Item 8.01 Other Events

On April 3, 2015, iHeartMedia, Inc. (**IHM**), our indirect parent, and certain of our subsidiaries completed the first closing of the company's previously-announced agreement with an affiliate of Vertical Bridge Holdings, LLC, for the sale of 411 of the company's broadcast communications tower sites and related assets for up to \$400 million. In connection with the first closing, the company sold 367 of its tower sites and related assets in exchange for approximately \$369 million of proceeds. Simultaneous with the first closing, the company entered into lease agreements for the continued use of the towers, pursuant to which the company will have annual lease payments of approximately \$20.8 million. This will result in a loss of annual tenant revenue of approximately \$10.7 million, a reduction of direct operating expenses of approximately \$3.3 million annually and an annual cash impact of \$28.2 million. The initial term of the leases is fifteen years followed by three additional periods of five years each, subject to exclusions and limitations. Subsequent closings will occur as and to the extent defects are cured with respect to any tower sites excluded in the first closing. Proceeds of the sale will be used for general corporate purposes.
