Item 1.01. Entry into a Material Definitive Agreement.

On January 23, 2015, Actavis plc, a company incorporated under the laws of Ireland (Parent or Actavis), and Actavis Holdings UK Limited, a company incorporated under the laws of England & Wales, an indirectly wholly-owned subsidiary of Parent (the Purchaser), entered into a Sale and Purchase Agreement (the Purchase Agreement) with Amit Patel and Meeta Patel, both residents of the United Kingdom (the Vendors). Parent entered into the Purchase Agreement as guarantor for all obligations of the Purchaser under the Purchase Agreement.

Pursuant to the Purchase Agreement, the Purchaser will acquire the entire issued share capital of Auden McKenzie Holdings Limited (the Company) (the Shares) in exchange for the following consideration:

a cash payment of £306 million, payable at completion of the purchase of the Shares (Completion), as adjusted based upon, among other things, the net working capital and net cash position of the Company and its subsidiaries at Completion; and

the potential right to receive contingent consideration payable in cash over two years from Completion based on a percentage of the gross profits of one of the Company's products, as described in the Purchase Agreement.

The Purchase Agreement contains customary warranties and covenants by the parties. The Vendors have agreed to enter into a tax covenant with respect to pre-Completion liability to tax on Completion (the Tax Covenant). The Purchaser will have recourse against a secured bank deposit of £45.9 million for breaches with a total cap on liability of £91.8 million.

Each party's obligation to complete the sale of the Shares is subject to several conditions, including clearance from relevant competition authorities. Each of the Purchaser and the Vendors have agreed to use reasonable endeavors to cause the conditions to Completion to be satisfied.

The Purchase Agreement has been approved by each of the parties thereto and no further board or shareholder approvals are necessary from any such party in order to achieve Completion.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, filed hereto as Exhibit 2.1 and incorporated herein by reference. The Purchase Agreement has been included to provide investors with information regarding its terms, however it is not intended to provide any other factual information about Parent, Purchaser, the Vendors or the Company. The Purchase Agreement contains warranties by each of Parent, the Purchaser and the Vendors which are qualified by information in confidential disclosure letters delivered in connection with signing the Purchase Agreement. Accordingly, investors should not rely on the warranties as characterizations of the actual state of facts at the time they were made or otherwise.

Item 8.01. Other Events.

On January 26, 2015, Actavis and the Company issued a joint press release announcing the execution of the Purchase Agreement. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
