Statements in this Current Report on Form 8-K regarding the proposed transaction between Parent, Merger Sub and the Company, the expected timetable for completing the transaction, the potential benefits of the transaction, and other statements about management's future expectations, beliefs, goals, plans or prospects constitute forward looking statements. The Company has tried to identify these forward looking statements by using words such as expect, anticipate, estimate, plan, will, would, should, forecast, believe, guidance, projection or similar words are not the exclusive means for identifying such statements. The Company cautions that a number of risks, uncertainties and other important factors could cause the Company's actual results, performance and achievements to differ materially from those expressed in, or implied by, the forward-looking statements, including, without limitation, uncertainties as to the timing of the Merger; the occurrence of any event, change or other circumstances that could give rise to the termination of the agreement and plan of merger; the possibility that alternative acquisition proposals will be made; the outcome of any legal proceedings that may be instituted against the Company related to the agreement and plan of merger; the inability to complete the Merger due to the failure to obtain stockholder approval or the failure to satisfy other conditions to completion of the Merger; the failure to obtain the necessary financing arrangements set forth in the debt and equity commitment letters delivered pursuant to the agreement and plan of merger; the disruption of management's attention from the Company's ongoing business operations due to the Merger; the effect of the announcement of the Merger on the Company's relationships with its customers, operating results and business generally; the effects of local and national economic, credit and capital market conditions; and other risk factors set forth from time to time in the Company's other filings with the SEC, including the disclosures under Risk Factors in those filings. Except as expressly required by the federal securities laws, the Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, changed circumstances or future events or for any other reason.
