding indebtedness, there can be no assurance that we will have sufficient funds to undertake these expenditures or that we will be able to obtain sufficient financing to fund such expenditures. If we are unable to make such expenditures, our competitive position could be materially adversely affected.

The global financial crisis and decline in consumer spending may have an effect on our business and financial condition in ways that we currently cannot accurately predict.

The significant economic distress affecting financial institutions has had, and may continue to have, far-reaching adverse consequences across many industries, including the gaming industry. Volatility in the financial markets and the weakened global economy, together with the recent downgrade of the United States credit rating and ongoing European debt crisis, has contributed to the current uncertain economic climate. The ongoing credit and liquidity crisis has greatly restricted the availability of capital and has caused the cost of capital (if available) to be much higher than it has traditionally been. Therefore, we have no assurance that we will have further access to credit or capital markets at desirable times or at rates that we would consider acceptable, and the lack of such funding could have a material adverse effect on our business, results of operations and financial condition, including our ability to refinance our or Borgata's indebtedness, our flexibility to react to changing economic and business conditions and our ability or willingness to fund new development projects.

We are not able to predict the duration or severity of economic downturns or the resulting impact on the solvency or liquidity of our lenders. If a large percentage of our lenders were to file for bankruptcy or otherwise default on their obligations to us, we may not have the liquidity under our Credit Facility to fund our current projects. There is no certainty that our lenders will continue to remain solvent or fund their respective obligations under our Credit Facility. If we were otherwise required to renegotiate or replace our Credit Facility, there is no assurance that we would be able to secure terms that are as favorable to us, if at all.

We may incur impairments to goodwill, indefinite-lived intangible assets, or long-lived assets.

In accordance with the authoritative accounting guidance for goodwill and other intangible assets, we test our goodwill and indefinite-lived intangible assets for impairment annually or if a triggering event occurs. During the fourth quarter of 2012, we changed the date of our annual goodwill and indefinite-lived intangible assets impairment test dates to October 1. Prior to the fourth quarter of 2012, we performed annual impairment tests on our goodwill on April 1 and October 1. The change in the impairment test dates for all reporting units to October 1 did not delay, accelerate or avoid an impairment charge, as the January 1 and April 1 tests were performed on their respective test dates during 2012, and did not result in any impairment. Management believes that the new impairment test date is preferable because it is more closely aligned with our annual financial planning process. These financial plans are a key component utilized in the annual impairment testing process. The change in the impairment test dates constitutes a change in accounting principle under ASC 250, Accounting for Changes and Error Corrections, and had no impact on our consolidated balance sheet, statement of operations or cash flows. We determined it was impracticable to objectively determine projected cash flows and related valuation estimates that would have been used as of each October 1 for periods prior to October 1, 2012 without the use of hindsight. As such, we have prospectively applied the change in annual goodwill and indefinite-lived impairment testing date from October 1, 2012.

The results of our annual scheduled impairment test of goodwill and indefinite-lived intangible assets did not require us to record an impairment charge during the nine months ended September 30, 2012; however, in December 2012, we reconsidered our commitment to complete the Echelon project and concluded that we would not resume development. On March 4, 2013, we sold the Echelon site and related improvements on the site and received net proceeds of \$157.0 million.

In addition, in accordance with the provisions of the authoritative accounting guidance for the impairment or disposal of long-lived assets, we test long-lived assets for impairment if a triggering event occurs. During the three months ended March 31, 2011, we performed an interim impairment test on the trademark we recorded in connection with the valuation of Borgata due to our consideration of a change in facts and circumstances surrounding an adverse change in the business climate in the Atlantic City region. As a result, we recorded a \$5.0 million impairment to the trademark. The impairment test was performed due to our consideration of certain facts and circumstances surrounding an adverse change in the business climate in Atlantic City. We believe our actual results have been adversely impacted by increased regional competition, and that in addition, Borgata's projected future results could be further negatively impacted by a new property that formally opened in Atlantic City, on May 25, 2012. We also believe the refinancing of Borgata's debt and recapitalization of its member equity contributed to the results of this impairment test.

Having performed an initial interim impairment test related to the Borgata trademark during the first quarter of 2011, we have established the first quarter as its prospective annual impairment test date as well, and we performed an interim impairment test over the Borgata trademark at January 1, 2012. Our analyses consisted of a valuation of the Borgata trademark, using the relief from royalty method. The only significant changes in our assumptions from the initial fair valuation were revised revenue and profitability projections, reflecting the impact of the changed present and forecasted circumstances. The impairment test consisted of a comparison of the fair value of trademark with its carrying amount. As a result of the impairment test, we did not record any impairment in the first quarter of 2012. As discussed above, during the fourth quarter of 2012, we changed the date of our annual indefinite-lived asset impairment test to October 1. The fourth quarter 2012 test did not indicate an impairment of the Borgata trademark.

On August 1, 2008, we announced the delay of our multibillion dollar Echelon development project on the Las Vegas Strip. At that time, we did not anticipate the long-term effects of the current economic downturn, evidenced by lower occupancy rates, declining room rates and reduced consumer spending across the country, but particularly in the Las Vegas geographical area, nor did we predict the incremental amount of additional supply into the market.

The change in circumstances implies that the carrying amounts of the assets related to Echelon may not be recoverable; therefore, we performed an impairment test of these assets during the years ended December 31, 2011 and 2010. The outcome of these evaluations resulted in no impairment of Echelon's assets, as the estimated weighted net undiscounted cash flows from the project exceeded the current carrying value of the assets of approximately \$1.1 billion at both December 31, 2011 and 2010. However, during the three months ended December 31, 2012, we reconsidered our commitment to complete the Echelon project and concluded we would not resume development. On March 4, 2013, we sold the Echelon site and related improvements on the site and received net proceeds of \$157.0 million. Based on the exploration of the viability of alternatives for the project, in the three months ended December 31, 2012, we recorded a non-cash impairment charge of approximately \$1.0 billion based on the difference between the book value of the assets and the estimated realizable value of the assets.

We also recorded a non-cash impairment charge of \$17.5 million to the Sam's Town Shreveport gaming license in connection with the annual impairment test. During the year ended December 31, 2012, this property's operating results were less than expected due to weaker than anticipated discretionary consumer spending and increased competition.

Due to the circumstances regarding the final development plan of Echelon, we reviewed our former investment in Morgans/LV Investment LLC, a joint venture with Morgans Hotel Group Co., for impairment during the year ended December 31, 2009. Considering the subsequent mutual termination of this joint venture, certain of our contributions, primarily related to the architectural and design plans, were ultimately not realizable and, as a result, we recorded an other-than-temporary non cash impairment charge of \$13.5 million during the year ended December 31, 2009 related to such costs.

Table of Contents

In addition, during the year ended December 31, 2009, in conjunction with an amendment to the Original Dania Agreement to settle the contingent payment prior to the satisfaction of the legal conditions, we recorded the remaining \$28.4 million of the \$75 million contingent liability as an additional cost of the acquisition (by increasing goodwill). We tested the goodwill for recoverability, which resulted in a non-cash impairment charge of \$28.4 million during the year ended December 31, 2009.

If our estimates of projected cash flows related to our assets are not achieved, we may be subject to a future impairment charge, which could have a material adverse impact on our consolidated financial statements.

Our partner in MDDHC, the limited liability company that owns and operates Borgata Hotel Casino and Spa in Atlantic City, New Jersey, has divested its 50% interest and we do not have the ability to select the new partner.

We own a 50% controlling interest in the limited liability company that operates Borgata. MGM currently beneficially owns the other 50% interest. As a result of the NJDGE investigation of MGM's relationship with its joint venture partner in Macau, MGM entered into a settlement agreement with the NJDGE and the NJCCC under which MGM placed its 50% ownership interest in Borgata into the Divestiture Trust, which was established for the purpose of selling the MGM Interest to a third party. On February 20, 2013, MGM announced that it had entered into an amendment with the NJDGE, effective February 13, 2013, pursuant to which MGM was allowed to reapply to the New Jersey Casino Control Commission for licensure in New Jersey with the deadline to sell the MGM Interest deferred pending the outcome of the licensure process.

We are the managing member of the limited liability company that operates Borgata, and have been, and will continue to be responsible for the day-to-day operations of Borgata, including the operations and improvement of the facility and business. Additionally, we hold a right of first refusal on any sale of the MGM Interest in Borgata. However, if MGM's efforts to be relicensed in New Jersey fail and they are forced to sell the MGM Interest, we believe we will need to expend managerial resources to effectuate the eventual sale of the MGM Interest from the Divestiture Trust to a new partner, regardless of whether we exercise our right of first refusal. Other than exercising our right of first refusal, we generally do not have the ability to affect the selection of the potential new partner at Borgata.

While we believe we will retain direct control of the operations of Borgata, based on our current operating agreement, a new partner may want to negotiate greater rights or different terms. If we agree to consider changes to the operating agreement, these negotiations may decrease our ability to directly control the facility and effectively manage our financial risk. Any new partner could have economic or business interests or goals that are inconsistent with our economic or business interests or goals. The ongoing operation of the facility could change if we agree to negotiate agreements with a new partner that contain terms that differ from our existing operating agreement.

In addition, the Borgata bank credit facility, as amended, matures in August 2014. At the time of maturity, if Borgata is unable to refinance its bank credit facility on favorable terms, additional credit support and/or capital contributions in the form of equity may be necessary to fund the ongoing operations of Borgata. This additional credit and/or equity may need to be contributed by us or a new partner, if any, or from both. If we are unable to obtain adequate financing in a timely manner, or at all, we may be unable to meet the operating cash flow needs of Borgata, and our investment would be at risk. Moreover, if any new partner does not have the financial resources to meet its share of the obligations, or subsequently declares bankruptcy, we could be required to fund more than our 50% share.

We face risks associated with growth and acquisitions.

As part of our business strategy, we regularly evaluate opportunities for growth through development of gaming operations in existing or new markets, through acquiring other gaming entertainment facilities or through

Table of Contents

redeveloping our existing gaming facilities. For example, in November 2012, we completed the Peninsula Acquisition, and in October 2011, we completed the acquisition of IP. In January 2009, we completed the hotel construction project at Blue Chip. We may also pursue expansion opportunities, including joint ventures, in jurisdictions where casino gaming is not currently permitted in order to be prepared to develop projects upon approval of casino gaming. The expansion of our operations, whether through acquisitions, development or internal growth, could divert management's attention and could also cause us to incur substantial costs, including legal, professional and consulting fees. There can be no assurance that we will be able to identify, acquire, develop or profitably manage additional companies or operations or successfully integrate such companies or operations into our existing operations without substantial costs, delays or other problems. Additionally, there can be no assurance that we will receive gaming or other necessary licenses or approvals for our new projects or that gaming will be approved in jurisdictions where it is not currently approved.

Ballot measures or other voter-approved initiatives to allow gaming in jurisdictions where gaming, or certain types of gaming (such as slots), was not previously permitted could be challenged, and, if such challenges are successful, these ballot measures or initiatives could be invalidated. Furthermore, there can be no assurance that there will not be similar or other challenges to legalized gaming in existing or current markets in which we may operate or have development plans, and successful challenges to legalized gaming could require us to abandon or substantially curtail our operations or development plans in those locations, which could have a material adverse effect on our financial condition and results of operations.

There can be no assurance that we will not face similar challenges and difficulties with respect to new development projects or expansion efforts that we may undertake, which could result in significant sunk costs that we may not be able to fully recoup or that otherwise have a material adverse effect on our financial condition and results of operations.

Our expansion and development opportunities, including the development costs associated with the Kansas Star facility, may face significant risks inherent in construction projects.

We regularly evaluate expansion, development, investment and renovation opportunities. For example, we are undergoing further development of the Kansas Star facility, which entails significant risks.

This project and any other development projects we may undertake will be subject to many other risks inherent in the expansion or renovation of an existing enterprise or construction of a new enterprise, including unanticipated design, construction, regulatory, environmental and operating problems and lack of demand for our projects. Our current and future projects could also experience:

changes to plans and specifications (including changes for the Kansas Star construction facility, some of which may require the approval of the Kansas Lottery Commission);

delays and significant cost increases;

shortages of materials;

shortages of skilled labor or work stoppages for contractors and subcontractors;

labor disputes or work stoppages;

disputes with and defaults by contractors and subcontractors;

health and safety incidents and site accidents;

Edgar Filing: BOYD TUNICA INC - Form S-4/A

engineering problems, including defective plans and specifications;

poor performance or nonperformance by any of our joint venture partners or other third parties on whom we place reliance;

changes in laws and regulations, or in the interpretation and enforcement of laws and regulations, applicable to gaming facilities, real estate development or construction projects, including by the Kansas Racing and Gaming Commission;

Table of Contents

unforeseen construction scheduling, engineering, environmental, permitting, construction or geological problems;

environmental issues, including the discovery of unknown environmental contamination;

weather interference, floods, fires or other casualty losses;

other unanticipated circumstances or cost increases; and

failure to obtain necessary licenses, permits, entitlements or other governmental approvals.

The occurrence of any of these development and construction risks could increase the total costs of our construction projects, including the Kansas Star facility, or delay or prevent the construction or opening or otherwise affect the design and features of our construction projects, such as the Kansas Star facility, which could materially adversely affect our plan of operations, financial condition and ability to satisfy our debt obligations.

We have entered into a fixed-price, or guaranteed maximum price, contract with a construction manager for the construction of the first phase of the Kansas Star facility, however there is no guarantee we will be able to do so with respect to construction of the final phase of the development. As a result, we may be required to rely heavily on our in-house development and construction team to manage construction costs and coordinate the work of the various trade contractors. The lack of any fixed-price contract with a construction manager or general contractor for construction of the final phase would put more of the risk of cost-overruns on us. If we are unable to manage costs or we are unable to raise additional capital required to complete the Kansas Star facility, we may not be able to complete the project, which may have an adverse impact on our business and prospects for growth.

In addition, actual costs and construction periods for any of our projects can differ significantly from initial expectations. Our initial project costs and construction periods are based upon budgets, conceptual design documents and construction schedule estimates prepared at inception of the project in consultation with architects and contractors. Many of these costs can increase over time as the project is built to completion. We can provide no assurance that any project will be completed on time, if at all, or within established budgets, or that any project will result in increased earnings to us. Significant delays, cost overruns, or failures of our projects to achieve market acceptance could have a material adverse effect on our business, financial condition and results of operations.

The failure to obtain necessary government approvals in a timely manner, or at all, can adversely impact our various expansion, development, investment and renovation projects.

Certain permits, licenses and approvals necessary for some of our current or anticipated projects have not yet been obtained. The scope of the approvals required for expansion, development, investment or renovation projects can be extensive and may include gaming approvals, state and local land-use permits and building and zoning permits. Unexpected changes or concessions required by local, state or federal regulatory authorities could involve significant additional costs and delay the scheduled openings of the facilities. We may not obtain the necessary permits, licenses and approvals within the anticipated time frames, or at all.

In addition, although we design our projects to minimize disruption of our existing business operations, expansion and renovation projects require, from time to time, all or portions of affected existing operations to be closed or disrupted. Any significant disruption in operations of a property could have a significant adverse effect on our business, financial condition and results of operations.

The development costs of the Kansas Star facility are estimates only, and actual development costs may be higher than expected.

We have developed our budgets based on our plans, which are subject to change. We expect the total development cost of the Kansas Star facility to be approximately \$329 million, including the privilege fee,

Table of Contents

construction costs, land acquisition costs, development costs relating to a hotel which is being developed by a third party, costs of furniture, fixtures and equipment, pre-opening expenses, initial cage cash, and other development costs. While we believe that the overall budget for the development costs for the Kansas Star facility is reasonable, these development costs are only estimates and the actual development costs may be significantly higher than expected. Unforeseen or unexpected difficulties or delays during construction may also adversely impact the Kansas Star facility's budget. Our inability to pay development costs as they are incurred will negatively affect our ability to complete the Kansas Star facility on time.

Our Lottery Gaming Facility Management Contract with the State of Kansas contractually obligates us to open certain phases of our project by certain specified dates. For example, with certain exceptions, our permanent gaming facility must be completed by January 14, 2013, and our entire construction project (as set forth in the Management Contract) must be completed no later than January 14, 2015. If we fail to meet these future completion dates, we would be in breach of the Management Contract. If we breach our Management Contract, the State of Kansas has certain remedies, up to and including cancellation of our contract, which if it occurred, would cause a material adverse impact with respect to our business, results of operations, cash flows and financial condition.

We are subject to extensive governmental regulation, as well as federal, state and local laws affecting business in general, which may harm our business.

The ownership, management and operation of our gaming facilities are subject to extensive laws, regulations and ordinances which are administered by the Nevada Gaming Commission and Gaming Control Board, Mississippi Gaming Commission, Indiana Gaming Commission, Illinois Gaming Board, New Jersey Casino Control Commission, Iowa Racing and Gaming Commission, the Kansas Lottery Commission, the Kansas Racing and Gaming Commission, the Louisiana State Gaming Control Board, the Louisiana State Racing Commission and various other federal, state and local government entities and agencies. We are subject to regulations that apply specifically to the gaming industry and horse racetracks and casinos, in addition to regulations applicable to businesses generally. A more detailed description of the governmental gaming regulations to which we are subject has been filed as Exhibit 99.3 to the registration statement of which this prospectus is a part. If additional gaming regulations are adopted in a jurisdiction in which we operate, such regulations could impose restrictions or costs that could have a significant adverse effect on us. From time to time, various proposals are introduced in the legislatures of some of the jurisdictions in which we have existing or planned operations that, if enacted, could adversely affect the tax, regulatory, operational or other aspects of the gaming industry and our company.

To date, we have obtained all governmental licenses, findings of suitability, registrations, permits and approvals necessary for the operation of our properties. However, we can give no assurance that any additional licenses, permits and approvals that may be required will be given or that existing ones will be renewed or will not be revoked. Renewal is subject to, among other things, continued satisfaction of suitability requirements. Any failure to renew or maintain our licenses or to receive new licenses when necessary would have a material adverse effect on us.

Gambling

Legislative or administrative changes in applicable legal requirements, including legislation to prohibit casino gaming, have been proposed in the past. For example, in 1996, the State of Louisiana adopted a statute in connection with which votes were held locally where gaming operations were conducted and which, had the continuation of gaming been rejected by the voters, might have resulted in the termination of operations at the end of their current license terms. During the 1996 local gaming referendums, Lafayette Parish voted to disallow gaming in the Parish, whereas St. Landry Parish, the site of our racino, voted in favor of gaming. All parishes where riverboat gaming operations are currently conducted voted to continue riverboat gaming, but there can be no guarantee that similar referenda might not produce unfavorable results in the future. Proposals to amend or

Table of Contents

supplement the Louisiana Riverboat Economic Development and Gaming Control Act and the Pari-Mutuel Act also are frequently introduced in the Louisiana State legislature. In the 2001 session, a representative from Orleans Parish introduced a proposal to repeal the authority of horse racetracks in Calasieu Parish (the site of Delta Downs) and St. Landry Parish (the site of our racino) to conduct slot machine gaming at such horse racetracks and to repeal the special taxing districts created for such purposes. If adopted, this proposal would have effectively prohibited us from operating the casino portion of our racino. In addition, the Louisiana legislature, from time to time, considers proposals to repeal the Pari-Mutuel Act.

The legislation permitting gaming in Iowa authorizes the granting of licenses to qualified sponsoring organizations. Such qualified sponsoring organizations may operate the gambling structure itself, subject to satisfying necessary licensing requirements, or it may enter into an agreement with an operator to operate gambling on its behalf. An operator must be approved and licensed by the Iowa Racing and Gaming Commission. The DRA, a not-for-profit corporation organized for the purpose of operating a pari-mutuel greyhound racing facility in Dubuque, Iowa, first received a riverboat gaming license in 1990 and, pursuant to the Amended DRA Operating Agreement, has served as the qualified sponsoring organization of the Diamond Jo since March 18, 1993. The term of the Amended DRA Operating Agreement expires on December 31, 2018. The WCDA, pursuant to the WCDA Operating Agreement, serves as the qualified sponsoring organization of Diamond Jo Worth. The term of the WCDA Operating Agreement expires on March 31, 2015, and is subject to automatic three-year renewal periods. If the Amended DRA Operating Agreement or WCDA Operating Agreement were to terminate, or if the DRA or WCDA were to otherwise discontinue acting as our qualified sponsoring organization with respect to our operation of the Diamond Jo or Diamond Jo Worth, respectively, and we were unable to obtain approval from the Iowa Racing and Gaming Commission to partner with an alternative qualified sponsoring organization as required by our gaming license, we would no longer be able to continue our Diamond Jo or Diamond Jo Worth operations, which would materially and adversely affect our business, results of operations and cash flows.

Regulation of smoking

Each of New Jersey and Illinois has adopted laws that significantly restrict, or otherwise ban, smoking at our properties in those jurisdictions. The New Jersey and Illinois laws that restrict smoking at casinos, and similar legislation in other jurisdictions in which we operate, could materially impact the results of operations of our properties in those jurisdictions.

On April 15, 2007, an ordinance in Atlantic City became effective which extended smoking restrictions under the New Jersey Smoke-Free Air Act. This ordinance mandated that casinos restrict smoking to designated areas of up to 25% of the casino floor. During April 2008, Atlantic City's City Council unanimously approved an amendment to the ordinance, banning smoking entirely on all casino gaming floors and casino simulcasting areas, but allowing smoking in separately exhausted, non-gaming, smoking lounges. The amendment to the ordinance became effective on October 15, 2008, however, on October 27, 2008, Atlantic City's City Council voted to postpone the full smoking ban for at least one year due to, among other things, the weakened economy and increased competition in adjoining states. The postponement of the full smoking ban became effective on November 16, 2008. In December 2009, Atlantic City's City Council announced that it would not consider a full smoking ban in casinos pending further review.

Additionally, on July 1, 2012, a state statute in Indiana will become effective that imposes a state wide smoking ban in specified businesses, buildings, public places and other articulated locations. The statute specifically exempts riverboat casinos, and all other gaming facilities in Indiana, from the smoking ban. However, the statute allows local government to enact a more restrictive smoking ban than the state statute and also leaves in place any more restrictive local legislation that exists as of the effective date of the statute. To date, neither Michigan City nor LaPorte County, where Blue Chip is located, have enacted any ordinance or other law which would impose a smoking ban on Blue Chip.

Regulation of directors, officers, key employees and partners

Our directors, officers, key employees and joint venture partners must meet approval standards of certain state regulatory authorities. If state regulatory authorities were to find a person occupying any such position or a joint venture partner unsuitable, we would be required to sever our relationship with that person or the joint venture partner may be required to dispose of their interest. State regulatory agencies may conduct investigations into the conduct or associations of our directors, officers, key employees or joint venture partners to ensure compliance with applicable standards.

Certain public and private issuances of securities and other transactions that we are party to also require the approval of some state regulatory authorities.

Live racing regulations

Louisiana gaming regulations and our gaming license for the Evangeline Downs require that we, among other things, conduct a minimum of 80 live racing days in a consecutive 20-week period each year of live horse race meetings at the horse racetrack. Live racing days typically vary in number from year to year and are based on a number of factors, many of which are beyond our control, including the number of suitable race horses and the occurrence of severe weather. If we fail to have the minimum number of racing days, our gaming license with respect to the racino may be canceled, and the casino will be required to cease operations. Any cessation of our operation would have a material adverse effect on our business, prospects, financial condition, results of operations and cash flows.

Regulations affecting businesses in general

In addition to gaming regulations, we are also subject to various federal, state and local laws and regulations affecting businesses in general. These laws and regulations include, but are not limited to, restrictions and conditions concerning alcoholic beverages, environmental matters, smoking, employees, currency transactions, taxation, zoning and building codes, and marketing and advertising. Such laws and regulations could change or could be interpreted differently in the future, or new laws and regulations could be enacted. For example, Nevada recently enacted legislation that eliminated, in most instances, and, for certain pre-existing development projects, reduced, property tax breaks and retroactively eliminated certain sales tax exemptions offered as incentives to companies developing projects that meet certain environmental green standards. As a result, we, along with other companies developing projects that meet such standards, may not realize the full tax benefits that were originally anticipated.

We are subject to extensive taxation policies, which may harm our business.

The federal government has, from time to time, considered a federal tax on casino revenues and may consider such a tax in the future. If such an increase were to be enacted, our ability to incur additional indebtedness in the future to finance casino development projects could be materially and adversely affected. In addition, gaming companies are currently subject to significant state and local taxes and fees, in addition to normal federal and state corporate income taxes, and such taxes and fees are subject to increase at any time. For example, in June 2006, the Illinois legislature passed certain amendments to the Riverboat Gambling Act, which affected the tax rate at Par-A-Dice. The legislation, which imposes an incremental 5% tax on adjusted gross gaming revenues, was retroactive to July 1, 2005. As a result of this legislation, we were required to pay additional taxes, resulting in a \$6.7 million tax assessment in June 2006.

We are subject to significant taxes and fees relating to our gaming operations, which are subject to increase at any time. Currently, in Iowa, we are taxed at an effective rate of approximately 21% of our adjusted gross receipts by the State of Iowa, we pay the city of Dubuque a fee equal to \$500,000 per year and we pay a fee equal to 4.5% and 5.76% of adjusted gross receipts to the DRA and WCDA, respectively. In addition, all Iowa gaming

Table of Contents

licensees share equally in costs of the Iowa Racing and Gaming Commission and related entities to administer gaming in Iowa, which is currently approximately \$0.9 million per year per facility. Currently, at Evangeline Downs, we are taxed at an effective rate of approximately 36.5% of our adjusted gross slot revenue and pay to the Louisiana State Racing Commission a fee of \$0.25 for each patron who enters the racino on live race days from the hours of 6:00 pm to midnight, enters the racino during non-racing season from the hours of noon to midnight Thursday through Monday, or enters any one of our OTBs. Our Amelia Belle riverboat casino in Louisiana pays an annual state gaming tax rate of 21.5% of adjusted gross receipts. Additionally, ABC has an agreement with the Parish of St. Mary to permit the berthing of the riverboat casino in Amelia, Louisiana. That agreement provides for percentage fees based on the level of net gaming revenue as follows: the first \$60 million, 2.5%; \$60 to \$96 million, 3.5%; and greater than \$96 million, 5.0%. The annual minimum fee due under the agreement is \$1.5 million. The Kansas Star, pursuant to its Management Contract with the State of Kansas pays total taxes of between 27% and 31% of gross gaming revenue, based on achievement of the following revenue levels: 27% on gross gaming revenue up to \$180 million, 29% on amounts from \$180 million to \$220 million, and 31% on amounts above \$220 million in gross gaming revenue. KSC is also contractually obligated to pay its proportionate share of certain expenses incurred by the Kansas Lottery Commission and the Kansas Racing and Gaming Commission, which are estimated to be approximately \$3.9 million on an annual basis.

Nevada Use Tax Refund Claims

On March 27, 2008, the Nevada Supreme Court issued a decision in Sparks Nugget, Inc. vs. The State of Nevada Department of Taxation (the Department), holding that food purchased for subsequent use in the provision of complimentary and/or employee meals was exempt from use tax. As a result of this decision, refund claims were filed for use taxes paid, over the period November 2000 through May 2008, on food purchased for subsequent use in complimentary and employee meals at our Nevada casino properties. We estimate the refund to be in the range of \$17.9 million to \$20.3 million, including interest. In 2009, the Department audited and denied our refund claim while simultaneously issuing a \$12.3 million sales tax deficiency assessment, plus interest of \$7.5 million. We appealed both the denial of the refund claim as well as the deficiency assessment in a hearing before the Nevada Administrative Law Judge (ALJ) in September 2010. In April 2011, the judge issued a split decision, granting a refund on employee meals and applying a sales tax measure on complimentary meals; however, the ruling barred retroactive application of the sales tax measure to all years in the refund claim period, effectively overturning the Department's 2009 deficiency assessment. Both we and the Department appealed the decision to the Nevada State Tax Commission (the Commission). On August 8, 2011, the Commission remanded the case back for a second administrative hearing, which was held on September 26, 2011, to allow for the introduction of additional supporting documentation. The ALJ issued a decision on November 8, 2011, reversing her position on the employee meal refund claim while also affirming the denial of the complimentary meal refund, as well as the denial of a retroactive application of the sales tax measure to both employee and complimentary meals. The ALJ's decision was affirmed in a Commission hearing on January 23, 2012. On February 15, 2012 we filed a petition for judicial review in Clark County District Court. We received a split decision at our District Court hearing on October 17, 2012. The District Court Judge (Judge) affirmed the ALJ decision that sales tax was applicable to complimentary meals and reversed the decision on employee meals, concluding that such meals were exempt from sales tax. The Department has asserted that, although the statute of limitations prohibits their ability to collect incremental sales tax on complimentary meals, the statutes provide for an offset of the incremental sales tax against refunds due on employee meals. As such, the Department believes that it is not required to pay the employee meal refunds. We are appealing the decision on complimentary meals to the Nevada State Supreme Court and the Department has appealed the decision on employee meals. The Judge did not issue a decision with respect to the refund claim offset; and pending the ultimate resolution of the appeal at the State Supreme Court, we expect the offset issue will either be addressed by the Supreme Court or remanded back to District Court. Due to the uncertainty surrounding the ultimate resolution of our appeal to the State Supreme Court, we will not record any gain until a final, non-appealable decision has been rendered. On July 6, 2012 the Department retracted its previous guidance requiring payment of sales tax, on complimentary and employee meals, for periods subsequent to February 15, 2012. The updated guidance defers the requirement to collect and remit sales tax, without interest or penalty, on complimentary and employee meals until the

Table of Contents

occurrence of a defined future event. Based on the Department's updated guidance, we have not collected, remitted or accrued a liability for sales tax on complimentary and employee meals at our Nevada casino properties.

Blue Chip Property Taxes

Blue Chip previously received a valuation notice from the county assessor indicating an unanticipated increase of nearly 400% to its assessed property value as of January 1, 2006. In December 2007, we received the property tax bill related to our 2006 tax assessment in the amount \$6.2 million, which we appealed. In February 2009, we received a notice of revaluation, reducing the initial tax assessment by approximately \$2.2 million. Since then, we have made the minimum required payment against provisional bills received in years 2007 through 2012, all of which were based on the 2006 valuation notice. During the year ended December 31, 2011, we reached settlements with the county assessor, reducing the annual valuation for years 2006 through 2009. Based on these settlements, we revised our cumulative property tax accrual to reflect the retrospective effect of the revised valuations. The impact of these revisions to the valuations resulted in a reduction of our property tax accrual of approximately \$9.7 million, which was cumulatively reversed through property tax expense during the year ended December 31, 2011.

We received the 2010 tax assessment in January 2013 but have not received valuation notices or final tax rates for the years 2011 or 2012. The 2010 tax assessment increased the taxable property value approximately 46% over the 2009 settlement valuation. We have appealed the 2010 tax assessment and believe the assessments for the period from January 1, 2010 through December 31, 2012 could result in a total property tax obligation, net of previous payments, ranging between \$5.0 million and \$14.1 million. We have accrued, net of the payment of the minimum requirements discussed above, approximately \$14.1 million for this property tax liability as of December 31, 2012, based on what we believe to be the most likely outcome within our range, once all valuations have been received and all tax rates have been finalized; however, we can provide no assurances that the estimated amount accrued will approximate the actual amount billed. The final tax assessment notices for the period January 1, 2011 through December 31, 2012, which have not been received as of December 31, 2012, could result in further adjustment to our estimated property tax liability at Blue Chip.

New Jersey Income Taxes

Atlantic City casinos, including Borgata, currently pay a 9.25% effective tax rate on gross gaming revenues. We also pay property taxes, sales and use taxes, payroll taxes, franchise taxes, room taxes, parking fees, various license fees, investigative fees and our proportionate share of regulatory costs. Our profitability depends on generating enough revenues to pay gaming taxes and other largely variable expenses, such as payroll and marketing, as well as largely fixed expenses, such as property taxes and interest expense. Borgata is treated as a partnership for federal income tax purposes and therefore federal income taxes are the responsibility of its members. Casino partnerships in New Jersey, however, are subject to state income taxes under the Casino Control Act. Therefore, Borgata is required to record New Jersey state income taxes. We cannot assure you that the State of New Jersey will not enact legislation that increases gaming tax rates.

Increase in Taxation

If there is any material increase in state and local taxes and fees, our business, financial condition and results of operations could be adversely affected.

We own real property and are subject to extensive environmental regulation, which creates uncertainty regarding future environmental expenditures and liabilities, and could affect our ability to develop, sell or rent our property or to borrow money where such property is required to be used as collateral.

We are subject to various federal, state and local environmental laws, ordinances and regulations, including those governing discharges to air and water, the generation, handling, management and disposal of petroleum

Table of Contents

products or hazardous substances or wastes, and the health and safety of our employees. Permits may be required for our operations and these permits are subject to renewal, modification and, in some cases, revocation. In addition, under environmental laws, ordinances or regulations, a current or previous owner or operator of property may be liable for the costs of investigation and removal or remediation of some kinds of hazardous substances or petroleum products on, under, or in its property, without regard to whether the owner or operator knew of, or caused, the presence of the contaminants, and regardless of whether the practices that resulted in the contamination were legal at the time they occurred. Additionally, as an owner or operator, we could also be held responsible to a governmental entity or third parties for property damage, personal injury and investigation and cleanup costs incurred by them in connection with any contamination. The liability under those laws has been interpreted to be joint and several unless the harm is divisible and there is a reasonable basis for allocation of the responsibility. The costs of investigation, remediation or removal of those substances may be substantial, and the presence of those substances, or the failure to remediate a property properly, may impair our ability to use our property.

In addition, as part of our business in Worth County, Iowa, we operate a gas station, which includes a number of underground storage tanks containing petroleum products. The presence of, or failure to remediate properly, the substances may adversely affect the ability to sell or rent the property or to borrow funds using the property as collateral. Additionally, the owner of a site may be subject to claims by third parties based on damages and costs resulting from environmental contamination emanating from a site.

We have reviewed environmental assessments, in some cases including soil and groundwater testing, relating to our currently owned and leased properties in Dubuque, Iowa, and other properties we may lease from the City of Dubuque or other parties. As a result, we have become aware that there is contamination present on some of these properties apparently due to past industrial activities. Additionally, the location of the Kansas Star is the site of several non-operational oil wells, the remediation of which has been addressed in connection with the construction of the development project. With respect to parcels we currently own or lease, we believe, based on the types and amount of contamination identified, the anticipated uses of the properties and the potential that the contamination, in some cases, may have migrated onto our properties from nearby properties, that any cost to clean up these properties will not result in a material adverse effect on our earnings and cash flows. We have also reviewed environmental assessments and are not aware of any environmental liabilities related to our properties at Evangeline Downs, Diamond Jo Worth and Amelia Belle Casino.

We do not anticipate any material adverse effect on our earnings, cash flows or competitive position relating to existing environmental matters, but it is possible that future developments could lead to material costs of environmental compliance for us and that these costs could have a material adverse effect on our business and financial condition, operating results and cash flows.

Borgata is a participant in a multiemployer pension plan, and the plan has been certified in critical status by the fund's actuary.

In connection with Borgata's collective bargaining agreement with the culinary and hotel workers union, Local 54/UNITE HERE, it participates in the UNITE HERE National Retirement Fund pension plan (the "Fund"). On March 31, 2010, as a result of the extraordinary decline in the financial markets and downturn in the economy, the Fund was certified in critical status by the Fund's actuary under the federal multiemployer plan funding laws pursuant to the Pension Protection Act of 2006 (the "PPA"). In connection with the certification, the Fund's board of trustees has adopted a rehabilitation plan effective on April 1, 2010 (the "Rehabilitation Plan") with the goal of enabling the Fund to emerge from critical status by January 1, 2023. The Rehabilitation Plan provides for certain increases in employer contributions and, in some cases, a reduction in participant benefits. On May 28, 2010, Borgata agreed upon a schedule with Local 54/UNITE HERE pursuant to which it began making increased monthly contributions to the Fund effective October 1, 2011.

Table of Contents

Borgata's current monthly pension contributions to the Fund range from \$0.4 million to \$0.5 million, and its unfunded vested liability to the Fund is \$63.8 million for the plan year beginning on January 1, 2011. A renewed economic decline could have a significant adverse effect on the financial condition of the Fund, which may require Borgata to make contributions in addition to those already contemplated. Any such increases in required contributions could adversely affect Borgata's results of operations.

Additionally, in connection with Borgata's collective bargaining agreements with the Local 68 Engineers Union Pension Plan and the NJ Carpenters Pension Fund, it participates in other multiemployer pension plans that have been certified in critical status under the federal multiemployer plan funding laws pursuant to the PPA. The boards of trustees of these plans have adopted rehabilitation plans and Borgata is currently in discussions with the boards regarding its level of participation in the rehabilitation plans. The impact of the rehabilitation plans is not expected to have a material adverse effect on Borgata's financial condition, results of operations or cash flows. Borgata's current monthly pension contributions to the funds associated with these plans is approximately less than \$0.1 million per month in the aggregate. Borgata's aggregate unfunded vested liability to these funds is approximately \$4.5 million.

Under applicable federal law, any employer contributing to a multiemployer pension plan that completely ceases participating in the plan while it is underfunded is subject to payment of such employer's assessed share of the aggregate unfunded vested benefits of the plan. In certain circumstances, an employer can also be assessed withdrawal liability for a partial withdrawal from a multiemployer pension plan. Based on an estimate provided by the Fund in April 2010, Borgata has estimated that its pre-tax withdrawal, assuming a hypothetical immediate and complete withdrawal from the Fund, could be in excess of \$47 million. In addition, Borgata estimates the pre-tax withdrawal liability for the other funds to which it contributes to be approximately \$4.0 million. However, the exact amount of potential exposure could be higher or lower than the estimate, depending on, among other things, the nature and timing of any triggering events and the funded status of the Fund, or other funds to which it contributes, at that time.

We own facilities that are located in areas that experience extreme weather conditions.

Extreme weather conditions may interrupt our operations, damage our properties and reduce the number of customers who visit our facilities in the affected areas.

For example, due to flooding of the Mississippi River, the Mississippi Gaming Commission ordered the nine casinos located in Tunica, Mississippi to close indefinitely to ensure the safety of visitors and employees. Accordingly, effective May 1, 2011, we closed Sam's Town Hotel and Gambling Hall in Tunica. We were able to reopen on May 28, 2011; however, Sam's Town Hotel and Gambling Hall suffered minor damage, and have reached a settlement with our insurer. In addition, the Amelia Belle was negatively impacted by the opening of the Morganza Spillway, due to imminent threat of severe flooding.

In addition, certain of our properties have been forced to close due to hurricanes. In August 2008, Treasure Chest was closed for eight days including Labor Day weekend due to Hurricane Gustav. In September 2008, Treasure Chest was closed for two days as a result of Hurricane Ike and in 2005 the property was closed for 44 days as a result of Hurricane Katrina. Delta Downs was closed for six days in August 2008 due to Hurricane Gustav and seven days in September 2008 due to Hurricane Ike. Hurricane Gustav forced the closure of Evangeline Downs for five days in 2008 and Amelia Belle was closed from August 2005 to May 2007 due to Hurricane Katrina. In 2005, Delta Downs suffered significant property damage as a result of Hurricane Rita and closed for 42 days. In September 2011, Borgata was closed for three days due to Hurricane Irene. In October and November 2012, Borgata was closed for four days due to Hurricane Sandy.

Moreover, Blue Chip, Par-A-Dice, Sam's Town Tunica, Sam's Town Tunica, Sam's Town Shreveport, Treasure Chest and Borgata are each located in an area that has been identified by the director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area, which, according to the FEMA

Table of Contents

statistics, has a 1% chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year.

In addition to the risk of flooding and hurricanes, snowstorms and other adverse weather conditions may interrupt our operations, damage our properties and reduce the number of customers who visit our facilities in the affected area. For example, during January and February 2011, much of the country was impacted by some of the worst winter weather in decades, particularly in the Midwest. Although our properties at Blue Chip and Par-A-Dice were not closed as a result, these storms made it very difficult for our customers to visit, and we believe such winter weather had a material and adverse impact on the results of our operations during such time. Additionally, February 2010 was the snowiest month ever recorded in Atlantic City, which generally kept would-be gamblers from traveling to Borgata, contributing to a drop in Borgata's monthly revenues from January to February. The 2010 winter season was the worst on record, and travel throughout the entire Northeast was extremely difficult. The residual impact from these record winter storms resulted in day trip visitations to Atlantic City that were reduced or delayed as regional school calendars were extended in order to make up for prior school closures. Additionally, extreme heat and low precipitation levels in the latter half of the first six months of 2010, particularly in the month of June, had an adverse impact on visitation and spending at Borgata's property. If there is a prolonged disruption at Borgata or any of our other properties due to natural disasters, terrorist attacks or other catastrophic events, our results of operations and financial condition could be materially adversely affected.

To maintain our gaming license for our Evangeline Downs racino, we must conduct a minimum of 80 live racing days in a consecutive 20-week period each year of live horse race meetings at the racetrack, and poor weather conditions may make it difficult for us to comply with this requirement.

While we maintain insurance coverage that may cover certain of the costs and loss of revenue that we incur as a result of some extreme weather conditions, our coverage is subject to deductibles and limits on maximum benefits. There can be no assurance that we will be able to fully collect, if at all, on any claims resulting from extreme weather conditions. If any of our properties are damaged or if their operations are disrupted as a result of extreme weather in the future, or if extreme weather adversely impacts general economic or other conditions in the areas in which our properties are located or from which they draw their patrons, our business, financial condition and results of operations could be materially adversely affected.

If we are not ultimately successful in dismissing the action filed against Treasure Chest, we may potentially lose our ability to operate the Treasure Chest property and our business, financial condition and results of operations could be materially adversely affected.

Alvin C. Copeland, the sole shareholder (deceased) of an unsuccessful applicant for a riverboat license at the location of our Treasure Chest, has made several attempts to have the Treasure Chest license revoked and awarded to his company. In 1999 and 2000, Copeland unsuccessfully opposed the renewal of the Treasure Chest license and has brought two separate legal actions against Treasure Chest. In November 1993, Copeland objected to the relocation of Treasure Chest from the Mississippi River to its current site on Lake Pontchartrain. The predecessor to the Louisiana Gaming Control Board allowed the relocation over Copeland's objection. Copeland then filed an appeal of the agency's decision with the Nineteenth Judicial District Court. Through a number of amendments to the appeal, Copeland unsuccessfully attempted to transform the appeal into a direct action suit and sought the revocation of the Treasure Chest license. Treasure Chest intervened in the matter in order to protect its interests. The appeal/suit, as it related to Treasure Chest, was dismissed by the District Court and that dismissal was upheld on appeal by the First Circuit Court of Appeal. Additionally, in 1999, Copeland filed a direct action against Treasure Chest and certain other parties seeking the revocation of Treasure Chest's license, an award of the license to him, and monetary damages. The suit was dismissed by the trial court, citing that Copeland failed to state a claim on which relief could be granted. The dismissal was appealed by Copeland to the Louisiana First Circuit Court of Appeal. On June 21, 2002, the First Circuit Court of Appeal reversed the trial court's decision and remanded the matter to the trial court. On January 14, 2003, we filed a motion to dismiss the

Table of Contents

matter and that motion was partially denied. The Court of Appeal refused to reverse the denial of the motion to dismiss. In May 2004, we filed additional motions to dismiss on other grounds. There was no activity regarding this matter during 2005 and 2006, and the case was set to be dismissed by the court for failure to prosecute by the plaintiffs in mid-May 2007; however on May 1, 2007, the plaintiff filed a motion to set a hearing date related to the motions to dismiss. The hearing was scheduled for September 10, 2007, at which time all parties agreed to postpone the hearing indefinitely. The hearing has not yet been rescheduled. Mr. Copeland has since passed away and his son, the executor of his estate, has petitioned the court to be substituted as plaintiff in the case. On June 9, 2009, the plaintiff filed to have the exceptions set for hearing. The parties decided to submit the exceptions to the court on the previously filed briefs. The court issued a ruling denying the exceptions on August 9, 2010. Copeland's counsel indicated a desire to move forward with the litigation and requested that the parties respond to outstanding discovery. Subsequently, on August 11, 2010, Robert J. Guidry, the co-defendant, filed a third party demand against the U.S. Attorney's Office seeking enforcement of Guidry's plea agreement which would limit Guidry's exposure in the case. On September 9, 2010, the U.S. Attorney's Office removed the suit to the U.S. District Court, Middle District of Louisiana. Pending before the District Court are a motion to dismiss for failing to state a cause of action filed by Guidry, asserting the same arguments he tried in state court, which the Company joined, and a motion to dismiss for lack of subject matter jurisdiction filed by the U.S. Attorney, which may result in the case being remanded to state court. The U.S. District Court heard the motions on March 16, 2011. A ruling has not yet been issued. On April 1, 2011, the U.S. Attorney's Office moved for summary judgment, maintaining its jurisdictional argument as well as seeking substantive relief. On September 2, 2011, the judge issued an Order stating that the case should be remanded to state district court but allowed for additional filings by September 13, 2011. A Remand Order was issued on September 15, 2011, sending the case back to the 19th Judicial District Court, East Baton Rouge Parish, State of Louisiana. Guidry filed a motion for partial summary judgment on November 14, 2011 to limit the damages in the case. Treasure Chest joined in the motion. The hearing on the Motion for Partial Summary Judgment was held on September 10, 2012. On October 3, 2012, Judge Clark granted the motion which effectively struck Copeland's demands for loss profits, the value of the Treasure Chest license and the value of Treasure Chest's success. On October 26, 2012, Copeland filed a supervisory writ application with the First Circuit Court of Appeal asking that the partial summary judgment be reversed. Treasure Chest and Guidry opposed the writ. On February 13, 2013, the writ was denied leaving intact the partial summary judgment. Discovery is proceeding. We currently are vigorously defending the lawsuit. If this matter ultimately results in the Treasure Chest license being revoked, it could have a significant adverse effect on Treasure Chest's business, financial condition and results of operations.

Our insurance coverage may not be adequate to cover all possible losses that our properties could suffer. In addition, our insurance costs may increase and we may not be able to obtain similar insurance coverage in the future.

Although we have all-risk property insurance coverage for our operating properties, which covers damage caused by a casualty loss (such as fire, natural disasters, acts of war, or terrorism), each policy has certain exclusions. In addition, our property insurance coverage is in an amount that may be significantly less than the expected replacement cost of rebuilding the facilities if there was a total loss. Our level of insurance coverage also may not be adequate to cover all losses in the event of a major casualty. In addition, certain casualty events, such as labor strikes, nuclear events, acts of war, loss of income due to cancellation of room reservations or conventions due to fear of terrorism, deterioration or corrosion, insect or animal damage and pollution, may not be covered at all under our policies. Therefore, certain acts could expose us to substantial uninsured losses.

We also have builder's risk insurance coverage for our development and expansion projects. Builder's risk insurance provides coverage for projects during their construction for damage caused by a casualty loss. In general, our builder's risk coverage is subject to the same exclusions, risks and deficiencies as those described above for our all-risk property coverage. Our level of builder's risk insurance coverage may not be adequate to cover all losses in the event of a major casualty.

Table of Contents

Blue Chip, Par-A-Dice, Sam's Town Tunica, Sam's Town Shreveport, Treasure Chest and Borgata are each located in an area that has been identified by the director of the FEMA as a special flood hazard area. According to the FEMA statistics, a special flood hazard area has a 1% chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. Over a 30-year period, the risk of a 100-year flood in a special flood hazard area is 26%. Our level of flood insurance coverage may not be adequate to cover all losses in the event of a major flood.

Due to flooding of the Mississippi River, Sam's Town Hotel and Gambling Hall was closed from May 1, 2011 until May 28, 2011. Sam's Town Hotel and Gambling Hall was damaged, and while we carry business interruption insurance and general liability insurance, we have not settled on our claims, and this insurance may not be adequate to cover all losses in any such event.

We renew our insurance policies (other than our builder's risk insurance) on an annual basis. The cost of coverage may become so high that we may need to further reduce our policy limits or agree to certain exclusions from our coverage.

Our debt instruments and other material agreements require us to meet certain standards related to insurance coverage. Failure to satisfy these requirements could result in an event of default under these debt instruments or material agreements.

We draw a significant percentage of our customers from certain geographic regions. Events adversely impacting the economy or these regions, including public health outbreaks and man-made or natural disasters, may adversely impact our business.

The California, Fremont and Main Street Station draw a substantial portion of their customers from the Hawaiian market. For the year ended December 31, 2012, patrons from Hawaii comprised 66% of the room nights sold at the California, 48% at Fremont and 52% at Main Street Station. Decreases in discretionary consumer spending, as well as an increase in fuel costs or transportation prices, a decrease in airplane seat availability, or a deterioration of relations with tour and travel agents, particularly as they affect travel between the Hawaiian market and our facilities, could adversely affect our business, financial condition and results of operations.

Our Las Vegas properties also draw a substantial number of customers from certain other specific geographic areas, including the Southern California, Arizona and Las Vegas local markets. Native American casinos in California and other parts of the United States have diverted some potential visitors away from Nevada, which has had and could continue to have a negative effect on Nevada gaming markets. In addition, due to our significant concentration of properties in Nevada, any man-made or natural disasters in or around Nevada, or the areas from which we draw customers to our Las Vegas properties, could have a significant adverse effect on our business, financial condition and results of operations. Each of our properties located outside of Nevada depends primarily on visitors from their respective surrounding regions and are subject to comparable risk.

Additionally, the expansion of casino gaming in or near the mid-Atlantic region from which Borgata attracts and expects to attract most of its customers could have a significant adverse effect on its business, results of operations and financial condition. In 2010, Pennsylvania passed legislation allowing table games at certain casinos in the state, and other states near New Jersey, including New York, Delaware, Connecticut, and Maryland have or are currently contemplating gaming legislation. The expansion of gaming facilities in nearby states will further increase competition and may adversely impact our business, financial condition and results of operations.

Borgata also competes with Native American tribes in the Northeast and Mid-Atlantic region. Expansion of Native American gaming could have an adverse effect on Borgata's business, results of operations and financial condition, as Native American gaming facilities typically have a significant operating advantage over Borgata due to lower gaming taxes, allowing those facilities to market more aggressively and to expand or update their facilities at an accelerated rate.

Table of Contents

The strength and profitability of our business depends on consumer demand for hotel casino resorts in general and for the type of amenities our properties offer. Changes in consumer preferences or discretionary consumer spending could harm our business. The terrorist attacks of September 11, 2001, other terrorist activities in the United States and elsewhere, military conflicts in Iraq, Afghanistan and in the Middle East, outbreaks of infectious disease and pandemics, adverse weather conditions and natural disasters, among other things, have had negative impacts on travel and leisure expenditures. In addition, other factors affecting travel and discretionary consumer spending, including general economic conditions, disposable consumer income, fears of further economic decline and reduced consumer confidence in the economy, may negatively impact our business. We cannot predict the extent to which similar events and conditions may continue to affect us in the future. An extended period of reduced discretionary spending and/or disruptions or declines in tourism could significantly harm our operations.

Furthermore, our facilities are subject to the risk that operations could be halted for a temporary or extended period of time, as a result of casualty, flooding, forces of nature, adverse weather conditions, mechanical failure, or extended or extraordinary maintenance, among other causes. If there is a prolonged disruption at any of our properties due to natural disasters, terrorist attacks or other catastrophic events, our results of operations and financial condition could be materially adversely affected.

The outbreak of public health threats at any of our properties or in the areas in which they are located, or the perception that such threats exist, including pandemic health threats, such as the avian influenza virus, SARS, or the H1N1 flu, among others, could have a significant adverse effect on our business, financial condition and results of operations. Likewise, adverse economic conditions that affect the national or regional economies in which we operate, whether resulting from war, terrorist activities or other geopolitical conflict, weather, general or localized economic downturns or related events or other factors, could have a significant adverse effect on our business, financial condition and results of operations.

In addition, to the extent that the airline industry is negatively impacted due to the effects of the economic recession and continued economic downturn, outbreak of war, public health threats, terrorist or similar activity, increased security restrictions or the public's general reluctance to travel by air, our business, financial condition and results of operations could be adversely affected.

Energy price increases may adversely affect our cost of operations and our revenues.

Our casino properties use significant amounts of electricity, natural gas and other forms of energy. In addition, our Hawaiian air charter operation uses a significant amount of jet fuel. While no shortages of energy or fuel have been experienced to date, substantial increases in energy and fuel prices, including jet fuel prices, in the United States have, and may continue to, negatively affect our results of operations. The extent of the impact is subject to the magnitude and duration of the energy and fuel price increases, of which the impact could be material. In addition, energy and gasoline price increases could result in a decline of disposable income of potential customers, an increase in the cost of travel and a corresponding decrease in visitation and spending at our properties, which could have a significant adverse effect on our business, financial condition and results of operations.

Borgata has an executory contract with a wholly-owned subsidiary of a local utility company with terms that extend to June 2028, 20 years from the opening of The Water Club. The utility company provides Borgata with electricity and thermal energy (hot water and chilled water). Obligations under the thermal energy executory contract contain both fixed fees and variable fees based upon usage rates. The fixed fee components under the thermal energy executory contract were estimated at approximately \$11.6 million per annum at December 31, 2012. Borgata is also obligated to purchase a certain portion of its electricity demand at essentially a fixed rate which is estimated at approximately \$1.7 million per annum. Electricity demand in excess of the commitment is subject to market rates based on Borgata's tariff class.

Our facilities, including our riverboats and dockside facilities, are subject to risks relating to mechanical failure and regulatory compliance.

Generally, all of our facilities are subject to the risk that operations could be halted for a temporary or extended period of time, as the result of casualty, forces of nature, mechanical failure, or extended or extraordinary maintenance, among other causes. In addition, our gaming operations, including those conducted on riverboats or at dockside facilities could be damaged or halted due to extreme weather conditions.

We currently conduct our Treasure Chest, Par-A-Dice, Blue Chip, Sam's Town Shreveport and Amelia Belle gaming operations on riverboats. Each of our riverboats must comply with United States Coast Guard (USCG) requirements as to boat design, on-board facilities, equipment, personnel and safety. Each riverboat must hold a Certificate of Inspection for stabilization and flotation, and may also be subject to local zoning codes. The USCG requirements establish design standards, set limits on the operation of the vessels and require individual licensing of all personnel involved with the operation of the vessels. Loss of a vessel's Certificate of Inspection would preclude its use as a casino.

USCG regulations require a hull inspection for all riverboats at five-year intervals. Under certain circumstances, alternative hull inspections may be approved. The USCG may require that such hull inspections be conducted at a dry-docking facility, and if so required, the cost of travel to and from such docking facility, as well as the time required for inspections of the affected riverboats, could be significant. To date, the USCG has allowed in-place underwater inspections of our riverboats twice every five years on alternate two and three year schedules. The USCG may not continue to allow these types of inspections in the future. The loss of a dockside casino or riverboat casino from service for any period of time could adversely affect our business, financial condition and results of operations.

Indiana and Louisiana have adopted alternate inspection standards for riverboats in those states. The standards require inspection by the American Bureau Shipping Consulting (ABSC). ABSC inspection for our riverboats at Blue Chip, Treasure Chest and Sam's Town Shreveport commenced during 2010. The Par-A-Dice riverboat will remain inspected by the USCG for the foreseeable future. ABSC imposes essentially the same design, personnel, safety, and hull inspection standards as the USCG. Therefore, the risks to our business associated with USCG inspection should not change by reason of inspection by ABSC. Failure of a vessel to meet the applicable USCG or ABSC standards would preclude its use as a casino.

USCG regulations also require us to prepare and follow certain security programs. In 2004, we implemented the American Gaming Association's Alternative Security Program at our riverboat casinos and dockside facilities. The American Gaming Association's Alternative Security Program is specifically designed to address maritime security requirements at riverboat casinos and their respective dockside facilities. Only portions of those regulations will apply to our riverboats inspected by ABSC. Changes to these regulations could adversely affect our business, financial condition and results of operations.

Some of our hotels and casinos are located on leased property. If we default on one or more leases, the applicable lessors could terminate the affected leases and we could lose possession of the affected hotel and/or casino.

We lease certain parcels of land on which The Orleans, Suncoast, Treasure Chest, Sam's Town Shreveport, IP and Borgata's hotel and gaming facility are located. In addition, we lease other parcels of land on which portions of the California and the Fremont are located. As a ground lessee, we have the right to use the leased land; however, we do not retain fee ownership in the underlying land. Accordingly, with respect to the leased land, we will have no interest in the land or improvements thereon at the expiration of the ground leases. Moreover, since we do not completely control the land underlying the property, a landowner could take certain actions to disrupt our rights in the land leased under the long term leases. While such interruption is unlikely, such events are beyond our control. If the entity owning any leased land chose to disrupt our use either permanently or for a significant period of time,

Table of Contents

then the value of our assets could be impaired and our business and operations could be adversely affected. If we were to default on any one or more of these leases, the applicable lessors could terminate the affected leases and we could lose possession of the affected land and any improvements on the land, including the hotels and casinos. This would have a significant adverse effect on our business, financial condition and results of operations as we would then be unable to operate all or portions of the affected facilities.

We may face integration difficulties and may be unable to integrate Peninsula Gaming's business into Boyd Gaming's business successfully or realize the anticipated benefits of the Peninsula Acquisition.

The Peninsula Acquisition involved the combination of two companies that previously operated as independent companies. Peninsula Gaming is now an indirect wholly-owned subsidiary of Boyd Gaming. We will be required to devote significant management attention and resources to integrating the two companies business practices and operations. Potential difficulties we may encounter as part of the integration process include the following:

the inability to successfully combine our two businesses in a manner that permits the us to achieve the full revenue and other benefits anticipated to result from the Peninsula Acquisition;

complexities associated with managing the combined businesses, including difficulty addressing possible differences in corporate cultures and management philosophies and the challenge of integrating complex systems, technology, networks and other assets of each of the companies in a seamless manner that minimizes any adverse impact on customers, suppliers, employees and other constituencies; and

potential unknown liabilities and unforeseen increased expenses associated with the Peninsula Acquisition.

In addition, it is possible that the integration process could result in:

diversion of the attention of each company's management; and

the disruption of, or the loss of momentum in, each company's ongoing businesses or inconsistencies in standards, controls, procedures and policies,

any of which could adversely affect our ability to maintain relationships with customers, suppliers, employees and other constituencies or our ability to achieve the anticipated benefits of the Peninsula Acquisition, or could reduce our earnings or otherwise adversely affect our business and financial results.

Our future results may differ materially from the unaudited pro forma financial statements that we have provided.

The pro forma financial statements that we have provided are presented for illustrative purposes only, are based on various adjustments, assumptions and preliminary estimates and may not be an indication of our financial condition or results of operations following the Peninsula Acquisition for several reasons. Our actual financial condition and results of operations following the Peninsula Acquisition may not be consistent with, or evident from, these pro forma financial statements. In addition, the assumptions used in preparing the pro forma financial information may not prove to be accurate, and other factors may affect our financial condition or results of operations following the Peninsula Acquisition. Any potential decline in our financial condition or results of operations may cause significant variations to our stock price.

Our future results could suffer if we cannot effectively manage our expanded operations following the Peninsula Acquisition.

Following the Peninsula Acquisition, the size of the combined businesses will be significantly larger than the previous size of either Boyd Gaming's or Peninsula Gaming's business. Our future success depends, in part, upon our ability to manage this expanded business, which will pose substantial challenges for management, including

Table of Contents

challenges related to the management and monitoring of new operations and associated increased costs and complexity. There can be no assurances that we will be successful or that we will realize any operating efficiencies, cost savings, revenue enhancements or other benefits currently anticipated from the Peninsula Acquisition.

We expect to further incur substantial expenses related to the Peninsula Acquisition and the integration of our businesses.

We have already incurred and expect to incur further substantial expenses in connection with the Peninsula Acquisition and the integration of our businesses. There are a large number of processes, policies, procedures, operations, technologies and systems that must be integrated, including purchasing, accounting and finance, sales, payroll, pricing, marketing and benefits. While we have assumed that a certain level of expenses will be incurred, there are many factors beyond our control that could affect the total amount or the timing of the integration expenses. Moreover, many of the expenses that will be incurred are, by their nature, difficult to estimate accurately. These integration expenses likely will result in us taking significant charges against earnings, and the amount and timing of such charges are uncertain at present.

The increase in our consolidated leverage and debt service obligations as a result of the Peninsula Acquisition may adversely affect our consolidated financial condition, results of operations and earnings per share

As a result of the Peninsula Acquisition, we have a greater amount of debt on a consolidated basis than we had maintained in the past. As of December 31, 2012, our indebtedness primarily consists of \$1.47 billion in principal outstanding under our Credit Facility and \$1.3 billion aggregate principal amount of our senior and senior subordinated notes, which are the obligations of Boyd Gaming, \$854. million in principal outstanding under the Peninsula Credit Facility and \$350 million aggregate principal amount of Peninsula's senior note, and \$20.0 million outstanding under the Borgata bank credit facility and Borgata's \$791.5 million aggregate outstanding principal amount of senior secured notes which are the obligations of Borgata. Our maintenance of higher levels of indebtedness could have adverse consequences including impairing our ability to obtain additional financing in the future.

Our ability to meet our expenses and debt obligations will depend on our future performance, which will be affected by financial, business, economic, regulatory and other factors. Furthermore, our operations may not generate sufficient cash flows to enable us to meet our expenses and service our debt. As a result, we may need to enter into new financing arrangements to obtain the necessary funds. If we determine that it is necessary to seek additional funding for any reason, we may not be able to obtain such funding or, if funding is available, obtain it on acceptable terms. If we fail to make a payment on our debt, we could be in default on such debt, and this default could cause us to be in default on our other outstanding indebtedness.

The terms of the Peninsula Gaming indebtedness limit payment of dividends (other than tax distributions), distributions and management fees from Peninsula Gaming to HoldCo. The HoldCo Note imposes limitations on HoldCo and on Peninsula Gaming and Peninsula Gaming's subsidiaries with respect to (i) incurrence of indebtedness, (ii) liens, (iii) consolidations and mergers, (iv) sales and other dispositions of assets and (v) restricted payments, including investments. Subject to certain exceptions, we may be required to repay the amounts outstanding under the HoldCo Note in connection with certain assets sales by Peninsula Gaming or upon a change of control.

Certain of our stockholders own large interests in our capital stock and may significantly influence our affairs.

William S. Boyd, our Executive Chairman of the Board of Directors, together with his immediate family, beneficially owned approximately 37% of our outstanding shares of common stock as of December 31, 2012. As such, the Boyd family has the ability to significantly influence our affairs, including the election of members of our Board of Directors and, except as otherwise provided by law, approving or disapproving other matters submitted to a vote of our stockholders, including a merger, consolidation, or sale of assets.

USE OF PROCEEDS

We are making the exchange offer to satisfy our obligations under the registration rights agreement. We will not receive any cash proceeds from the exchange of the exchange notes for the old notes pursuant to the exchange offer. In consideration of issuing the exchange notes in the exchange offer, we will receive an equal principal amount of old notes. We will cancel and retire all old notes surrendered in exchange for exchange notes. As a result, the issuance of the exchange notes will not result in any increase or decrease in our indebtedness.

We received approximately \$340 million in net proceeds from the offering of old notes, after deducting selling and offering expenses, which we used to repay outstanding indebtedness under the revolving portion of our Credit Facility.

DESCRIPTION OF OTHER INDEBTEDNESS

The following is a summary of certain of our, PGL's and Borgata's indebtedness that is outstanding. To the extent such summary contains descriptions of our, PGL's or Borgata's specific debt instruments, such descriptions do not purport to be complete and are qualified in their entirety by reference to those and related documents, copies of which have been filed with the SEC and which we will provide you upon request. See the sections entitled "Incorporation of Certain Documents by Reference" and "Where You Can Find Additional Information."

Credit Facility

On December 17, 2010, we entered into the Credit Facility to, among other things, (i) reduce the aggregate commitments under the former credit facility and (ii) permit consenting lenders to extend the maturity date of their commitments, new lenders to issue revolving commitments and term loans and existing lenders to increase their commitments (each, an "Extending Lender"), in each case, with a maturity date five years from the restatement effective date. All capitalized terms in this section not otherwise defined in this prospectus have the meanings ascribed to such terms in the Credit Facility.

Each of the Extending Lenders permanently reduced their commitments under the Credit Facility by up to 50% of the amount thereof. As a result, the aggregate commitments under the Credit Facility were reduced from \$3.0 billion to approximately \$2.0 billion (including \$500.0 million of term loans). Such commitments included approximately \$549.0 million of revolving commitments with a maturity date in May 2012.

In November 2011, we exercised \$350.0 million of the \$500.0 million increase option under our Credit Facility through the Increased Term Loan. In connection with the Increased Term Loan all outstanding non-extending revolving loans were repaid, and all non-extending commitments were terminated. After giving effect to the Increased Term Loan, our Credit Facility provided a revolving facility of \$960.0 million, the original term loan, which had an outstanding principal balance of approximately \$450.0 million, and the Increased Term Loan which had an outstanding principal balance of \$332.5 million, in each case, as of December 31, 2012. On May 30, 2012, we exercised the remaining \$150.0 million increase option under our Credit Facility and on June 8, 2012, we permanently reduced \$150.0 million of revolving commitments under our Credit Facility, resulting in aggregate revolving commitments under our Credit Facility of \$960.0 million.

Pursuant to the terms of the Credit Facility, the term loans amortize in an annual amount equal to 5% of the original principal amount thereof, payable on a quarterly basis. Amortization on the original term loan commenced on March 31, 2011; amortization on the Increased Term Loan commenced on March 31, 2012.

The interest rate per annum applicable to revolving and term loans under the Credit Facility are based upon, at our option, LIBOR or the "base rate," plus an applicable margin in either case. The "base rate" under the Credit Facility is the highest of (x) Bank of America's publicly-announced prime rate, (y) the federal funds rate plus 0.50%, or (z) (i) with respect to the revolving facility and the original term loan, the Eurodollar rate for a one month period plus 1.00%, and (ii) with respect to the Increased Term Loan, the "effective Eurodollar rate." The "effective Eurodollar rate" is defined as the greater of (x) the Eurodollar Rate in effect for such Eurodollar rate loan under the Credit Facility and (y) 1.25% for any interest period.

The applicable margin on the outstanding balance on the revolving facility and the original term loan under the Credit Facility is a percentage per annum determined in accordance with a specified pricing grid based on the total leverage ratio which ranges from 2.50% to 3.50% (if using the Eurodollar rate), and from 1.50% to 2.50% (if using the base rate). The applicable margin on the outstanding balance of the Increased Term Loan is (a) 4.75% if and to the extent the Increased Term Loan is a Eurodollar rate loan and (b) 3.75% if and to the extent the Increased Term Loan is a base rate loan.

Table of Contents

A fee of a percentage per annum (which ranges from 0.250% to 0.500%) determined by the level of the Total Leverage Ratio is payable on the unused portions of the revolving facility.

Letter of credit fees of a percentage per annum (which ranges from 0.125% to 0.500%) determined by the level of the Total Leverage Ratio are payable with respect to the maximum amount available to be drawn under letters of credit.

Subject to certain conditions and exceptions, amounts outstanding under the Credit Facility may be prepaid without premium or penalty, and the unutilized portion of any of the commitments may be terminated without penalty.

The blended interest rate for outstanding borrowings under our Credit Facility was 4.2% at December 31, 2012. At December 31, 2012, approximately \$1.47 billion was outstanding under our Credit Facility, with \$14.5 million allocated to support various letters of credit, leaving unfunded revolving commitments of approximately \$253.1 million.

Our obligations under the Credit Facility, subject to certain exceptions, are guaranteed by certain of our subsidiaries and are secured by the capital stock of certain subsidiaries. In addition, subject to certain exceptions, we and each of the guarantors granted the administrative agent first priority liens and security interests on substantially all of our real and personal property (other than gaming licenses and subject to certain other exceptions) as additional security for the performance of the secured obligations under the Credit Facility.

On December 27, 2012, we entered into an amendment to the Credit Facility among us, certain other financial institutions and Bank of America, as administrative agent for the lenders. Such amendment: (i) decreased the minimum Interest Coverage Ratio for the fiscal quarters ending June 30, 2013 and September 30, 2013, (ii) increased the maximum Total Leverage Ratio for fiscal quarters ending December 31, 2012 and thereafter, (iii) increased the maximum Secured Leverage Ratio for fiscal quarters ending December 31, 2012 and thereafter, (iv) during the first four calendar quarters after the execution of any management agreement pursuant to which management fees are payable to us or one of our restricted subsidiaries, adjusted the calculation of Consolidated EBITDA to reflect the annualized pro forma management fees paid in cash or to be paid in cash pursuant to such agreement, (v) modified the definition of Consolidated EBITDA to exclude any non-cash income or gain and any non-cash loss, costs, and expenses resulting from earn out obligations and other contingent consideration, (vi) adjusted the calculation of Borgata EBIT such that for the fiscal quarter ended December 31, 2012 through the fiscal quarter ending September 30, 2013, Borgata EBIT is computed by including the four fiscal quarters with the highest Borgata EBIT out of the most recently ended five fiscal quarters, and (vii) modified the definition of Interest Coverage Ratio to exclude any non-cash interest expense resulting from earn out obligations and other contingent consideration.

As amended, the Credit Facility contains certain financial and other covenants, including, without limitation, various covenants (i) requiring the maintenance of a minimum Interest Coverage Ratio of 2.00 to 1.00 for the quarter ending March 31, 2013, 1.75 to 1.00 for the fiscal quarters ending June 30, 2013 and September 30, 2013, and 2.00 to 1.00 for the quarter ending December 31, 2013 and for each fiscal quarter thereafter, (ii) establishing a maximum permitted Total Leverage Ratio (discussed below), (iii) establishing a maximum permitted Secured Leverage Ratio (discussed below), (iv) imposing limitations on the incurrence of indebtedness, (v) imposing limitations on transfers, sales and other dispositions and (vi) imposing restrictions on investments, dividends and certain other payments. Subject to certain exceptions, we may be required to repay the amounts outstanding under the Credit Facility in connection with certain asset sales and issuances of certain additional secured indebtedness.

The minimum Interest Coverage Ratio is calculated as (a) twelve-month trailing Consolidated EBITDA to (b) consolidated interest expense.

Table of Contents

The maximum permitted Total Leverage Ratio is calculated as Consolidated Funded Indebtedness to twelve-month trailing Consolidated EBITDA. Presently, and through September 30, 2013, our maximum Total Leverage Ratio is set at 7.75 to 1.00. Thereafter, on a scheduled basis in 0.25 increments, the maximum ratio decreases to a low of 6.75 to 1.00 at June 30, 2015 through the duration of the term.

The maximum permitted Secured Leverage Ratio is calculated as Indebtedness secured by collateral for the Credit Facility to twelve-month trailing Consolidated EBITDA. For the quarter ending March 31, 2013, and through September 30, 2013, our maximum Secured Leverage Ratio is set at 4.50 to 1.00. Thereafter, on a scheduled basis in 0.25 increments, the maximum ratio decreases to a low of 3.50 to 1.00 at June 30, 2015 through the duration of the term.

9¹/₈% Senior Notes due December 2018

On November 10, 2010, we issued, through a private placement, \$500 million aggregate principal amount of 9¹/₈% senior notes due December 2018. The notes require semi-annual interest payments on December 1 and June 1 of each year, which commenced on June 1, 2011. The notes will mature on December 1, 2018 and are fully and unconditionally guaranteed, on a joint and several basis, by certain of our current and future domestic restricted subsidiaries. The notes contain certain restrictive covenants that, subject to exceptions and qualifications, among other things, limit our ability and the ability of our restricted subsidiaries (as defined in the indenture governing the notes) to incur additional indebtedness or liens, pay dividends or make distributions or repurchase our capital stock, make certain investments, and sell or merge with other companies.

At any time prior to December 1, 2013, we may redeem up to 35% of the aggregate principal amount of the notes at a redemption price equal to 109.125% of the principal amount thereof, plus accrued and unpaid interest, if any, up to, but excluding, the applicable redemption date, with the net cash proceeds that we raise in one or more equity offerings. In addition, prior to December 1, 2014, we may redeem the notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, up to, but excluding, the applicable redemption date, plus a make whole premium. On December 1, 2014 and thereafter, we may redeem all or a portion of the notes at redemption prices (expressed as percentages of the principal amount) ranging from 104.563% beginning December 1, 2014 to 100% beginning December 1, 2016 and thereafter, plus accrued and unpaid interest.

6.75% Senior Subordinated Notes due April 2014

On April 15, 2004, we issued \$350 million principal amount of 6.75% senior subordinated notes due April 2014. The notes require semi-annual interest payments on April 15 and October 15 of each year, through April 2014, at which time the entire principal balance becomes due and payable. The notes contain certain restrictive covenants regarding, among other things, incurrence of debt, sales of assets, mergers and consolidations, and limitations on restricted payments (as defined in the indenture governing the notes). We may redeem all or a portion of the notes at a redemption price (expressed as percentages of the principal amount) of 100.00% plus accrued and unpaid interest.

As of December 31, 2012, we had purchased and retired an aggregate \$134.3 million principal amount of our 6.75% senior subordinated notes. The total purchase price of the notes was approximately \$104.9 million resulting in a gain of approximately \$28.1 million, net of associated deferred financing fees, which is recorded on our condensed consolidated statements of operations for the respective periods in which the notes were purchased. The transactions were primarily funded by availability under our prior bank credit facility.

On March 7, 2013, we issued a notice of our election to redeem, on April 6, 2013, \$150.0 million of our outstanding 6.75% senior subordinated notes. The redemption was effected pursuant to the provisions of the Indenture, dated as of April 15, 2004 (the "6.75% Indenture"), between us and Wells Fargo Bank, National Association, as trustee, which governs the 6.75% senior subordinated notes. The trustee acted as paying agent with respect to the redemption of the 6.75% senior subordinated notes.

Table of Contents

The \$150 million of outstanding 6.75% senior subordinated notes were redeemed at a redemption price of 100% of their principal amount plus accrued and unpaid interest to the redemption date, April 6, 2013, subject to the right of holders of record on April 1, 2013 to receive accrued and unpaid interest on the redemption date. As of December 31, 2012, there was approximately \$215.7 million in aggregate principal amount outstanding of the 6.75% senior subordinated notes. The \$150 million of outstanding 6.75% senior subordinated notes were selected for redemption by The Depository Trust Company applicable procedures unless otherwise required by law or applicable stock exchange requirements. From and after April 6, 2013, interest on the 6.75% senior subordinated notes that were redeemed ceased to accrue.

7.125% Senior Subordinated Notes due February 2016

On January 30, 2006, we issued \$250 million principal amount of 7.125% senior subordinated notes due February 2016. The notes require semi-annual interest payments on February 1 and August 1 of each year, through February 2016, at which time the entire principal balance becomes due and payable. The notes contain certain restrictive covenants regarding, among other things, incurrence of debt, sales of assets, mergers and consolidations, and limitations on restricted payments (as defined in the indenture governing the notes). We may redeem all or a portion of such notes at redemption prices (expressed as percentages of the principal amount) equal to 101.188% through January 31, 2014, and thereafter at 100%, in each case plus accrued and unpaid interest.

As of December 31, 2012, we had purchased and retired an aggregate \$9.3 million principal amount of our 7.125% senior subordinated notes. The total purchase price of such notes was approximately \$7.7 million resulting in a gain of approximately \$1.4 million, net of associated deferred financing fees, which is recorded on our condensed consolidated statements of operations for the respective periods in which the notes were purchased. The transactions were primarily funded by availability under our prior bank credit facility.

Borgata bank credit facility

On August 6, 2010, MDFC closed a \$950 million debt financing, consisting of the establishment of a \$150 million payment priority secured revolving credit facility and the issuance of \$800 million of aggregate principal amount of notes. MDFC is a wholly-owned subsidiary of MDDC which develops and owns Borgata, and which is the guarantor of both the Borgata bank credit facility and the notes. The proceeds from the financing were used to (i) pay fees and expenses related to the financing; (ii) repay the former credit facility; and (iii) make a one-time distribution to Borgata's joint venture owners.

On November 11, 2011, MDFC entered into an amendment to the Borgata bank credit facility among MDFC, MDDC, certain other financial institutions and Wells Fargo Bank, National Association, as administrative agent for the lenders. Such amendment: (i) reduced the aggregate commitments under the Borgata bank credit facility to a maximum amount of \$75 million; (ii) decreased the minimum Consolidated EBITDA (as defined in the Borgata bank credit facility) to \$125 million for a trailing-twelve month period ending on the last day of a calendar quarter; (iii) eliminated the covenant requiring Borgata to have a minimum amount of cash, cash equivalents, and unused commitments; and (iv) added a covenant prohibiting Borgata from borrowing under the Borgata bank credit facility to purchase its senior secured notes at any time when the total amount outstanding under the Borgata bank credit facility is \$65 million or more.

On December 27, 2012, MDFC entered into a further amendment to the Borgata bank credit facility among MDFC, MDDC, certain other financial institutions and Wells Fargo Bank, National Association, as administrative agent for the lenders. Such amendment: (i) decreased the minimum Consolidated EBITDA to \$110.0 million for fiscal quarters ending December 31, 2012 and for each fiscal quarter thereafter, (ii) modified the definition of Consolidated EBITDA to exclude losses, charges, and expenses relating to donations made by MDFC relating to the Casino Reinvestment Development Authority, (iii) adjusted the calculation of Consolidated EBITDA such that for the fiscal quarter ended December 31, 2012 through the fiscal quarter ending

Table of Contents

September 30, 2013, Consolidated EBITDA is computed by including the four fiscal quarters with the highest Consolidated EBITDA out of the most recently ended five fiscal quarters, (iv) reduced the Aggregate Commitments to \$60.0 million, (v) modified the Use of Proceeds covenant to provide that the proceeds of revolving loans can only be used to repurchase or redeem MDFC's senior secured notes if after giving effect thereto, the aggregate amount of outstanding loans and letters of credit under the Borgata bank credit facility does not exceed \$50.0 million and (vi) added a covenant prohibiting the credit parties from repurchasing or redeeming MDFC's senior secured notes at any time unless Consolidated EBITDA was at least \$125.0 million for the most recently ended period of four consecutive fiscal quarters prior thereto.

The Borgata bank credit facility matures in August 2014. The Borgata bank credit facility is guaranteed on a senior secured basis by MDDC and any future subsidiaries of MDDC and is secured by a first priority lien on substantially all of Borgata's assets, subject to certain exceptions. The obligations under the Borgata bank credit facility have priority in payment to Borgata's senior secured notes.

Neither Boyd Gaming, nor any of its wholly-owned subsidiaries is a guarantor of the Borgata bank credit facility.

Outstanding borrowings under the Borgata bank credit facility accrue interest, at Borgata's option, based upon either: (i) the highest of (a) the agent bank's quoted prime rate, (b) the one-month Eurodollar rate plus 1.00%, or (c) the daily federal funds rate plus 1.50%, and in any event not less than 1.50% (such highest rate, the "base rate"), or (ii) the Eurodollar rate, plus with respect to each clause (i) and (ii) an applicable margin as provided in the Borgata bank credit facility. In addition, a commitment fee is incurred on the unused portion of the Borgata bank credit facility ranging from 0.50% per annum to 1.00% per annum.

At December 31, 2012, the outstanding balance under the Borgata bank credit facility was \$20.0 million, which bore an interest rate of 4.9%. Contractual availability at December 31, 2012 was \$40.0 million.

The Borgata bank credit facility, as amended, contains certain financial and other covenants, including, without limitation, (i) a minimum consolidated EBITDA (as defined in the Borgata bank credit facility) of \$110 million over each trailing twelve-month period ending on the last day of each calendar quarter; (ii) limitations on MDDC's and MDFC's ability to incur additional debt; and (iii) restrictions on Borgata's ability to pay dividends and make other distributions, make certain restricted payments, create liens, enter into transactions with affiliates, merge or consolidate, and engage in unrelated business activities.

Borgata senior secured notes

On August 6, 2010, MDFC issued \$400 million aggregate principal amount of 9 1/2% senior secured notes due in October 2015 and \$400 million aggregate principal amount of 9 7/8% senior secured notes due in August 2018 (collectively, the "Borgata Notes"). As of December 31, 2012, an aggregate principal amount of \$791.5 million of Borgata Notes were outstanding. The Borgata Notes are guaranteed on a senior secured basis by MDDC and any future subsidiaries of MDDC, and are secured by a first priority lien on substantially all of the assets of MDFC, MDDC and any future subsidiaries of MDDC, subject to certain exceptions. The Borgata Notes are redeemable at MDFC's option, subject to certain limitations, at various pre-determined redemption prices as provided by the terms of the indenture.

The indenture governing the Borgata Notes contains covenants that, subject to exceptions and qualifications specified in the indenture, among other things, limit MDFC's ability and the ability of MDDC to (i) incur additional indebtedness or liens; (ii) pay dividends or make distributions; (iii) make certain investments; (iv) sell or merge with other companies and (v) enter into certain types of transactions. Upon the occurrence of a change of control (as defined in the indenture), MDFC will be required to make an offer to repurchase the Borgata Notes at a price equal to 101% of the principal amount of the Borgata Notes, plus any accrued and unpaid interest to the date of purchase.

Neither Boyd Gaming, nor any of its wholly-owned subsidiaries is a guarantor of the Borgata Notes.

HoldCo Note

In connection with the Peninsula Acquisition, HoldCo executed and delivered the HoldCo Note in favor of PGP. The principal amount of the HoldCo Note is approximately \$147.8 million. Discount on the HoldCo Note was \$34.2 million, leaving a note payable to PGP in the amount of \$113.6 million, which is still preliminary and subject to purchase accounting adjustments. In addition, the principal amount of the HoldCo Note may be increased in 2016 if an Earnout Payment is due pursuant to the terms of the Merger Agreement.

The HoldCo Note provides for interest at a per annum rate equal to: (i) from the issue date to but excluding the first anniversary of the issue date, zero percent (0.00%), (ii) from the first anniversary of the issue date to but excluding the second anniversary of the issue date, six percent (6.00%), (iii) from the second anniversary of the issue date to but excluding the third anniversary of the issue date, eight percent (8.00%), and (iv) from and after the third anniversary of the issue date, ten percent (10.00%). At the option of HoldCo, interest may be paid in cash or paid-in-kind. Accrued but unpaid interest is added to the principal balance of the HoldCo Note semi-annually. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months. HoldCo may prepay the obligations under the HoldCo Note at any time, in whole or in part, without premium or penalty.

The HoldCo Note permits payment of, among other things (a) tax distributions and (b) management fees not in excess of 2% of the consolidated net revenue of PGL plus 5% of the consolidated EBITDA of PGL. In addition, the HoldCo Note permits restricted payments at any time when PGL's consolidated leverage ratio (as defined) is less than 5.25 to 1.00.

The HoldCo Note imposes limitations on HoldCo and on PGL and PGL's subsidiaries with respect to (i) incurrence of indebtedness, (ii) liens, (iii) consolidations and mergers, (iv) sales and other dispositions of assets and (v) restricted payments, including investments. Subject to certain exceptions, we may be required to repay the amounts outstanding under the HoldCo Note in connection with certain assets sales by PGL or upon a change of control.

Peninsula Credit Facility

On November 16, 2012, Merger Sub, our indirect wholly-owned subsidiary, entered into a Credit Agreement dated as of November 14, 2012, among Merger Sub, certain other financial institutions and Bank of America, as administrative agent, collateral agent, swing line lender, and L/C issuer. In connection with the Peninsula Acquisition, PGL expressly assumed all assets and liabilities of Merger Sub and became the borrower under the Peninsula Credit Facility.

The Peninsula Credit Facility consists of (i) the PGL Term Loan and (ii) the PGL Revolver. The PGL Term Loan was fully funded concurrently with the closing of the Peninsula Acquisition. A portion of the PGL Revolver was funded concurrently with the closing of the Peninsula Acquisition.

The Peninsula Credit Facility matures in November 2017. PGL's obligations under the Peninsula Credit Facility, subject to certain exceptions, are guaranteed by PGL's subsidiaries and are secured by the capital stock and equity interests of PGL's subsidiaries. In addition, subject to certain exceptions, PGL and each of the guarantors granted the collateral agent first priority liens and security interests on substantially all of real and personal property (other than gaming licenses and subject to certain other exceptions) of PGL and its subsidiaries as additional security for the performance of the obligations under the Peninsula Credit Facility. The obligations under the PGL Revolver rank senior in right of payment to the obligations under the PGL Term Loan.

Neither Boyd Gaming, nor any of its wholly-owned subsidiaries is a guarantor of the Peninsula Credit Facility.

The interest rate on the outstanding balance from time to time of the PGL Term Loan is based upon, at PGL's option, either: (i) the Eurodollar rate plus 4.50%, or (ii) the base rate plus 3.50%. The interest rate on the

outstanding balance from time to time of the PGL Revolver is based upon, at PGL's option, either: (i) the Eurodollar rate plus 4.00%, or (ii) the base rate plus 3.00%. In addition, PGL will incur a commitment fee on the unused portion of the Peninsula Credit Facility at a per annum rate of 0.50%.

As of December 31, 2012, the outstanding balance under the Peninsula Credit Facility was \$854.4 million, which bore an interest rate of 5.7%. Contractual availability at December 31, 2012 was \$12.7 million.

The Peninsula Credit Facility contains certain financial and other covenants, including, without limitation, (i) a minimum consolidated leverage ratio over each twelve month period ending on the last day of each fiscal quarter, (ii) a minimum consolidated interest coverage ratio as of the end of each calendar quarter, (iii) a maximum amount of capital expenditures for each fiscal year; (iv) limitations on PGL's and certain of its subsidiaries' ability to incur additional debt; and (v) restrictions on PGL's and certain of its subsidiaries' ability to pay dividends and make other distributions, make certain restricted payments, create liens, enter into transactions with affiliates, merge or consolidate, and engage in unrelated business activities, in each case, subject to certain exceptions.

PGL senior secured notes

On August 16, 2012, Merger Sub and Boyd Finance Corp. issued \$350 million aggregate principal amount of 8.375% senior notes due in 2018 (the "PGL Notes"). In connection with the Peninsula Acquisition, PGL and Peninsula Gaming Corp. ("PGC") expressly assumed all assets and liabilities of Merger Sub and Boyd Finance Corp. and succeeded Merger Sub and Boyd Finance Corp. as issuers of the PGL Notes.

As of December 31, 2012, an aggregate principal amount of \$350.0 million of the PGL Notes were outstanding. The PGL Notes are guaranteed on a senior secured basis by certain of PGL's subsidiaries, and are secured by a first priority lien on substantially all of the assets of PGL and certain of its subsidiaries, subject to certain exceptions. The PGL Notes are redeemable at PGL's and PGC's option, subject to certain limitations, at various pre-determined redemption prices as provided by the terms of the indenture.

The indenture governing the PGL Notes contains covenants that, subject to exceptions and qualifications specified in the indenture, among other things, limit PGL's ability and the ability of certain of PGL's subsidiaries to (i) incur additional indebtedness or liens; (ii) pay dividends or make distributions; (iii) make certain investments; (iv) sell or merge with other companies and (v) enter into certain types of transactions. Upon the occurrence of a change of control (as defined in the indenture), PGL and PGC will be required to make an offer to repurchase the PGL Notes at a price equal to 101% of the principal amount of the PGL Notes, plus any accrued and unpaid interest to the date of purchase.

Neither Boyd Gaming, nor any of its wholly-owned subsidiaries is a guarantor of the PGL Notes.

The estimated fair value amounts were based on quoted market prices on or about December 31, 2012, for our debt securities that are traded. For the debt securities that are not traded, fair value was based on book value due primarily to the short maturities of the debt components.

THE EXCHANGE OFFER

The following summarizes the terms of the exchange offer and certain provisions of the registration rights agreement. The summary of the registration rights agreement does not purport to be complete and reference is made to the provisions of the registration rights agreement, which has been filed as an exhibit to the registration statement of which this prospectus is a part.

Purpose of the Exchange Offer

The old notes were issued and sold in a private offering to Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, Deutsche Bank Securities Inc. and UBS Securities LLC, as the initial purchasers, on June 8, 2012. The initial purchasers subsequently sold the old notes to qualified institutional buyers, as defined in Rule 144A under the Securities Act, in reliance on Rule 144A, and outside the United States under Regulation S of the Securities Act. As a condition to the sale of the old notes, we entered into a registration rights agreement with the initial purchasers on June 8, 2012. Pursuant to the registration rights agreement, we agreed that we would, among other things:

cause to be filed an exchange offer registration statement with the SEC under the Securities Act concerning the exchange offer; and;

use commercially reasonable efforts to:

cause such registration statement to be declared effective by the SEC in accordance with the requirements of the registration rights agreement;

keep the registration statement effective until the exchange offer is consummated;

hold the exchange offer open for at least 20 business days after the date that notice of the exchange offer is mailed to holders of the old notes;

consummate the exchange offer no later than June 10, 2013; and

keep the registration statement effective for a period ending on the earlier of (i) 90 days after the registration statement is declared effective by the SEC, and (ii) the date on which a broker-dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

We are making the exchange offer to satisfy certain of our obligations under the registration rights agreement. Other than pursuant to the registration rights agreement, we are not required to file any registration statement to register any outstanding old notes. Holders of old notes who do not tender their old notes or whose old notes are tendered but not accepted in the exchange offer must rely on an exemption from the registration requirements under the securities laws, including the Securities Act, if they wish to sell their old notes. See **Risk Factors** **Risk Related to this Exchange Offer**. If you do not exchange your old notes, there will be restrictions on your ability to resell your old notes.

Resale of Exchange Notes

We are making the exchange offer in reliance on the position of the staff of the SEC as set forth in several no action letters addressed to third parties in other transactions. However, we have not sought our own no action letter and we can provide no assurance that the staff would make a similar determination with respect to the exchange offer as it has in no action letters to third parties. Based on these interpretations by the staff, we believe that the exchange notes issued in the exchange offer in exchange for old notes may be offered for resale, resold and otherwise transferred by a holder other than any holder who is a broker-dealer, without further compliance with the registration and prospectus delivery requirements of the Securities Act; provided that,

holders are acquiring the exchange notes issued in the exchange offer in the ordinary course of their business;

Table of Contents

holders are not engaged in, and do not intend to engage in, and have no arrangement or understanding with any person to participate in, a distribution of the exchange notes issued in the exchange offer; and

holders are not an affiliate of ours or any guarantor within the meaning of Rule 144 under the Securities Act.

If you are a broker-dealer, an affiliate of ours or any guarantor, or have an arrangement or understanding with any person to participate in, a distribution of the exchange notes issued in the exchange offer, you cannot rely on the position of the staff of the SEC contained in the no action letters mentioned above and must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction, unless an exemption from registration is otherwise available.

Each broker-dealer that receives exchange notes for its own account in exchange for old notes, which the broker-dealer acquired the old notes as a result of market-making activities or other trading activities, may be deemed an underwriter within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of the exchange notes. Each such broker-dealer that receives exchange notes for its own account in exchange for old notes, where the broker-dealer acquired the old notes as a result of market-making activities or other trading activities, must acknowledge, as provided in the letter of transmittal, that it will deliver a prospectus in connection with any resale of such exchange notes. For more detailed information, see Plan of Distribution. We have agreed to make available, for a period ending on the earlier of (i) 90 days from the date on which the registration statement of which this prospectus is a part is declared effective by the SEC, and (ii) the date on which a broker-dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities, a prospectus meeting the requirements of the Securities Act to any broker-dealer and any other persons with similar prospectus delivery requirements for use in connection with any resale of exchange notes. A broker-dealer or any other person that delivers such a prospectus to purchasers in connection with such resales will be subject to certain of the civil liability provisions under the Securities Act and will be bound by the provisions of the registration rights agreement (including certain indemnification rights and obligations thereunder).

In addition, to comply with the securities laws of various jurisdictions, if applicable, the exchange notes may not be offered or sold unless they have been registered or qualified for sale in the jurisdiction or an exemption from registration or qualification is available and is complied with. We have agreed, pursuant to the registration rights agreement and subject to specified limitations therein, to register or qualify the exchange notes for offer or sale under the securities or blue sky laws of the jurisdictions as any holder of the exchange notes reasonably requests.

Terms of the Exchange

We are offering to exchange, subject to the conditions described in this prospectus and in the letter of transmittal accompanying this prospectus, up to \$350.0 million aggregate principal amount of our exchange notes for \$350.0 million aggregate principal amount of our old notes.

For each old note surrendered to us pursuant to this exchange offer, the holder who surrendered such old note will receive an exchange note having a principal amount equal to that of the surrendered old note. Exchange notes may be issued in minimum denominations of \$2,000 and additional integral multiples of \$1,000 in excess of \$2,000. To be exchanged, an old note must be properly tendered and accepted. All outstanding old notes that are validly tendered and not validly withdrawn will be exchanged for respective exchange notes issued on or promptly after the expiration date of the exchange offer. Currently, there is \$350.0 million aggregate principal amount of old notes outstanding and no exchange notes outstanding.

We will accept for exchange any and all old notes that are validly tendered prior to 5:00 p.m., New York City time, on the expiration date. Tenders of old notes may be withdrawn at any time prior to 5:00 p.m., New York City time, on the expiration date. The exchange offer is not conditioned upon any minimum principal

amount of the old notes being tendered for exchange. However, the exchange offer is subject to the terms and provisions of the registration rights agreement. See Conditions to the Exchange Offer.

The exchange notes will evidence the same indebtedness as the old notes and will be entitled to the benefits of the indenture. The form and terms of the exchange notes will be substantially identical to those of the respective old notes except that the exchange notes will have been registered under the Securities Act. Therefore, the exchange notes will not be subject to certain transfer restrictions, registration rights and certain terms with respect to Applicable Interest applicable to the old notes. See Description of Exchange Notes.

Expiration Date; Extensions; Amendments

The exchange offer will expire at 5:00 p.m. New York City time, on May 24, 2013, unless we, in our sole discretion, extend the exchange offer. The time and date, as it may be extended, is referred to herein as the expiration date.

In order to extend the exchange offer, we will notify the exchange agent of any extension by oral or written notice and will make a public announcement thereof, each prior to 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date of the exchange offer.

We expressly reserve the right at our sole discretion:

to delay accepting the old notes, provided that any such delay is done in a manner consistent with Rule 14e-1(c) of the Exchange Act;

to extend the exchange offer;

to terminate the exchange offer and not accept old notes not previously accepted if any of the conditions listed under Conditions to the Exchange Offer are not satisfied or waived by us, by giving oral or written notice of such delay, extension or termination to the exchange agent; or

to amend the terms of the exchange offer in any manner.

Following the commencement of the exchange offer, we anticipate that we would only delay accepting old notes tendered in the exchange offer due to an extension of the expiration date.

We will follow any delay in acceptance, extension or termination as promptly as practicable by oral or written notice to the exchange agent. If we amend the exchange offer in a manner we determine constitutes a material change, we will promptly disclose the amendment in a prospectus supplement that we will distribute to the registered holders of the old notes. We will also extend the exchange offer for a period of at least five business days, or any longer period of time, that we determine, in accordance with applicable law, depending upon the significance of the amendment, the manner of disclosure and the expiration date of the exchange offer. In the event of a material change in the exchange offer, including the waiver of a material condition to the exchange offer, we will extend the expiration date, if necessary, so that a period of at least five business days remains in the exchange offer following notice of the material change.

Conditions to the Exchange Offer

Notwithstanding any other term of the exchange offer, we will not be required to accept for exchange, or exchange the exchange notes for, any old notes, and may terminate the exchange offer as provided in this prospectus, if, at any time before the expiration of the exchange offer, in our sole judgment, the exchange offer violates applicable law, rules or regulations or an applicable interpretation of the staff of the SEC.

If we determine in our sole discretion that any of these conditions are not satisfied, we may:

refuse to accept any old notes and return all tendered old notes to you;

Table of Contents

extend the exchange offer and retain all old notes tendered before the exchange offer expires, subject, however, to your rights to withdraw the old notes;

waive the unsatisfied conditions (to the extent we are legally permitted to do so) with respect to the exchange offer and accept all properly tendered old notes that have not been withdrawn; or

amend the terms of the exchange offer in any manner.

If the waiver or amendment constitutes a material change to the exchange offer, we will promptly disclose the waiver or amendment by means of a prospectus supplement that we will distribute to the registered holders of the old notes, and will extend the exchange offer for a period of at least five business days, or any longer period of time, that we determine, in accordance with applicable law, depending on the significance of the waiver, the manner of disclosure to the registered holders of the old notes and the expiration date of the exchange offer. In the event of a material change in the exchange offer, including the waiver of a material condition to the exchange offer, we will extend the expiration date, if necessary, so that a period of at least five business days remains in the exchange offer following notice of the material change.

The exchange offer is not conditioned upon any minimal principal amount of old notes being tendered.

Accrued Interest

Interest on the exchange notes will accrue at a rate of 9.00% per annum and will be payable semi-annually in arrears on January 1 and July 1 of each year. The first interest payment date was January 1, 2013.

Interest on the exchange notes will accrue from the date of original issuance of the corresponding old notes or, if interest has already been paid on the corresponding old notes or the exchange notes, as the case may be, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. Interest on the old notes accepted for exchange will cease to accrue on the day prior to the issuance of the exchange notes.

Procedures for Tendering Old Notes

Our acceptance of old notes tendered by a holder will constitute a binding agreement between the tendering holder and us upon the terms and subject to the conditions described in this prospectus and in the letter of transmittal accompanying this prospectus.

A holder of old notes may tender the old notes by:

properly completing and signing the letter of transmittal;

properly completing any required signature guarantees;

properly completing any other documents required by the letter of transmittal; and

delivering all of the above, together with the certificate or certificates representing the old notes being tendered, to the exchange agent at its address set forth under Exchange Agent prior to the expiration date; or

complying with all the procedures for book-entry transfer described below; or

complying with the guaranteed delivery procedures described below.

THE METHOD OF DELIVERY OF OLD NOTES, LETTERS OF TRANSMITTAL AND ALL OTHER REQUIRED DOCUMENTS IS AT THE ELECTION AND RISK OF THE HOLDERS. IF THE DELIVERY IS BY MAIL, IT IS RECOMMENDED THAT REGISTERED MAIL PROPERLY INSURED, WITH RETURN RECEIPT REQUESTED, BE USED. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ENSURE TIMELY DELIVERY. HOLDERS SHOULD NOT SEND OLD NOTES OR LETTERS OF TRANSMITTAL TO US.

Table of Contents

The signature on the letter of transmittal need not be guaranteed if:

tendered old notes are registered in the name of the signer of the letter of transmittal;

the exchange notes to be issued in exchange for the respective old notes are to be issued in the name of the holder; and

any untendered old notes are to be reissued in the name of the holder.

In any other case:

the certificates representing the tendered old notes must be properly endorsed for transfer by the registered holder or be accompanied by a properly completed bond power from the registered holder or appropriate powers of attorney, in form satisfactory to us;

the tendered old notes must be duly executed by the holder; and

signatures on the endorsement, bond power or powers of attorney must be guaranteed by a bank, broker, dealer, credit union, savings association, clearing agency or other institution, each an eligible guarantor institution that is a member of a recognized signature guarantee medallion program within the meaning of Rule 17Ad-15 under the Exchange Act.

If the exchange notes or old notes not exchanged are to be delivered to an address other than that of the registered holder appearing on the note registrar for the old notes, the signature in the letter of transmittal must be guaranteed by an eligible guarantor institution.

If the letter of transmittal or any old notes or powers of attorney are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and, unless waived by us, such persons must submit proper evidence satisfactory to us of their authority to so act.

The exchange agent will make a request within at least two (2) business days after the date of receipt of this prospectus to establish accounts with respect to the old notes at The Depository Trust Company for the purpose of facilitating the exchange offer. We refer to The Depository Trust Company in this prospectus as DTC and the book-entry transfer facility. Subject to establishing the accounts, any financial institution that is a participant in the book-entry transfer facility's system may make book-entry delivery of old notes by causing the book-entry transfer facility to transfer the old notes into the exchange agent's account with respect to the old notes in accordance with the book-entry transfer facility's procedures for the transfer. Although delivery of old notes may be effected through book-entry transfer into the exchange agent's account at the book-entry transfer facility, an appropriate letter of transmittal with any required signature guarantee and all other required documents, or an agent's message, must in each case be properly transmitted to and received or confirmed by the exchange agent at its address set forth below prior to the expiration date, or, if the guaranteed delivery procedures described below are complied with, within the time period provided under such procedures.

The exchange agent and DTC have confirmed that the exchange offer is eligible for DTC's Automated Tender Offer Program, which we refer to as ATOP. Accordingly, DTC participants may, in lieu of physically completing and signing the letter of transmittal and delivering it to the exchange agent, electronically transmit their acceptance of the exchange offer by causing DTC to transfer old notes to the exchange agent in accordance with DTC's ATOP procedures for transfer. DTC will then send an agent's message.

The term agent's message means a message which:

is transmitted by DTC;

is received by the exchange agent and forms part of the book-entry transfer;

Table of Contents

states that DTC has received an express acknowledgment from a participant in DTC that is tendering old notes which are the subject of the book-entry transfer;

states that the participant has received and agrees to be bound by all of the terms of the letter of transmittal; and

states that we may enforce the agreement against the participant.

If you beneficially own the old notes registered in the name of a broker, dealer, commercial bank, trust company or other nominee and wish to tender your beneficially owned old notes in the exchange offer, you should contact the registered holder promptly and instruct it to tender the old notes on your behalf. The beneficial owner may also obtain and include with the letter of transmittal the old notes properly endorsed for transfer by the registered holder or accompanied by a properly completed bond power from the registered holder, with signatures on the endorsement or bond power guaranteed by an eligible guarantor institution. If the beneficial owner wishes to tender directly, the beneficial owner must, prior to completing and executing the letter of transmittal and tendering the old notes, make appropriate arrangements to register ownership of the old notes in the beneficial owner's name. Beneficial owners should be aware that the transfer of registered ownership may take considerable time.

By tendering, each registered holder of old notes will represent to us that, among other things:

the exchange notes to be acquired in connection with the exchange offer by the holder and each beneficial owner of the old notes are being acquired by the holder and each beneficial owner in the ordinary course of business of the holder and each beneficial owner;

the holder and each beneficial owner are not participating, do not intend to participate, and have no arrangement or understanding with any person to participate, in the distribution of the exchange notes;

the holder and each beneficial owner acknowledge and agree that any person participating in the exchange offer for the purpose of distributing the exchange notes must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction of the exchange notes acquired by such person and cannot rely on the position of the staff of the SEC set forth in no action letters that are discussed herein under "Resale of Exchange Notes";

if the holder is a broker-dealer that acquired the old notes as a result of market-making or other trading activities, it will comply with the applicable provisions of the Securities Act and the applicable no action positions of the SEC and it will deliver a prospectus in connection with any resale of exchange notes acquired in the exchange offer;

the holder has full corporate (or similar) power and authority to transfer the old notes in exchange for the exchange notes;

the holder and each beneficial owner understand that a secondary resale transaction described above should either be exempt under the applicable securities laws or be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K of the SEC;

neither the holder nor any beneficial owner is an affiliate, as defined under Rule 144 of the Securities Act, of ours; and

in connection with a book-entry transfer, each participant will confirm that it makes the representations and warranties contained in the letter of transmittal.

Edgar Filing: BOYD TUNICA INC - Form S-4/A

All questions as to the validity, form, eligibility, including time of receipt, and acceptance of old notes tendered for exchange will be determined by us in our sole discretion, which determination will be final and binding. We reserve the absolute right to reject any and all tenders of any old notes not properly tendered or not to accept any old notes which acceptance might, in our judgment or the judgment of our counsel, be unlawful.

Table of Contents

We also reserve the absolute right to waive any defects or irregularities or conditions of the exchange offer as to any old notes either before or after the expiration date, including the right to waive the ineligibility of any holder who seeks to tender old notes in the exchange offer.

The interpretation of the terms and conditions of the exchange offer including the letter of transmittal and the instructions contained in the letter of transmittal by us will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of old notes for exchange must be cured within such reasonable period of time as we determine. Neither we, the exchange agent nor any other person has any duty to give notification of any defect or irregularity with respect to any tender of old notes for exchange, nor will any of us incur any liability for failure to give such notification.

Guaranteed Delivery Procedures

If you desire to tender your old notes, but:

your old notes are not immediately available;

you cannot deliver your old notes, the letter of transmittal or any other documents required by the letter of transmittal to the exchange agent prior to the expiration date; or

the procedures for book-entry transfer of your old notes cannot be completed prior to the expiration date;
you may effect a tender according to the guaranteed delivery procedures set forth in the letter of transmittal.

Pursuant to such procedures:

your tender of old notes must be made by or through an eligible guarantor institution and you must properly complete and duly execute a notice of guaranteed delivery (as defined in the letter of transmittal);

prior to the expiration date, the exchange agent must have received from you and the eligible guarantor institution a properly completed and duly executed notice of guaranteed delivery (by facsimile transmission, mail or hand delivery) setting forth the name and address of the holder, the certificate number or numbers of the tendered old notes, and the principal amount of tendered old notes, stating that the tender is being made thereby and guaranteeing that, within three (3) business days after the date of delivery of the notice of guaranteed delivery, the tendered old notes, a duly executed letter of transmittal and any other required documents will be deposited by the eligible guarantor institution with the exchange agent; and

such properly completed and executed documents required by the letter of transmittal and the tendered old notes in proper form for transfer (or confirmation of a book-entry transfer of such old notes into the exchange agent's account at DTC) must be received by the exchange agent within three (3) business days after the expiration date.

Any holder who wishes to tender their old notes pursuant to the guaranteed delivery procedures described above must ensure that the exchange agent receives the notice of guaranteed delivery relating to such old notes prior to 5:00 p.m., New York City time, on the expiration date.

Unless old notes being tendered by the above-described method are deposited with the exchange agent, a tender will be deemed to have been received as of the date when the tendering holder's properly completed and duly signed letter of transmittal, or a properly transmitted agent's message, accompanied by the old notes or a confirmation of book-entry transfer of the old notes into the exchange agent's account at the book-entry transfer facility is received by the exchange agent.

Table of Contents

Issuances of exchange notes in exchange for old notes tendered pursuant to a notice of guaranteed delivery will be made only against deposit of the letter of transmittal and any other required documents and the tendered old notes or a confirmation of book-entry and an agent's message.

Withdrawal Rights

Tenders of old notes may be withdrawn at any time prior to the expiration date. For a withdrawal to be effective, a written notice of withdrawal sent by telegram, facsimile transmission, with receipt confirmed by telephone, or letter must be received by the exchange agent at the address set forth in this prospectus prior to the expiration date. Any notice of withdrawal must:

specify the name of the person having tendered the old notes to be withdrawn;

identify the old notes to be withdrawn, including the certificate number or numbers and principal amount of such old notes;

specify the principal amount of old notes to be withdrawn;

include a statement that the holder is withdrawing its election to have the old notes exchanged;

be signed by the holder in the same manner as the original signature on the letter of transmittal by which the old notes were tendered or as otherwise described above, including any required signature guarantees, or be accompanied by documents of transfer sufficient to have the trustee under the indenture register the transfer of the old notes into the name of the person withdrawing the tender; and

specify the name in which any such old notes are to be registered, if different from that of the person who tendered the old notes.

The exchange agent will return the properly withdrawn old notes promptly following receipt of the notice of withdrawal. If old notes have been tendered pursuant to the procedure for book-entry transfer, any notice of withdrawal must specify the name and number of the account at the book-entry transfer facility to be credited with the withdrawn old notes or otherwise comply with the book-entry transfer facility procedure. All questions as to the validity of notices of withdrawals, including time of receipt, will be determined by us in our sole discretion and our determination will be final and binding on all parties.

Any old notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the exchange offer. Any old notes which have been tendered for exchange but which are not exchanged for any reason will be returned to the holder without cost to the holder. In the case of old notes tendered by book-entry transfer into the exchange agent's account at the book-entry transfer facility pursuant to the book-entry transfer procedures described above, the old notes will be credited to an account with the book-entry transfer facility specified by the holder. In either case, the old notes will be returned as soon as practicable after withdrawal, rejection of tender or termination of the exchange offer. Properly withdrawn old notes may be re-tendered by following one of the procedures described under Procedures for Tendering Old Notes above at any time prior to the expiration date.

If any tendered old notes are not accepted for any reason, such unaccepted old notes will be returned without expense to the tendering holder thereof as promptly as practicable after the expiration or termination of the exchange offer.

all fees and disbursements of our counsel;

all application and filing fees in connection with listing the exchange notes on a national securities exchange or automated quotation system pursuant to the requirements of the registration rights agreement; and

all fees and disbursements of our independent certified public accountants (including the expenses of any special audit and comfort letters required by or incident to such performance).

Accounting Treatment

The exchange notes will be recorded at the same carrying value as the old notes, as reflected in our accounting records on the date of the exchange. Accordingly, we will not recognize a gain or loss for accounting purposes. The expenses of the exchange offer will be amortized over the term of the exchange notes.

Consequences of Failure to Exchange

Holders of old notes who do not exchange their old notes for exchange notes pursuant to the exchange offer will continue to be subject to the restrictions on transfer of the old notes as described in the legend on the old notes. Old notes not exchanged pursuant to the exchange offer will continue to remain outstanding in accordance with their terms. In general, the old notes may not be offered or sold unless registered under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. We do not currently anticipate that we will register the old notes under the Securities Act.

Participation in the exchange offer is voluntary, and holders of old notes should carefully consider whether to participate. Holders of old notes are urged to consult their financial and tax advisors in making their own decision on what action to take. As a result of the making of, and upon acceptance for exchange of all validly tendered old notes pursuant to the terms of, this exchange offer, we will have fulfilled a covenant contained in the registration rights agreement. Holders of old notes who do not tender their old notes in the exchange offer will continue to hold the old notes and will be entitled to all the rights and limitations applicable to the old notes under the indenture, except for any rights under the registration rights agreement that by their terms terminate or cease to have further effectiveness as a result of the making of this exchange offer. All untendered old notes will continue to be subject to the restrictions on transfer described in the indenture governing the old notes. To the extent that old notes are tendered and accepted in the exchange offer, the trading market for untendered old notes could be adversely affected.

Shelf Registration Statement

If, pursuant to the terms of the registration rights agreement:

- (1) the exchange offer is not permitted by applicable law or SEC policy;
- (2) for any other reason the exchange offer is not consummated within the time period as described above under The Exchange Offer Purpose of the Exchange Offer ; or
- (3) any holder of the old notes notifies us prior to the 10th business day following consummation of the exchange offer that:
 - (a) such holder, alone or together with other holders who hold in the aggregate at least \$1.0 million in principal amount of old notes, was prohibited by applicable law or SEC policy from participating in the exchange offer;
 - (b) such holder may not resell the exchange notes to the public without delivery of a prospectus and the prospectus contained in the exchange offer registration statement may not be used for such resales by such holder; or

Table of Contents

(c) such holder is a broker-dealer who holds old notes acquired directly from us or any of our affiliates, then, upon such holder's request prior to the 10th business day following the consummation of the exchange offer,

then we shall, subject to our Suspension Rights discussed below, use commercially reasonable efforts to (i) cause to be filed a shelf registration statement covering resales of the old notes pursuant to Rule 415 under the Securities Act and (ii) cause such shelf registration statement to be declared effective by the SEC not later than June 10, 2013.

In addition, pursuant to the registration rights agreement, we are required, to use commercially reasonable efforts to keep the shelf registration statement effective for a period ranging from at least two years from the date of issuance of the old notes to less than one, depending on the circumstances, all as set forth in the registration rights agreement.

We will, in the event of the filing of such shelf registration statement, provide to each holder of old notes copies of the prospectus which is a part of the shelf registration statement, notify each such holder when the shelf registration statement has become effective and take certain other actions as are required to permit unrestricted resales of the old notes. A holder of old notes that sells its old notes pursuant to the shelf registration statement generally (1) will be required to be named as a selling security holder in the related prospectus and to deliver a prospectus to purchasers, (2) will be subject to certain of the civil liability provisions under the Securities Act in connection with such sales and (3) will be bound by the provisions of the registration rights agreement that are applicable to such a holder (including certain indemnification rights and obligations thereunder). In addition, each holder of old notes will be required to deliver information to be used in connection with the shelf registration statement and to provide comments on the shelf registration statement within the time periods set forth in the registration rights agreement to have their old notes included in the shelf registration statement and to benefit from the provisions regarding additional interest described below.

Suspension Rights

Notwithstanding any of the above, we may delay the filing or the effectiveness of the exchange offer registration statement or, if applicable, any shelf registration statement, and the related prospectus, or we may allow any such registration statements or the related prospectus, if then filed or effective, to cease to remain effective and usable, from time to time but in no event for more than 90 days in the aggregate in any six month period if (i) the board of directors of Boyd Gaming (or a committee thereof) determines in good faith that it is in the best interest of Boyd Gaming not to disclose the existence of or facts surrounding any proposed or pending material event involving Boyd Gaming or any of its affiliates, or (ii) the prospectus contained in the exchange offer registration statement or shelf registration statement, as the case may be, contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case, if Boyd Gaming determines reasonably and in good faith that compliance with the disclosure obligations of the applicable registration statement at such time would reasonably be expected to materially adversely effect Boyd Gaming or any of its affiliates, or a pending financing, acquisition, disposition, merger or other material corporate event involving Boyd Gaming or any of its affiliates (collectively, the Suspension Rights).

Upon receipt of notice from Boyd Gaming of the exercise of its Suspension Rights (a Suspension Notice), each holder of old notes agrees to discontinue disposition of the old notes pursuant to the applicable registration statement until the date on which it has received a supplemented or amended prospectus for use for such resale, or have been advised by Boyd Gaming in writing that the use of the prospectus may be resumed (such date, the Recommencement Date). If Boyd Gaming exercises its Suspension Rights, the time period during which we are required to keep effective the prospectus contained in the exchange offer registration statement for use by a broker-dealer or any shelf registration statement as described above shall be extended by the number of days equal to the number of days in the period from and including the date of delivery of the Suspension Notice to the Recommencement Date (which extension shall be the holders' sole remedy for the exercise by Boyd Gaming of its Suspension Rights).

Table of Contents

Additional Interest

Subject to the Suspension Rights, if, pursuant to the terms of the registration rights agreement, one of the following occurs (each such event is referred to as a Registration Default):

any such shelf registration statement has not been declared effective by the SEC on or prior to the applicable date specified in the registration rights agreement as described above;

we fail to consummate the exchange offer on or before June 10, 2013; or

any registration statement required by the registration rights agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for its intended purpose for a period in excess of 30 days without being succeeded immediately by a post-effective amendment to such registration statement that cures such failure that is itself declared effective; then, additional interest shall accrue on the principal amount of the old notes at a rate of 0.25% per annum during the 90-day period immediately following the occurrence of any Registration Default (provided that the additional interest may not accrue under more than one Registration Default at any one time) and shall increase by 0.25% per annum at the end of each subsequent 90-day period during which such Registration Default continues, up to a maximum additional rate of 1.00% per annum thereafter, until such Registration Default is cured.

A Registration Default shall be deemed not to have occurred and be continuing with respect to any registration statement required by the registration rights agreement if such Registration Default has occurred solely as a result of the exercise of a Suspension Right by Boyd Gaming under the registration rights agreement.

DESCRIPTION OF EXCHANGE NOTES

In this description, the term "Boyd Gaming" refers only to Boyd Gaming Corporation and not to any of its Subsidiaries or Affiliates, and "we," "our" and "us" refer to Boyd Gaming.

Boyd Gaming will issue the 9% Senior Notes due July 1, 2020 (the "exchange notes") under an indenture dated as of June 8, 2012 (the "indenture") among itself, the Guarantors and U.S. Bank National Association, as trustee (the "Trustee"). The terms of the exchange notes include those stated in the indenture and those made part of the indenture by reference to the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act").

The following description is a summary of the material provisions of the indenture. It does not restate the indenture in its entirety. We urge you to read the indenture because it, and not this description, defines your rights as Holders of the exchange notes.

You can find the definitions of certain terms used in this description under "Certain Definitions." Certain defined terms used in this description but not defined in this "Description of Exchange Notes" including under "Certain Definitions," have the meanings assigned to them in the indenture. A copy of the indenture is filed as an exhibit to the registration statement of which this prospectus is a part.

Except as otherwise indicated below, the following summary applies to both the exchange notes and the old notes. As used in this section of the prospectus, the term "notes" means both the exchange notes and the old notes, unless otherwise indicated.

The form and term of the exchange notes will be identical in all material respects to the form and term of the respective old notes, except that the exchange notes will be registered under the Securities Act, and therefore the exchange notes will not be subject to certain transfer restrictions, registration rights and certain provisions regarding additional interest applicable to the old notes prior to the consummation of the exchange offer. See "The Exchange Offer."

The registered Holder of a note will be treated as the owner of it for all purposes. Only registered Holders will have rights under the indenture.

Brief Description of the Notes

The notes:

are general unsecured obligations of Boyd Gaming;

are *pari passu* in right of payment to all existing and future senior Indebtedness of Boyd Gaming, including its obligations under the Credit Facility;

are senior in right of payment to all existing and future subordinated Indebtedness of Boyd Gaming;

are effectively junior to secured Indebtedness of Boyd Gaming to the extent of the value of the collateral securing such Indebtedness, including obligations under our existing Credit Facility secured by the Capital Stock of the Guarantors;

are unconditionally guaranteed by the Guarantors;

are structurally subordinated to all Indebtedness of Boyd Gaming's Subsidiaries that are not Guarantors; and

are subject to registration with the SEC pursuant to the registration rights agreement.

including obligations under our Credit Facility, to the extent of the value of the collateral securing such debt, and structurally subordinated to the existing and future debt and other liabilities of our subsidiaries that do not guarantee the exchange notes.

Brief Description of the Note Guarantees

The notes are guaranteed by each of the existing and, subject to compliance with applicable Gaming Laws, future Significant Subsidiaries of Boyd Gaming.

The guarantees of the notes:

are general unsecured obligations of each Guarantor;

are *pari passu* in right of payment to all existing and future senior Indebtedness of each Guarantor, including its obligations as a guarantor of the obligations under the Credit Facility;

are senior in right of payment to all existing and future subordinated Indebtedness of each Guarantor;

are effectively junior to all secured Indebtedness of each Guarantor to the extent of the value of the assets securing such Indebtedness, including obligations under our existing Credit Facility secured by the Capital Stock of the Guarantors;

are structurally subordinated to all Indebtedness of Boyd Gaming's Subsidiaries that are not Guarantors; and

are subject to release in the circumstances specified in the indenture.

The Note Guarantees are full and unconditional, joint and several obligations of the Guarantors. The obligations of each Guarantor under its Note Guarantee are subject to a net worth limitation to reduce the risk that a Note Guarantee would constitute a fraudulent conveyance under applicable law.

As of the date of this prospectus, certain of our Subsidiaries are Unrestricted Subsidiaries. Under the circumstances described below under the caption Certain Covenants Designation of Restricted and Unrestricted Subsidiaries, we are permitted to designate certain additional Subsidiaries as Unrestricted Subsidiaries. Our Unrestricted Subsidiaries will not be subject to many of the restrictive covenants in the indenture and will not guarantee the notes.

Not all of our Restricted Subsidiaries will guarantee the notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor subsidiaries, these non-guarantor subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute any of their assets to us. For the year ended December 31, 2012, our non-guarantor subsidiaries accounted for approximately \$0.1 billion, or 6.3%, of our net revenue (excluding amounts related to our non-wholly-owned subsidiaries), and at December 31, 2012, accounted for approximately \$1.7 billion, or 36.3%, of our total assets (excluding amounts related to our non-wholly-owned subsidiaries), and approximately \$1.6 billion, or 33.5%, of our total liabilities (excluding amounts related to our non-wholly-owned subsidiaries).

We and our wholly-owned subsidiaries had approximately \$4.1 billion of long-term debt as of December 31, 2012 (of which \$1.5 billion is outstanding under our Credit Facility) and which amounts include approximately \$61.6 million of current maturities of such long-term debt and exclude approximately \$14.5 million of outstanding letters of credit, in each case as of December 31, 2012). In addition, approximately \$253.1 million was available for borrowing under our Credit Facility as of December 31, 2012. All obligations under our Credit Facility would be effectively senior to the notes offered hereby to the extent of the collateral securing such facility.

HoldCo, and each of its subsidiaries, including HoldCo and PGL and its subsidiaries, will be unrestricted subsidiaries under the exchange notes. We and our restricted subsidiaries will not provide any credit support for

Table of Contents

HoldCo Note, any indebtedness of PGL or any other indebtedness of an unrestricted subsidiary. Creditors of the unrestricted subsidiaries will have no recourse to our stock or assets or to the stock or assets of any restricted subsidiary.

Principal, Maturity and Interest

Boyd Gaming will exchange the old notes, which have an aggregate principal amount of \$350.0 million, for the exchange notes. Boyd Gaming may issue additional notes under the indenture from time to time after this exchange offer. Any issuance of additional notes is subject of all of the covenants in the indenture, including the covenant described below under the caption Certain Covenants Limitation on Indebtedness. The old notes, the exchange notes and any additional notes subsequently issued under the indenture will be treated as a single class for all purposes under the indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. It is possible, however, that any such additional notes will not be treated as part of the same issue for U.S. federal income tax purposes. Boyd Gaming will issue exchange notes in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000. The exchange notes will mature on July 1, 2020.

Interest on the exchange notes will accrue at the rate of 9.00% per annum and will be payable semi-annually in arrears on January 1 and July 1. The first interest payment was on January 1, 2013. Boyd Gaming will make each interest payment to the Holders of record on the immediately preceding December 15 and June 15. Interest on overdue principal and interest and Additional Interest, if any, will accrue at a rate that is 1% higher than the then applicable interest rate on the notes. Additional Interest may accrue on the notes in certain circumstances if we do not consummate the exchange offer or shelf registration, as applicable, as provided in the registration rights agreement and if we fail to comply with certain reporting requirements.

Interest on the notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Methods of Receiving Payments on the Notes

Boyd Gaming will make, or cause to be made, payments in respect of the notes represented by the Global Notes by wire transfer of immediately available funds to the accounts specified by the Holder of the Global Notes. All other payments on notes will be made at the office or agency of the paying agent and registrar within the City and State of New York unless Boyd Gaming elects to make payments by check mailed to the Holders at their address set forth in the register of Holders. Principal and interest shall be considered paid on the date due if on such date the Trustee or paying agent holds money sufficient to pay all principal and interest then due.

Paying Agent and Registrar for the Notes

The Trustee will initially act as paying agent and registrar. Boyd Gaming may change the paying agent or registrar without prior notice to the Holders of the notes, and Boyd Gaming or any of its Subsidiaries may act as paying agent or registrar.

Transfer and Exchange

A Holder may transfer or exchange notes in accordance with the indenture. The registrar and the Trustee may require a Holder to furnish appropriate endorsements and transfer documents in connection with a transfer of notes. Holders will be required to pay all taxes due on transfer. Boyd Gaming is not required to transfer or exchange any note selected for redemption. Also, Boyd Gaming is not required to transfer or exchange any note for a period of fifteen days before a selection of notes to be redeemed.

Subsidiaries Providing Note Guarantees

The notes are guaranteed by each of the existing and, subject to compliance with applicable Gaming Laws, future Significant Subsidiaries of Boyd Gaming. The Note Guarantees are joint and several obligations of the Guarantors. The obligations of each Guarantor under its Note Guarantee contain a net worth limitation to reduce the risk that a Note Guarantee would constitute a fraudulent conveyance under applicable law. See Risk Factors Risks Related to the Exchange Offer Fraudulent transfer matters federal and state statutes allow courts, under specific circumstances, to void guarantees and require noteholders to return payments received from guarantors.

A Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than Boyd Gaming or another Guarantor, unless:

- (1) immediately after giving effect to such transaction, no Default or Event of Default exists; and
 - (2) either:
 - (a) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger unconditionally assumes all the obligations of that Guarantor under its Note Guarantee, the indenture and the registration rights agreement pursuant to a supplemental indenture satisfactory to the Trustee; or
 - (b) the Net Proceeds of such sale or other disposition are applied in accordance with the Asset Sale provisions of the indenture.
- The Note Guarantee of a Guarantor will be released:
- (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor, by way of merger, consolidation or otherwise, to a Person that is not (either before or after giving effect to such transaction) Boyd Gaming or a Restricted Subsidiary of Boyd Gaming, if the sale or other disposition does not violate the Asset Sale provisions of the indenture;
 - (2) in connection with any sale or other disposition of Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) Boyd Gaming or a Restricted Subsidiary of Boyd Gaming, if the sale or other disposition does not violate the Asset Sale provisions of the indenture and the Guarantor ceases to be a Restricted Subsidiary of Boyd Gaming as a result of the sale or other disposition;
 - (3) if Boyd Gaming designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of the indenture; or
 - (4) upon legal defeasance, covenant defeasance or satisfaction and discharge of the indenture as provided below under the captions Legal Defeasance and Covenant Defeasance and Satisfaction and Discharge.
- See Repurchase at the Option of Holders Asset Sales; Event of Loss.

Optional Redemption

At any time prior to July 1, 2015, Boyd Gaming may on any one or more occasions redeem up to 35% of the aggregate principal amount of notes issued under the indenture at a redemption price of 109.000% of the principal amount, plus accrued and unpaid interest and Additional Interest, if any, to the redemption date, with the Net Cash Proceeds of one or more Public Equity Offerings; *provided that*:

Edgar Filing: BOYD TUNICA INC - Form S-4/A

- (1) at least 65% of the aggregate principal amount of notes issued under the indenture remains outstanding immediately after the occurrence of such redemption (excluding notes held by Boyd Gaming and its Subsidiaries); and
- (2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering.

Table of Contents

At any time prior to July 1, 2016 Boyd Gaming may also redeem all or a part of the notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of notes redeemed plus the Applicable Premium as of the date of redemption, and accrued and unpaid interest and Additional Interest, if any, to the date of redemption, subject to the rights of Holders of notes on any relevant record date to receive interest due on the relevant interest payment date.

Except pursuant to the two preceding paragraphs, the notes will not be redeemable prior to July 1, 2016.

On or after July 1, 2016, Boyd Gaming may redeem all or part of the notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest, if any, on the notes redeemed, to the applicable redemption date (subject to the rights of Holders of notes on any relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on July 1 of the years indicated below:

Year	Percentage
2016	104.500%
2017	102.250%
2018 and thereafter	100.000%

Notices of redemption may be conditional.

Mandatory Redemption

Boyd Gaming is not required to make mandatory redemption or sinking fund payments with respect to the notes.

Mandatory Disposition or Redemption Pursuant to Gaming Laws

If a Holder or beneficial owner of a note is required to be licensed, qualified or found suitable under applicable Gaming Laws and is not so licensed, qualified or found suitable within any time period specified by the applicable Gaming Authority, the Holder shall be obligated, at the request of Boyd Gaming, to dispose of such Holder's notes within a time period prescribed by Boyd Gaming or such other time period prescribed by such Gaming Authority (in which event Boyd Gaming's obligation to pay any interest after the receipt of such notice shall be limited as provided in such Gaming Laws). Thereafter, Boyd Gaming shall have the right to redeem, on the date fixed by Boyd Gaming for the redemption of such notes, such Holder's notes at a redemption price equal to the lesser of (1) the lowest closing sale price of the notes on any trading day during the 120-day period ending on the date upon which Boyd Gaming shall have received notice from a Gaming Authority of such Holder's disqualification or (2) the price at which such Holder or beneficial owner acquired the notes, unless a different redemption price is required by such Gaming Authority, in which event such required price shall be the redemption price. Boyd Gaming is not required to pay or reimburse any Holder or beneficial owner of a note for the costs of licensure, qualification or finding of suitability or investigation for such licensure, qualification or finding of suitability. Any Holder or beneficial owner of a note required to be licensed, qualified or found suitable under applicable Gaming Laws must pay all investigative fees and costs of the Gaming Authorities in connection with such licensure, qualification, finding of suitability or application therefor.

Repurchase at the Option of Holders***Change of Control***

If (i) a Change of Control (if, at the Change of Control Time, the notes do not have Investment Grade Status) or (ii) a Change of Control Triggering Event (if, at the Change of Control Time, the notes have

Investment Grade Status) occurs, each Holder of notes will have the right to require Boyd Gaming to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess of \$2,000) of that Holder's notes pursuant to a Change of Control Offer on the terms set forth in the indenture. In the Change of Control Offer, Boyd Gaming will offer a Change of Control Payment in cash equal to 101% of the aggregate principal amount of notes repurchased plus accrued and unpaid interest and Additional Interest, if any, on the notes repurchased, to the date of purchase. Within 30 days following (i) any Change of Control or (ii) in the event the notes have Investment Grade Status at the earlier of the public announcement of (x) a Change of Control or (y) (if applicable) our intention to effect a Change of Control, a Change of Control Triggering Event, Boyd Gaming will mail a notice (which notice may be conditional) to each Holder stating, among other things:

- (1) that a Change of Control or Change of Control Triggering Event, as the case may be, has occurred and a Change of Control Offer is being made pursuant to the covenant entitled Repurchase at the Option of Holders Change of Control and that all notes (or portions thereof) timely tendered will be accepted for payment;
- (2) the purchase price and the Change of Control Payment Date, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the indenture and described in such notice;
- (3) that any note (or portion thereof) accepted for payment (and for which payment has been duly provided on the Change of Control Payment Date) pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;
- (4) that any notes (or portions thereof) not tendered will continue to accrue interest;
- (5) a description of the transaction or transactions constituting the Change of Control or Change of Control Triggering Event, as the case may be; and
- (6) the procedures that Holders must follow in order to tender their notes (or portions thereof) for payment and the procedures that Holders must follow in order to withdraw an election to tender notes (or portions thereof) for payment.

A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of the making of the Change of Control Offer. In addition, Boyd Gaming will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the time and otherwise in compliance with the requirements set forth in the indenture applicable to a Change of Control made by Boyd Gaming and such third party purchases all notes properly tendered and not withdrawn under such Change of Control Offer.

Boyd Gaming will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the notes as a result of a Change of Control or Change of Control Triggering Event, as the case may be. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the indenture, Boyd Gaming will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the indenture by virtue of such conflict.

On the Change of Control Payment Date, Boyd Gaming will, to the extent lawful:

- (1) accept for payment all notes or portions of notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all notes or portions of notes properly tendered; and

Table of Contents

(3) deliver or cause to be delivered to the Trustee the notes properly accepted together with an Officers Certificate stating the aggregate principal amount of notes or portions of notes being purchased by Boyd Gaming.

The paying agent will promptly mail to each Holder of notes properly tendered the Change of Control Payment for such notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new note equal in principal amount to any unpurchased portion of the notes surrendered, if any; *provided* that each new note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess of \$2,000.

The provisions described above that require Boyd Gaming to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of the indenture are applicable. Except as described above with respect to a Change of Control, the indenture does not contain provisions that permit the Holders of the notes to require that Boyd Gaming repurchase or redeem the notes in the event of a takeover, recapitalization or similar transaction.

There can be no assurance that Boyd Gaming will be able to fund any repurchase of the notes pursuant to a Change of Control Offer. Boyd Gaming's future credit facilities or other agreements relating to Indebtedness of Boyd Gaming may contain prohibitions or restrictions on Boyd Gaming's ability to effect such a repurchase. In the event a Change of Control Offer is mandated at a time when such prohibitions or restrictions are in effect, Boyd Gaming could seek the consent of its lenders to the purchase of notes or could attempt to refinance the borrowings that contain such prohibition. If Boyd Gaming does not obtain such a consent or repay such borrowings, Boyd Gaming will be effectively prohibited from purchasing notes. In such case, Boyd Gaming's failure to purchase tendered notes would constitute an Event of Default under the indenture. See Risk Factors Risks Related to the Exchange Notes We may not have the funds necessary to finance the repurchase of the exchange notes required by the indenture upon the occurrence of certain change of control events and asset sales.

The definition of Change of Control includes a phrase relating to the sale, lease, conveyance or other transfer of all or substantially all of the Property of Boyd Gaming, determined on a consolidated basis. Although there is a limited body of case law interpreting the phrase substantially all, there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder of notes to require Boyd Gaming to repurchase its notes as a result of a sale, lease, conveyance or other transfer of less than all of the assets of Boyd Gaming, determined on a consolidated basis, to another Person or group may be uncertain.

Prior to the occurrence of a Change of Control, the provisions under the indenture relating to Boyd Gaming's obligation to make an offer to purchase the notes as a result of a Change of Control may be waived or modified with the written consent of the holders of a majority in principal amount of the notes.

Asset Sales; Event of Loss

Other than upon an Event of Loss, Boyd Gaming shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale after the Issue Date, unless:

- (1) Boyd Gaming or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the Property subject to such Asset Sale;
 - (2) at least 75% of such consideration consists of cash, Temporary Cash Investments or any stock or assets of the kind referred to in clause (1) or
 - (3) of the definition of Additional Assets ; *provided, however*, that for purposes of this clause (2):
- (A) the assumption of Indebtedness of Boyd Gaming or a Restricted Subsidiary which is not subordinated to the notes or any Note Guarantee shall be deemed to be Temporary Cash Investments if Boyd Gaming, such Restricted Subsidiary and all other Restricted Subsidiaries of Boyd Gaming, to the

Table of Contents

extent any of the foregoing are liable with respect to such Indebtedness, are expressly released from all liability for such Indebtedness by the holder thereof in connection with such Asset Sale;

(B) any securities or notes received by Boyd Gaming or such Restricted Subsidiary, as the case may be, from such transferee that are converted by Boyd Gaming or such Restricted Subsidiary into cash or Temporary Cash Investments within 30 days of the date of such Asset Sale shall be deemed to be Temporary Cash Investments; and

(C) Boyd Gaming and its Restricted Subsidiaries may receive consideration in the form of securities exceeding 25% of the consideration for one or more Asset Sales so long as Boyd Gaming and its Restricted Subsidiaries do not hold such securities having an aggregate Fair Market Value in excess of \$100.0 million at any time outstanding; and

(3) no Default or Event of Default shall have occurred and be continuing at the time of, or would occur after giving effect, on a pro forma basis, to, such Asset Sale.

The definition of Asset Sale and Event of Loss each exclude any single transaction or series of related transactions that involve assets having a Fair Market Value of \$100.0 million or less and therefore Boyd Gaming and its Restricted Subsidiaries may dispose of assets or suffer an Event of Loss with significant value without restrictions under this covenant.

Upon an Event of Loss incurred by Boyd Gaming or any of its Restricted Subsidiaries, the Net Proceeds received from such Event of Loss shall be applied in the same manner as proceeds from Asset Sales described below and pursuant to the procedures set forth below.

Within 360 days after the receipt of the Net Proceeds of an Asset Sale or Event of Loss, an amount equal to 100% of the Net Proceeds from such Asset Sale or Event of Loss may be applied by Boyd Gaming or a Restricted Subsidiary:

(1) to permanently repay, redeem or repurchase senior Indebtedness of Boyd Gaming or any Guarantor, including Indebtedness under the Credit Facility or the notes; or

(2) to reinvest in Additional Assets (including by means of an Investment in Additional Assets by a Restricted Subsidiary with Net Proceeds received by Boyd Gaming or another Restricted Subsidiary);

provided, however, that if Boyd Gaming or any Restricted Subsidiary contractually commits within such 360-day period to apply such Net Proceeds within 180 days of such contractual commitment in accordance with the above clause (1) or (2), and such Net Proceeds are subsequently applied as contemplated in such contractual commitment, then the requirement for application of Net Proceeds set forth in this paragraph shall be considered satisfied.

Any Net Proceeds from an Asset Sale or Event of Loss that are not used in accordance with the preceding paragraph shall constitute Excess Proceeds. When the aggregate amount of Excess Proceeds exceeds \$100.0 million, Boyd Gaming shall make an offer to purchase (the Prepayment Offer), on a pro rata basis, from all Holders of the notes, and, at the election of Boyd Gaming, the holders of any other outstanding Pari Passu Indebtedness containing comparable repurchase rights, an aggregate principal amount of notes and, if applicable, such other Pari Passu Indebtedness equal to the Excess Proceeds, at a price in cash at least equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, in accordance with the procedures summarized herein and set forth in the indenture. To the extent that any portion of the Excess Proceeds remains after compliance with the preceding sentence and *provided* that all Holders have been given the opportunity to tender the notes for repurchase in accordance with the indenture, Boyd Gaming or such Restricted Subsidiary may use such remaining amount for general corporate purposes or the repurchase of Indebtedness subordinated in right of payment to the notes or the Note Guarantee if required to be repurchased pursuant to their respective terms and the amount of Excess Proceeds shall be reset to zero. Pending application of Net

Proceeds pursuant to clauses (1) and (2) above, such Net Proceeds will be invested in Temporary Cash Investments or used to temporarily repay Pari Passu Indebtedness that is revolving Indebtedness.

Within 15 Business Days after the amount of Excess Proceeds exceeds \$100.0 million, Boyd Gaming shall send a prepayment offer notice, by first-class mail, to the Holders, accompanied by such information regarding Boyd Gaming and its Subsidiaries as Boyd Gaming in good faith believes will enable such Holders to make an informed decision with respect to the Prepayment Offer. The prepayment offer notice will state, among other things:

- (1) that Boyd Gaming is offering to purchase notes pursuant to the provisions of the indenture described herein;
- (2) that any note (or any portion thereof) accepted for payment (and for which payment has been duly provided on the purchase date) pursuant to the Prepayment Offer shall cease to accrue interest after the purchase date;
- (3) the purchase price and purchase date, which shall be, subject to any contrary requirements of applicable law, no less than 30 days nor more than 60 days from the date the prepayment offer notice is mailed;
- (4) the aggregate principal amount of notes (or portions thereof) to be purchased;
- (5) a description of any conditions to such Prepayment Offer; and
- (6) a description of the procedure which Holders must follow in order to tender their notes (or portions thereof) and the procedures that Holders must follow in order to withdraw an election to tender their notes (or portions thereof) for payment.

Future credit agreements or other agreements relating to Indebtedness of Boyd Gaming may contain prohibitions or restrictions on Boyd Gaming's ability to effect a Prepayment Offer. If Boyd Gaming is required to make a Prepayment Offer at a time when any such prohibitions or restrictions are in effect, Boyd Gaming could seek the consent of its lenders to the purchase of notes or could attempt to refinance the borrowings that contain such prohibition. In such case, if Boyd Gaming does not obtain such a consent or repay such borrowings, Boyd Gaming will be effectively prohibited from purchasing notes and Boyd Gaming's failure to purchase tendered notes would constitute an Event of Default under the indenture.

Boyd Gaming will comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the purchase of notes as a result of a Prepayment Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions relating to the Prepayment Offer, Boyd Gaming will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the indenture by virtue of such conflict.

Selection and Notice

If less than all of the notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select notes to be redeemed or purchased among the holders of the notes, as applicable, that are subject to redemption or purchase, by lot unless otherwise required by law or applicable stock exchange requirements; provided that as long as DTC serves as the depository for a Global Note, any redemption shall comply with DTC's procedural requirements with respect to such note.

No notes of \$2,000 or less can be redeemed in part. Notices of redemption will be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of notes to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the notes or a satisfaction and discharge of the indenture. Notices of redemption may be conditional.

Table of Contents

If any note is to be redeemed in part only, the notice of redemption that relates to that note will state the portion of the principal amount of that note that is to be redeemed. A new note in principal amount equal to the unredeemed portion of the original note (so long as such amount is in a denomination of \$2,000 or an integral multiple of \$1,000 in excess of \$2,000) will be issued in the name of the Holder of notes upon cancellation of the original note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, unless Boyd Gaming defaults in making such redemption payment, interest ceases to accrue on notes or portions of them called for redemption.

Certain Covenants

Changes in Covenants when Notes Rated Investment Grade

Set forth below are certain covenants contained in the indenture. During any period of time that:

- (1) the notes have Investment Grade Status, and
- (2) no Default or Event of Default has occurred and is continuing under the indenture with respect to the notes,

Boyd Gaming and its Restricted Subsidiaries will not be subject to the provisions of the indenture with respect to the notes described under Repurchase at the Option of Holders Asset Sales; Event of Loss, Limitation on Indebtedness and Limitation on Restricted Payments (collectively the Suspended Covenants); *provided*, that with respect to those covenants that will remain in effect (the Effective Covenants), references in such Effective Covenants to clauses in the Suspended Covenants will be deemed to continue to exist for purposes of interpretation of the Effective Covenants.

In the event that Boyd Gaming and its Restricted Subsidiaries are not subject to the Suspended Covenants with respect to the notes for any period of time as a result of the preceding sentence and, subsequently, at least one of the two designated Rating Agencies withdraws its rating or assigns the notes a rating below the required Investment Grade Ratings, then Boyd Gaming and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants for the benefit of the notes. Calculations under the reinstated Limitation on Restricted Payments covenant will be made as if such covenant had been in effect since the date of the indenture except that no default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended.

There can be no assurance that the notes will ever achieve or maintain Investment Grade Status.

Limitation on Indebtedness

Boyd Gaming shall not, and shall not permit any Restricted Subsidiary to, Incur any Indebtedness; *provided, however*, that Boyd Gaming or any Guarantor may Incur Indebtedness if no Event of Default has occurred and is continuing and Boyd Gaming's Consolidated Fixed Charge Coverage Ratio would exceed 2.0 to 1.0, after giving effect to:

- (1) the Incurrence of such Indebtedness as if such Indebtedness was Incurred at the beginning of the Reference Period and (if applicable) the application of the net proceeds thereof to repay other Indebtedness as if the application of such proceeds occurred at the beginning of the Reference Period;
- (2) the Incurrence and retirement of any other Indebtedness since the first day of the Reference Period as if such Indebtedness was Incurred or retired at the beginning of the Reference Period; and
- (3) the acquisition or disposition of any Property or any company or business by Boyd Gaming or any Restricted Subsidiary since the first day of the Reference Period including any acquisition or disposition which will be consummated contemporaneously with the Incurrence of such Indebtedness, as if such acquisition or disposition occurred at the beginning of the Reference Period, including without limitation any net reduction of lease payments in connection with any acquisition of Property.

Table of Contents

Notwithstanding the foregoing limitation, Boyd Gaming or any Restricted Subsidiary, as specified below, may Incur the following Indebtedness:

- (1) Indebtedness of Boyd Gaming represented by the notes to be issued on the date of the indenture and of the Guarantors under the Note Guarantees and the exchange notes and related Note Guarantees, if any, that may be issued pursuant to the registration rights agreement;
- (2) Indebtedness of Boyd Gaming or any Restricted Subsidiary outstanding on the Issue Date;
- (3) Indebtedness of Boyd Gaming or any Guarantor under the Credit Facility in an aggregate amount outstanding at any time not to exceed the greater of (i)(A) \$2.2 billion unless and until the Acquisition is consummated, and (B) \$2.75 billion from and after the consummation of the Acquisition, and (ii) two times Consolidated EBITDA during the Reference Period (after giving pro forma effect to the acquisition or disposition of any company or business by the Company or any Restricted Subsidiary since the first day of the Reference Period including any acquisition or disposition which will be consummated contemporaneously with the Incurrence of Indebtedness under this clause (3), as if such acquisition or disposition occurred at the beginning of the Reference Period and excluding from such Consolidated EBITDA the amount of Consolidated EBITDA utilized on a pro forma basis to permit any Incurrence of Indebtedness under the preceding paragraph, but only to the extent that the inclusion of such Consolidated EBITDA was necessary to satisfy the 2.0 to 1.0 Consolidated Fixed Charge Coverage Ratio);
- (4) Indebtedness of Boyd Gaming or a Restricted Subsidiary owing to and held by a Restricted Subsidiary or Boyd Gaming; *provided, however*, that (A) if Boyd Gaming or any Guarantor is the obligor on such Indebtedness and the payee is not Boyd Gaming or a Guarantor, such Indebtedness must be unsecured and expressly subordinated to the prior payment in full in cash of all obligations then due with respect to the notes, in the case of Boyd Gaming, or the Notes Guarantees, in the case of a Guarantor; (B) any subsequent issuance or transfer of any Capital Stock or other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of any such Indebtedness except to Boyd Gaming or a Restricted Subsidiary shall be deemed in each case to constitute the Incurrence of such Indebtedness by the issuer thereof;
- (5) Indebtedness of Boyd Gaming or a Restricted Subsidiary under Interest Rate Agreements, *provided* that the obligations under such agreements were entered into in connection with payment obligations on Indebtedness otherwise permitted by the terms of this covenant;
- (6) Indebtedness of Boyd Gaming or a Restricted Subsidiary under Currency Exchange Protection Agreements, *provided* that such Currency Exchange Protection Agreements were entered into for the purpose of limiting exchange rate risks in connection with transactions entered into in the ordinary course of business;
- (7) Indebtedness of Boyd Gaming or any Restricted Subsidiary in connection with one or more standby letters of credit, performance bonds or completion guarantees issued in the ordinary course of business or pursuant to self-insurance obligations and not in connection with the borrowing of money or the obtaining of advances or credit;
- (8) Indebtedness of Boyd Gaming or any Restricted Subsidiary outstanding under Permitted FF&E Financings which are either:
 - (A) Non-Recourse Indebtedness of Boyd Gaming and its Restricted Subsidiaries; or
 - (B) limited in amount (including all Permitted Refinancing Indebtedness Incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness Incurred pursuant to this clause (8)(B)) for each Gaming Facility owned or leased by Boyd Gaming or any of its Restricted Subsidiaries to the lesser of:
 - (1) the amount of FF&E used in such Gaming Facility and financed by such Permitted FF&E Financing, or
 - (2) \$25.0 million;

Table of Contents

(9) So long as no Event of Default has occurred and is continuing, Indebtedness (including under the Credit Facility) of Boyd Gaming or any Restricted Subsidiary not otherwise permitted to be Incurred pursuant to the provisions of the first paragraph of this covenant or this paragraph in an aggregate amount outstanding as of the date of any Incurrence of such Indebtedness not to exceed 7.5% of Boyd Gaming's Consolidated Net Tangible Assets; or

(10) Permitted Refinancing Indebtedness Incurred by Boyd Gaming or any Restricted Subsidiary in respect of Indebtedness of Boyd Gaming or any Restricted Subsidiary outstanding pursuant to the provisions of the first paragraph of this covenant or clauses (1), (2), (8) and this clause (10) of this paragraph; *provided, however*, any such Permitted Refinancing Indebtedness may be Incurred up to 60 days prior to the repayment, repurchase or redemption of the Indebtedness being refinanced, redeemed or repaid with such Permitted Refinancing Indebtedness; *provided, further*, that prior to any repayment, repurchase or redemption of the Indebtedness being refinanced with such Permitted Refinancing Indebtedness, Boyd Gaming or the applicable Restricted Subsidiary may temporarily invest the proceeds of such Permitted Refinancing Indebtedness in Temporary Cash Investments or use the proceeds of such Permitted Refinancing Indebtedness to pay down Indebtedness under the revolving credit portion of the Credit Facility.

For purposes of determining compliance with the Limitation on Indebtedness covenant, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories described in clauses (1) through (10) above, or is entitled to be Incurred pursuant to the first paragraph of this covenant, Boyd Gaming will be permitted to (a) classify such item of Indebtedness on the date of its Incurrence in any manner that complies with this covenant and (b) divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in clauses (1) through (10) above or as Incurred pursuant to the first paragraph of this covenant. Boyd Gaming may reclassify such Indebtedness from time to time in its sole discretion and may classify any item of Indebtedness in part under one or more of the categories described in clauses (1) through (10) above and/or in part as Indebtedness entitled to be Incurred pursuant to the first paragraph of this section. Notwithstanding the foregoing, Indebtedness outstanding under Boyd Gaming's Credit Facility on the Issue Date, after giving effect to the application of the proceeds from the issuance of the old notes that were applied on the Issue Date, initially was deemed to have been Incurred on such date under clause (3) of the preceding paragraph, and may later be reclassified.

Accrual of interest, the accretion of principal amount, the payment of interest on any Indebtedness in the form of additional Indebtedness, fair value adjustments to the amount of Indebtedness and the payment of dividends in the form of additional Disqualified Stock or Preferred Stock, as applicable, in each case will not be deemed to be an Incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant. Boyd Gaming may rely on internal or publicly reported financial reports even though there may be subsequent adjustments (including review and audit adjustments) to such financial statements. For the avoidance of doubt, any Incurrence of Indebtedness which is based upon or made in reliance on a computation based on such internal or publicly reported financial statements, shall be deemed to continue to comply with the applicable covenant, notwithstanding any subsequent adjustments that may result in changes to such internal or publicly reported financial statements.

Limitation on Layered Indebtedness

Boyd Gaming will not Incur, and will not permit any Guarantor to Incur, any Indebtedness (including any Indebtedness described in clauses (1) through (10) of the second paragraph of the covenant described under the caption Limitation on Indebtedness) that is contractually subordinated in right of payment to any other Indebtedness of Boyd Gaming or such Guarantor, as applicable, unless such Indebtedness is also contractually subordinated in right of payment to the notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of Boyd Gaming or any Guarantor solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

Limitation on Restricted Payments

Boyd Gaming shall not make, and shall not permit any Restricted Subsidiary to make, any Restricted Payment if at the time of, and after giving effect to, such proposed Restricted Payment:

- (1) a Default or an Event of Default shall have occurred and be continuing;
- (2) Boyd Gaming could not Incur at least \$1.00 of additional Indebtedness pursuant to the first paragraph of the covenant described above under the caption Limitation on Indebtedness; or
- (3) the aggregate amount of such Restricted Payment and all other Restricted Payments made from and after July 22, 1997 (the amount of any Restricted Payment, if made other than in cash, to be based upon Fair Market Value) would exceed an amount equal, without duplication, to the sum of:
 - (A) 50% of the Consolidated Net Income accrued during the period (treated as one accounting period) from April 1, 1997 to the end of the most recent fiscal quarter ended immediately prior to the date of such Restricted Payment (or, in the case such Consolidated Net Income shall be a deficit, minus 100% of such deficit);
 - (B) the aggregate proceeds received by Boyd Gaming from the issue or sale of its Capital Stock (other than Disqualified Stock) subsequent to March 31, 1997 (other than an issuance or sale (i) to a Subsidiary of Boyd Gaming or an employee stock ownership plan or other trust established by Boyd Gaming or any of its Subsidiaries, (ii) pursuant to clauses (3) or (4) in the following paragraph or (iii) in connection with the acquisition of Coast Casinos, Inc.);
 - (C) the amount by which Indebtedness of Boyd Gaming or any Restricted Subsidiary is reduced on Boyd Gaming's balance sheet upon the conversion or exchange (other than an issuance or sale to a Subsidiary of Boyd Gaming or an employee stock ownership plan or other trust established by Boyd Gaming or any of its Subsidiaries) subsequent to March 31, 1997, of any Indebtedness of Boyd Gaming or any Restricted Subsidiary convertible or exchangeable for Capital Stock (other than Disqualified Stock) of Boyd Gaming (less the amount of any cash or other property distributed by Boyd Gaming or any Restricted Subsidiary upon such conversion or exchange);
 - (D) the amount equal to the net reduction in Investments that were treated as Restricted Payments subsequent to March 31, 1997 resulting from:
 - (1) payments of dividends, repayments of loans or advances or other transfers of assets to Boyd Gaming or any Restricted Subsidiary or the satisfaction or reduction (other than by means of payments by Boyd Gaming or any Restricted Subsidiary) of obligations of other Persons which have been Guaranteed by Boyd Gaming or any Restricted Subsidiary; or
 - (2) the redesignation of Unrestricted Subsidiaries as Restricted Subsidiaries, in each case such net reduction in Investments being:
 - (x) valued as provided in the definition of Investment,

 - (z) included in this clause (D) only to the extent not included in Consolidated Net Income;
 - (E) payments of dividends, repayments of loans or advances or other transfers of assets to Boyd Gaming or any Restricted Subsidiary from the Borgata Joint Venture to the extent such dividends, repayments, advances or other transfers exceed \$100.0 million; but only to the extent that any such payments are excluded from the computation of Consolidated Net Income and in an aggregate amount not in excess of the amount of Investments in the Borgata Joint Venture that were treated as Restricted Payments when made; and
 - (F) \$50 million.

- (2) the redemption or repurchase of any Capital Stock or Indebtedness of Boyd Gaming (other than any Capital Stock or Indebtedness which is held or beneficially owned by, any member of the Boyd Family, Boyd Gaming or any Affiliate of Boyd Gaming);
- (A) if the holder or beneficial owner of such Capital Stock or Indebtedness is required to qualify under the Gaming Laws and does not so qualify; or
- (B) if necessary in the reasonable, good faith judgment of the Board of Directors, as evidenced by a Board Resolution, to prevent the loss or secure the reinstatement of any Gaming License which if lost or not reinstated, as the case may be, would have a material adverse effect on the business of Boyd Gaming and its Subsidiaries, taken as a whole, or would restrict the ability of Boyd Gaming or any of its Subsidiaries to conduct business in any gaming jurisdiction;
- (3) any purchase, redemption or other acquisition or retirement of Capital Stock of Boyd Gaming made by exchange for, or out of the proceeds of the substantially concurrent sale of, Capital Stock (other than Disqualified Stock) of Boyd Gaming;

- (5) any purchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of Boyd Gaming or any Guarantor that is contractually subordinated to the notes or to any Note Guarantee from the proceeds of Permitted Refinancing Indebtedness Incurred within 60 days of such repurchase, redemption, defeasance or other acquisition or retirement of such Indebtedness;
- (6) cash payments in lieu of fractional shares issuable as dividends on Capital Stock of Boyd Gaming or any of its Restricted Subsidiaries;
- (7) the redemption or repurchase of any Capital Stock of Boyd Gaming to the extent required by a final non-appealable order or judgment entered by a court or courts of competent jurisdiction;
- (8) the purchase, redemption or other acquisition or retirement of (A) Boyd Gaming's 6.75% Senior Subordinated Notes due April 15, 2014, and (B) other Indebtedness subordinated in right of payment to the notes or any Note Guarantee in an aggregate amount not to exceed \$250.0 million for repurchases, redemptions, acquisitions and retirements pursuant to this clause (B);
- (9) so long as no Default or Event of Default has occurred and is continuing, repurchases by Boyd Gaming of its common stock or options, warrants or other securities exercisable or convertible into such common stock (excluding any debt security that is convertible into, or exercisable for, common stock) held by employees, officers, consultants or directors of Boyd Gaming or any of its direct or indirect Subsidiaries upon death, disability or termination of employment or directorship of such employees, officers, consultants or directors not to exceed \$10.0 million in the aggregate in any fiscal year, with unused amounts in any fiscal year permitted to be carried over for the two succeeding fiscal years;

The full amount of any Restricted Payments made subsequent to March 31, 1997 pursuant to clauses (1) and (2) of the preceding paragraph (but not pursuant to any other clause of the immediately preceding paragraph) shall be included in the calculation of the aggregate amount of Restricted Payments referred to under clause (3) in the first paragraph of this covenant.

Limitation on Liens

Boyd Gaming shall not, and shall not permit any Guarantor to, directly or indirectly, Incur or suffer to exist, any Lien (other than Permitted Liens) upon any of its Property, whether owned at the Issue Date or thereafter acquired, or any interest therein or any income or profits therefrom, which secures Indebtedness that ranks *pari passu* with or is subordinated to the notes unless:

(1) if such Lien secures Indebtedness that ranks *pari passu* in right of payment with the notes or any Note Guarantee, the notes or such Note Guarantee are secured on an equal and ratable basis with the obligations so secured; or

(2) if such Lien secures Indebtedness that is subordinate in right of payment to the notes or any Note Guarantee, the notes or such Note Guarantee are secured on a senior basis to the obligations so secured.

Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

Boyd Gaming shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions to Boyd Gaming or any other Restricted Subsidiary on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits;

(2) pay any Indebtedness owed to Boyd Gaming or any other Restricted Subsidiary;

(3) make loans or advances to Boyd Gaming or any other Restricted Subsidiary;

(C) customary nonassignment provisions in contracts, leases or licenses entered into in the ordinary course of business and consistent with past practices that are customary in the gaming, lodging or entertainment industry;

(D) Permitted Refinancing Indebtedness; *provided, however*, that any restrictions of the type described in clauses (1) through (4) above contained in the agreements governing such Permitted Refinancing Indebtedness are no more restrictive than those contained in the agreements governing the Indebtedness being refinanced;

Table of Contents

(E) agreements in existence with respect to a Restricted Subsidiary at the time it is so designated; *provided, however*, that such agreements are not entered into in anticipation or contemplation of such designation;

(F) provisions limiting the disposition or distribution of assets or Property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements entered into in the ordinary course of business with the approval of Boyd Gaming's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

Nothing contained in this covenant shall prevent Boyd Gaming or any Restricted Subsidiary from granting any Lien permitted by the covenant described above under the caption **Limitation on Liens**.

Limitation on Transactions with Affiliates

Boyd Gaming shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, conduct any business or enter into or suffer to exist any transaction or series of transactions (including the purchase, sale, transfer, lease or exchange of any Property, the making of any Investment, the giving of any Guarantee or the rendering or receiving of any service) with, from or for the benefit of any Affiliate, any Related Person or any officer or director of any Affiliate or a Related Person involving aggregate consideration in excess of \$25.0 million (an **Affiliate Transaction**) unless:

(1) the terms of such Affiliate Transaction are in writing, in the best interest of Boyd Gaming or such Restricted Subsidiary, as the case may be, and at least as favorable to Boyd Gaming or such Restricted Subsidiary, as the case may be, as those that could be obtained at the time of such Affiliate Transaction in a similar transaction in arm's-length dealings with a Person who is not such an Affiliate, Related Person or officer or director of an Affiliate or Related Person;

(2) with respect to each Affiliate Transaction involving aggregate payments to either party in excess of \$50.0 million, such Affiliate Transaction was approved by a majority of the disinterested members of the Board of Directors and that such Affiliate Transaction complies with clause (1); and

(3) with respect to each Affiliate Transaction involving aggregate payments in excess of \$100.0 million, Boyd Gaming delivers to the Trustee an opinion letter from an Independent Advisor to the effect that such Affiliate Transaction is fair, from a financial point of view;

provided, however, that the foregoing limitation shall not apply for so long as Boyd Gaming's common stock is listed for trading on the New York Stock Exchange or NYSE Amex Equities or is quoted on the National Association of Securities Dealers Automated Quotation System and designated as a national market system security.

Notwithstanding the foregoing limitation, Boyd Gaming or any of its Restricted Subsidiaries may enter into or suffer to exist the following:

(1) any transaction pursuant to any contract in existence on the Issue Date;

(2) any Restricted Payment permitted to be made pursuant to the covenant described above under the caption **Limitation on Restricted Payments**;

(6) any contribution of capital to any Restricted Subsidiary.

Limitation on Status as an Investment Company

Boyd Gaming shall not, and shall not permit any of its Restricted Subsidiaries to, become an investment company (as that term is defined in the Investment Company Act of 1940, as amended), to the extent such status would subject Boyd Gaming or any such Subsidiary to regulation under the Investment Company Act, except for Subsidiaries established for the purpose of financing the operating businesses of Boyd Gaming and its Subsidiaries.

Payment for Consent

Boyd Gaming will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the indenture or the notes unless such consideration is offered to be paid and is paid to all Holders of the notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Merger, Consolidation and Sale of Assets

Boyd Gaming shall not merge or consolidate with or into any other entity (other than a merger or consolidation of a Restricted Subsidiary with or into Boyd Gaming) or in one transaction or a series of related transactions sell, convey, assign, transfer, lease or otherwise dispose of all or substantially all of its Property unless:

(1) the entity formed by or surviving any such consolidation or merger (if Boyd Gaming is not the surviving entity) or the Person to which such sale, assignment, transfer, lease or conveyance is made (the "Successor"):

(A) shall be a corporation organized and existing under the laws of the United States of America or a State thereof or the District of Columbia and such corporation expressly assumes, by supplemental indenture satisfactory to the Trustee, executed and delivered to the Trustee by such corporation, the due and punctual payment of the principal, premium, if any, interest and Additional Interest, if any, on all the notes, according to their tenor, and the due and punctual performance and observance of all the covenants, conditions and obligations under the notes, the indenture and the registration rights agreement to be performed by Boyd Gaming; and

(B) the Successor shall have all Gaming Licenses required to operate all Gaming Facilities to be owned by such Successor;

(2) in the case of a sale, transfer, assignment, lease, conveyance or other disposition of all or substantially all of Boyd Gaming's Property, such Property shall have been transferred as an entirety or virtually as an entirety to one Person;

Table of Contents

(3) immediately before and after giving effect to such transaction or series of transactions on a pro forma basis, no Default or Event of Default shall have occurred and be continuing; and

(4) immediately after giving effect to such transaction or series of transactions on a pro forma basis (including, without limitation, any Indebtedness Incurred or anticipated to be Incurred in connection with such transaction or series of transactions), Boyd Gaming or the Successor, as the case may be, would be able to Incur at least \$1.00 of additional Indebtedness pursuant to the first paragraph of the covenant described above under the caption Limitation on Indebtedness.

Business Activities

Boyd Gaming will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Core Business, except to such extent as would not be material to Boyd Gaming and its Restricted Subsidiaries taken as a whole.

Additional Note Guarantees

If Boyd Gaming or any of its Restricted Subsidiaries acquires or creates a Significant Subsidiary, or any non-Guarantor Restricted Subsidiary becomes a Significant Subsidiary after the date of the indenture, then such Restricted Subsidiary shall become a Guarantor and execute a supplemental indenture and deliver an Opinion of Counsel satisfying the requirements of the indenture within 30 days following the date on which it was acquired, created or otherwise became a Significant Subsidiary (or such longer period as may be required to obtain any necessary approvals under applicable Gaming Laws or other regulatory requirements). Any Subsidiary that does not constitute a Significant Subsidiary need not become a Guarantor unless and until such time as it becomes a Significant Subsidiary. Boyd Gaming shall use reasonable commercial efforts to obtain all approvals of any Gaming Authority necessary to permit any Significant Subsidiary to become a Guarantor as promptly as practicable.

Designation of Restricted and Unrestricted Subsidiaries

The Board of Directors may designate any Restricted Subsidiary and any newly acquired or newly formed Subsidiary to be an Unrestricted Subsidiary; *provided*, that:

- (A) such designation would not cause a Default;
- (B) such Subsidiary has no Indebtedness other than Qualified Non-Recourse Debt;
- (C) such Subsidiary does not own any Capital Stock or Indebtedness of or own or hold any lien on any Property of Boyd Gaming or any other Subsidiary of Boyd Gaming that is not a Subsidiary of the Subsidiary to be so designated; and
- (D) such Subsidiary is not a Significant Subsidiary.

If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by Boyd Gaming and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under the covenant described above under the caption Limitation on Restricted Payments or under one or more clauses of the definition of Permitted Investment, as determined by Boyd Gaming. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Any designation of a Subsidiary of Boyd Gaming as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers Certificate certifying that (1) such designation complied with the preceding

Table of Contents

conditions and (2) was permitted by the covenant described above under the caption **Limitation on Restricted Payments** and giving the effective date of such designation, such filing with the Trustee to occur within 75 days after the end of the fiscal quarter of Boyd Gaming in which such designation is made (or, in the case of a designation made during the last fiscal quarter of the fiscal year, within 120 days after the end of such fiscal year). If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of the indenture and any Indebtedness of such Subsidiary will be deemed to be Incurred by a Restricted Subsidiary of Boyd Gaming as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under the covenant described under the caption **Limitation on Indebtedness**, Boyd Gaming will be in default of such covenant.

The Board of Directors may at any time designate, or redesignate, any Unrestricted Subsidiary to be a Restricted Subsidiary of Boyd Gaming; provided that such designation, or redesignation, will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of Boyd Gaming of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation, or redesignation, will only be permitted if (1) such Indebtedness is permitted under the covenant described under the caption **Limitation on Indebtedness**, calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable Reference Period and (2) no Default or Event of Default would be in existence following such designation or redesignation.

Reports

Whether or not required by the SEC, so long as any notes are outstanding, Boyd Gaming will furnish to the Trustee and the Holders of notes, within 15 days after the time periods specified in the SEC's rules and regulations:

(1) all quarterly and annual reports, including financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if Boyd Gaming were required to file such Forms, including a **Management's Discussion and Analysis of Financial Condition and Results of Operations** and, with respect to the annual information only, a report on the annual financial statements by Boyd Gaming's certified independent accountants; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if Boyd Gaming were required to file such reports.

All such reports will be prepared in all material respects in accordance with the information requirements applicable to such reports. In addition, whether or not required by the SEC, Boyd Gaming will file a copy of all of the information and reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the SEC's rules and regulations (unless the SEC will not accept such a filing) and will post the reports on its website within those time periods. If, at any time Boyd Gaming is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, Boyd Gaming will nevertheless continue filing the reports specified in the preceding paragraphs of this covenant with the SEC within the time periods specified above unless the SEC will not accept such a filing. Boyd Gaming will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept Boyd Gaming's filings for any reason, Boyd Gaming will post the reports referred to in the preceding paragraphs on its website within the time periods that would apply if Boyd Gaming were required to file those reports with the SEC.

Notwithstanding the foregoing, Boyd Gaming will be deemed to have furnished such reports referred to above to the Trustee and the Holders of the notes if Boyd Gaming has filed (or, in the case of a Form 8-K, furnished) such reports with the SEC via the EDGAR filing system and such reports are publicly available.

Events of Default and Remedies

Each of the following is an **Event of Default** :

(1) default with respect to payment of interest (including **Additional Interest**, if any) on any of the notes when it becomes due and payable, and the continuance of such default for a period of 30 days;

Table of Contents

- (2) default with respect to payment of principal or premium, if any, on any of the notes when due at maturity, upon acceleration, required purchase or otherwise;
- (3) failure by Boyd Gaming to observe, perform or comply with the covenants and agreements in the covenant described above under the caption Merger, Consolidation and Sale of Assets ;
- (4) failure by Boyd Gaming or any Guarantor to observe, perform or comply with any of the other covenants and agreements in the indenture, the notes or the Note Guarantees and such failure to observe, perform or comply continues for a period of 60 days after receipt by Boyd Gaming of a written notice from the Trustee or Holders of not less than 25% in aggregate principal amount of the notes (including any additional notes, if any) then outstanding;
- (5) Indebtedness of Boyd Gaming or any Restricted Subsidiary is not paid when due or within any applicable grace period or is accelerated by the holders thereof and, in either case, the total amount of such unpaid or accelerated Indebtedness exceeds \$50.0 million;
- (6) the entry by a court of competent jurisdiction of one or more judgments or orders against Boyd Gaming or any Restricted Subsidiary in an uninsured aggregate amount in excess of \$50.0 million and such judgment or order is not discharged, waived, stayed or satisfied for a period of 60 consecutive days;
- (7) certain events of bankruptcy, insolvency or reorganization described in the indenture affecting Boyd Gaming or any Guarantor that is a Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary;
- (8) except as permitted by the indenture, any Note Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor, or any Person controlling such Guarantor, denies or disaffirms its obligations under its Note Guarantee, and such default continues for a period of 10 days; and
- (9) any revocation, suspension or loss of any Gaming License which results in the cessation of business for a period of more than 90 consecutive days of the business of any Gaming Facility or Gaming Facilities owned, leased or operated directly or indirectly by Boyd Gaming or any of its Subsidiaries which, taken together, collectively contribute more than 10% of Boyd Gaming's Consolidated EBITDA (other than any voluntary relinquishment of a Gaming License if such relinquishment is, in the reasonable, good faith judgment of the Board of Directors, evidenced by a Board Resolution, both desirable in the conduct of the business of Boyd Gaming and its Subsidiaries, taken as a whole, and not disadvantageous in any material respect to the Holders).
- A Default under clauses (5), (6) or (9) above is not an Event of Default until the Trustee or Holders of not less than 25% in aggregate principal amount of the notes notify Boyd Gaming of the Default; *provided* that any Default under clause (5) above resulting from a default or acceleration with respect to Indebtedness will not be considered an Event of Default if such default or acceleration is cured or annulled, respectively, within 30 days of the receipt by Boyd Gaming of the abovementioned notice of Default from the Trustee or Holders of not less than 25% in aggregate principal amount of the notes.
- Boyd Gaming shall deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officers' Certificate of any Event of Default, its status and what action Boyd Gaming and/or any Guarantor is taking or proposes to take with respect thereto.
- The indenture provides that the Trustee, within 90 days after the occurrence of any continuing Default or Event of Default that is known to the Trustee, will give notice to the Holders; *provided, however*, that, except in the case of a default in payment of principal of or interest on the notes, the Trustee may withhold such notice as long as it in good faith determines that such withholding is in the interest of the Holders.
- Subject to the last paragraph of Events of Default and Remedies, the indenture provides that if an Event of Default (other than an Event of Default resulting from certain events of bankruptcy, insolvency or reorganization

Table of Contents

described in clause (7) above) shall have occurred and be continuing, the Trustee or the Holders of not less than 25% in aggregate principal amount of the notes then outstanding may accelerate the maturity of all the notes by a notice in writing to the Company (and to the Trustee, if given by the Holders) specifying the Event of Default and that it is a notice of acceleration and on the fifth business day after delivery of such notice, the principal amount, together with any accrued and unpaid interest and premium and Additional Interest, if any, on all of the notes then outstanding will become immediately due and payable. In case an Event of Default resulting from certain events of bankruptcy, insolvency or reorganization described in clause (7) above shall occur, the notes shall be due and payable immediately without any declaration or other act on the part of the Trustee or the Holders.

The Holders of a majority in aggregate principal amount of the notes then outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, subject to certain limitations specified in the indenture.

The Holders of a majority in aggregate principal amount of the then outstanding notes (including any additional notes, if any) voting in a single class by written notice to the Trustee may, on behalf of the Holders of all of the notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the indenture, if the rescission would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of principal of, premium or Additional Interest, if any, or interest on the notes.

No Holder will have any right to institute any proceeding with respect to the indenture or for any remedy thereunder, unless:

- (1) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;
- (2) Holders of at least 25% in aggregate principal amount of the notes then outstanding shall have made written request and offered reasonable indemnity to the Trustee to institute such proceeding as a trustee; and
- (3) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the notes then outstanding a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days.

However, such limitations do not apply to a suit instituted by a Holder for enforcement of payment of the principal of and premium and Additional Interest, if any, or interest on such Holder's note on or after the respective due dates expressed in such note (including in connection with an offer to purchase).

Notwithstanding any other provision of the indenture, the sole remedy for an Event of Default relating to the failure to comply with the reporting obligations described above under the heading **Reports**, and for any failure to comply with the requirements of Section 314(a) of the Trust Indenture Act, will for the 365 days after the occurrence of such an Event of Default consist exclusively of the right to receive Additional Interest on the principal amount of the notes at a rate equal to 0.50% per annum. The Additional Interest will be payable in the same manner and subject to the same terms as other interest payable under the indenture. The Additional Interest will accrue on all outstanding notes from and including the date on which an Event of Default relating to a failure to comply with the reporting obligations described above under the heading **Reports** or Section 314(a) of the Trust Indenture Act first occurs to but excluding the 365th day thereafter (or such earlier date on which the Event of Default relating to such reporting obligations is cured or waived). If the Event of Default resulting from such failure to comply with the reporting obligations is continuing on such 365th day, such Additional Interest will cease to accrue and the notes will be subject to the other remedies provided under the heading **Events of Default and Remedies**.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of Boyd Gaming or any Guarantor, as such, will have any liability for any obligations of Boyd Gaming or the Guarantors under the notes, the indenture, the Note

Table of Contents

Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of notes by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

Boyd Gaming may, at its option and at any time, elect to have all of its obligations discharged with respect to the outstanding notes and all obligations of the Guarantors discharged with respect to their Note Guarantees (Legal Defeasance) except for:

- (1) the rights of Holders of outstanding notes to receive payments in respect of the principal of, or interest, Additional Interest or premium, if any, on such notes when such payments are due from the trust referred to below;
- (2) Boyd Gaming's obligations with respect to the notes concerning issuing temporary notes, registration of notes, mutilated, destroyed, lost or stolen notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and Boyd Gaming's and the Guarantors' obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the indenture.

In addition, Boyd Gaming may, at its option and at any time, elect to have the obligations of Boyd Gaming and the Guarantors released with respect to certain covenants that are described in the indenture (Covenant Defeasance) and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events with respect to Boyd Gaming) described under Events of Default and Remedies will no longer constitute an Event of Default with respect to the notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) Boyd Gaming must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the notes, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination of cash in U.S. dollars and non-callable U.S. Government Obligations, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, interest, Additional Interest and premium, if any, on the outstanding notes on the stated maturity or on the applicable redemption date, as the case may be, and Boyd Gaming must specify whether the notes are being defeased to maturity or to a particular redemption date;
- (2) in the case of Legal Defeasance, Boyd Gaming has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that:
 - (a) Boyd Gaming has received from, or there has been published by, the Internal Revenue Service a ruling; or
 - (b) since the date of the indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders of the outstanding notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (3) in the case of Covenant Defeasance, Boyd Gaming has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding notes will not

Table of Contents

recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than the indenture) to which Boyd Gaming or any of the Guarantors is a party or by which Boyd Gaming or any of the Guarantors is bound;

(6) Boyd Gaming must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by Boyd Gaming with the intent of preferring the Holders of notes over the other creditors of Boyd Gaming with the intent of defeating, hindering, delaying or defrauding creditors of Boyd Gaming or others; and

(7) Boyd Gaming must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance, as applicable, have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next three succeeding paragraphs, the indenture, the notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the notes (including additional notes, if any) then outstanding voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, notes), and any existing default or compliance with any provision of the indenture, the notes or the Note Guarantees, may be waived with the consent of the Holders of a majority in principal amount of the then outstanding notes (including, without limitation, consents obtained in connection with a tender offer, exchange offer for, or purchase of, the notes).

Without the consent of each Holder of notes affected, an amendment, supplement or waiver may not (with respect to any notes held by a non-consenting Holder):

(1) reduce the principal amount of notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the rate of or extend the time for payment of interest on any note;

(3) reduce the principal of or extend the stated maturity of any note;

(4) reduce the premium payable upon the redemption of any note, waive a redemption payment with respect to any note or change the time at which a note may be redeemed (other than provisions relating to the covenants described above under the caption "Repurchase at the Option of Holders");

(5) impair the right of any Holder to receive payment of principal of, or interest, premium or Additional Interest, if any, on the notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's notes (except a rescission of acceleration of the notes by the Holders of at least a majority in aggregate principal amount of the then outstanding notes and a waiver of the payment default that resulted from such acceleration);

(6) make any note payable in money other than that stated in the notes;

(7) make any change in the provisions of the indenture relating to waivers of past Defaults; or

(8) make any change in the preceding amendment and waiver provisions.

Table of Contents

In addition, any amendment which releases any Guarantor from its obligations under any Note Guarantee (except as specified in the Guaranty release provisions contained in the indenture prior to any such amendment) will require the consent of the Holders of at least $66\frac{2}{3}\%$ in aggregate principal amount of the notes then outstanding.

Notwithstanding the preceding, without the consent of any Holder of notes, Boyd Gaming, the Guarantors and the Trustee may amend or supplement the indenture, the notes or the Note Guarantees to, among other things:

- (1) to cure any ambiguity, defect, mistake, omission or inconsistency;
- (2) to provide for the assumption of Boyd Gaming's or a Guarantor's obligations to Holders of notes and Note Guarantees, as applicable, in the case of a merger or consolidation or sale of all or substantially all of Boyd Gaming's or such Guarantor's assets, as applicable;
- (3) to provide for uncertificated notes in addition to or in place of certificated notes;
- (4) to add any Note Guarantees with respect to the notes and to release such Note Guarantees when required or permitted by the terms of the indenture;
- (5) to secure the notes;
- (6) to add to the covenants of Boyd Gaming or any Guarantor for the benefit of the Holders of the notes or the Note Guarantees or to surrender any right or power conferred upon Boyd Gaming or any Guarantor;
- (7) to make any change that would provide any additional rights or benefits to the Holders of notes or that does not adversely affect the legal rights under the indenture of any such Holder of notes;
- (8) to comply with requirements of the SEC in order to effect or maintain the qualification of the indenture under the Trust Indenture Act;
- (9) to conform the text of the indenture, the notes or the Note Guarantees to any provision of the description of notes contained in the original offering memorandum for the old notes to the extent that such provision in the description of notes contained therein was intended to be a verbatim recitation of a provision of the indenture, the notes or the Note Guarantee;
- (10) to provide for the issuance of additional notes in accordance with the limitations set forth in the indenture on the Issue Date; and
- (11) remove redemption provisions included in any additional notes that are no longer in effect.

The consent of the Holders of the notes is not necessary under the indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

After an amendment, supplement, or waiver of the indenture becomes effective, Boyd Gaming is required to mail to the Holders of notes affected thereby a notice briefly describing such amendment, supplement or waiver. However, the failure to give such notice to all Holders of notes, or any defect therein, will not impair or affect the validity of any such amended or supplemented indenture or waiver.

Satisfaction and Discharge

The indenture will be discharged and will cease to be of further effect as to all notes issued thereunder, when:

- (1) either:
 - (a) all notes that have been authenticated, except lost, stolen or destroyed notes that have been replaced or paid and notes for whose payment money has been deposited in trust and thereafter repaid to Boyd Gaming, have been delivered to the Trustee for cancellation; or

Table of Contents

(b) all notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and Boyd Gaming or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination of cash in U.S. dollars and non-callable U.S. Government Obligations, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest and Additional Interest, if any, to the date of maturity or redemption;

(2) other than with respect to a discharge when the notes have become due and payable, no Default or Event of Default has occurred and is continuing on the date of the deposit or will occur as a result of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Boyd Gaming or any Guarantor is a party or by which Boyd Gaming or any Guarantor is bound;

(3) Boyd Gaming or any Guarantor has paid or caused to be paid all other sums payable by it under the indenture; and

(4) Boyd Gaming has delivered irrevocable instructions to the Trustee under the indenture to apply the deposited money toward the payment of the notes at maturity or the redemption date, as the case may be.

In addition, Boyd Gaming must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the Trustee becomes a creditor of Boyd Gaming or any Guarantor, the indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign.

The Holders of a majority in principal amount of the then outstanding notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. The indenture provides that in case an Event of Default occurs and is continuing, the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request of any Holder of notes, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

Anyone who receives this prospectus may obtain a copy of the indenture without charge by writing to Boyd Gaming Corporation, 3883 Howard Hughes Parkway, 9th Floor, Las Vegas, NV 89169, Attention: General Counsel.

Book-entry, Delivery and Form

The exchange notes will be initially issued in the form of one or more notes in global form without interest coupons (the "Global Notes") registered in the name of The Depository Trust Company ("DTC") or its nominee.

Upon the issuance of a Global Note, DTC or its nominee will credit the accounts of Persons holding through it with the respective principal amounts of the notes represented by such Global Note. Ownership of beneficial

Table of Contents

interests in a Global Note will be limited to Persons that have accounts with DTC (Participants) or Persons that may hold interests through Participants. The exchange notes will be issued in registered, global form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interest in the Global Notes may not be exchanged for definitive notes in registered certificated form (Certificated Notes) except in the limited circumstances described below. See Exchange of Global Notes for Certificated Notes. Except in limited circumstances described below, owners of beneficial interests in the Global Notes will not be entitled to receive physical delivery of notes in certificated form. In addition, transfers of beneficial interest in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct and indirect participants (including, if applicable, those of Euroclear and Clearstream), which may change from time to time.

So long as the Holder of a Global Note is the registered owner of any notes, the Holder of such Global Note will be considered the sole Holder under the indenture of any notes evidenced by the Global Notes. Beneficial owners of notes evidenced by the Global Notes will not be considered the owners or Holders of the notes under the indenture for any purpose, including with respect to the giving of any directions, instructions or approvals to the Trustee thereunder. Neither Boyd Gaming nor the Trustee will have any responsibility or liability for any aspect of the records of DTC or for maintaining, supervising or reviewing any records of DTC relating to the notes.

Depository Procedures

The following description of the operations and procedures of DTC, Euroclear and Clearstream are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. Boyd Gaming takes no responsibility for these operations and procedures and urges investors to contact the system or their participants directly to discuss these matters. However, Boyd Gaming will remain responsible for any actions DTC, Euroclear and Clearstream and their respective participants take in accordance with instructions provided by Boyd Gaming.

DTC has advised Boyd Gaming that DTC is a limited-purpose trust company created to hold securities for the Participants and to facilitate the clearance and settlement of transactions in those securities between Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the underwriters), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the Indirect Participants). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised Boyd Gaming that, pursuant to procedures established by it:

- (1) upon deposit of the Global Notes, DTC will credit the accounts of Participants designated by the Initial Purchasers with portions of the principal amount of the Global Notes; and
- (2) ownership of these interests in the Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interest in the Global Notes).

Investors who are Participants in DTC's system may hold their interests therein directly through DTC. Investors who are not Participants may hold their interests therein indirectly through organizations (including Euroclear and Clearstream) which are Participants in such system. All interests in a Global Note, including those

held through Euroclear or Clearstream, may be subject to the procedures and requirements of DTC. Those interests held through Euroclear or Clearstream may also be subject to the procedures and requirements of such systems. Prospective purchasers are advised that the laws of some states require that certain Persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer beneficial interests in a Global Note to such Persons will be limited to that extent. Because DTC can act only on behalf of Participants, which in turn act on behalf of Indirect Participants, the ability of a Person having beneficial interests in a Global Note to pledge such interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Payments in respect of the principal of, and interest, Additional Interest and premium, if any, on, a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered Holder under the indenture. Under the terms of the indenture, Boyd Gaming and the Trustee will treat the Persons in whose names the notes, including the Global Notes, are registered as the owners of the notes for the purpose of receiving payments and for all other purposes. Consequently, neither Boyd Gaming, the Trustee nor any agent of Boyd Gaming or the Trustee has or will have any responsibility or liability for:

(1) any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interest in the Global Notes or for maintaining, supervising or reviewing any of DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in the Global Notes; or

(2) any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

DTC has advised Boyd Gaming that its current practice, upon receipt of any payment in respect of securities such as the notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe it will not receive payment on such payment date. Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the Participants and the Indirect Participants to the beneficial owners of notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the Trustee or Boyd Gaming. Neither Boyd Gaming nor the Trustee will be liable for any delay by DTC or any of its Participants in identifying the beneficial owners of the notes, and Boyd Gaming and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Transfers between Participants in DTC will be effected in accordance with DTC's procedures, and will be settled in same-day funds, and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures.

Cross-market transfers between the Participants in DTC, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by its respective depository; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depository to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant Global Note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised Boyd Gaming that it will take any action permitted to be taken by a Holder of notes only at the direction of one or more Participants to whose account DTC has credited the interests in the Global Notes

Table of Contents

and only in respect of such portion of the aggregate principal amount of the notes as to which such Participant or Participants has or have given such direction. However, if there is an Event of Default under the notes, DTC, Euroclear and Clearstream each reserves the right to exchange the Global Notes for legended notes in certificated form, and to distribute such notes to its Participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the Global Notes among participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform such procedures, and may discontinue such procedures at any time. Neither Boyd Gaming nor the Trustee nor any of their respective agents will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Certificated Notes

A Global Note is exchangeable for Certificated Notes if:

(1) Boyd Gaming delivers to the Trustee notice from DTC that (a) it is unwilling or unable to continue as depository for the Global Notes or (b) it has ceased to be a clearing agency registered under the Exchange Act and, in either case, Boyd Gaming fails to appoint a successor depository; or

(2) there has occurred and is continuing an Event of Default with respect to the notes;

then, upon surrender by a Holder of its Global Note, notes in such form will be issued to each Person that the Holder of the Global Note and DTC identify as being the beneficial owner of the related notes. In addition, beneficial interests in Global Notes may be exchanged for Certificated Notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the indenture. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interest in Global Notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depository (in accordance with its customary procedures).

Neither Boyd Gaming nor the Trustee will be liable for any delay by the Global Note Holder or DTC in identifying the beneficial owners of notes and Boyd Gaming and the Trustee may conclusively rely on, and will be protected in relying on, instructions from the Holder of the Global Note or DTC for all purposes.

Exchange of Certificated Notes for Global Notes

Certificated Notes may not be exchanged for beneficial interests in any Global Note unless the transferor complies with the applicable provisions in the indenture.

Same-day Settlement and Payment

Boyd Gaming will make, or cause to be made, payments in respect of the notes represented by the Global Notes (including principal, premium, if any, and interest and Additional Interest, if any) by wire transfer of immediately available funds to the accounts specified by the Holder of the Global Note. All other payments on the notes will be made at the office or agency of the paying agent and registrar within the City and State of New York unless Boyd Gaming elects to make payments by check mailed to the Holders at their address set forth in the register of Holders. The notes represented by the Global Notes are expected to be eligible to trade in DTC's Same-Day Funds Settlement System, and any permitted secondary market trading activity in such notes will, therefore, be required by DTC to be settled in immediately available funds.

Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a Participant in DTC will be credited, and any such crediting will be

reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised Boyd Gaming that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a Participant in DTC will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date.

MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of the material U.S. federal income tax consequences to a holder who exchanges old notes for exchange notes pursuant to the exchange offer. This summary is based on existing U.S. federal income tax law, which is subject to change, possibly with retroactive effect. This summary does not discuss all aspects of U.S. federal income taxation which may be important to particular investors in light of their individual investment circumstances, such as investors subject to special tax rules (e.g., financial institutions; insurance companies; broker-dealers; tax-exempt organizations; entities treated as partnerships and their partners or members; persons who hold the old notes as part of a straddle, hedge, conversion, constructive sale, or other integrated security transaction; and persons who have a functional currency other than the U.S. dollar), all of whom may be subject to tax rules that differ significantly from those summarized below. In addition, this summary does not address any state, local, foreign or non-income tax considerations. Holders are urged to consult their tax advisors regarding the U.S. federal, state, local, foreign and non-income tax consequences of the ownership and disposition of the exchange notes.

An exchange of old notes for exchange notes pursuant to the exchange offer will not be a taxable event for U.S. federal income tax purposes. Consequently, a holder of old notes will not recognize gain or loss, for U.S. federal income tax purposes, as a result of exchanging old notes for exchange notes pursuant to the exchange offer. The holding period of the exchange notes will be the same as the holding period of the old notes and the tax basis in the exchange notes will be the same as the adjusted tax basis in the old notes as determined immediately before the exchange.

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. Broker-dealers may use this prospectus, as it may be amended or supplemented from time to time, in connection with the resale of exchange notes received in exchange for old notes where the broker-dealer acquired the old notes as a result of market-making activities or other trading activities. We have agreed that, for a period ending on the earlier of (i) 90 days from the date on which the registration statement of which this prospectus is a part is declared effective, and (ii) the date on which any broker-dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities, we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale.

We will not receive any proceeds from any sale of exchange notes by broker-dealers or any other persons. Broker-dealers may sell exchange notes received by them for their own account pursuant to the exchange offer from time to time in one or more transactions:

in the over-the-counter market;

in negotiated transactions;

through the writing of options on the exchange notes; or

through a combination of the above methods of resale;

at market prices prevailing at the time of resale, at prices related to the prevailing market prices or negotiated prices. Broker-dealers may resell exchange notes directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any broker-dealer and/or the purchasers of the exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of the exchange notes may be deemed to be underwriters within the meaning of the Securities Act and any profit on any resale of exchange notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act.

We have agreed to pay certain expenses incident to the exchange offer. We also will provide indemnification against specified liabilities, including liabilities that may arise under the Securities Act, to holders of old notes in the exchange offer for exchange notes.

We have agreed to notify any broker-dealer that has requested or received copies of the prospectus in accordance with the terms of the registration rights agreement upon the happening of the following:

the registration statement for the exchange offer is filed or becomes effective;

receipt of any comments received by the SEC;

issuance of any stop order suspending the effectiveness of the registration statement;

receipt of any notice of the suspension of qualification of the exchange notes in any jurisdiction; or

Edgar Filing: BOYD TUNICA INC - Form S-4/A

any event which makes any statement in the prospectus untrue in any material respect.

We have also agreed, among other things, to furnish any such broker-dealer with a reasonable number of prospectus supplements which correct any material nonconformity with applicable requirements, use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of the registration statement and use commercially reasonable efforts to register or qualify the exchange notes under applicable securities or blue sky laws.

Schedule I (incorporated by reference).

Item 22. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: BOYD TUNICA INC - Form S-4/A

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. (d) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
